As previously disclosed on Form 8-K, dated December 5, 2008, Palisades Acquisition XVI, LLC (Palisades XVI), an affiliate of Asta Funding, Inc. (the Company), entered into a Receivables Financing Agreement, dated March 2, 2007, as amended on July 1, 2007, December 27, 2007 and May 19, 2008 (as amended, the Agreement), with a major financial institution, pursuant to which Palisades XVI borrowed approximately \$227 million in order to pay a portion of the purchase price for a portfolio of approximately \$6.9 billion in face value receivables. On December 1, 2008, as a result of the actual collections being lower than the minimum collection rates required under the Agreement for the month ended November 30, 2008, a termination event occurred under the Agreement. In order to resolve this issue, the parties to the Agreement executed a Waiver (the Waiver) dated as of December 1, 2008. The Waiver provides that, among other things, the termination event will be waived until December 22, 2008. The Company is currently in negotiations with this lender and its bank group (under its revolving line of credit) to amend its loan documents. There can be no assurance the Company will receive the amendments, or the amendments on favorable terms to the Company.

As senior management has been engaged in negotiating the amendments needed to remedy the situation by the December 22, 2008 deadline referred to above, the Company is unable to file its annual report on Form 10-K for the year ended September 30, 2008, within the time period prescribed for such report without unreasonable effort or expense. The Company does anticipate being able to file its annual report within 15 calendar days. Due to the unprecedented state of the economy, the Company will continue to monitor its collection trends and the possible impact on its financial statements.

(2) Have all other periodic reports required under Sections 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due to the unprecedented slow down in the economy, the Company has experienced a corresponding slowing of collections, which caused lower finance income and higher impairments during the fiscal year ended September 30, 2008, as compared to fiscal year ended September 30, 2007. Please see below, the unaudited Consolidated Statement of Operations the Company expects to file in its Form 10-K, assuming the valuation analysis performed does not change.
