**Item 8.01. Other Events.**

DTE Energy Company (the Company) is filing this Current Report on Form 8-K to reflect certain accounting changes with respect to the financial information contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 (the 2008 Form 10-K), which was filed with the United States Securities and Exchange Commission (SEC) on February 27, 2009 and amended on March 13, 2009. Items 6, 7 and 8 of the 2008 Form 10-K have been updated to reflect the retrospective effects of the required adoption as of January 1, 2009 of SFAS 160, *Noncontrolling Interests in Consolidated Financial Statements* an Amendment of ARB No. 51 (SFAS No. 160) and FSP EITF 03-6-1, *Determining Whether Instruments Granted in Shared-Based Payment Transactions are Participating Securities* (FSP EITF 03-6-1). Those Items are filed as Exhibits 99.1, 99.2 and 99.3, respectively, to this Current Report on Form 8-K. All other information in the 2008 Form 10-K remains unchanged. The information in this Form 8-K is not an amendment to or restatement of the 2008 Form 10-K.

This Current Report on Form 8-K does not reflect events or developments that occurred after February 27, 2009, and does not modify or update the disclosures in the 2008 Form 10-K in any way, other than as required to reflect the adoption of SFAS No. 160 and FSP EITF 03-6-1 as described below and set forth in the exhibits hereto, which are incorporated herein by reference. Without limiting the foregoing, this filing does not purport to update the Company's Management's Discussion and Analysis of Financial Condition and Results of Operations contained in the 2008 Form 10-K for any information, uncertainties, transactions, risks, events or trends occurring, or known to management. The information in this Current Report on Form 8-K should be read in conjunction with the 2008 Form 10-K and all other documents filed by the Company with the SEC subsequent to February 27, 2009.

Noncontrolling Interests. In December 2007, the FASB issued SFAS No. 160, which requires the recognition of noncontrolling interests (formerly referred to as minority interests) as equity in the consolidated financial statements, separate from the parent's equity, and requires the amount of consolidated net income attributable to the parent and to the noncontrolling interests to be clearly identified and presented on the face of the income statement. Under SFAS No. 160, changes in the parent's ownership interest that leave control intact are accounted for as capital transactions (i.e., as increases or decreases in ownership), a gain or loss will be recognized when a subsidiary is deconsolidated based on the fair value of the noncontrolling equity investment (not carrying amount), and entities must provide sufficient disclosures that clearly identify and distinguish between the interests of the parent and of the noncontrolling owners. The Company adopted SFAS No. 160 prospectively on January 1, 2009, except for the presentation and disclosure requirements which must be applied retrospectively for all periods presented.

Participating securities. In June 2008, the FASB issued FSP EITF 03-6-1, according to which unvested share-based-payment awards that contain non-forfeitable rights to dividends or dividend equivalents are participating securities as defined in FSP EITF 03-6 and therefore should be included in computing earnings per share using the two-class method. The Company adopted FSP EITF 03-6-1 on January 1, 2009 and applied the new accounting retrospectively for all periods presented.
