Item 1.01 Entry into a Material Definitive Agreement.

On March 30, 2010, Omeros Corporation (Omeros) entered into an amendment (the Amendment) with Affitech AS (Affitech) to the Agreement for Antibody Discovery and Development dated July 25, 2008 (the Original Agreement) between the same parties.

Pursuant to the Original Agreement, Omeros was required to pay to Affitech (1) a low single-digit percentage royalty on any net sales of a product containing a MASP-2 antibody developed by Affitech and (2) up to \$10.1 million in milestone payments. Under the terms of the Amendment, Affitech has released Omeros from any future obligations to make royalty or milestone payments. In exchange for such release, Omeros has agreed to pay Affitech \$500,000 by April 5, 2010. The parties have also released each other from any further development obligations. The Original Agreement, as modified by the Amendment, remains in force.

The foregoing description of the Original Agreement as modified by the Amendment is only a summary of the material terms and does not purport to be complete.
