Annual Meeting of Stockholders
May 23, 2002

PROXY STATEMENT
Dated: April 15, 2002

INTRODUCTION

This Proxy Statement is furnished by the Board of Directors of The Swiss Helvetia Fund, Inc. (the "Fund") in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 11:30 a.m. on May 23, 2002 at The Drake Swisshotel, 440 Park Avenue, Manhattan East and West Suites, New York, New York 10022. The purpose of the Meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders. It is expected that the Notice of Annual Meeting of Stockholders, Proxy Statement and form of Proxy will first be mailed to Stockholders on or about April 15, 2002.

If your shares are held by a broker, in order for your vote to be counted with respect to Proposals 2, 3, 4, 5 and 6, you MUST SIGN AND RETURN THE PROXY CARD in the enclosed envelope. You may also vote your shares by telephone twenty four hours a day, seven days a week by following the instructions attached to your Proxy Card.

If your shares are held in your name and the accompanying form of Proxy is executed properly and returned, the shares represented by it will be voted at the Meeting in accordance with the instructions on the Proxy. However, if no instructions are specified, the shares will be voted FOR the Election of Directors and FOR Proposals 2, 3, 4, 5 and 6. A Proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund revoking it, by submitting a properly executed proxy bearing a later date, or by attending the Meeting and voting in person. Attending the Meeting will not automatically revoke a previously executed proxy. Shares represented by a Proxy marked to withhold authority to vote, and shares represented by a Proxy that indicates that the broker or nominee stockholder thereof does not have discretionary authority to vote them will be counted to determine the existence of a quorum at the Meeting and will not affect the plurality vote required for the election of directors or the votes on continuation of the By-Laws. To the extent any stockholder owns shares of the Fund in violation of applicable law, including the Investment Company Act of 1940 (the "1940 Act"), the Fund may determine that the vote attributable to such shares shall not be counted, or that such shares will not be counted for quorum purposes, or both. Under Section 12(d)(1) of the 1940 Act, the acquisition of more than 3% of the Fund's common stock by another fund (whether SEC-registered, private or offshore) is unlawful. The Fund will invalidate votes cast on behalf of any such fund or by any other stockholder whose holdings are unlawful, that are otherwise properly cast, only after it has obtained a decision through appropriate proceedings in a court or other forum of competent jurisdiction that such votes are not valid. The Fund may suspend the final counting of votes pending such a decision.

The Board of Directors has fixed the close of business on April 8, 2002 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment thereof. On that date, the

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

Fund had 23,892,709 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote at the Meeting.

Management of the Fund knows of no business other than that mentioned in the Notice of Annual Meeting of Stockholders which will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed Proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its Annual Report for its year ended December 31, 2001 and its most recent Quarterly and Semi-Annual Reports succeeding the Annual Report, if any, to any stockholder on request. Requests for these Reports should be made in writing to The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020, Attention: Rudolf Millisits, or by telephoning the Fund's toll free telephone number: 1-888-794-7700.

The Fund's investment advisor is Hottinger Capital Corp. ("HCC"), which is owned by the Hottinger Group ("Hottinger"). The executive offices of the Fund and HCC are located at 1270 Avenue of the Americas, Suite 400, New York, New York 10020. The Fund's administrator is Investment Company Capital Corp., and its executive offices are located at One South Street, Baltimore, Maryland 21202.

ELECTION OF DIRECTORS

(Proposal 1)

The Fund's Certificate of Incorporation provides for three classes of Directors with overlapping three-year terms. The number of Directors is currently nine and is divided into three classes of three Directors each. The Baron Hottinger, Didier Pineau-Valencienne and Samuel B. Witt, III, Esq. were elected as Class II Directors in 1999 to serve until this Meeting. The Class II nominees, The Baron Hottinger, Didier Pineau-Valencienne and Samuel B. Witt, III, Esq, are the only nominees to be considered for election at the Meeting and, if elected, each will serve a three-year term of office until the Annual Meeting of Stockholders in 2005, or until his respective successor shall be elected and shall qualify. The Class II nominees were first nominated by the Nominating Committee consisting of three non-interested Directors, none of whom are Class II nominees. Thereafter, the Board of Directors of the Fund, including all of the Directors of the Fund who are not "interested persons" (as defined in the 1940 Act) of the Fund or HCC, (each such Director a "Non-Interested Director"), unanimously proposed the Class II nominees for election at this Meeting.

Unless authority is withheld, it is the intention of the persons named in the accompanying form of Proxy to vote each Proxy FOR the election of the three Class II nominees of the Fund listed above. Each Class II nominee has indicated he will serve, if elected, but if any such nominee should be unable to serve, proxies will be voted for an alternate nominee, if any, designated by the Board of Directors. The Board of Directors has no reason to believe that any of the above nominees will be unable to serve as a Director. Each of the Class II nominees is currently a member of the Board of Directors.

Required Vote

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

In accordance with Delaware law and the Fund's Certificate of Incorporation and By-Laws, Directors are elected by a plurality of the votes cast at the Meeting by the stockholders entitled to vote.

Abstentions, withholding of authority and broker non-votes will not be included in determining the number of votes cast in a Director's favor. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

THE BOARD OF DIRECTORS OF THE FUND UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL 1 TO ELECT THE THREE NOMINEES AS CLASS II DIRECTORS.

Certain Information Concerning Directors and Executive Officers

The following tables set forth certain information about each person nominated by the Board for election, each person currently serving or continuing as a Director and each person who currently serves as an Executive Officer of the Fund, including his beneficial ownership of Common Stock of the Fund. All of the information is as of December 31, 2001. The information with respect to the Directors is separately stated for Directors who have been determined to be Non-Interested Directors and Directors who are interested Directors under the 1940 Act.

The Executive Officers of the Fund are elected annually by the Board of Directors at its Annual Meeting following the Annual Meeting of Stockholders.

The Board of Directors provides oversight with respect to the Fund's governance, operations, performance and stockholder relations. In that capacity the Board, directly and through standing committees, provides oversight of the Fund's Investment Advisor, HCC, the Fund's independent public auditor, Deloitte & Touche LLP, the Fund's Administrator, Investment Company Capital Corp., Fund Management and legal counsel.

10

The current Members of the Audit Committee are Messrs. Pineau-Valencienne, West and Witt. The Audit Committee makes recommendations to the full Board with respect to the engagement of the independent public auditor and reviews with the independent public auditor the plan and results of the audit engagement and such other matters as is required by the Audit Committee Charter as described below under "Report of Audit Committee". The Board of Directors, in its business judgment, has determined that all Members of the Committee are "independent", as required by the applicable listing standards of the New York Stock Exchange. The Audit Committee held five meetings during the year ended December 31, 2001. The Board of Directors also has a Discount Committee whose current members are Messrs. Gabus, Rodolphe Hottinger, Pineau-Valencienne, West and Witt. The principal function of the Discount Committee is to monitor the Fund's market discount to net asset value, to study such matters as are related to the discount and to make periodic recommendations to the Board of Directors. the year ended December 31, 2001. The Board of Directors has a Litigation Committee whose current members are Messrs. Gabus, Didier Pineau-Valencienne, West and Witt. The principal function of the Litigation Committee is to monitor litigation arising from two complaints hereinafter discussed under "Other Matters - Litigation". The Litigation Committee held six meetings during the year ended December 31, 2001. The Board of Directors also has a Nominating Committee whose current members are Messrs. Frey, Gabus and Mosseri-Marlio, each of whom is a Non-Interested Director. The principal function of the Nominating Committee is to recommend to the Board nominees for election as Directors. The Nominating Committee held one meeting during the year ended December 31, 2001. The Nominating Committee will consider nominees recommended by a stockholder if such recommendation is in writing and received by the Fund by the deadline specified below under "Stockholder Proposals" and otherwise complies with the requirements for such proposals contained in the Fund's By-laws. Any such recommendations should be submitted to: Secretary, The Swiss Helvetia Fund, Inc., 1270 Avenue of the Americas, Suite 400, New York, New York 10020. The Board of Directors does not have a Compensation Committee.

During the year ended December 31, 2001, the Board of Directors met six times, of which four were regularly scheduled meetings and two were special meetings. Each incumbent Director attended at least 75% of the aggregate of (i) the total number of Meetings of the Board of Directors and (ii) the total number of Meetings held by all Committees of the Board on which he served.

Mr. Pineau-Valencienne, a non-interested director, is Vice Chairman of Credit Suisse First Boston (Europe) Limited, an indirect subsidiary of Credit Suisse Group ("CSG"). Since November 2000, the Fund's U.S. custodian has been Swiss American Securities Inc. and its Swiss sub-custodian has been Credit Suisse First Boston, both of which are subsidiaries of CSG and which received aggregate fees of \$96,656 from the Fund in 2001. Hottinger & Cie (Zurich), the parent of the Fund's investment advisor, and certain of its affiliated companies effect brokerage transactions for managed accounts through CSG entities. The Fund has, from time to time, also effected brokerage transactions in Swiss equities through a CSG unit in Switzerland, which received brokerage compensation from the Fund of \$1,194 in 2001 and \$86,860 in 2000.

Each Non-Interested Director of the Fund or its Investment Advisor, HCC was paid a 2001 annual fee of approximately \$15,097 plus \$750 for each meeting of the Board of Directors attended and \$750 for each committee meeting attended, if held separately. The Chairman of the Audit Committee received an annual fee of approximately \$16,607 (in lieu of the approximate \$15,097 annual fee paid to other Non-Interested Directors), plus the same \$750 meeting fee paid to the other Non-Interested Directors. The annual fee of Non-Interested Directors (including the annual fee paid to the Chairman of the Audit Committee) is thereafter adjusted annually, as of each October 1, in proportion to the increase in the Consumer Price Index "All Items Price Index -- National", for the preceding twelve month period. Each Director who is a Non-Interested Director and who is a member of the Discount Committee or Litigation Committee is compensated for his work on an hourly basis at the rate of \$300 per hour, instead of the \$750 meeting fee otherwise payable to committee members for each meeting attended. Finally, the Fund reimburses such Directors for certain out-of-pocket expenses, such as travel expenses in connection with board meetings. During the year ended December 31, 2001, all incumbent Non-Interested Directors as a group received from the Fund aggregate remuneration amounting to \$308,381.25 and individual remuneration (exclusive of reimbursed expenses), as follows:

Mr. West serves as Of Counsel to such Firm. Paul R. Brenner, who serves as Counsel and Secretary to the Fund received in his capacity as Counsel to the Fund \$173,594.06 for legal services rendered and disbursements incurred during 2001. No Executive Officer of the Fund received aggregate compensation from the Fund for the most recently completed fiscal year in excess of \$60,000. Accordingly, no other persons have been included in the compensation table set forth above.

APPROVAL OF CONTINUATION OF BY-LAW AMENDMENTS

In an effort to give a greater voice to minority stockholders the Board of Directors adopted a series of amendments to the By-Laws of the Fund in May and October 2000, which are separately discussed below. The amendments set forth minimum director qualifications; limit to stockholders of record of the Fund the ability to submit proposals under the advance-notice By-Law; require that stockholders of record submitting proposals indicate whether they will solicit proxies; eliminate stockholders' ability to call a special stockholder meeting; and increased to 75% from a majority the percentage of outstanding shares required to amend the By-Laws. In furtherance of the Board's continued commitment to protect the interests of Fund stockholders, these amendments were adopted to ensure that all stockholders will receive meaningful representation in stockholder votes concerning fundamental questions of Fund governance and that Fund directors had relevant experience. Even though your Board of Directors believed it acted in the best interests of stockholders and the Fund in adopting these amendments, on May 15, 2001 the Board announced it would put these amendments to a stockholder vote at the 2002 Annual Meeting of Stockholders in

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

order to address concerns expressed by a few stockholders.

You are now being asked to vote separately "FOR" the continuation of each of the adopted By-law amendments. Each By-Law amendment is being voted on separately. If continuation of a particular amendment is not approved, the Board will repeal that amendment to the By-laws and the By-laws would thereafter revert to the form prior to such amendment.

12

Required Vote

Approval of the continuation of each By-Law amendment requires a majority of the votes cast at the Meeting by the stockholders entitled to vote. If the continuation of a By-law amendment is not approved, the Board of Directors will repeal such amendment and the By-Law would thereafter revert to its form prior to such amendment.

Abstentions and broker non-votes will not be included in determining the number of votes cast. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner. Therefore, it is essential to return your signed proxy card in the enclosed envelope in order that you vote in favor of the Fund's proposal.

THE BOARD OF DIRECTORS OF THE FUND UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSALS 2, 3, 4, 5 and 6 TO APPROVE THE CONTINUATION OF THESE AMENDMENTS OF THE FUND'S BY-LAWS.

(Proposal 2)

To approve the continuation of an amendment of the Fund's By-Laws specifying minimum director qualifications.

Upon recommendation by its Nominating Committee, your Board of Directors adopted amendments to the Fund's By-Laws, which ensure that each nominee for election to the Board of Directors meets certain minimum qualifications. The Delaware General Corporation Law expressly permits a corporation's by-laws or certificate of incorporation to prescribe director qualifications. The principle underlying the amendment is that the Fund's interests are best served when its directors have experience in matters relevant to the Fund's investment business. Because the Fund's objective is to seek long-term capital appreciation through investment in equity and equity-linked securities of Swiss companies, your current Board of Directors is comprised of persons with extensive business and country-specific business and political backgrounds. The amendment required, in addition to an age qualification, that a nominee have relevant experience and country-specific knowledge and that a nominee must not have any conflict of interest. The principle of relevant experience and country-specific knowledge has generally guided the nomination process and thereby created the basis for the composition of the Board and the oversight of HCC and the investment process of your Fund, which has had strong performance since its inception. The amendment formalized this.

Your Board of Directors believes that it is important that each Director meet at least the qualification requirements under the amended By-Laws.

The above amendment to the By-Laws is set forth in Appendix "A" to this

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

Proxy Statement.

13

(Proposal 3)

To approve the continuation of an amendment of the Fund's By-Laws providing that stockholders seeking to act under the Fund's advance notice By-Law indicate whether they will solicit proxies.

This amendment to the Fund's By-Laws provides that stockholders seeking to nominate any person for election as director of the Fund indicate whether the stockholder intends or is part of a group which intends to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Fund's outstanding stock required to elect the nominee and/or otherwise solicit proxies from stockholders in support of such nomination. The amendment, as well as the amendment discussed under Proposal 4, was adopted to enhance the efficiency of the procedures under the advance notice By-law. The Fund's advance notice By-law serves to assure that Management will have a reasonable opportunity to consider and respond to director nominations and other proposals by stockholders. Your Board believes that this amendment furthers that goal by better enabling Management to prepare its proxy statement for an upcoming meeting. For example, in the case of the election of directors, the SEC's proxy rules require additional information if there will be opposing solicitations. Giving Management early notice will enable them to prepare that information more completely and efficiently and on a more timely basis. In addition, the SEC's proxy rules provide that the proxies do not confer discretionary authority on the Fund with respect to a particular proposal if the proponent provides the Fund with a written statement that the proponent intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the Fund's voting shares required to carry the proposal, includes the same statement in its proxy statement and provides the Fund with a statement from the solicitor or other person with knowledge that the necessary steps have been taken. Thus, even without the amendment to the By-Laws, stockholders nominating a person for election as director would usually give this statement in order to negate the Fund's discretionary voting authority.

This amendment provides your Fund's Management with additional time to deal with the situation and leads overall to a more organized and efficient proxy solicitation process. Your Board believes that this amendment was and continues to be in the best interests of stockholders.

The above amendment to the By-Laws is set forth in Appendix "A" to this Proxy Statement.

(Proposal 4)

To approve the continuation of an amendment of the Fund's By-Laws providing that only stockholders of record may submit proposals under the Fund's advance notice By-Law.

Prior to this amendment, proposals under the Fund's advance notice By-Law could also be submitted by a beneficial owner who holds common stock entitled to vote at an annual or special meeting through a nominee or street name holder of record who could demonstrate to the Fund such indirect ownership and his entitlement to vote such securities at the annual meeting on such matter. This amendment, together with the amendment discussed above under Proposal 3 under which stockholders of record seeking to act under the Fund's advance notice By-Law are required to indicate whether they will solicit

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

proxies, was adopted to enhance the efficiency of the procedures under the advance notice By-law. By limiting those eligible to submit proposals to stockholders of record, the Fund is more easily and cost-effectively able to determine the eligibility of stockholders under the Fund's advance notice By-Law because the Fund's transfer agent keeps track of all stockholders of record. It also provides a greater level of certainty with regard to eligibility to submit a proposal while reducing the likelihood of frivolous proposals. At the same time, as shown by Bankgesellschaft Berlin AG's proposals in connection with the 2001 annual meeting of stockholders, this By-Law provision does not preclude nominee holders from submitting proposals. Rather, nominee holders are able to submit proposals indirectly through the respective record holder after demonstrating their eligibility to do so. Your Board strongly believes that the added efficiency and certainty provided as a result of this amendment outweigh the nominal burden it places on beneficial owners by requiring them to submit proposals through the respective record holder. Thus, your Board believes that this amendment was and still is in the best interests of all stockholders.

The above amendment to the By-Laws is set forth in Appendix "A" to this Proxy Statement.

14

(Proposal 5)

To approve the continuation of an amendment of the Fund's By-Laws eliminating the ability of stockholders to call a special meeting of stockholders.

Under Delaware law stockholders are entitled to call special meetings of stockholders only if they are authorized by the certificate of incorporation or bylaws of the corporation. Prior to the amendment, the Fund's By-Laws entitled stockholders holding together as little as 25% of the outstanding shares entitled to vote at a special meeting to call such meeting. The elimination of the ability of our stockholders to call special meetings eliminates the potential disruption and cost associated with a vocal minority taking Management's time and attention away from the day to day business of the corporation by forcing it to focus on an unanticipated stockholder meeting. In adopting the amendment, your Board recognized that any matters that stockholders would raise at a special meeting could be raised at the Fund's annual meeting, as was the case at the 2001 annual meeting. By requiring stockholders to raise matters at the Fund's annual meeting, your Board has eliminated the potential for dissident stockholders to cause the Fund to bear the significant costs that would be incurred by the Fund if it were subject to multiple stockholder meetings, or even one additional meeting, in a particular year while at the same time making sure that the stockholders' right to be heard was preserved. The elimination of stockholders' ability to call a special meeting may have the effect of discouraging or delaying efforts to acquire control of your Fund. However, because this amendment may help your Board of Directors to resist a change in control by requiring that actions of our stockholders be submitted at a duly called and convened meeting, your Board has greater power in negotiating with any potential acquiror. Thus, your Board of Directors believes that this amendment serves the best interests of stockholders.

The above amendment to the By-Laws is set forth in Appendix "A" to this Proxy Statement.

(Proposal 6)

To approve the continuation of an amendment of the Fund's By-Laws

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

increasing to 75 percent from a majority the percentage of outstanding shares required to amend the By-Laws.

This amendment does not affect the ability of your Board to make further modifications to the By-Laws that it believes are in your best interests. Rather, by requiring a supermajority for stockholder-proposed By-Laws, this amendment gives a greater voice to minority stockholders and reduces the ability of a well organized group of stockholders from amending your By-Laws in a manner favored by a mere majority but detrimental to the interests of other stockholders.

The above amendment to the By-Laws is set forth in Appendix "A" to this Proxy Statement.

Required Vote

Approval of the continuation of each By-Law amendment requires a majority of the votes cast at the Meeting by the stockholders entitled to vote. If the continuation of a By-law amendment is not approved, the Board of Directors will repeal the amendment and the By-law would thereafter revert to its form prior to such amendment.

Abstentions and broker non-votes will not be included in determining the number of votes cast. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner. Therefore, it is essential that you return your signed proxy card in the enclosed envelope in order to vote in favor of the Fund's proposal.

THE BOARD OF DIRECTORS OF THE FUND UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSALS 2, 3, 4, 5 and 6 TO APPROVE THE CONTINUATION OF THESE AMENDMENTS OF THE FUND'S BY-LAWS.

ADDITIONAL INFORMATION RELATING TO THE FUND

Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the United States, the Fund's Directors, its Executive (and certain other) Officers, its Investment Advisor and affiliated persons of its Investment Advisor and any persons beneficially owning more than ten percent of the Fund's Common Stock are required to report their ownership of the Fund's Common Stock and any changes in that ownership to the Fund, the Securities and Exchange Commission and The New York Stock Exchange. Specific due dates for these reports have been established, and the Fund is required to report in this proxy statement any failure to file by these dates during 2001. Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to the Fund during its most recent fiscal year, Forms 5 and amendments thereto furnished to the Fund with respect to its most recent fiscal year and written representations received from such persons, all of these requirements appear to have been satisfied by such persons during the year ended December 31, 2001.

15

Security Ownership of Certain Beneficial Owners

As of December 31, 2001, no stockholder, to the knowledge of

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

Management, other than the Wachovia Corporation, One Wachovia Center, Charlotte, North Carolina 28288-0137 and Lazard Freres & Co. LLC, 30 Rockefeller Plaza, New York, NY 10020, beneficially owned more than five percent of the Fund's outstanding shares of Common Stock. Wachovia Corporation, on behalf of its advisory clients, filed on February 14, 2002 a beneficial ownership report on Schedule 13G with the Securities and Exchange Commission stating that as of December 31, 2001 it beneficially owned 1,505,717 shares of Common Stock, and Lazard Freres & Co. LLC, on behalf of its advisory clients, filed on February 2, 2000, an amendment to its beneficial ownership report on Schedule 13G with the Securities and Exchange Commission stating that as of February 2, 2000, it beneficially owned 1,646,100 shares of Common Stock. Based on such filings, these holdings represented approximately 6.30 percent and 6.89 percent of the Fund's outstanding shares, respectively, as of December 31, 2001.

SELECTION OF INDEPENDENT PUBLIC AUDITOR

At a meeting held on March 20, 2002 and based upon the unanimous recommendation of the Audit Committee, the Board of Directors of the Fund, including a majority of the Directors who are Non-Interested Directors, selected Deloitte & Touche LLP (the "Firm" or "D&T") to act as the independent public auditor for the Fund for the year ending December 31, 2002. Based principally on representations from the Firm, the Fund knows of no direct financial or material indirect financial interest of such Firm in the Fund. That Firm, or a predecessor firm, has served as the independent public auditor for the Fund since 1987.

Audit Fees

The aggregate fees billed by D&T for professional services rendered for the Audit of the Fund's annual financial statements for the fiscal year ended December 31, 2001 were \$28,000.

Financial Information Systems Design and Implementation Fees

D&T did not render any information technology services to the Fund during the fiscal year ended December 31, 2001.

All Other Fees

The aggregate fees billed by D&T for tax services rendered to the Fund, other than the services described above under "Audit Fees" for the fiscal year ended December 31, 2001, were \$5,000. D&T rendered no other services for the Fund, and rendered no services for the Advisor or any affiliate of the Advisor during the year ended December 31, 2001 or during any prior period.

The Audit Committee has considered whether and determined that the provision of non-audit services to the Fund is compatible with maintaining D&T's independence.

No representative of D&T is expected to be present at the Meeting.

REPORT OF AUDIT COMMITTEE

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Fund's financial reporting process. The Committee operates pursuant to a Charter which was last approved by the Board on March 20, 2002, a copy of which is attached to this Proxy Statement as Appendix "B". As set forth in the Charter, Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, the Fund's accounting and financial and reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent public auditor, Deloitte &

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

Touche LLP ("D&T"), is responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Committee has considered and discussed the December 31, 2001 audited financial statements with Management and with D&T. The Committee has also discussed with D&T the matters required to be discussed by the Statement on Auditing Standards No. 61, Communication With Audit Committees, as currently in effect. Finally, the Committee has reviewed the written disclosures and the letter from D&T required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, has considered whether the provision of other non-audit services by D&T to the Fund is compatible with maintaining the auditor's independence, and has discussed with D&T the auditor's independence.

16

Stockholders are reminded, however, that the Members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of auditing or accounting, including in respect of auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by Management and D&T. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that Management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are, in fact, "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee, with authority delegated to it by the Board of Directors, has determined that the audited financial statements be included in the Fund's Annual Report for the year ended December 31, 2001, as filed with the Securities and Exchange Commission.

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

No business other than as set forth herein is expected to come before the Meeting, but should any other matter requiring a vote of stockholders properly arise, including any question as to an adjournment of the Meeting, the persons named in the enclosed Proxy will vote thereon according to their best judgment in the interest of the Fund.

Litigation

On April 2, 2001 and May 8, 2001 two complaints were filed in purported class actions on behalf of stockholders of the Fund in the Court of Chancery of the State of Delaware by individuals claiming to be Fund stockholders against the Fund, each of its Directors and HCC (collectively, the "defendants"). The complaints in these cases entitled Kimberly Kahn vs. Paul Hottinguer et al. and Charles Miller vs. Paul Hottinguer et al. allege that the defendants have: (A) breached fiduciary duties to stockholders and violated Section 109(a) of the Delaware General Corporation Law by adopting amendments to the Fund's Bylaws requiring a vote of 75% of the Fund's outstanding shares to alter, amend or repeal the Bylaws or to adopt other bylaws; (B) breached fiduciary duties to stockholders by adopting amendments to the Fund's By-laws requiring nominees for election as directors to satisfy certain qualifications; and (C) breached fiduciary and contractual duties through the manner in which the Fund effected a capital gains distribution in December, 2000. The complaints seek as relief among other things: (i) a declaration that the defendants have breached their fiduciary duties to stockholders and that the amendments to the Bylaws are null and void; (ii) an injunction preventing the defendants from enforcing the Bylaw amendments; and (iii) certain unspecified damages. The claims relating to the By-Laws were dismissed as moot by stipulation of the parties to the litigation. In addition, the defendants have moved to dismiss the capital gains distribution claims because the defendants believe that the plaintiffs fail to state a claim upon which relief can be granted.

(f) The person presiding at any meeting of stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting, shall have the power and duty to determine whether notice of nominees and other matters proposed to be brought before a meeting has been duly given in the manner provided in this Section 10 and, if not so given, shall direct and declare at the meeting that such nominees and other matters shall not be considered.

APPENDIX B

AUDIT COMMITTEE CHARTER THE SWISS HELVETIA FUND, INC.

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

- I. Composition of the Audit Committee: The Audit Committee of The Swiss Helvetia Fund, Inc. ("Fund") shall be comprised of three directors, each of whom shall have no relationship to the Fund or any of its investment advisors, administrators, or custodians that may interfere with the exercise of his or her independence from Management and the Fund and, as to his or her relationship to the Fund, shall otherwise satisfy the applicable membership requirements under the rules of the New York Stock Exchange, Inc., as such requirements are interpreted by the Board of Directors in its business judgment.
- II. Purposes of the Audit Committee: The purposes of the Audit Committee are to assist the Board of Directors:
1. in its oversight of the Fund's accounting and financial reporting principles and policies and internal audit controls and procedures;
 2. in its oversight of the Fund's financial statements and the independent audit thereof;
 3. in selecting, evaluating and, where deemed appropriate, replacing the outside auditors or nominating the outside auditors to be proposed for stockholder approval in any proxy statement; and
 4. in evaluating the independence of the outside auditors.

The function of the Audit Committee is oversight. Management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements. Management is also responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The outside auditors are responsible for planning and carrying out a proper audit of the Fund's annual financial statements. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Fund and are not, and do not represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing including in respect of auditor independence. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Fund from which it receives information; (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors); and (iii) representations made by Management as to any information technology, internal audit and other non-audit services provided by the auditors to the Fund.

The outside auditors for the Fund are ultimately accountable to the Board of Directors (as assisted by the Audit Committee). The Board of Directors, with the assistance of the Audit Committee, has the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditors or to nominate the outside auditors to be proposed for stockholder approval in the proxy statement.

The outside auditors shall submit to the Fund annually a formal written statement delineating all relationships between the outside auditors

Edgar Filing: SWISS HELVETIA FUND INC - Form PRE 14A

and the Fund ("Statement as to Independence"), addressing each non-audit service provided to the Fund and at least the matters set forth in Independence Standards Board No. 1.

24

The outside auditors shall submit to the Fund annually a formal written statement of the fees billed for each of the following categories of services rendered by the outside auditors: (i) the audit of the Fund's annual financial statements for the most recent fiscal year; (ii) information technology consulting services provided to the Fund for the most recent fiscal year, in the aggregate and by each service (and separately identifying fees for such services relating to financial information systems design and implementation); (iii) all other services rendered by the outside auditors to the Fund for the most recent fiscal year, in the aggregate and by each service; and (iv) any services rendered by the outside auditors to any of the Fund's investment advisors, administrators, or custodians for the most recent fiscal year, in the aggregate and by each service.

III. Meetings of the Audit Committee: The Audit Committee shall meet four times annually, or more frequently if circumstances dictate, to discuss with Management the annual audited financial statements and periodic performance results. In addition, the Audit Committee shall meet separately at least annually with Management and the outside auditors to discuss any matters that the Audit Committee, Management or the outside auditors believe should be discussed privately. The Audit Committee may request any officer of the Fund or the Fund's outside counsel or outside auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

IV. Duties and Powers of the Audit Committee: To carry out its purposes, the Audit Committee shall have the following duties and powers:

1. with respect to the outside auditor,
 - (i) to provide advice to the Board of Directors in selecting, evaluating or replacing outside auditors;
 - (ii) to review the fees charged by the outside auditors for audit and non-audit services;
 - (iii) to ensure that the outside auditors prepare and deliver annually a Statement as to Independence (it being understood that the outside auditors are responsible for the accuracy and completeness of this Statement), to discuss with the outside auditors any relationships or services disclosed in this Statement that may impact the objectivity and independence of the Fund's outside auditors and to recommend that the Board of Directors take appropriate

action in response to this Statement to satisfy itself of the outside auditors' independence; and

- (iv) to consider whether the outside auditors' provision of (a) information technology consulting services relating to financial information systems design and implementation, (b) other non-audit services to the Fund, and (c) any services to the Fund's investment advisors, administrators or custodians is compatible with maintaining the independence of the outside auditors; and
- (v) to instruct the outside auditors that the outside auditors are ultimately accountable to the Board of Directors and Audit Committee;

2. with respect to financial reporting principles and policies and related controls and procedures,

- (i) to advise Management and the outside auditors that they are expected to provide to the Audit Committee a timely analysis of significant financial reporting issues and practices;

- o to discuss significant changes to the Fund's auditing and accounting principles, policies, controls, procedures and practices proposed or contemplated by the outside auditors or Management;
- o to inquire about significant risks and exposures, if any, and the steps taken to monitor and minimize such risks;
