CVRD's subsidiary CVRD Inco announces new senior management appointments

Rio de Janeiro, January 30, 2007 Companhia Vale do Rio Doce (CVRD) announces that CVRD Inco's Board of Directors appointed a new senior management team.

Murilo Ferreira was appointed President and Chief Executive Officer of CVRD Inco, replacing Scott Hand, who is retiring. Murilo remains as a member of the CVRD Executive committee and will be responsible for the nickel business as well as for marketing and sales of copper and aluminum products.

Leonardo Moretzsohn, formerly Director of the Department of Internal Controls of CVRD, is the new Executive Vice-President and Chief Financial Officer. Leonardo is replacing Bob Davies, who is leaving the company.

Scott McDonald will replace Mark Daniel, who is retiring, as Executive Vice-President, Human Resources.

Mark Cutifani, Peter Goudie, and Simon Fish will retain their current positions as Executive Vice-President and Chief Operating Officer, Executive Vice-President Marketing & Sales, and Executive Vice-President and General Counsel respectively.

Phil du Toit, who was recently appointed Executive Vice-President, Goro Nickel Project, will join the Management Committee.

Roger Agnelli, CVRD Chief Executive, commented: "This executive team brings a wealthy experience and knowledge of the metals and mining business acquired at CVRD and the former Inco operations. We look forward to the significant contribution each will make to our company. Murilo Ferreira is a person in whom we have the utmost confidence to lead the development of our newest growth platform ."

Our integration teams did a superb job at integrating the two businesses. CVRD emerges from the acquisition of Inco as the second largest mining company in the world and we will continue our quest for value creation ."

This press release may contain statements that express management's expectations about future events or results rather than historical facts. These forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements, and CVRD cannot give assurance that such statements will prove correct. These risks and uncertainties include factors: relating to the Brazilian and Canadian economy and securities markets, which exhibit volatility and can be adversely affected by developments in other countries; relating to the iron ore and nickel business and its dependence on the global steel industry, which is cyclical in nature; and relating to the highly competitive industries in which CVRD operates. For additional information on factors that could cause CVRD's actual results to differ from expectations reflected in forward-looking statements, please see CVRD's reports filed with the Brazilian Comissão de Valores Mobiliários and the U.S. Securities and Exchange Commission.
