Dear Stockholder,

Your vote is important. Please take a moment to read this letter and vote.

New Ireland Fund's Stockholder Meeting will be held on June 8th and two proposals on the agenda require a vote of the stockholders. Proposal 1 is for the election of some of our Directors, and the Board recommends that you vote FOR Proposal 1. Proposal 2, submitted by a stockholder, requests that the Board open-end the Fund or take similar type action. The Board does not agree with this Proposal and, accordingly, recommends that you vote AGAINST Proposal 2.

The reasons why the Board recommends that you vote AGAINST Proposal 2 are laid out, in detailed form, in the enclosed Proxy Statement but the main reasons may be summarized as follows:

- o The Fund's investment objective is long-term capital appreciation. Under the Proposal there would likely be a benefit to short-term investors, at the expense of long-term investors, and we do not believe that this makes sense.
- o There is likely to be an increase in the Fund's expense ratio.
- o There are likely to be accelerated capital gains tax obligations for Stockholders.
- o The Fund is likely to shrink in size, impacting on its opportunities and thus its profitability and stockholder value.

It is also worth mentioning the strong performance of the Fund in its most recent fiscal year and the first quarter of the current year. This, in conjunction with the our active Share Repurchase Program under which we have bought back almost 18% of the Fund's outstanding shares in the market, suggest that now is not the time to take the actions suggested in Proposal 2.

As a result of the above, the Board believes that overall, Proposal 2 is not in the best interests of the vast majority of stockholders and seeks your support by voting AGAINST that Proposal.

Instructions on how to vote are on the proxy card included with this package.

Your vote is important - PLEASE VOTE.

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

Sincerely yours,

/s/ Peter Hooper

ANNUAL MEETING OF STOCKHOLDERS
JUNE 8, 2004

PROXY STATEMENT

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

This Proxy Statement is furnished by the Board of Directors of The New Ireland Fund, Inc. (the "Fund") in connection with its solicitation of proxies for use at the Annual Meeting of Stockholders (the "Meeting") to be held on Tuesday, June 8, 2004 at 9:00 a.m. at the Harvard Club, 27 West 44th Street, New York, NY 10036 and at any adjournments thereof. The purpose of the Meeting and the matters to be acted upon are set forth in the accompanying Notice of Annual Meeting of Stockholders.

If the accompanying proxy is executed properly and returned by June 8, 2004 in time to be voted at the Meeting, shares represented by it will be voted at the Meeting in accordance with the instructions on the proxy. If, however, no instructions are specified, shares will be voted for the election of Directors and against the stockholder proposal. If your shares are held through a broker, your shares can be voted on the election of Directors in your broker's discretion. No broker may vote your shares on the stockholder proposal without your specific instructions. If your broker votes your shares on some, but not all, of the proposals, the votes will be "broker non-votes" for any proposal on which they are not voted. Broker non-votes will have no effect on the election of Directors or the stockholder proposal. A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund or by attendance at the Meeting.

A quorum of the Fund's shareholders is required to properly conduct the business of the Meeting. Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of stockholders entitled to cast a majority of the votes entitled to be cast at the Meeting. In the event a quorum is not present at the Meeting, the holders of a majority of the stock present in person or by proxy will have the power to adjourn the Meeting, without notice other than an announcement at the Meeting, until the requisite amount of stock entitled to vote at the Meeting is present. In the event a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A stockholder vote may be taken on one or more of the proposals in this proxy statement prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy and the persons named as proxies will vote those proxies which they are entitled to vote FOR or AGAINST any such proposal in their discretion. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting will take place not more than 120 days after the original record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting.

The close of business on April 12, 2004 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, the Fund had 4,646,098 shares of common stock outstanding and entitled to vote. Each share will be entitled to one vote at the Meeting. It is expected that the Notice of Annual Meeting, proxy statement, and form of proxy will be mailed to stockholders on or about May 6, 2004.

The expense of solicitation will be borne by the Fund and will include reimbursement to brokerage firms and others for expenses in forwarding proxy solicitation material to beneficial owners. Georgeson Shareholder Communications Inc. has been retained to act as a proxy solicitor for a fee of \$15,000. The solicitation of proxies will be largely by mail, but may include, without cost to the Fund, telephonic, telegraphic, or oral communications by regular employees of the Fund's Investment Advisor.

THE ANNUAL REPORT OF THE FUND, INCLUDING AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED OCTOBER 31, 2003, IS AVAILABLE UPON REQUEST, WITHOUT CHARGE, BY WRITING TO THE NEW IRELAND FUND, INC., C/O PFPC, INC. 99 HIGH STREET,

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL/RECORD OWNERS

To the knowledge of management of the Fund and its Board, the following shareholders or "group", as the term is defined in Section 13(d) of the Securities Exchange Act of 1934 (the "1934 Act"), beneficially owned, or were owners of record of, more than 5% of the Fund's outstanding shares as of April 12, 2004.

SHAREHOLDER NAME AND ADDRESS -----	AMOUNT AND NATURE OF OWNERSHIP -----	PERCENTAGE -----
Wachovia Corporation* One Wachovia Center Charlotte, North Carolina 28288-0137	591,538 (beneficial)	12.7
Bank of Ireland EUT Smaller Equities Fund** c/o Bank of Ireland Asset Management Limited 40 Mespil Road, Dublin 4, Ireland	338,539 (beneficial)	

* As stated in a Schedule 13G filed with the Securities and Exchange Commission on February 12, 2004.

** As stated in a Schedule 13D filed with the Securities and Exchange Commission on April 30, 2004.

Bank of Ireland Asset Management Limited ("BIAM Ltd."), which is a wholly owned subsidiary of the Governor and Company of the Bank of Ireland and an affiliate of Bank of Ireland Asset Management (U.S.) Limited, the Fund's Investment Adviser, has advised the Fund as follows:

From 1990 to 1995, eight foreign funds managed by BIAM Ltd. (including the Bank of Ireland EUT Smaller Equities Fund) invested in the shares of the Fund by making secondary market purchases over the securities exchange on which the shares are listed. The percentage ownership of shares by each of the foreign funds, and all of the foreign funds in the aggregate, remained below 5% until 1995 when the aggregate ownership interest amounted to approximately 5.2% of the Fund's outstanding shares. In 1997, all of the Fund shares so held by the foreign funds managed by BIAM Ltd. were sold to, and purchased by, the Bank of Ireland EUT Smaller Equities Fund. The shares continue to be owned by this fund and, as a result of the share repurchase program instituted by the Fund in 2000 and by dividend reinvestment, the percentage of beneficial ownership has increased to 7.15% of the Fund's outstanding shares. This ownership constitutes less than 2% of the total assets the Bank of Ireland EUT Smaller Equities Fund. The shares owned by the Bank of Ireland EUT Smaller Equities Fund (and previously owned by the several foreign funds managed by BIAM Ltd.) were never acquired by any of them to influence or control the Fund. No agreement,

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

contract or understanding existed or exists to act in any concerted effort to hold sway over any proposal the Fund might put before its shareholders. The shares beneficially owned by Bank of Ireland EUT Smaller Equities Fund will be voted in respect of each proposal in the same proportions as all other shares of the Fund are voted.

As of the record date, Bank of Ireland Asset Management (U.S.) Limited, Investment Advisor to the Fund, held beneficially 11,548 shares or .25% of common stock outstanding. Bank of Ireland Asset Management (U.S.) Limited has advised the Fund that these shares will be voted in respect of each proposal in the same proportions as all other shares of the Fund are voted.

ELECTION OF DIRECTORS
(PROPOSAL NO. 1)

At the Meeting, three Directors will be elected. Pursuant to the Fund's By-laws, the terms of office of the Directors are staggered. The Board of Directors is divided into three classes, designated: Class I, Class II, and Class III. Class I consists of Peter J. Hooper and George G. Moore, Class II consists of Denis P. Kelleher and James M. Walton, and Class III consists of James J. Boyle and Denis Curran. The two Directors in Class II are being considered for election at this Meeting. In addition, Mr. Moore is being considered for election as a Class I Director of the Fund. Mr. Moore was appointed to the Board of Directors by unanimous consent on February 20, 2004. Mr. Moore will hold office for an initial term of two years. If elected, Messrs. Kelleher and Walton will hold office for a term of three years and until their successors are elected and qualified. It is the intention of the persons named in the accompanying proxy to vote, on behalf of the stockholders, for the election of Denis P. Kelleher, James M. Walton and George G. Moore.

The nominees have consented to being named in this Proxy Statement and to serve as Directors if elected. The Board of Directors has no reason to believe that any nominee will become unavailable for election as a Director, but if that should occur before the Meeting, proxies will be voted for such other person as the Board of Directors may recommend.

The Directors and officers of the Fund are listed below, together with their respective positions, and a brief statement of their principal occupations during the past five years and, in the case of Directors, their positions with certain international organizations and publicly-held companies.

COMMITTEES OF THE BOARD OF DIRECTORS

AUDIT COMMITTEE/AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Fund's financial reporting process. The Audit Committee operates pursuant to a Charter that was most recently approved by the Board on March 9, 2004. A copy of the Audit Committee Charter is attached hereto as Exhibit A. As set forth in the Charter, management of the Fund is responsible for the preparation, presentation and integrity of the Fund's financial statements, and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Fund's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

The Audit Committee consists of Messrs. Boyle, Hooper, Moore and Walton, all of whom are "independent" Directors of the Fund as defined in the listing standards of the New York Stock Exchange. The Audit Committee makes recommendations to the full Board of Directors with respect to the engagement of independent accountants and reviews with the independent accountants the plan and results of the audit engagement and matters having a material effect on the Fund's financial operations. The Audit Committee met three times during the fiscal year ended October 31, 2003.

In performing its oversight function, the Audit Committee has reviewed and discussed the audited financial statements with management and the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as modified or supplemented. The Audit Committee has also received the written disclosures from the independent auditors required by Independence Standards Board Standard No. 1, Independent Discussions with Audit Committees, as currently in effect. Finally, the Committee has considered whether the provision by the previous independent auditors to the Fund of information technology services relating to financial information design and implementation, internal audit and other nonaudit services to the Fund, or of professional services to the Fund's Investment Advisor and those affiliates thereof that provide services to the Fund, is compatible with maintaining the auditors' independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Audit Committee rely without independent verification on the information

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact "independent".

Based upon the reports and discussion described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Fund's Annual Report for the year ended October 31, 2003.

NOMINATING COMMITTEE

The Board of Directors has a Nominating Committee consisting of Messrs. Hooper, Kelleher, Moore and Walton, which is responsible for recommending qualified candidates for election to the Board of Directors of the Fund in the event a position is vacated or created. Each member of the Nominating Committee is independent, as that term is defined by the NYSE listing standards. The Nominating Committee would consider recommendations by shareholders if a vacancy were to exist. Such recommendations should be forwarded to the Secretary of the Fund. The Nominating Committee of the Fund did not meet during the Fund's fiscal year ended October 31, 2003; however, the Nominating Committee met in January 2004 to consider the nomination of George Moore. The Nominating Committee does not have a Charter, but will take into consideration such factors as it deems appropriate when nominating candidates for election to the Board of Directors. These factors may include judgment, skill, diversity, experience with investment companies and other organizations of comparable purpose, complexity, size and subject to similar legal restrictions and oversight, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees thereof. The Nominating Committee will treat all equally qualified candidates in the same manner. The Nominating Committee may modify its policies and procedures for director nominees and recommendations in response to changes in the Fund's circumstances, and as applicable legal or listing standards change.

OTHER COMMITTEES

The Board of Directors of the Fund has a Compensation Committee, which is responsible for ensuring that the Directors' compensation is competitive as compared to its peers, so that the Fund may continue to retain and attract high caliber directors. The members of the Compensation Committee are Messrs. Boyle, Curran, Kelleher, and Walton. The Compensation Committee met once during the Fund's fiscal year ended October 31, 2003.

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

The Board of Directors has a Valuation Committee consisting of Messrs. Boyle, Curran, Moore and Kelleher, which is responsible for monitoring the valuation of unlisted securities by the Fund's Investment Advisor and for making such determination as necessary should changes in an approved valuation be recommended during the period between Board meetings. The Valuation Committee of the Fund met once during the Fund's fiscal year ended October 31, 2003. The Fund does not have a formal policy regarding attendance of Directors at the Annual Meeting of Stockholders; however, all of the Directors of the Fund (except George G. Moore, who was not a Director at that time) attended the June 10, 2003 Annual Meeting of Stockholders.

REQUIRED VOTE

In the election of the Director of the Fund, the candidate in order to be elected requires a plurality of the votes cast by the holders of shares of the Fund represented at the Meeting, if a quorum is present.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE
"FOR" PROPOSAL NO. 1.

STOCKHOLDER PROPOSAL (PROPOSAL NO. 2)

A stockholder has informed the Fund that it intends to submit a proposal at the Annual Meeting and has requested that it be included in this year's proxy statement. The Board of Directors unanimously recommends that you vote AGAINST the proposal. The reasons for the Board's opposition to the proposal are set forth in the Board's statement in opposition that appears below, immediately following the proposal and its supporting statement. The Fund will provide promptly to any stockholder, upon receipt of any oral or written request, the address of the stockholder submitting the proposal and the number of shares of the Fund's common stock held by it.

A. THE STOCKHOLDER'S PROPOSAL AND SUPPORTING STATEMENT

"RESOLVED: The shareholders of The New Ireland Fund (the "Fund") request the Board of Directors to promptly take the steps necessary to open end the Fund or otherwise enable shareholders to realize net asset value ("NAV") for their shares."

Supporting Statement

"The Fund has traded at a double-digit discount to its net asset value ("NAV") for a long time. On September 30, 2003, the discount stood at 18.7%. That means that a shareholder wishing to sell shares at 4 p.m. on that date would only receive about \$12.43 per share, the closing market price. If the Fund were operating as an open-end fund, a shareholder could redeem his shares for their NAV on September 30th, which was \$15.28 per share.

Since \$15.28 is so much more than \$12.43, open-ending the Fund means a higher stock price for every shareholder. If you would like to see the Fund's discount eliminated, we urge you to vote in favor of this proposal."

B. STATEMENT OF OPPOSITION

The stockholder's proposal seeks to address the discount from net asset value at which the Fund's shares have traded in recent years. In recognition of its responsibility to address the level of the discount, the Board on an ongoing basis has considered, and will continue to consider, ways in which the discount

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

may be reduced.

The Board strongly believes; however, that the stockholder's proposal "to realize net asset value" must be viewed through the lens of: the Fund's fundamental long term investment objective; its elected structure as a closed-end fund and the reasons for choosing that structure; and its benefits to stockholders through its historical performance and the implementation of its share repurchase program.

The Board has weighed these objectives, features and benefits against the perceived detriments to the long-term interests of the Fund and its stockholders of converting to an open-end structure or undertaking some other extreme means to reduce the discount, such as conducting a tender offer for all or a substantial portion of the outstanding shares of the Fund. On balance, the Board strongly believes that the actions suggested by the proposing stockholder should not be taken at this time.

Investment Objective; Closed-end Fund Features; Fund Performance and Benefits.

The Fund's Investment Objective. The Board believes that any actions taken in respect of the Fund's discount to net asset value must be judged solely in light of the best interests of the Fund, and that it is in the Fund's best interests to take only such actions as are consistent with its fundamental investment objective. As you should be aware, the Fund's investment objective is long-term capital appreciation through investment primarily in equity securities of Irish companies. Because the Fund's stated investment objective is to provide value over a period of time, the Board believes that it has no proper authority to support actions that may provide some stockholders with a short-term, one-time benefit at the expense, or to the detriment, of stockholders who have chosen to invest in the Fund based on its stated investment objective that emphasizes longer-term results.

Closed-end Structure. The Board believes that Fund stockholders derive many benefits from the Fund's closed-end structure, and that these benefits would be lost if the Fund were to convert to an open-end fund or conduct a large-scale tender offer for its shares. The closed-end structure allows the Fund to take a more long-term perspective on investments and to maintain a stable pool of assets, without having to invest assets in low-yielding cash or to liquidate assets, sometimes at inopportune times, to meet redemption requests. This allows the Fund to buy more illiquid holdings which can and have benefited the Fund's performance. The Board believes that the closed-end structure is especially well suited for investing primarily in the stocks of a single foreign country. The Board reminds investors of the narrow investment focus of the Fund on the Irish securities market and the comparatively limited liquidity of that market, particularly in respect of medium and smaller capitalization Irish companies. In a closed-end structure, this investment focus and level of illiquidity does not impede the Fund's investment objective. The closed-end structure frees the portfolio manager to concentrate on investments, rather than holding part of the assets in easier-to-sell stocks or in cash to meet redemptions. In addition, cash can be raised to take advantage of anticipated market declines without fear that it will instead have to be used to satisfy the stockholder redemptions in open-end funds that normally accompany market reversals.

Because closed-end funds need not engage in many of the stockholder services normally required of open-end funds and do not have the same marketing and communication activities, certain costs relating to stockholder servicing activity can be kept to a minimum. The Board is committed to minimizing the

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

Fund's overall expenses, as evidenced by the significant actions it has taken over the past twelve to fifteen months to reduce its expense ratio. The Board is convinced that closed-end funds can be run more cost effectively than open-end funds and that these savings, along with the additional flexibility in managing fund assets, contribute to additional returns to be realized over time as compared with equivalent open-end funds.

The vast majority of closed-end country funds sell at discounts. A fund that repurchases its own shares at a discount can benefit long-term stockholders in two ways. First, the net asset value is automatically increased at no additional risk. Second, the supply of shares available for sale at a discount is reduced, and this can create price pressure which may reduce the discount and enhance share value. While the extra liquidity may benefit stockholders who choose to sell their shares, the greatest value of an ongoing buyback program accrues to long-term stockholders. The achievements of the Fund's own share repurchase program are discussed below.

The closed-end structure is fundamentally different from an open-end structure, or some other structure or action that provides net asset value on demand. The Board believes that attempts to deliver net asset value to a minority of stockholders who wish to exit the Fund may well destroy or diminish the advantages otherwise enjoyed by the remaining stockholders. At this time, the Board remains fully committed to realizing the potential of the Fund without changing its fundamental nature.

Performance of the Fund. The Board believes that the advantages of the closed-end structure and the resulting investment flexibility afforded the Fund's Investment Advisor have been reflected in the Fund's excellent performance, both recently and historically. For its fiscal year ended October 31, 2003, the Fund's net asset value increased 47.55%, from \$11.04 to \$16.29. For the year, the Fund outperformed most of the funds in its Western European peer group, and it was the top performer within this peer group in terms of its 3, 5 and 10 year performance. The Board believes that the Fund's performance, particularly over the long-term, continues to be the soundest endorsement of the Fund's elected closed-end structure in light of its investment objective of long-term capital appreciation.

Share Repurchase Program. In recognition of the discount at which the Fund's shares have traded, the Board has instituted its Share Repurchase Program to ameliorate the impact of the discount on stockholders. The Board believes that this program has added liquidity to the market for the benefit of investors wishing to sell their Fund shares, while benefiting continuing stockholders by increasing the Fund's net asset value. Since the commencement of the program in May 2000, the Fund has repurchased 1,019,250 shares as of the end of February 2004, constituting 17.64% of the Fund's shares issued at commencement, as well as those issued in lieu of dividends in 2000 and 2001. During the fiscal year ended October 31, 2003, the Fund repurchased and retired 194,450 shares at a cost of \$2,056,220, which represented a 3.91% reduction of shares outstanding at October 31, 2002. As a result of the purchase of these shares at a discount to net asset value, continuing stockholders receive a positive benefit to the net asset value of their shares.

Potential Adverse Consequences of Implementing the Stockholder's Proposal.

The Board believes that the stockholder's proposal is intended to force the Board to take one or more of the following actions: convert the Fund to an open-end fund; conduct a tender offer for all or a substantial part of the

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

Fund's shares; or liquidate the Fund. In the Board's view, any of these alternatives would be fundamentally inconsistent with the best interests of the Fund. Each alternative would disrupt the Fund's investment process, which to date has had long-term success; would impose costs and burdens on those stockholders who wish to remain investors in the Fund and possibly on all stockholders; and, ultimately, would be likely to necessitate liquidation of the Fund. The Board believes that eliminating the possibility of a discount would not justify the fundamental adverse changes that a conversion or other radical action in respect of the Fund would entail. The Board's key concerns, with regard to the adverse changes regarding the Fund's size, expense ratio, capital gains, investment operations and stockholder value, are outlined below.

Adverse Impact on the Fund's Size and Expense Ratio. The Board of Directors is concerned about the impact of open-ending or a large scale tender offer on the Fund's expenses because either could expose the Fund to the risk of a substantial reduction in its size. These actions would likely lead to a substantially higher Fund expense ratio because the Fund's fixed expenses - such as custody, administrative and accounting, audit and legal expenses - would be spread across a substantially smaller asset base. A decrease in the Fund's size could result in a decision by the Board to terminate and liquidate the Fund, or a decision by the Fund's Investment Advisor not to continue to act in that capacity, if the amount of the Fund's assets were reduced such that it was no longer considered economically feasible for the Fund to continue to carry on its business.

Capital Gains. The sale of the Fund's portfolio securities to enable the Fund to generate cash to meet redemption requests of stockholders or to repurchase shares in a tender offer would result in the Fund realizing any capital gains inherent in the securities sold. These capital gains would also have to be distributed to the stockholders who choose not to redeem or to tender their shares. As a result, continuing stockholders would receive capital gains distributions and be obliged to pay taxes in order to enable other stockholders to redeem or tender their shares. The Board does not believe stockholders who choose to remain in the Fund should be subject to such taxation in order to accommodate the interests of those short-term stockholders who redeem or tender their shares.

Detriments to Investment Operations and Stockholder Value. In the event of significant redemptions in a Fund conversion or repurchases in a tender offer, the share prices of the core portfolio securities that the Fund would need to liquidate would likely be depressed, thereby reducing the Fund's net asset value to the detriment of all stockholders. Also, in view of redemption or repurchase pressure, the Fund would need to hold a substantial portion of its assets in short-term cash reserves. This would likely be harmful to stockholder returns because over time the returns of equity investments tend to far exceed the returns of short-term money market investments and other cash equivalents.

Conclusion.

Because the Board has and will continue to evaluate the advantages and disadvantages of the Fund's structure as a closed-end investment company and intends to continue its present share repurchase program for the benefit of all stockholders, the Board believes that it is not necessary or in the best interests of the Fund to adopt the resolution being proposed by the stockholder. Accordingly,

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE
"AGAINST" PROPOSAL NO. 2.

INVESTMENT ADVISOR AND ADMINISTRATOR

The Fund's advisory structure provides a multinational arrangement for furnishing management skills and investment advice to pursue the Fund's investment objective of investing primarily in equity securities of Irish corporations. Bank of Ireland Asset Management (U.S.), Limited ("BIAM"), an Irish company registered as an investment advisor under the U.S. Investment Advisers Act of 1940, acts as the Fund's Investment Advisor. BIAM's office in the United States is located at 75 Holly Hill Lane, Greenwich, Connecticut 06830.

PFPC Inc., the Fund's Administrator, located at 99 High Street, 27th Floor, Boston, Massachusetts 02110, provides administration services to the Fund.

INDEPENDENT ACCOUNTANT

At a meeting held on December 10, 2003, upon the recommendation of the Audit Committee, a majority of the Directors who are not "interested persons" of the Fund, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), selected Grant Thornton LLP ("Grant Thornton"), 60 Broad Street, New York, NY 10004 as independent auditors for the Fund for the fiscal year ending October 31, 2004. The selection of Grant Thornton was ratified by the entire Board. Grant Thornton was also the independent auditor for the Fund for the fiscal year ended October 31, 2003. Grant Thornton has advised the Fund that, to the best of its knowledge and belief, as of the record date, no Grant Thornton professional had any direct or material indirect ownership interest in the Fund inconsistent with independent professional standards pertaining to accountants. It is expected that representatives of Grant Thornton will not be present at the Meeting, but will be available by telephone to answer any questions that may arise. In reliance on Rule 32a-4 under the 1940 Act, the Fund is not seeking shareholder ratification of the selection of Grant Thornton as independent auditors.

8

PricewaterhouseCoopers LLP ("PWC") served as independent accountants for the Fund. Upon the appointment of Grant Thornton, PWC was released as independent accountant effective as of October 19, 2003. PWC's reports on the financial statements for the two years immediately preceding their release contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the two fiscal years immediately preceding PWC's release, there were no disagreements with such accountants on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure.

Set forth in the table below are audit fees billed to the Fund by PWC and Grant Thornton for professional services rendered to the Fund for the fiscal years ended October 31, 2002 and October 31, 2003. There were no other fees billed by either firm to the Fund

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the of 1934 Act, as amended, and Section 30(h) of the 1940 Act, and the rules thereunder, require that the Fund's Directors and officers, certain persons affiliated with the Investment Advisor, and persons who own more than 10% of a registered class of the Fund's securities, file reports of ownership and changes of ownership with the SEC and, in some cases, the New York Stock Exchange. Directors, officers, and greater than 10% shareholders are required by SEC regulations to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely upon the Fund's review of the copies of such forms it receives and written representations from certain of such persons, the Fund believes that during the Fund's fiscal year ended October 31, 2003 these persons complied with all such applicable filing requirements.

BROKER NON-VOTES AND ABSTENTIONS

A proxy on shares held by brokers or nominees which (a) is properly executed and returned accompanied by instructions to withhold authority to vote, or (b) as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter, represents a broker "non-vote". Proxies that reflect abstentions or broker non-votes (collectively, "abstentions") will be counted as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum. Under Maryland law, abstentions do not constitute a vote "for" or "against" a matter and will be disregarded in determining the "votes cast" on a proposal.

The election of Directors (Proposal 1) requires that each successful candidate receives a plurality of the votes cast at the Meeting; therefore, abstentions will be disregarded.

Stockholders of the Fund will be informed of the voting results of the Meeting in the Fund's Annual Report for the year ending October 31, 2004.

OTHER MATTERS

No business other than as set forth herein is expected to come before the Meeting, but should any other matter requiring a vote of stockholders arise, including any question as to an adjournment of the Meeting, the persons named in the enclosed proxy will vote thereon according to their best judgment in the interests of the Fund.

EXHIBIT A

THE NEW IRELAND FUND, INC.
AUDIT COMMITTEE CHARTER

- I. COMPOSITION OF THE AUDIT COMMITTEE: The Audit Committee of The New Ireland Fund, Inc. (the "Company") shall be comprised of at least three directors, each of whom the Board has determined has no material relationship with the Company or its investment adviser, administrator or custodian and each of whom is otherwise "independent" under the rules of the New York Stock Exchange, Inc., the Sarbanes-Oxley Act of 2002 and the rules promulgated thereunder. The Board shall also determine that each member is "financially literate," and that one member of the Audit Committee has "accounting or related financial management expertise," as such qualifications are interpreted by the Board of Directors in its business judgment, and whether any member of the Audit Committee is an "audit committee financial expert," as defined by rules of the Securities and Exchange Commission (the "SEC"). If the Board has determined that a member of the Audit Committee is an audit committee financial expert, it may presume that such member has accounting or related financial management expertise.

No director may serve as a member of the Audit Committee if such director serves on the audit committees of more than two other public companies unless the Board of Directors determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee, and discloses this determination in the Company's annual proxy statement. No member of the Audit Committee may receive, directly or indirectly, any consulting, advisory or other compensatory fee from the Company other than (i) director's fees; (ii) pension or other deferred compensation for prior service that is not contingent on future service; and (iii) any other regular benefits that other directors receive.

Members shall be appointed by the Board, and shall serve at the pleasure of the Board and for such terms or terms as the Board may determine.

The Board shall designate one member of the Audit Committee as its chairperson. In the event of a tie vote on any issue, the chairperson's vote shall decide the issue.

- II. PURPOSES OF THE AUDIT COMMITTEE: The purposes of the Audit Committee are to:
1. assist Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors and the Company's internal audit

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

function; and

2. prepare the report required to be prepared by the Audit Committee pursuant to the rules of the SEC for inclusion in the Company's annual proxy statement.

The function of the Audit Committee is oversight. The management of the Company, including the service providers so contractually obligated, are responsible for the preparation, presentation and integrity of the Company's financial statements. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements, reviews of the Company's interim financial statements prior to the filing of each applicable SEC report if necessary, and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors) and (iii) representations made by management of the Company or of Bank of Ireland Asset Management (U.S.) Limited ("BIAM") as to any non-audit services provided by the auditors of the Company to the Company, BIAM or any entity controlling, controlled by or under common control with BIAM that provides ongoing services to the Company ("BIAM Affiliates").

The independent auditors for the Company are accountable to the Board of Directors and the Audit Committee, as representatives of the shareholders. The Audit Committee is directly responsible for the appointment, retention, compensation and oversight of the work of the independent auditors (including resolving disagreements between management and the independent auditors regarding financial reporting). The independent auditors shall report directly to the Audit Committee.

The independent auditors shall submit to the Company annually a formal written statement (the "Auditors' Statement") describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or

A-1

professional authorities, within the preceding five years, respecting on or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the Company, including each non-audit service provided to the Company, BIAM and the BIAM Affiliates and at least the matters set forth in Independence Standards Board No. 1. Such Statement shall also delineate any professional, tax or consulting services to the investment adviser,

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

administrator or custodian.

The independent auditors shall submit to the Audit Committee annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Company's annual financial statements and any reviews of the financial statements included in the Company's SEC reports as needed or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors and provided to each of the Company, BIAM and the BIAM Affiliates, in the aggregate and by each service.

III. MEETINGS OF THE AUDIT COMMITTEE: The Audit Committee shall meet as often as may be required to discuss the matters set forth in Article IV. In addition, the Audit Committee should meet separately at least annually with management and the independent auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or any service provider, outside counsel to the Company or the independent directors or the Company's independent auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

IV. DUTIES AND POWERS OF THE AUDIT COMMITTEE: To carry out its purposes, the Audit Committee shall have the following duties and powers:

1. with respect to the independent auditors,
 - (i) to directly appoint, retain, compensate, evaluate, and terminate the independent auditors, including the sole authority to approve all audit engagement fees and terms;
 - (ii) to pre-approve, or to adopt appropriate procedures to pre-approve, all audit and non-audit services to be provided by the independent auditors;
 - (iii) to ensure that the independent auditors prepare and deliver annually an Auditors' Statement (it being understood that the independent auditors are responsible for the accuracy and completeness of this Statement), to discuss with the independent auditors any relationships or services disclosed in this Statement that may impact the objectivity and independence of the Company's independent auditors;
 - (iv) to obtain from the independent auditors in connection with any audit a timely report relating to the Company's annual audited financial statements describing all critical accounting policies and practices used, all alternative treatments of financial information within generally accepted accounting

Edgar Filing: NEW IRELAND FUND INC - Form DEF 14A

principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors, and any material written communications between the independent auditors and management, such as any "management" letter or schedule of unadjusted differences;

- (v) to review and evaluate the qualifications, performance and independence of the lead partner of the independent auditors;
- (vi) to discuss with management the timing and process for implementing the rotation of the lead audit partner, the concurring partner and any other active audit engagement team partner and consider whether there should be a regular rotation of the audit firm itself;
- (vii) to take into account the opinions of management in assessing the independent auditors' qualifications, performance and independence;
- (viii) if applicable, to consider whether the independent auditors' provision to the Company, BIAM and the BIAM Affiliates of non-audit services is compatible with maintaining the independence of the independent auditors;
- (ix) to instruct the independent auditors that the independent auditors are ultimately accountable to the Board of Directors and Audit Committee, as representatives of the shareholders;
