*(e) Plan Amendments and Salary Adjustments*

At its meeting on October 16, 2007, the Board of Directors (the Board) of Alleghany Corporation (the Company), upon the recommendation of the Compensation Committee of the Board, approved and adopted amendments to the following compensation plans of the Company: (i) the Retirement Plan, (ii) the Officers and Highly Compensated Employees Deferred Compensation Plan, (iii) the Restricted Stock Unit Supplement to the 2005 Directors Stock Plan, (iv) the 2005 Management Incentive Plan, and (v) the 2002 Long-Term Incentive Plan (collectively, the Plans).

The amendments to the Plans were primarily intended to conform the Plans with the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (Section 409A) and, in general, include: (i) specifying the time for all payments under the Plans, (ii) specifying the time for making elective deferrals, the timing and form of distributions under such Plans and the procedures for making and changing participant elections with respect thereto, and (iii) providing for the delayed payment of deferred compensation amounts due to any specified employee, as such term is defined in Section 409A, and for interest on the amount delayed to compensate for such delay.

The foregoing description of the amendments to the Plans is qualified in its entirety by reference to the Plans as amended, which are filed herewith as Exhibits 10.1 through 10.5 and are incorporated herein by reference.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

At its October 16, 2007 meeting, the Board approved and adopted the following amendments to the Company's Amended and Restated By-laws (the By-laws) to allow for the issuance of uncertificated shares:

1. Section 1 of Article VII was amended in its entirety to read as follows:

**Section 1. Certificates of Stock**

Shares of the capital stock of the Corporation may be certificated or uncertificated, as provided under the General Corporation Law of the State of Delaware (the DGCL). Each stockholder, upon written request to the transfer agent or registrar of the Corporation, shall be entitled to a certificate of the capital stock of the Corporation in such form as may be approved by the Board of Directors and shall be signed, manually or by facsimile, by the Chairman of the Board, President, Executive Vice President, a Senior Vice President or a Vice

President, and by the Treasurer, Assistant Treasurer, Secretary or Assistant Secretary, and sealed with the seal of Corporation or a facsimile thereof.

To the extent required by the DGCL, within a reasonable time after the issuance or transfer of uncertificated stock, the Corporation shall send to the registered owner thereof a written notice that shall set forth the name of the Corporation, that the Corporation is organized under the laws of the State of Delaware, the name of the stockholder, the number and class (and the designation of the series, if any) of the shares represented, any restrictions on the transfer or registration of such shares of stock imposed by the Certificate of Incorporation, these By-Laws, any agreement among stockholders or any agreement between stockholders and the Corporation, and any other information required to be set forth or stated on stock certificates pursuant to the DGCL.

2. Section 2 of Article VII is amended in its entirety to read as follows:

**Section 2. Transfers**

The Board of Directors shall have power and authority to make all such rules and regulations as it may deem expedient concerning the issue, transfer and registration of shares of stock, whether certificated or uncertificated. The Board of Directors may appoint Transfer Agents and Registrars thereof.

3. Section 5 of Article VII is amended in its entirety to read as follows:

**Section 5. Warrants**

The foregoing provisions relative to shares of capital stock of the Corporation shall also apply to allotments, warrants or other rights representing shares of capital stock in the Corporation which may be issued from time to time by a vote of the Board of Directors in such form as they may approve.

The ability to issue uncertificated shares allows the Company to participate in the Direct Registration System (the DRS ), which is currently administered by the Depository Trust Company. Pursuant to New York Stock Exchange ( NYSE ) Rules, all NYSE-listed companies must be eligible to participate in the DRS. The DRS allows investors to have securities registered in their names without the issuance of physical certificates and allows investors to electronically transfer securities to broker dealers in order to effect transactions without the risk and delays associated with transferring physical certificates. The By-laws as amended continue to provide however that each registered stockholder
