TO BE HELD ON JANUARY 24, 2007**

ABOUT THE ANNUAL MEETING OF STOCKHOLDERS

Who is soliciting my vote?

The Board of Directors of PHH Corporation, a Maryland corporation (we, our, us, PHH or the Company), is soliciting your vote at our Annual Meeting of Stockholders for 2006, and any adjournment or postponement thereof (the Annual Meeting), to be held on the date at the time and place, and for the purposes set forth in the accompanying notice. This Proxy Statement, the accompanying notice of annual meeting, the enclosed proxy card and our Annual Report on Form 10-K for the year ended December 31, 2005 (the 2005 Annual Report) are being mailed to stockholders on or about December 14, 2006.

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act on the matters outlined in the accompanying notice. The only matter scheduled to be acted upon at the Annual Meeting is the Election of Directors (see page 7 of this Proxy Statement).

Who can attend the Annual Meeting?

Only stockholders as of November 27, 2006 (the Record Date), or their duly appointed proxies, may attend the Annual Meeting. Registration and seating will begin at 9:00 a.m. Stockholders will be asked to present valid picture identification, such as a driver's license or passport. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

Please note that if you hold your shares in street name (that is, through a broker or other nominee), you must bring either a copy of the voting instruction card provided by your broker or nominee or a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the Annual Meeting.

A list of stockholders entitled to vote at the Annual Meeting will be available for examination by any stockholder for any purpose germane to the Annual Meeting beginning ten days prior to the Annual Meeting during ordinary business hours at 3000 Leadenhall Road, Mt. Laurel, New Jersey 08054, the Company's principal place of business, and ending on the date of the Annual Meeting.

Do I need a ticket to attend the Annual Meeting?

Yes. Attendance at the Annual Meeting will be limited to stockholders as of the Record Date, their authorized representatives and our guests. Admission will be by ticket only. For registered stockholders, the bottom portion of the proxy card enclosed with the Proxy Statement is the Annual Meeting ticket. Laurel, New Jersey 08054, and include proof of ownership, such as a bank or brokerage firm account statement or letter from the broker, trustee, bank or nominee holding your stock, confirming your beneficial ownership. Stockholders who do not obtain tickets in advance may obtain them on the Annual

Meeting date at the registration desk upon verifying their stock ownership as of the Record Date. In accordance with our security procedures, all persons attending the Annual Meeting must present a picture identification along with their admission ticket or proof of beneficial ownership in order to gain admission. Admission to the Annual Meeting will be expedited if tickets are obtained in advance. Tickets may be issued to others at our discretion.

How many votes do I have?

You will have one vote for every share of PHH Corporation common stock, par value \$0.01 per share (Common Stock), you owned on the Record Date.

How many votes can be cast by all stockholders?

53,508,116 votes may be cast at the Annual Meeting, representing one vote for each share of our Common Stock that was outstanding on the Record Date. There is no cumulative voting, and the holders of our Common Stock vote together as a single class.

How many votes must be present to hold the Annual Meeting?

A majority of the outstanding shares of our Common Stock entitled to vote at the Annual Meeting must be present, in person or by proxy, to constitute a quorum at the Annual Meeting. Stockholders of record who are present at the Annual Meeting, in person or by proxy, and who abstain from voting, including brokers holding customers' shares of record who cause abstentions to be recorded at the Annual Meeting, will be included in the number of stockholders present at the Annual Meeting for purposes of determining whether a quorum is present.

How many votes are required to elect Directors and adopt any other proposals?

Directors are elected by the affirmative vote of a plurality of the shares of our Common Stock cast at the Annual Meeting, in person or by proxy, and entitled to vote in the election of Directors. Under applicable Maryland law, in determining whether such nominees have received the requisite number of affirmative votes, abstentions and broker non-votes will not be counted and will have no effect on the outcome of the vote.

Approval of any other matter that may come before the Annual Meeting generally requires the affirmative vote of a majority of the shares of our Common Stock cast, in person or by proxy, and entitled to vote at the Annual Meeting. Under applicable Maryland law, in determining whether such proposals have received the requisite number of affirmative votes, abstentions and broker non-votes will not be counted and will have no effect on the outcome of the vote.

How do I vote?

You can vote in person or by valid proxy received by telephone, via the Internet or by mail. If voting by mail, you must:

indicate your instructions on the proxy;

date and sign the proxy;

mail the proxy promptly in the enclosed envelope; and

allow sufficient time for the proxy to be received before the date of the Annual Meeting.

Alternatively, in lieu of returning signed proxy cards, our stockholders of record can vote their shares by telephone or via the Internet. If you are a registered stockholder (that is, if you hold your stock in certificate form), you may vote by telephone or electronically through the Internet by following the instructions included with your proxy card. The deadline for voting by telephone or electronically through the Internet is 11:59 p.m., eastern standard time, on January 23, 2007. If your shares are held in street name such as in a stock

brokerage account or by a bank or other nominee, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically through the Internet.

How do participants in our employee savings plans vote?

For participants in the PHH Corporation Employee Savings Plan and the PHH Home Loans, LLC Employee Savings Plan (the Savings Plans) with shares of our Common Stock credited to their accounts, voting instructions for the trustees of the Savings Plans are also being solicited through this Proxy Statement. In accordance with the provisions of the Savings Plans, the respective trustees will vote shares of our Common Stock in accordance with instructions received from the participants to whose accounts such shares are credited. To the extent such instructions are not received prior to noon, eastern standard time, on January 23, 2007, the trustees of the Savings Plans will vote the shares with respect to which it has not received instructions proportionately in accordance with the shares for which it has received instructions. Instructions given with respect to shares in accounts of the Savings Plans may be changed or revoked only in writing, and no such instructions may be revoked after noon, eastern standard time, on January 23, 2007. Participants in the Savings Plans are not entitled to vote in person at the Annual Meeting. If a participant in the Savings Plans has shares of our Common Stock credited to his or her account and also owns other shares of our Common Stock, he or she should receive separate proxy cards for shares credited to his or her account in the Savings Plans and any other shares that he or she owns. All such proxy cards should be completed, signed and returned to the transfer agent to register voting instructions for all shares owned by him or her or held for his or her benefit in the Savings Plans.

Can I change my vote?

Yes. A proxy may be revoked at any time prior to the voting at the Annual Meeting by submitting a later dated proxy (including a proxy by telephone or electronically through the Internet), by giving timely written notice of such revocation to our Corporate Secretary or by attending the Annual Meeting and voting in person. However, if you hold shares in street name, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy from the stockholder of record.

What if I do not vote for some of the matters listed on my proxy card?

Shares of our Common Stock represented by proxies received by us (whether through the return of the enclosed proxy card, by telephone or through the Internet), where the stockholder has specified his or her choice with respect to the proposals described in this Proxy Statement, including the election of Directors, will be voted in accordance with the specification(s) so made.

If your proxy is properly executed but does not contain voting instructions, or if you vote by telephone or via the Internet without indicating how you want to vote, your shares will be voted:

FOR the election of the three Class I Director nominees for the Board of Directors.

Could other matters be decided at the Annual Meeting?

The Board of Directors does not intend to bring any matter before the Annual Meeting other than those set forth above, and the Board is not aware of any matters that anyone else proposes to present for action at the Annual Meeting. However, if any other matters properly come before the Annual Meeting, the persons named in the enclosed proxy, or their duly constituted substitutes acting at the Annual Meeting, will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Our Directors, officers and employees may solicit proxies on behalf of the Company in person or by telephone, facsimile or other electronic means. We have engaged Georgeson Shareholder Communications Inc. to assist us in the distribution and solicitation of proxies for a fee of \$6,500 plus expenses. Independence of the Board of Directors

Under the rules of the New York Stock Exchange (NYSE), our Board of Directors is required to affirmatively determine which Directors are independent and to disclose such determination in our 2005 Annual Report and in the proxy statement for each annual meeting of stockholders going forward. On March 9, 2006 and October 23, 2006, our Board of Directors reviewed each Director's relationships with us in conjunction with our previously adopted Independence Standards for Directors (the Independence Standards) and Section 303A of the NYSE's Listed Company Manual (NYSE Listing Standards). A copy of our Independence Standards is attached to this Proxy Statement as Appendix A and is available on our corporate website at www.phh.com under the heading Investor Relations Corporate Governance. A copy

Table of Contents

of our Independence Standards is also available to stockholders upon request, addressed to the Corporate Secretary at 3000 Leadenhall Road, Mt. Laurel, New Jersey 08054 (telephone number: 1-866-PHH-INFO or 1-856-917-1PHH). At those meetings, the Board affirmatively determined that all non-employee Directors, Messrs. Brinkley, Krongard, Mariner and Van Kirk and Ms. Logan, meet the categorical standards under the Independence Standards and are independent directors under the NYSE Listing Standards. In March 2005, Mr. Krongard, our Non-Executive Chairman, became a member of the global Board of DLA Piper, our principal outside law firm. Based on the nature of this position, our Board specifically considered Mr. Krongard's relationship with DLA Piper and determined that it was not a material relationship for the purposes of determining his independence. In addition, Mr. Brinkley, one of our Directors, serves as Vice Chairman of Smith Barney, which was acquired by the Global Wealth Management segment of Citigroup Inc. in November 2005. We have certain relationships with the Corporate and Investment Banking segment of Citigroup, including financial services, commercial banking and other transactions. Based on the nature of his position, our Board specifically considered Mr. Brinkley's relationship with Citigroup and determined that it was not a material relationship for the purposes of determining his independence. Our Board also determined that Messrs. Edwards and Kilroy, who serve as executive officers, are not independent directors. Accordingly, more than two-thirds of the members of our Board of Directors are independent as required by our Corporate Governance Guidelines.

Non-Executive Chairman

Mr. Krongard serves as our Non-Executive Chairman. The Non-Executive Chairman is not an officer of the Company and leads all meetings of our Board of Directors at which he is present. The Non-Executive Chairman serves on appropriate committees as requested by the Board of Directors, sets meeting schedules and agendas and manages information flow to the Board of Directors to assure appropriate understanding of, and discussion regarding matters of interest or concern to the Board of Directors. The Non-Executive Chairman also has such additional powers and performs such additional duties consistent with organizing and leading the actions of the Board of Directors as the Board of Directors may from time to time prescribe.

PROPOSAL NO. 1 ELECTION OF CLASS I DIRECTORS

The Board of Directors has nominated Messrs. Terence W. Edwards, A.B. Krongard and Francis J. Van Kirk to be elected at the Annual Meeting to serve as Class I Directors for a three-year term ending at the 2009 annual meeting of stockholders and until their successors are duly elected and qualified. All nominees are currently incumbent Directors of the Company. The terms of the remaining Class II and Class III Directors expire at the annual meeting of stockholders for 2007 and 2008, respectively.

All nominees have consented to being named in this Proxy Statement and to serve if elected. If, prior to the Annual Meeting, any nominee should become unavailable to serve, the shares of our Common Stock represented by a properly executed and returned proxy (whether through the return of the enclosed proxy card, by telephone or electronically through the Internet) will be voted for such additional person as shall be designated by the Board of Directors, unless the Board of Directors determines to reduce the number of Directors in accordance with our amended and restated articles of incorporation and by-laws.

Directors shall be elected by the affirmative vote of a plurality of the shares of our Common Stock cast at the Annual Meeting, in person or by proxy, and entitled to vote in the election of Directors. Pursuant to applicable Maryland law, in determining whether such nominees have received the requisite number of affirmative votes, abstentions and broker non-votes will have no effect on the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH NOMINEE AS A CLASS I DIRECTOR. UNLESS MARKED TO THE CONTRARY, PROXIES RECEIVED BY THE COMPANY WILL BE VOTED FOR THE ELECTION OF THE THREE NOMINEES LISTED ABOVE.

Table of Contents**COMMITTEES OF THE BOARD**

The Board of Directors has a standing Audit Committee, Compensation Committee and Corporate Governance Committee (collectively, the Committees) consisting of Directors who have been affirmatively determined to be independent as defined in the NYSE Listing Standards. Each of these Committees operates pursuant to a written charter approved by the Board of Directors and available on our corporate website at www.phh.com under the heading Investor Relations Corporate Governance. A copy of each Committee charter is also available to stockholders upon request, addressed to the Corporate Secretary at 3000 Leadenhall Road, Mt. Laurel, New Jersey 08054 (telephone number: 1-866-PHH-INFO or 1-856-917-1PHH). In addition, the Board of Directors has a standing Executive Committee which may take certain actions on behalf of the Board of Directors when the Board is not in session.

Audit Committee

The Audit Committee assists our Board of Directors in the oversight of the integrity of our financial statements, our independent registered public accountants' qualifications and independence, the performance of our independent registered public accountants and our internal audit function and our compliance with legal and regulatory requirements. The Committee also oversees our corporate accounting and reporting practices by meeting with our financial management and independent registered public accountants to review our financial statements, quarterly earnings releases and financial data; appointing and pre-approving all services provided by the independent registered public accountants that will audit our financial statements; reviewing the selection of the internal auditors that provide internal audit services; reviewing the scope, procedures and results of our audits; and evaluating our key financial and accounting personnel. The Audit Committee comprises Messrs. Van Kirk (Chairman) and Mariner and Ms. Logan. Mr. Krongard served as Chairman of the Committee from the Spin-Off until June 30, 2005 prior to Mr. Van Kirk's election to the Board of Directors and to the Audit Committee, which was effective July 1, 2005. Each member of the Audit Committee is required to have the ability to read and understand fundamental financial statements. The Audit Committee is also required to have at least one member that qualifies as an audit committee financial expert as defined by the rules of the SEC. Our Board of Directors has determined that Messrs. Mariner and Van Kirk qualify as audit committee financial experts and are non-employee, independent directors. During 2005, the Audit Committee met twelve times. During 2006, the Audit Committee met twenty-four times through November 17, 2006.

Compensation Committee

The Compensation Committee determines, approves and reports to our Board of Directors on all elements of compensation for our Chief Executive Officer and senior management; reviews and approves our compensation strategy, including the elements of total compensation for senior management; reviews and approves the annual bonus and long-term bonus incentive plans; and reviews and recommends equity awards for our employees. The Compensation Committee also assists us in developing compensation and benefit strategies to attract, develop and retain qualified employees. The Compensation Committee comprises Messrs. Brinkley (Chairman) and Krongard and Ms. Logan. During 2005, the Compensation Committee met six times and acted by unanimous written consent on three occasions.

The Corporate Governance Committee identifies, evaluates and recommends nominees for our Board of Directors for each annual meeting (see Nomination Process and Qualifications for Director Nominees below); evaluates the composition, organization and governance of our Board of Directors and its committees; and develops and recommends corporate governance principles and policies applicable to us. The Committee comprises Messrs. Krongard (Chairman), Brinkley and Mariner. During 2005, the Corporate Governance Committee met one time.

Table of Contents**Executive Committee**

The Executive Committee may exercise all of the powers of our Board of Directors when the Board is not in session, including the power to authorize the issuance of stock, except that the Executive Committee has no power to alter, amend or repeal our by-laws or any resolution or resolutions of the Board of Directors, declare any dividend or make any other distribution to our stockholders, appoint any member of the Executive Committee or take any other action which legally may be taken only by the full Board of Directors. The Executive Committee comprises Messrs. Krongard (Chairman), Edwards and Kilroy. During 2005, the Executive Committee did not meet.

BOARD MEETINGS

During 2005, our Board of Directors held five meetings and acted by unanimous written consent on three occasions. In addition, the Committees of the Board of Directors held an aggregate of nineteen meetings and acted by unanimous written consent on three occasions in that period. In 2005, all incumbent Directors attended at least 89% of the aggregate number of meetings of the Board of Directors and Committees of the Board of Directors on which they served. All Directors are required to attend each regularly scheduled Board of Directors meeting as well as each annual meeting of our stockholders (subject to certain limited exceptions).

DIRECTOR COMPENSATION

The following table sets forth the compensation that will be paid to our non-employee Directors:

	Compensation(1)
Annual Non-Executive Chairman of the Board Retainer	\$ 170,000
Annual Non-Executive Board Member Retainer	120,000
New Director Equity Grant	60,000

Compensation Committee Chair Stipend	15,000
Compensation Committee Member Stipend	10,000

- (1) Members of our Board of Directors who are also our officers or employees do not receive compensation for serving as a Director (other than travel-related expenses for meetings held outside of our headquarters). The non-employee Director retainers and stipends described above are paid in arrears on a quarterly basis, half in cash and half in shares of our Common Stock, which are restricted stock units required to be deferred under our Non-Employee Directors Deferred Compensation Plan (such deferred Common Stock is referred to as Director RSUs). These Director RSUs are immediately vested and are paid in shares of our Common Stock one year after the Director is no longer a member of the Board of Directors. A non-employee Director may also elect to receive all or a portion of the cash retainer, stipends or any other compensation for service as a non-employee Director in the form of additional Director RSUs. These Director RSUs are also immediately vested and are paid in shares of our Common Stock 200 days after the Director is no longer a member of the Board of Directors. The number of shares of our Common Stock to be received pursuant to the Director RSU portion of the retainer or any other compensation the non-employee Director elects to receive in the form of Director RSUs equals the value of the compensation being paid in the form of restricted stock units, divided by the fair market value of our Common Stock on the date on which the compensation would otherwise have been paid. The Director RSUs and the shares of our Common Stock to be received pursuant to those Director RSUs are issued under our 2005 Equity and Incentive Plan. Non-employee Directors may not sell or receive value

from any Director RSU prior to the receipt of our Common Stock following termination of service. Following the announcement in the delay in the filing of our 2005 Annual Report, the Board of Directors determined that the award of Director RSUs to be granted to Directors be postponed until we are a current filer with the SEC.

CORPORATE GOVERNANCE

Executive Sessions of Non-Management Directors

Executive sessions of non-management Directors without management present are held regularly by the Board of Directors and its Committees to discuss the criteria upon which the performance of the Chief Executive Officer and other senior executives is based, the performance of the Chief Executive Officer against such criteria, the compensation of the Chief Executive Officer and other senior executives and any other relevant matters. Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines to assist the Board of Directors in monitoring the effectiveness of decision-making, both at the Board of Directors and management levels, to enhance long-term stockholder value. The Corporate Governance Guidelines outline the responsibilities of the Board of Directors; composition of the Board of Directors, including the requirement that two-thirds of the Directors are independent as defined by the NYSE Listing Standards; Director duties, tenure, retirement and succession; conduct of Board of Directors and Committee meetings; and the selection and evaluation of the Chief Executive Officer. In furtherance of this commitment, our Board of Directors promotes ethical behavior and has adopted a Code of Business Conduct and Ethics for Directors (the Directors Code) that is applicable to all of our Directors. The Directors Code provides, among other things:

guidelines for Directors with respect to what constitutes a conflict of interest between a Director's private interests and interests of PHH;

a set of standards that must be followed whenever we contemplate a business relationship between us and a Director;

restrictions on competition between our Directors and PHH and the use of our confidential information by Directors for their personal benefit; and

disciplinary measures for violations of the Directors Code and any other applicable rules and regulations.

The Directors Code is available on our corporate website at *www.phh.com* under the heading Investor Relations Corporate Governance. Code of Conduct for Employees and Officers

Our Board of Directors has also adopted a Code of Conduct for Employees and Officers (the Employees and Officers Code) that is applicable to all of our officers and employees, including our chief executive officer, chief financial officer and chief accounting officer. The Employees and Officers Code provides, among other things:

guidelines for our officers and employees with respect to ethical handling of conflicts of interest, including examples of the most common types of conflicts of interest that should be avoided (e.g., receipt of improper personal benefits from us, having an ownership interest in other businesses that may compromise an officer's loyalty to us, obtaining outside employment with a competitor of ours, etc.);

a set of standards to promote full, fair, accurate, timely and understandable disclosure in periodic reports required to be filed by us, including, for example, a specific requirement that all accounting records must be duly preserved and must accurately reflect our assets and liabilities;

a requirement to comply with all applicable laws, rules and regulations;

guidance promoting prompt internal communication of any suspected violations of the Employees and Officers Code to the appropriate person or persons identified in the Employees and Officers Code; and

Nomination Process and Qualifications for Director Nominees

The Board of Directors has established certain procedures and criteria for the selection of nominees for election to our Board of Directors. Pursuant to its charter, the Corporate Governance Committee is required to identify individuals qualified to become members of the Board, which shall be consistent with the Board's criteria for selecting new Directors. The Committee considers criteria such as diversity, age, skills and experience so as to enhance the Board of Directors' ability to manage and direct our affairs and business, including, when applicable, to enhance the ability of Committees of the Board to fulfill their duties and/or to satisfy any independence requirements imposed by law, regulation or NYSE requirement. The Committee is also responsible for conducting a review of the credentials of individuals it wishes to recommend to the Board of Directors as a Director nominee, recommending Director nominees to the Board of Directors for submission for a stockholder vote at either an annual meeting of stockholders or any special meeting of stockholders called for the purpose of electing Directors, reviewing the suitability for continued service as a Director of each Board member when his or her term expires and when he or she has a significant change in status, including but not limited to an employment change, and recommending whether such a Director should be re-nominated to the Board or continue as a Director.

**CONVERSION OF CENDANT STOCK OPTIONS AND RESTRICTED STOCK UNITS
INTO PHH STOCK OPTIONS AND RESTRICTED STOCK UNITS**

In connection with the Spin-Off, outstanding stock options to purchase Cendant common stock (Cendant Options) held by our employees with an exercise price of at least \$18.00 per share were converted into stock options to purchase our Common Stock (PHH Options). Additionally, the unvested portion of Mr. Edwards Cendant Options granted on April 22, 2003, with an exercise price of \$13.64 per share, was also converted into PHH Options. Each Cendant Option was converted into 1.0928 PHH Options based on a conversion ratio, with the total rounded down to the nearest whole number. The conversion ratio was determined by dividing the last trade of Cendant common stock on January 31, 2005, or \$23.55, by the first trade of our Common Stock on February 1, 2005, or \$21.55. The exercise price for the PHH Options was determined by dividing the exercise price for the Cendant Options by the conversion

ratio, rounded up to the nearest cent.

Table of Contents

In addition, the outstanding restricted stock units related to Cendant common stock (Cendant RSUs) held by our employees were converted PHH RSUs. The number of PHH RSUs received by each of our employees equaled the number of Cendant RSUs multiplied by the conversion ratio.

PHH CORPORATION PENSION PLAN

Effective as of the Spin-Off, we adopted a defined benefit employee pension plan, named the PHH Corporation Pension Plan (the PHH Plan), which is identical in all material respects to the Cendant Corporation Pension Plan. Benefits under the Cendant Pension Plan were frozen for participants including our Named Executive Officers. The PHH Plan assumed all liabilities and obligations owed under the Cendant Pension Plan to Cendant Pension Plan participants who were actively employed by us at the time of the Spin-Off, including Messrs. Edwards, Kilroy, Brown, Cashen and Suter. Certain of our employees, including Messrs. Raubenstine and Danahy, were not participants in the Cendant Pension Plan and are not participants in the PHH Plan. The benefits under the PHH Plan that are accrued to our Named Executive Officers were frozen and such officers may not accrue further benefits under the PHH Plan.

Each of the Named Executive Officers, other than Messrs. Raubenstine and Danahy, is eligible to receive a benefit under the PHH Plan based on 2% of their final average compensation times the number of their years of benefit service (up to a maximum of 30 years) minus 50% of their annualized primary Social Security benefit. For purposes of determining the Named Executive Officers' benefits under the PHH Plan, their final average compensation and years of benefit service shall be based on compensation and service earned prior to October 31, 1999 (October 31, 2004, for Mr. Kilroy). The Named Executive Officers will not accrue any additional benefits under the PHH Plan or under any other defined benefit plan of PHH or Cendant after October 31, 1999 (October 31, 2004 for Mr. Kilroy).

Edgar Filing: PHH CORP - Form DEF 14A

The table below shows the estimated annual benefit payable to each such Named Executive Officer commencing at age 65 under the PHH Plan. For Mr. Suter, the amount also includes benefits payable under a supplemental pension plan formerly sponsored by us which provides additional benefits which otherwise would have been payable but for Internal Revenue Service limitations. The benefits payable to each of the following Named Executive Officers have been frozen and such officers may not accrue further benefits under the PHH

Table of Contents

Plan or under any other defined benefit plan provided by us or Cendant. The benefits set forth in the table below for each of the following Named Executive Officers reflect straight-line annuity amounts and reflect any offsets for estimated Social Security benefits.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is comprised of three independent, non-executive directors who are responsible for overseeing our executive compensation policies and programs. The Board of Directors adopted a Compensation Committee Charter (the Charter) which sets forth the purpose, composition, authority and responsibilities of the Compensation Committee. The Compensation Committee evaluates the performance, base salaries, annual and long-term cash and equity incentives, and other compensation for executive officers, including the Chief Executive Officer.

Executive Officer Compensation Policies. The purpose of our executive compensation policies is to attract, retain and motivate qualified executive officers to manage our business in order to maximize stockholder value. Our executive officer compensation policies are intended to facilitate the achievement of our business strategies through aligning compensation with our company's performance by including variable, at-risk compensation that is dependant upon meeting specified performance targets and aligning the interests of our executive officers with the interests of the stockholders by providing equity-based compensation as a component of total compensation. The Compensation Committee does not rely upon a fixed formula or specific numerical criteria in determining an executive officer's total compensation, and considers our company's and personal performance criteria, competitive compensation levels for companies in similar businesses and of similar size, where available, the economic environment as well as the recommendation of an independent executive compensation consultant. The Compensation Committee exercises its business judgment based on all of these criteria.

Components of Executive Compensation. The material elements of executive compensation arrangements include base salary, variable compensation programs, and long-term incentive awards.

Base Salaries. The Compensation Committee is responsible for determining the salary of our Chief Executive Officer and other senior executive officers, which includes the approval of annual adjustments to their base compensation. Salary recommendations for executive officers, other than the Chief Executive Officer, are also reviewed annually by the chief executive officer, chief financial officer and senior vice president of human resources for the appropriate operating subsidiary. The Compensation Committee assesses salary levels based upon the nature of the position and the contribution, achievement, experience and tenure of the executive officer as well as economic factors and competitive compensation levels for companies in similar businesses and of similar size, where available. The base salaries of the Named Executive Officers for 2005 were established by Cendant prior to the Spin-Off and reviewed and approved by the Compensation Committee following the Spin-Off. The Compensation Committee received market research from an independent executive compensation consultant regarding comparable compensation programs for similarly situated executive officers at companies in similar business and of similar size, where available. The Compensation Committee considers such advice and

compensation surveys in connection with establishing salaries for executive officers.

Table of Contents

Variable Compensation Programs. Our executive officers may receive additional compensation through incentive programs or bonus programs designed to motivate eligible recipients to achieve our strategic objectives. Each executive officer is eligible to receive an annual performance bonus based upon the performance of the individual executive officer and operating segment and/or Company performance goals established by the Compensation Committee. Those bonus payments are subject to the approval of the Compensation Committee. The performance goals are adjusted each year to coincide with our overall strategy. In February 2005, the Compensation Committee established performance targets based upon the achievement of target return on equity and net income for 2005 under the 2005 Management Incentive Plans. As a result of the significant changes to our business operations following the Spin-Off, the Compensation Committee amended the 2005 Management Incentive Plans in November 2005 establishing pre-tax income after minority interest as the performance target replacing return on equity and net income. The Compensation Committee has determined that the performance target for 2005 had been exceeded and authorized the payment of cash bonuses in excess of 100% of the payout target in accordance with the terms of the 2005 Management Incentive Plans to our executive officers, including the Chief Executive Officer. The bonuses paid to our Named Executive Officers for 2005 are set forth in the Summary Compensation Table.

Long-Term Incentive Plan. The Compensation Committee administers our 2005 Equity and Incentive Plan (the Plan), which provides for equity awards, including restricted stock units and options to purchase our Common Stock. The Compensation Committee considers equity awards to executive officers an appropriate and effective method of retaining key management employees and aligning the interest of employees with those stockholders. Eligibility for stock awards, the number of shares underlying each award and the terms and conditions of each award are determined by the Compensation Committee upon consultation with management and an independent executive compensation consultant. Following the Spin-Off, the Compensation Committee authorized certain conversion awards which replaced Cendant stock awards with comparable awards of our Common Stock in the form of restricted stock units and stock options. On March 3, 2005, following the Spin-Off, the Compensation Committee granted stock options to certain executive officers and other employees (the Charter Grant), all of which vest on March 3, 2009. In addition, on June 28, 2005, the Compensation Committee awarded service-based restricted stock units and/or stock options to executive officers with provisions for accelerated vesting upon the achievement of certain annual performance targets established by the Committee for 2005, 2006, 2007 and 2008. Additional information with respect to the Charter Grant and 2005 Equity Award to our Named Executive Officers is set forth above under Summary Compensation Table and Option Grants in Last Fiscal Year in this Proxy Statement.

Chief Executive Officer Compensation. Mr. Edwards has served as our President and Chief Executive Officer since the Spin-Off and prior to that was the President and Chief Executive Officer of PHH Mortgage from February 1996 until the Spin-Off. Since August 2005, Mr. Edwards has also resumed his role as President and Chief Executive Officer of PHH Mortgage in addition to his role with the Company. Immediately after the Spin-Off, we entered into an employment agreement with Mr. Edwards. That agreement had a term ending on February 1, 2008, and provided for a minimum base salary of \$625,000 and participation in employee benefit plans generally available to our executive officers. Mr. Edwards' agreement provided for an annual incentive award with a target amount equal to no less than 100% of his base salary, subject to attainment of performance goals, and grants of long-term incentive awards based upon such terms and conditions as determined by our board of directors or our Compensation Committee. In addition, Mr. Edwards was entitled to receive an equity incentive award under the employment agreement relating to our Common Stock that would have vested based on the achievement of specified performance goals and would have had a value on the grant date of \$2.5 million, which value would have been based on such performance criteria determined by our Compensation Committee. After the Spin-Off, we generally do not enter into employment agreements with any of our executive officers. In accordance with this practice, we and Mr. Edwards terminated his employment agreement effective February 24, 2005, and Mr. Edwards' employment with us is now on an at-will basis.

Table of Contents

The Compensation Committee reviewed and approved Mr. Edwards' compensation for 2005, which included a base salary of \$564,635 and target bonus payout under the 2005 Management Incentive Plan of 100% of base salary upon achievement of the 2005 performance target. The 2005 Management Incentive Plan permits a payout of up to 125% of the target bonus payout in the event the performance target is exceeded. As previously discussed, the Compensation Committee established the performance target as pre-tax income after minority interest excluding certain Spin-Off related expenses in 2005. Mr. Edwards received a bonus award of \$643,684 as a result of us exceeding the established performance target for pre-tax income after minority interest. As noted above, certain awards of Cendant stock options and restricted stock units for the years prior to 2005 were converted to shares of restricted stock units and options to purchase our Common Stock effective as of the Spin-Off. These awards did not relate to Mr. Edwards' performance in 2005 and continued the vesting schedule provided under the original awards agreements. Mr. Edwards received a stock option award on March 3, 2005 under the Charter Grant of 49,229 options to purchase our Common Stock, all of which vest on March 3, 2009, and an award of 25,028 stock options and 11,505 restricted stock units on June 28, 2005, which vest annually in three equal installments beginning on June 28, 2009, subject to performance acceleration in 25% increments for achievement of performance targets established by the Compensation Committee for each of the four fiscal years ending prior to June 28, 2009. Mr. Edwards' base salary was not changed for 2006.

Deductibility for Compensation. In accordance with Section 162(m) of the Internal Revenue Code, the deductibility for federal corporate tax purposes of compensation paid to certain of our individual executive officers in excess of \$1 million in any year may be restricted. The Compensation Committee believes that it is in the best interests of our stockholders to comply with such tax law, while still maintaining the goals of our compensation programs. Accordingly, where it is deemed necessary and in our best interests to continue to attract and retain the best possible executive talent and to motivate such executives to achieve the goals inherent in our business strategy, the Compensation Committee will recommend compensation to executive officers which may exceed the limits of deductibility. In this regard, certain portions of compensation paid to the Named Executive Officers may not be deductible for federal income tax purposes under Section 162(m).

Employment Agreements

Immediately after the Spin-Off, we entered into an employment agreement with Terence W. Edwards, our President and Chief Executive Officer with a term ending on February 1, 2008. In addition to providing for a minimum base salary of \$625,000 and participation in employee benefit plans generally available to our executive officers, Mr. Edwards' agreement provided for an annual incentive award with a target amount equal to no less than 100% of his base salary, subject to attainment of performance goals, and grants of long-term incentive awards upon such terms and conditions as determined by our board of directors or our Compensation Committee. In addition, Mr. Edwards was entitled to receive an equity incentive award under the employment agreement relating to our Common Stock that would have vested based on the achievement of specified performance goals and would have had a value on the grant date of \$2.5 million, which value would have been based on such performance criteria determined by our Compensation Committee. After the Spin-Off, we generally do not enter into employment agreements with any of our executive officers. In accordance with this practice, we and Mr. Edwards terminated his employment agreement and Mr. Edwards' employment with us is on an at-will basis.

Change in Control Arrangements

Generally, all stock options granted to each of the Named Executive Officers under our 2005 Equity and Incentive Plan will become fully and immediately vested and exercisable, and all restricted stock units will vest upon the occurrence of any change in control transaction affecting our company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**Spin-Off from Cendant**

Prior to the Spin-Off, we entered into various agreements with Cendant and Cendant's real estate services division in connection with the Spin-Off (collectively, the "Spin-Off Agreements"), including (i) the Mortgage Venture Operating Agreement (as defined below) and related trademark license, management services, marketing agreements, and other agreements for the purpose of originating and selling mortgage loans primarily sourced through NRT Incorporated, Cartus Corporation and Title Research Group LLC, which commenced operations in October 2005, and is consolidated within our financial statements; (ii) a strategic relationship agreement whereby Cendant's real estate services division and we have agreed on non-competition, indemnification and exclusivity arrangements; (iii) a separation agreement that requires the exchange of information with Cendant and other provisions regarding our separation from Cendant; (iv) a tax sharing agreement governing the allocation of liability for taxes between Cendant and us, indemnification for liability for taxes and responsibility for preparing and filing tax returns and defending tax contests, as well as other tax-related matters; and (v) a transition services agreement governing certain continuing arrangements between us and Cendant to provide for the transition of our company from a wholly owned subsidiary of Cendant to an independent, publicly traded company.

Prior to and as part of the Spin-Off, Cendant made a cash contribution to us of \$100 million and we distributed assets net of liabilities of \$577 million to Cendant. Such amount included the historical cost of the net assets of our former relocation and fuel card businesses, certain other assets and liabilities per the Spin-Off Agreements and the net amount of forgiveness of certain payables and receivables, including income taxes, between us, our former relocation and fuel card businesses and Cendant.

Table of Contents

In connection with the Spin-Off, we and Cendant's real estate services division became parties to a mortgage venture, PHH Home Loans, LLC (the Mortgage Venture). Effective July 31, 2006, Cendant completed the spin-off of its real estate services division into an independent publicly traded company, Realogy Corporation (NYSE: H) (Realogy). PHH Broker Partner Corporation (PHH Broker Partner), our wholly owned subsidiary, owns 50.1% of the Mortgage Venture, and Realogy Real Estate Services Venture Partner, Inc. (Realogy Venture Partner), a wholly owned subsidiary of Realogy, owns the remaining 49.9%. On May 12, 2005, PHH Broker Partner and Realogy Venture Partner entered into an amendment (the Amendment) to the Amended and Restated Limited Liability Company Operating Agreement for PHH Home Loans, LLC, dated as of January 31, 2005 (as amended, the Mortgage Venture Operating Agreement). The Amendment extends to ten years the time period after which Realogy Venture Partner may provide a two-year notice of termination in connection with the Mortgage Venture, other than as the result of material breach and certain other events.

Corporate Expenses and Cash Dividends

Prior to the Spin-Off and in the ordinary course of business, we were allocated certain expenses from Cendant for corporate functions including executive management, accounting, tax, finance, human resources, information technology, legal and facility-related expenses. Cendant allocated these corporate expenses to subsidiaries conducting ongoing operations based on a percentage of the subsidiaries' forecasted revenues. Such expenses amounted to \$3 million, \$32 million and \$36 million during the years ended December 31, 2005, 2004 and 2003, respectively. In addition, at December 31, 2004, we had a \$131 million receivable from Cendant, representing amounts paid by us on behalf of Cendant, net of the accumulation of corporate allocations and amounts paid by Cendant on behalf of us. Amounts receivable from Cendant were included in Other assets in the Consolidated Balance Sheet as of December 31, 2004. There was no such receivable from Cendant as of December 31, 2005.

During each of the years ended December 31, 2004 and 2003, we paid Cendant \$140 million (or \$2.66 per share after giving effect to the 52,684-for-one stock split effected January 28, 2005) of cash dividends. We did not pay cash dividends to Cendant during the year ended December 31, 2005. During the year ended December 31, 2004, we transferred a subsidiary owned by Speedy Title and Appraisal Review Services LLC to a wholly owned subsidiary of Cendant not within our ownership structure. The net assets of the subsidiary transferred were \$16 million.

Pursuant to the transition services agreement among us, Cendant and Cendant Operations, Inc., in 2005 we received approximately \$398,000 in fees for certain information technology support, equipment and services at or from our data center, and certain personal computer desktop support for approximately 100 Cendant personnel, located at our facility in Sparks, Maryland. During 2005, we also received approximately \$434,000 in fees for information technology services as well as security, maintenance and related services provided under other agreements with Realogy and certain Realogy affiliates, subsidiaries and business units.

Certain Business Relationships

A.B. Krongard, our Non-Executive Chairman, is also a member of the global Board of our principal outside law firm, DLA Piper. Our legal fees and disbursements paid to DLA Piper during 2005 did not exceed 5% of DLA Piper's gross revenues for 2005.

James W. Brinkley, one of our Directors, serves as Vice Chairman of Smith Barney, which was acquired by Citigroup, Inc. as part of Citigroup's Global Wealth Management segment in a transaction with Legg Mason, Inc. in December 2005. We have certain relationships with the Corporate and Investment Banking segment of Citigroup, including financial services, commercial banking and other transactions. Citigroup is a lender in our \$1.3 billion Five Year Competitive Advance and Revolving Credit Agreement, \$500 million Revolving Credit Agreement and the Base Indenture and supplements thereto for Chesapeake Funding LLC (the Citigroup Agreements). The fees paid to Citigroup, and indebtedness incurred by us, pursuant to these relationships did not exceed 5% of either Citigroup's or our revenues during 2005, or our total consolidated

assets as of December 31, 2005. During 2006, we have incurred additional indebtedness with Citigroup under the Citigroup Agreements totaling approximately \$767 million as of June 30, 2006.

We have employed Bradford C. Burgess, who serves as a Director, Business Development at PHH Arval, since 2001. During 2005, he became the son-in-law of George J. Kilroy. Mr. Burgess received compensation in excess of \$60,000 for 2005 and was eligible to participate in employee benefit plans available to employees generally.

Indebtedness of Management

One or more of our mortgage lending subsidiaries has made, in the ordinary course of business, mortgage loans and/or home equity lines of credit to directors and executive officers and their immediate families. Such mortgage loans and/or home equity lines of credit were made on substantially the same terms, including interest rates and collateral requirements, as those prevailing at the time for comparable transactions with our other customers generally, and they did not involve more than the normal risk of collectibility or present other unfavorable features. Generally, we sell these mortgage loans and/or home equity lines of credit, soon after origination, into the secondary market in the ordinary course of business.

The Committee met with the internal auditor and the Independent Auditor, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

Table of Contents

Based upon the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's 2005 Annual Report for filing with the SEC. When making independence determinations, the Board will consider all relevant facts and circumstances, as well as all applicable legal and regulatory requirements, including NYSE corporate governance requirements and the rules and regulations of any other regulatory or self-regulatory body with jurisdiction over the Company. Notwithstanding the foregoing, none of the following relationships shall automatically disqualify any director or nominee from being considered independent:

- (c) The director or an immediate family member of the director is or was employed within the past three years as an executive officer of another organization for which any of the Company's present executive officers at the same time serves or served on that organization's board of directors (or similar body) or any committee thereof, except that the foregoing shall not apply to service by such executive officer on such organization's compensation committee;
- (d) (i) The director is or was an employee, executive officer, partner (other than a limited partner) or significant equity holder of another organization that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, is less than the greater of \$1.0 million or 2% of such other organization's consolidated gross revenues, or (ii) an immediate family member of the director is or was an executive officer of another company that made payments to, or received payments from, the Company for property or services in an amount which, in any single fiscal year, is less than the greater of \$1.0 million or 2% of such other company's consolidated gross revenues;
