**PROXY STATEMENT**

**For the 2010 Annual General Meeting of Shareholders To Be Held On  
May 25, 2010**

**GENERAL INFORMATION ABOUT THE MEETING**

**Date, Time and Place of Annual General Meeting.**

The Board of Directors (the Board) of Aircastle Limited, an exempted Bermuda company (the Company or Aircastle), is soliciting proxies to be voted at the 2010 Annual General Meeting of Shareholders (the Annual Meeting) to be held at 10:00AM Eastern Daylight Time, on May 25, 2010, at the Hilton Hotel, located at First Stamford Place, Stamford, CT for the purposes set forth in the accompanying Notice of 2010 Annual Meeting of Shareholders, and at any adjournment or postponement of the Annual Meeting. We are sending this proxy statement in connection with the proxy solicitation.

On or about April 12, 2010, the Company began mailing to certain of our shareholders a Notice of Internet Availability of Proxy Materials. This Notice contains instructions on how to access the proxy statement and our annual report for the year ended December 31, 2009 (the 2009 Annual Report) and how to vote. By furnishing this Notice, we are lowering the costs and reducing the environmental impact of our Annual General Meeting. Shareholders who did not receive this Notice will continue to receive paper copies of our proxy statement, proxy card and 2009 Annual Report, which we began mailing on or about April 12, 2010.

**Matters to be Considered at the Annual Meeting.**

At the Annual Meeting, shareholders will vote upon the following matters:

1. the election of two Class I directors to serve until the 2013 annual general meeting of Aircastle or until their office shall otherwise be vacated pursuant to our Bye-laws;
2. the appointment of Ernst & Young LLP as independent registered public accounting firm for the Company for fiscal year 2010 and to authorize the directors of Aircastle, acting by the Audit Committee, to determine the independent registered public accounting firm's fees; and
3. any other business properly presented at the Annual Meeting.

**Quorum and Voting Requirements.**

Our Board has fixed the close of business on March 29, 2010 as the record date (the Record Date) for determination of the shareholders entitled to notice of and to vote at the Annual Meeting. Only shareholders of record as of the close of business on the Record Date are entitled to vote at the Annual Meeting. The presence of two or more persons at the start of the Annual Meeting and representing in person, or by proxy entitling the holder to vote at the Annual Meeting, in excess of 50% of all votes attaching to all shares of the Company in issue, shall form a quorum for the transaction

of business. If a quorum is not present, the Annual Meeting may be adjourned by the chairman of the meeting until a quorum has been obtained.

For the election of nominees to our Board, the affirmative vote of a plurality of the votes cast at the Annual Meeting is sufficient to elect the director, provided that a quorum is present. For the appointment of Ernst & Young LLP, and the approval of any other business properly presented at the Annual Meeting, the affirmative vote of a majority of the votes cast at the Annual Meeting is required for approval of the matter, provided that a quorum is present. A shareholder voting for the election of directors may withhold authority to vote for all or certain nominees. A shareholder may also abstain from voting on the other matters presented for shareholder vote. Votes withheld from the election of any nominee for director and

**Table of Contents**

abstentions from any other proposal will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted in the number of votes cast on a matter.

We will not count shares that abstain from voting on a particular matter or broker, bank or other nominee ( broker ) non-votes as votes in favor of such matter. With respect to the election of directors and the appointment of Ernst & Young LLP, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of vote.

If a shareholder holds shares through a broker, generally the broker may vote the shares it holds in accordance with instructions received. If a shareholder does not give instructions to a broker, the broker can vote the shares it holds with respect to discretionary or routine proposals under the rules of the New York Stock Exchange ( NYSE ). A broker cannot vote shares with respect to non-discretionary proposals for which a shareholder has not given instruction. The appointment of Ernst & Young LLP is considered a discretionary proposal and therefore may be voted upon by a broker even in the absence of instructions from the shareholder; however, the election of directors is considered a non-discretionary item and a broker may not vote on this item in the absence of instructions from the shareholder.

As of the Record Date, there were 79,503,885 common shares of the Company, par value US\$0.01 per share ( Common Shares ), outstanding and entitled to vote. Each Common Share entitles the holder to one vote on each matter presented at the Annual Meeting.

**Director Independence.**

In March 2010, our Board determined the independence of each member of the Board in accordance with the NYSE corporate governance rules and applicable rules of the United States Securities and Exchange Commission (the "SEC"). Each director affirmatively determined by the Board to have met the standards set forth in Section 303A.02 (b) of the NYSE listing standards is referred to herein as an "Independent Director". The Board has determined that the following members of the Board are Independent Directors: Ronald W. Allen, Douglas A. Hacker, John Z. Kukral, Ronald L. Merriman and Peter V. Ueberroth. In making this determination, our Board considered all relevant facts and circumstances, as required by applicable NYSE listing standards.

The NYSE rules require that the Board consist of a majority of independent directors and that the nominating/corporate governance committee, the compensation committee and the audit committee of the Board consist entirely of independent directors. Under NYSE listing standards, whether a director is an independent director is a subjective determination to be made by the Board, and a director of Aircastle only qualifies as independent if the Board affirmatively determines that the director has no material relationship with Aircastle (either directly or as a partner, shareholder or officer of an organization that has a relationship with Aircastle). While the test for independence is a subjective one, the NYSE rules also contain objective criteria that preclude directors from being considered independent in certain situations.

Specifically, persons meeting the following objective criteria are deemed to be not independent:

A director who is or was an employee, or whose immediate family member is an executive officer, of Aircastle (including any consolidated subsidiary), may not be considered independent until three years after the end of such employment relationship;

A director who has received, or whose immediate family member has received, during any twelve-month period within the last three years, more than US\$120,000 in direct compensation from Aircastle (including any consolidated subsidiary), other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

A director who (i) is, or whose immediate family is, a current partner of a firm that is the internal or external auditor of Aircastle; (ii) is a current employee of such a firm; (iii) has an immediate family member who is a current employee of such a firm and who personally works on Aircastle's audit; or (iv) was, or whose immediate family member was, within the last three years a partner or employee of such a firm and personally worked on Aircastle's audit within that time;

A director who is or was employed, or whose immediate family member is or was employed, as an executive officer of another company where any of Aircastle's present executive officers at the same time serve or served on that Company's compensation committee may not be considered independent until three years after the end of such service or the employment relationship; and

A director who is a current employee, or whose immediate family member is an executive officer, of a company (or a consolidated subsidiary of such company) that has made payments to, or has received payments from, Aircastle for property or services in an amount which, in any single fiscal year, exceeds the greater of US\$1 million or 2% of such other company's consolidated gross revenues may not be considered an independent director until three years after falling below such threshold.

Ownership of a significant amount of Common Shares, by itself, does not constitute a material relationship.

The Board has not established additional guidelines to assist it in determining whether a director has a material relationship with Aircastle under NYSE rules, but instead evaluates each director or nominee for director under the tests set forth by the NYSE and through a broad consideration and evaluation of all relevant facts and circumstances. The Board, when assessing the materiality of a director's relationship with Aircastle, also considers the issue not merely from the standpoint of the director, but also from that of persons or organizations with which the director has an affiliation.

**CORPORATE GOVERNANCE**

The role of our Board is to ensure that Aircastle is managed for the long-term benefit of our shareholders. To fulfill this role, the Board has adopted corporate governance principles designed to assure compliance with all applicable corporate governance standards, including those provided by the SEC and the NYSE. In addition, the Board is informed regarding Aircastle's activities and periodically reviews, and advises management with respect to, Aircastle's annual operating plans and strategic initiatives.

We review our corporate governance policies and practices on an ongoing basis and compare them to those suggested by various authorities in corporate governance and the practices of other public companies. We have also continued to review the provisions of the Sarbanes-Oxley Act of 2002, the existing and proposed rules of the SEC and the existing and proposed listing standards of the NYSE.

**Corporate Governance Guidelines.**

Our Board has adopted Corporate Governance Guidelines. The Corporate Governance Guidelines are posted on our website at <http://www.aircastle.com> under Investors Corporate Governance and are available in print to any shareholder of the Company upon request.

**Code of Business Conduct and Ethics.**

To help ensure that Aircastle abides by applicable corporate governance standards, our Board has adopted a Code of Business Conduct and Ethics, which is posted on our website at <http://www.aircastle.com> under Investors Corporate Governance, and a Code of Ethics for Chief Executive and Senior Financial Officers, which is available in print to any shareholder of the Company upon request. The Company intends to post on its website any material amendments to its ethics codes and the description of any waiver from a provision of the ethics codes granted by the Board to any director or executive officer of the Company within four business days after such amendment or waiver.

**Communications with the Board of Directors.**

Shareholders and other interested parties who wish to communicate directly with any of the Company's directors, including the Presiding Director as defined below or the Independent Directors as a group, may do so by writing to the Board, Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902 Attention: General Counsel. All communications will be received, sorted and summarized by the General Counsel, as agent for the relevant directors. Communications relating to the Company's accounting, internal accounting controls or auditing matters will be referred to the Chair of the Audit Committee. Other communications will be referred to such other director as may be appropriate. Communications may be submitted anonymously or confidentially.

**Meetings of the Board of Directors.**

Regular attendance at Board Meetings is required of each director. During 2009, Aircastle's Board held 8 meetings. Each incumbent director attended 75% or more of the aggregate of all meetings of the Board and committees on which the director served during 2009. The Board's meetings include, whenever appropriate, executive sessions in which only Independent Directors are present. Any Independent Director can request that an executive session be scheduled. Ronald W. Allen was elected by the Independent Directors, in executive session, to serve as presiding director (the Presiding Director) at all executive session meetings of the Independent Directors.

Aircastle does not require directors to attend the annual general meetings, although they are invited to attend. Three directors attended our 2009 annual general meeting.

**Table of Contents****Committees of the Board of Directors.**

The Board has three standing Committees: Audit, Compensation and Nominating and Corporate Governance. The table below indicates the members of each committee. All members of each committee are Independent Directors.

\* Messrs. Hacker and Merriman serve as financial experts on our Audit Committee.

**The Audit Committee.** The Audit Committee acts under a written charter that has been approved by the Board and complies with the NYSE corporate governance rules and applicable SEC rules and regulations. A copy of the charter is posted on the Company's website at <http://www.aircastle.com> under Investors Corporate Governance and is available in print to any shareholder of the Company upon request. All three members of the Audit Committee are Independent Directors. The Board has determined that each member of the Audit Committee is financially literate as defined by NYSE rules, and that Messrs. Hacker and Merriman are qualified to serve as the Audit Committee's financial experts as defined by SEC regulations. Each of Mr. Hacker and Mr. Merriman are Independent Directors. A brief description of each of Mr. Hacker and Mr. Merriman's work experience is included on pages 4 and 5, respectively. The Board also determined that although Mr. Merriman currently sits on the audit committees of more than three public companies, these relationships would not impair his ability to serve effectively on the Company's Audit Committee. Members of the Audit Committee, other than the Chair of the Audit Committee, do not receive any compensation from the Company other than their compensation as a director as described under Directors Compensation in this proxy statement.

Our Audit Committee's functions include:

reviewing the audit plans and findings of the independent certified public accountants and our internal audit and risk review staff, and the results of regulatory examinations and monitoring management's corrective action plans where necessary;

reviewing our financial statements, including any significant financial items and/or changes in accounting policies, with our senior management and independent certified public accountants;

reviewing our accounting and internal controls policies and procedures, compliance programs and significant tax and legal matters;

making recommendations to our shareholders regarding the annual appointment by our shareholders of the independent certified public accountants (which constitutes the auditor for purposes of Bermuda law) and evaluating their independence and performance, as well as setting clear hiring policies for employees or former employees of our independent certified public accounting firm; and

reviewing the process by which we assess and manage exposure to financial and legal risk.

During the fiscal year ended December 31, 2009, the Audit Committee held nine meetings. Audit Committee meetings include, where appropriate, executive sessions in which the Audit Committee meets only with Committee members present or separately with the Company's independent registered public accountants or with the Company's Chief Executive Officer, Chief Financial Officer and General Counsel. The report of the Audit Committee is included on page 31.

***The Compensation Committee.*** The Compensation Committee acts under a written charter that has been approved by the Board and complies with the NYSE corporate governance rules. A copy of the charter is posted on the Company's website at <http://www.aircastle.com> under Investors-Corporate Governance and is available in print to any shareholder of the Company upon request. All three members of the Compensation Committee are Independent Directors.

Our Compensation Committee's functions include:

- reviewing the salaries, benefits and share-based grants for executive officers;
- reviewing corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and determining the Chief Executive Officer's compensation based on that evaluation;
- acting as administrator of the Amended and Restated 2005 Aircastle Limited Equity Incentive Plan; and
- reviewing risks relating to the Company's employment practices and the Company's compensation and benefits practices.

The Compensation Committee held six meetings during the fiscal year ended December 31, 2009. Compensation Committee meetings include, where appropriate, executive sessions in which the Compensation Committee meets only with Committee members present or separately with the Deputy Chairman of the Board and/or with the Company's Chief Executive Officer. The report of the Compensation Committee is included on page 21.

***The Nominating and Corporate Governance Committee.*** The Nominating and Corporate Governance Committee acts under a written charter that has been approved by the Board and complies with NYSE corporate governance rules. A copy of the charter is posted on the company's website at <http://www.aircastle.com> under Investors-Corporate Governance and is available in print to any shareholder of the Company upon request. All three members of the Nominating and Corporate Governance Committee are Independent Directors. The Nominating and Corporate Governance Committee held three meetings during the fiscal year ended December 31, 2009.

Our Nominating and Corporate Governance Committee functions include:

- reviewing the performance of the board of directors and incumbent directors and makes recommendations to our board of directors regarding the selection of candidates, qualification and competency requirements for service on the board of directors and the suitability of proposed nominees;
- advising the board of directors with respect to the corporate governance principles applicable to the Company;
- reviewing risks associated with the Company's management and director succession planning; and
- overseeing the evaluation of the board of directors and the Company's management.

The Nominating and Corporate Governance Committee works with the Board to determine the appropriate and necessary characteristics, skills and experience of the Board, both as a whole and with respect to its individual members. The committee evaluates biographical and background information relating to potential candidates and interviews candidates selected by members of the committee and by the Board in making its decisions as to prospective candidates to the Board. While the committee does not specifically set forth any minimum skills that a candidate must have prior to consideration, the committee thoroughly examines a candidate's understanding of

marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment, understanding of the Company's business, and educational and professional background. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board. The

## **Table of Contents**

Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Nominating and Corporate Governance Committee if they become aware of suitable candidates. As described below, the Nominating and Corporate Governance Committee will also consider candidates recommended by shareholders. We have not paid any third party a fee to assist in the process of identifying or evaluating candidates; however the Nominating and Corporate Governance Committee may elect in the future to engage firms that specialize in identifying director candidates.

All director candidates, including those recommended by shareholders, are evaluated on the same basis. Candidates for director must possess the level of education, experience, sophistication and expertise required to perform the duties of a member of a board of directors of a public company of the Company's size and scope. At a minimum, the committee will consider whether the recommended candidate is subject to a disqualifying factor as described Section 303A.02(b) of the NYSE listing standards and the number of other boards and committees on which the individual serves. The committee may also consider, among other qualifications, a candidate's (i) ethics, integrity and values; (ii) stature, reputation and credibility; (iii) experience and capability to set policy and oversee management's execution of the business plan; (iv) knowledge of relevant industries; (v) contacts within the global aircraft leasing, aircraft financing, airline, cargo, manufacturing or other similar businesses; (vi) current or recent senior executive experience and leadership; and (vii) ethnic gender, professional, geographic and philosophical diversity within the overall composition of the board. While the Nominating and Governance Committee has not adopted a formal diversity policy with regard to the selection of director nominees, as mentioned above, diversity is one of the factors that the committee considers in identifying director candidates. As part of this process, the committee evaluates how a particular candidate would strengthen and increase the diversity of the board in terms of how that candidate may contribute to the board's overall balance of perspectives, backgrounds, knowledge, experience and expertise in areas relevant to the Company's business.

While the Corporate Governance Guidelines provide that the committee may, if it deems appropriate, establish procedures to be followed by shareholders in submitting recommendations for Board candidates, the Nominating and Corporate Governance Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because procedures are set forth in our Bye-laws which permit shareholders to submit recommendations for Board candidates. The Board believes that it is appropriate for Aircastle not to have a specific policy since shareholders are always free to submit recommendations for Board candidates, simply by following the procedures set forth in our Bye-laws, as described below.

Shareholders wishing to recommend a director candidate to the Chairman of the Nominating and Corporate Governance Committee for its consideration should write to the Secretary, Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902. Recommendations must be received no less than 90 days nor more than 120 days before the anniversary of the prior year's annual general meeting of shareholders to be considered for inclusion in the proxy statement for the 2011 Annual General Meeting of Shareholders. All recommendations meeting the minimum requirements set forth in the Corporate Governance Guidelines will be referred to the Chairperson of the Nominating and Corporate Governance Committee. Such letters of recommendation must include the address and number of shares owned by the nominating shareholder, the recommended individual's name and address, and a description of the recommended individual's background and qualifications. A signed statement from the recommended individual must accompany the letter of recommendation indicating that he or she consents to being considered as a candidate and that, if nominated by the Board and elected by the shareholders, he or she will serve as a director of the Company. In addition, the notice must also include any other information relating to the shareholder or to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors under Section 14 of the Securities Exchange Act of 1934, as amended (the Exchange Act), and the rules and regulations thereunder.

In addition, our Bye-laws allow shareholders to propose or nominate a candidate for election as a director. Such proposal or nomination must be made in accordance with the procedures and time-limits set out in the Bye-laws of the Company.

**Table of Contents**

A person must own Common Shares on the date that he or she sends the notice to Aircastle under the procedures above for the nomination to be valid under our Bye-laws. Provided that the required biographical and background material described above is provided for candidates properly recommended by shareholders, the Nominating and Corporate Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by members of the Board. If the Chairman of the Board determines that a nomination was not made in accordance with the foregoing procedures, the Chairman shall declare to the meeting that the nomination was defective and such defective nomination shall be disregarded.

**DIRECTOR COMPENSATION**

Each of Messrs. Allen, Hacker, Kukral, Merriman and Ueberroth received an annual fee of US\$60,000 in 2009. In addition, in 2009 the chair of each of the Audit, Compensation and Nominating and Corporate Governance Committee each received service fees of US\$15,000 and each other committee member received US\$10,000. Each such director will also receive an annual equity grant on January 1 of each year, beginning with January 1, 2011, in the amount of US\$90,000, vesting in full on the following January 1.

Fees to independent directors may be paid by issuance of Common Shares, based on the value of our Common Shares at the date of issuance, rather than in cash, provided that any such issuance does not prevent such director from being determined to be an Independent Director and such shares are granted pursuant to a shareholder-approved plan or the issuance is otherwise exempt from any applicable stock exchange listing requirement. Affiliated directors (i.e., Messrs. Edens and Adams), however, will not be separately compensated by us. All members of the Board will be reimbursed for reasonable costs and expenses incurred in attending meetings of the Board or otherwise incurred in connection with carrying out their duties as directors.

Except as otherwise provided by the administrator of the Amended and Restated Aircastle Limited 2005 Equity Incentive Plan (the Plan), on the first business day after each annual general meeting of the Company during the term of the Plan, each of our Independent Directors who is serving following such annual general meeting will automatically be granted a number of our Common Shares under the Plan having a fair market value of US\$15,000 as of the date of grant; however, those of our directors who were granted the restricted Common Shares described below in connection with our initial public offering will not be eligible to receive these automatic annual grants.

Each of Messrs. Allen, Hacker, Kukral, Merriman and Ueberroth each received a restricted share grant of 13,043 shares under the Plan on August 8, 2006, in connection with our initial public offering, the final one-third of which vested for each director on December 31, 2009. Each of these five directors was granted 25,000 supplemental restricted common shares which vested on January 1, 2010 and was granted 7,128 supplemental restricted common shares which will vest on January 1, 2011.

The table below sets forth certain information concerning the compensation earned in 2009 by our directors.

incentives with enhancing shareholder value. To achieve these goals we implement and maintain executive compensation plans that are intended to:

Motivate our named executive officers by providing the large majority of their overall compensation through incentives tied to their overall performance and success relative to goals set for them.

Align each named executive officer's incentives with those of shareholders by delivering a substantial portion of their compensation in the form of restricted stock grants.

Balance short-term and long-term goals by having restricted stock granted to our named executive officers vest over a period of time.

## **Role of the Compensation Committee**

The Compensation Committee evaluates each named executive officer's performance with a goal of setting overall compensation at levels that the Compensation Committee believes are appropriate in view of our performance, including new investments, capital raising, liquidity management and asset management in a very challenging environment, and in view of the individual performance of the executive. In addition, the Compensation Committee believes that the mix and level of compensation for the named executive officer should reflect the importance of the executive to the Company's success, the responsibilities of the executive within the Company, competition for the executive's talent and relative levels of compensation for other executives at the Company.

The Compensation Committee retained the firm of Towers Watson to advise the Compensation Committee in connection with its incentive compensation decisions in 2009. Representatives of Towers Watson attended selected Compensation Committee meetings and provided objective third-party advice, compensation market perspectives and expertise on proposed executive compensation levels, and provided a peer group executive compensation analysis for the Compensation Committee. Towers Watson reports directly to the Compensation Committee and provided its counsel and advice to the Compensation Committee as an independent consultant. It did not provide other services to management or to the Company. The Compensation Committee has retained Towers Watson to assist the Committee in 2010.

In connection with its compensation determination for the named executive officers in 2009, the Compensation Committee reviewed the executive compensation pay practices of a peer group comprised of the following companies (the Peer Group Analysis): American Campus Communities Inc, BioMed Realty Trust Inc, Brandywine Realty Trust, DCT Industrial Trust Inc, Eagle Bulk Shipping Inc, Equity Lifestyle Properties Inc., Entertainment Properties Trust, Extra Space Storage Inc., GATX Corp, Genco Shipping & Trading Limited, General Maritime Corp, Kilroy Realty Corp, Kirby Corp, Lexington Realty Trust, Mid-America Apartment Communities Inc, Overseas Shipholding Group Inc., Rent-A-Center Inc, RSC Holdings Inc, United Rentals Inc. In establishing a peer group for evaluating the pay practices of the Company with respect to 2009, the Compensation Committee chose companies in the shipping, equipment leasing and real estate investment trust industries as the Company has few public company peers in the aircraft leasing industry and, in any case, they do not report their executive compensation pay levels and practices in detail in their SEC filings. Therefore, the Compensation Committee, with the assistance of Towers Watson and input from management, selected as a peer a group of publicly traded asset management companies in a market capitalization and enterprise value range comparable to the Company's, specifically with market capitalizations ranging from US\$370 million to US\$1.9 billion and enterprise values ranging from US\$1 billion to \$4.3 billion, in each case as of November 15, 2009, and which provide detailed information concerning executive compensation. The Compensation Committee determined that this peer group would provide the best publicly available information with which to compare the Company's pay practices. The Compensation Committee also discussed with management and Towers Watson general information collected by management with respect to the pay practices at the Company's

primary competitors in the aircraft leasing industry in light of the fact that the Company's primary competitors in the aircraft leasing industry do not report their executive compensation pay levels and practices in detail publicly.

## **Table of Contents**

Following its review of the Peer Group Analysis, and after discussions with Towers Watson, the Compensation Committee determined that it would be appropriate in 2010 to consider changes in the mix of the elements of compensation for the named executive officers and as part of such a change, review the base salary levels for the named executive officers. The Compensation Committee is also working with management and Towers Watson to develop performance-based metrics for setting the overall size of a portion of the bonus pool, Consistent with this the Compensation Committee is reviewing all the elements of the CEO's compensation during 2010.

### **Elements of Compensation**

Compensation for our named executive officers consists of the following elements:

- a base salary;
- discretionary bonus awards, allocated between cash and restricted share grants;
- periodic restricted share grants;
- dividends; and
- other compensation, including severance benefits and medical, dental, life insurance and 401(k) plans.

These elements, in combination, are intended to promote the goals described above. Base salary provides a minimum level of compensation that assists in our efforts to attract and retain talented executives. Discretionary cash bonuses and restricted share bonus grants reflect our performance and reward achievement of executive performance objectives. Restricted share bonus grants and periodic restricted share grants align executive compensation with enhancing shareholder value. For our named executive officers, we believe that restricted share grants should comprise a higher percentage of total compensation than for less senior executives, because these elements of compensation are more closely related to the objective of enhancing shareholder value and the performance of the named executive officers can most directly bring about that enhancement. Severance benefits are typically negotiated with an executive as part of the process of recruiting that executive and are often an important part of the package offered to an executive to attract him or her to join Aircastle.

In making individual compensation decisions, the Compensation Committee considers the total compensation awarded to the named executive officer, including all elements of compensation and including any applicable terms of the executive's employment letter. The Compensation Committee determines the compensation of the CEO, and is assisted in this determination by reviewing his performance with other members of the Board, including the Deputy Chairman. In making determinations regarding the compensation for the other named executive officers, the Compensation Committee considers the recommendations of the Chief Executive Officer and, where appropriate, input from the Deputy Chairman. The Compensation Committee also reviews the annual self-appraisal reports of the senior executives, and the manager performance review reports, that are produced each year as part of our annual employee evaluation process. For the senior executives, these reports include an analysis of the goals set for the preceding year, whether and how those goals were met, whether that executive's performance met the Company's ethical standards, and also outline the goals for the coming year. The Compensation Committee also meets with certain of the named executive officers to discuss the performance of any named executive officers and other senior officers that report to them.

The CEO makes compensation recommendations for each of the other named executive officers. In making these recommendations, the CEO evaluates their performance, their responsibilities, their compensation relative to other senior executives within the Company and publicly available information regarding the competitive market for talent.

**Base Salary.** Base salaries are intended to provide fixed compensation to each named executive officer that reflects his or her responsibilities, experience, value to the Company and demonstrated performance, and that takes into account, where applicable, the compensation levels from recent prior employment and the current market environment. Base salaries are reviewed annually and are adjusted from time to time in view of individual responsibilities, performance, publicly available market information, perceived competitiveness of the market for the relevant executive and his or her salary history at the

Company. None of our named executive officers received a base salary increase for 2010 at the Compensation Committee's December 2009 salary review, and none received a base salary increase at the December 2007 or December 2008 salary reviews. However, as mentioned above, the Compensation Committee is reviewing the mix of compensation for the named executive officers in 2010, including base salary levels.

**Discretionary Bonus Awards.** The Compensation Committee has the authority to award discretionary annual bonuses to our named executive officers in the form of cash and/or restricted share grants or other share-based awards. The annual incentive bonuses are intended to compensate our named executive officers for individual performance achievements and for achieving important goals and objectives, including those set out in his or her performance review from the prior year. In addition to individual performance, determination of a named executive officer's achievements generally takes into account such factors as our overall financial performance, quality and amount of new investments and improving our operations. Bonus levels vary depending on the individual executive and are not formulaic, but instead are based upon a subjective evaluation of performance and, except in the case of his own bonus determination, the recommendations of the Chief Executive Officer.

In December 2009, the Compensation Committee found the following factors significant in determining the amounts of the discretionary annual bonuses for our named executive officers with respect to 2009:

The overall performance of the Company in a very difficult business environment, including the placement of new A330 positions, accessing new debt markets, and the high level of utilization achieved for the Company's aircraft operating lease portfolio, was considered significant for all of the named executive officers.

Mr. Wainshal led the Company through a difficult business environment during 2009, spearheading our efforts to manage and place our new order stream aircraft, with all but one of our new order A330s now committed to signed leases. Mr. Wainshal worked with key suppliers to advance two new A330 positions into 2009, helped secure lease transactions for these aircraft and finance these aircraft with our first transaction supported by European Export Credit Agency (ECA) guarantees. In his role as Chief Risk Officer, Mr. Wainshal led the Company's proactive portfolio management efforts, including active airline risk monitoring and assessment, which in some cases led to early termination of leases and moving aircraft to new customers.

Mr. Inglese took on a leading role in the Company's financing efforts, including the ECA-supported financings, and took on a leading role in various strategic initiatives, while also continuing to enhance the Company's business planning and modeling functions. Mr. Inglese also played an active role in maintaining strong relationships with the financial community.

Mr. Platt had overall responsibility for managing the marketing team's lease placement efforts and for working with Airbus S.A.S. as well as our engine suppliers to make adjustments to the Company's new A330 aircraft order to reflect changes in market conditions. Mr. Platt led the marketing efforts which resulted in the successful placement of six new A330 aircraft order positions with South African Airways in 2009. He also oversaw the placement of the Company's 2009 lease expirations.

Mr. Walton led the Company's asset management function, including completion of our 2009 lease extensions or transitions and other aircraft repossessions and transitions. Mr. Walton also oversaw the legal aspects of the Company's refinancing and placement efforts and continued to focus on process improvements that have enhanced our asset management capabilities. Mr. Walton's efforts helped the Company achieve 98% portfolio utilization for the full year and very low receivables balances.

Mr. Schreiner managed a variety of technical projects in support of the Company's leasing and financing efforts, including completion of the Company's freighter conversion program for four 737-400 aircraft, and numerous aircraft transitions to new lease customers. He was also responsible

for overseeing the Technical department's forecasting and budgeting efforts and implemented a number of process improvements that have enhanced our technical asset management efforts.

The Compensation Committee took into account the individual performance of each of the named executive officers, the overall performance of the Company and the Peer Group Analysis in determining the bonus payment amounts for the named executive officers. While the Compensation Committee did not determine that, as a policy matter, bonus payments and total compensation target levels should correspond to particular percentile in the Peer Group Analysis, the Compensation Committee determined that bonus payments for 2009 for Messrs. Wainshal, Inglese, Walton and Platt generally should be increased, compared to bonus payments for 2008, in order for the Company's bonus levels and total compensation to be more in line with the Peer Group Analysis median for similar executive officer positions within the peer group. The Compensation Committee also determined, in connection with its decision to increase bonus payments for 2009 compared to prior years, that no periodic restricted share grants would be made to named executive officers for 2009 and that any future periodic restricted share grants to named executive officers would be made on a less frequent basis than in the past.

Discretionary annual bonuses for our named executive officers are paid in a combination of cash vesting immediately and restricted share grants or other share-based awards vesting over a three-year period, in each case in amounts reviewed and approved by the Compensation Committee. The purpose for providing a portion of the bonus in restricted share grants is to align compensation for our named executive officers with the interests of the shareholders, with vesting of restricted shares being subject to continued service. Each of our named executive officers owns a substantial amount of the Company's common shares.

Cash bonuses have in the past been paid in a single installment in January of the year following determination, and bonus restricted share grants have been communicated to the relevant employees as soon as practicable after determination by the Compensation Committee in December or in early January. However, the Compensation Committee determined in 2009 that Messrs. Wainshal, Inglese, Walton and Platt should receive bonus payments for 2009 in mid-March 2010, and that, for all of the Company's employees, including all named executive officers, bonus payments for 2010 will be made in mid-March 2011. The Compensation Committee determined that moving the bonus decisions to the first quarter of each year would enhance the information available to the Compensation Committee, based upon a fully completed evaluation period, and would also allow the Company to complete substantially its year-end financial audit for a fiscal year in advance of the compensation decisions for that year.

In 2009, the Compensation Committee determined that, for the named executive officers, generally the first US\$100,000 of value of the discretionary bonus should consist of cash and approximately 40% of any amounts in excess of the first US\$100,000 in value would consist of restricted share grants, with the remainder being paid in cash. The Compensation Committee used the same formula for allocating discretionary bonuses between cash and restricted share grants for the prior year's grants, having determined that such allocation remained the optimal division between cash compensation and long-term compensation to attain its compensation objectives. Following the December 14, 2009 meeting, bonus restricted share grants were made under the Amended and Restated Aircastle Limited 2005 Equity Incentive Plan (the Plan), and vest in one-third increments on January 1, 2011, January 1, 2012 and January 1, 2013.

During 2010, the Compensation Committee will determine the allocation between cash and restricted share grants for any discretionary bonuses that may be awarded to named executive officers with respect to 2010.

**Periodic Restricted Share Grants.** The Compensation Committee has the authority to award restricted share grants or other share-based awards. These awards would be made only to certain executives, reflecting extraordinary performance, to provide additional retention benefits and performance incentives through additional restricted share ownership, further aligning compensation for the relevant officers with the interests of the shareholders. Periodic

restricted share grants typically vest over a longer period of time than bonus grants, with vesting typically being weighted toward the end of the vesting period, to enhance

## **Table of Contents**

the retention benefits of the grants. Periodic restricted share grants typically vest over approximately a five-year period, in 10%/15%/25%/25%/25% installments on the second, third, fourth, fifth and sixth January 1 following the date of such determination.

The Compensation Committee did not make any such periodic restricted share grants to named executive officers with respect to 2009.

**Dividends.** A component of our executive compensation consists of dividends paid on restricted shares, whether such shares are vested or unvested. Paying dividends on unvested shares further aligns the interest of our named executive officers with the interests of our shareholders.

**Other Compensation.** We have entered into employment letters and restricted share grant agreements with our named executive officers that provide severance payments and benefits or accelerated vesting of restricted shares in the circumstances described in greater detail below in the section entitled Potential Payments upon Termination or Change in Control. Severance and change in control benefits are an essential element of compensation for our named executive officers and assist us in recruiting and retaining talented executives in a competitive market and are typically required in order to permit the Company to attract a prospective executive to leave his or her current employment and join the Company. All of our named executive officers are also eligible to participate in our employee benefit plans, including medical, dental, life insurance and 401(k) plans. These plans are available to all employees and do not discriminate in favor of our named executive officers. We do not view perquisites as a significant element of our comprehensive compensation structure.

## **Pension Benefits**

None of our named executive officers participates in, or has any accrued benefits under qualified or non-qualified defined benefit plans sponsored by us. The Compensation Committee may elect to adopt qualified or non-qualified defined benefit plans in the future if the Compensation Committee determines that doing so is in the Company's best interests.

## **Nonqualified Deferred Compensation**

None of our named executive officers participates in or has account balances in non-qualified defined contribution plans or other nonqualified deferred compensation plans maintained by us. The Compensation Committee may elect to adopt non-qualified defined contribution plans or other nonqualified deferred compensation plans in the future if the Compensation Committee determines that doing so is in the Company's best interests.

## **Internal Revenue Code Section 162(m)**

The Compensation Committee has reviewed the provisions of Section 162(m) of the Internal Revenue Code, relating to the US\$1 million deduction cap for certain executive compensation. Section 162(m) has been taken into account as one of the factors considered in establishing the compensation program for our named executive officers. However, in order to maintain flexibility in compensating our named executive officers in a manner designed to promote various corporate goals, the Compensation Committee has not at this time adopted a policy that all compensation must be deductible, although with respect to 2009; however, the Company anticipates that a portion of the compensation for named executive officers will not be deductible by the Company under Section 162(m), and that the increase in US corporate tax as a consequence of such non-deductibility will be approximately US\$150,000.

### **Employment Agreements with Named Executive Officers**

Through our subsidiary, Aircastle Advisor LLC, we have entered into employment letters with each of our named executive officers. These employment letters generally provide for payment of an annual base salary and entitle the executive to receive an annual discretionary bonus. In addition, the employment letters provide that each executive is entitled to receive the same employee benefits as we provide to our employees generally.

Each employment letter provides that the named executive officer is employed at will and may be terminated at any time and for whatever reason by either us or him. A summary of the payments and benefits to be provided to the named executive officers upon a termination of employment, along with a description of the restrictive covenants applicable to each executive, is set forth below in the section entitled Potential Payments upon Termination or Change in Control.

### **Restricted Share Provisions**

**Change in Control.** Subject to applicable law, in the event of a change in control (as defined below), certain other corporate transactions, changes in corporate structure, special dividends and similar corporate events, the plan administrator has discretion to cancel outstanding awards (except fully vested restricted shares, deferred shares and performance shares) in exchange for payment in cash or other property. Unless otherwise determined by the plan administrator and evidenced in an award agreement, if a change in control transaction occurs that includes a continuation, assumption or substitution with respect to share options and other awards under the Plan, and a plan participant's employment is terminated by the employer other than for cause within the 12 months following the change in control, and, in the case of participants who are entitled to receive severance under an employment agreement upon termination by the participant for good reason (as defined in the participant's employment agreement), upon such a termination for good reason within the 12 months following a change in control, then the participant's outstanding and unvested options will become fully vested and exercisable as of the date of such termination and the restrictions will lapse (or performance goals will be deemed to be achieved) with respect to the shares covered by any other award. The term "change in control" generally means: (i) any person or entity (other than (a) an affiliate of Fortress or any managing director, general partner, director, limited partner, officer or employee of any such affiliate of Fortress or (b) any investment fund or other entity managed directly or indirectly by Fortress or any general partner, limited partner, managing member or person occupying a similar role of or with respect to any such fund or entity) becoming the beneficial owner of our securities representing 50% or more of our then outstanding voting power; (ii) a change in the majority of the membership of the board of directors without approval of two-thirds of the directors who constituted the board of directors on January 17, 2006, or whose election was previously so approved; (iii) the consummation of an amalgamation or a merger of Aircastle or any subsidiary of ours with any other corporation, other than an amalgamation or merger immediately following which our board of directors immediately prior to the amalgamation or merger constitute at least a majority of the board of directors of the company surviving or continuing after an amalgamation or merger or, if the surviving company is a subsidiary, the ultimate parent; or (iv) our shareholders approve a plan of complete liquidation or dissolution of Aircastle or there is consummated an agreement for the sale or disposition of all or substantially all of our assets, other than (a) a sale of such assets to an entity, at least 50% of the voting power of which is held by our shareholders following the transaction in substantially the same proportions as their ownership of Aircastle immediately prior to the transaction or (b) a sale or disposition of such assets immediately following which our board of directors immediately prior to such sale constitute at least a majority of the board of directors of the entity to which the assets are sold or disposed, or, if that entity is a subsidiary, the ultimate parent thereof.

**Rights of Participants.** Participants with restricted common shares generally have all of the rights of a shareholder, including the right to vote the shares and the right to receive dividends at the same rate paid to other holders of

common shares. Subject to the provisions of the Plan and applicable award agreement, the plan administrator has sole discretion to provide for the lapse of restrictions in installments or the acceleration or waiver of restrictions (in whole or part) under certain circumstances, including, but not

**Table of Contents**

limited to, the attainment of certain performance goals or a participant's termination of employment or service. In December 2009, the Compensation Committee, as the plan administrator, determined that upon a participant's death or disability, the vesting of that participant's unvested restricted shares should accelerate and all outstanding awards were amended accordingly and a revised form of grant letter to be used for future grants was adopted.

**Adjustments.** In the event of a merger, amalgamation, consolidation, reorganization, recapitalization, bonus issue, share dividend or other change in corporate structure affecting the common shares, the plan administrator may, subject to certain limitations, make an equitable substitution or proportionate adjustment in, among other things, the kind, number and purchase price of common shares subject to outstanding awards of restricted shares or other share-based awards granted under the Plan. In addition, the plan administrator, in its discretion, may terminate all awards (other than fully vested restricted shares, deferred shares and performance shares) with the payment of cash or in-kind consideration.

**Repurchase of Shares for Withholding Taxes upon Vesting.** The Plan gives the plan administrator the authority to permit a participant to satisfy any federal, state or local withholding taxes due upon vesting of restricted shares by electing to have the Company repurchase a sufficient number of Common Shares, at Fair Market Value, as defined in the Plan, on the day of vesting. In November 2009, our named executive officers, Mr. Wainshal, Mr. Inglese, Mr. Platt, Mr. Walton and Mr. Schreiner, and one director, Mr. Merriman, made such an election of a sufficient number of shares and the plan administrator granted its approval to such elections.

Pursuant to Mr. Wainshal's restricted share agreement for his initial share grant, if we terminate his employment without cause or if he terminates his employment for good reason, 50% of the restricted shares that are unvested as of the date of termination (if any) will immediately vest, and if such a termination occurs within 12 months following a change in control, all of the restricted shares that are unvested as of the termination will immediately vest. With respect to other restricted shares granted to Mr. Wainshal, if we terminate his employment without cause the restricted shares which are due to vest at the next vesting date under the agreement will immediately vest, and if a termination without cause occurs within 12 months following a change in control, all of the restricted shares that are unvested as of the termination will immediately vest.

**Compensation Committee Interlocks and Insider Participation**

Compensation decisions pertaining to executive officer compensation made prior to the completion of our initial public offering in August 2006, were made by the chairman of our Board, Wesley R. Edens. We have entered into certain transactions with Fortress as described in Certain Relationships and Related Party Transactions .

Since our initial public offering in August 2006, all compensation decisions pertaining to executive officers were made by the Compensation Committee, which is comprised of Douglas A. Hacker as chair, Ronald W. Allen and John Z. Kukral. Each Compensation Committee member is an Independent Director.

**AUDIT COMMITTEE REPORT**

The Audit Committee of the Board which is comprised of three Independent Directors operates pursuant to a written charter, which was adopted in August 2006 and which is available at <http://www.aircastle.com> under Investors-Corporate Governance .

The Audit Committee reviewed Aircastle's audited consolidated financial statements as of and for the year ended December 31, 2009 and discussed these financial statements with Aircastle's management, including a discussion of the quality and the acceptability of the accounting principles, the reasonableness of significant judgments and estimates, and the clarity and completeness of disclosures in the financial statements. Aircastle's independent registered public accounting firm, Ernst & Young LLP, is responsible for performing an independent audit of Aircastle's financial statements in accordance with the standards of the Public Accounting Oversight Board (United States) and for issuing a report on their audit of the financial statements. The Audit Committee's responsibility is to monitor and review these processes. The Audit Committee also reviewed and discussed with Ernst & Young LLP the audited financial statements and the matters required by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), and other matters the Committee deemed appropriate.

The Audit Committee has received the written disclosures and the letter from Ernst & Young required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, as modified or supplemented, and has discussed with Ernst & Young its independence. The Audit Committee also considered whether the independent auditors' provision of other, non-audit related services to Aircastle is compatible with maintaining such auditors' independence.

Based on its discussions with management and Ernst & Young LLP, and its review of the representations and information provided by management and Ernst & Young LLP, the Audit Committee recommended to Aircastle's Board of Directors that the audited financial statements be included in Aircastle's Annual Report on Form 10-K for the year ended December 31, 2009. In addition, the Audit Committee has also recommended, subject to shareholder approval, the appointment of Ernst & Young as the Company's Independent Registered Public Accounting Firm for the fiscal year ended December 31, 2010.

Respectfully submitted,

**The Audit Committee**

**CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS**

The following is a summary of material provisions of certain transactions we have entered into with our executive officers, directors or 5% or greater shareholders. We believe the terms and conditions set forth in such agreements are reasonable and customary for transactions of this type.

**Shareholders Agreement**

Upon the completion of our initial public offering, we entered into an Amended and Restated Shareholders Agreement, or the Shareholders Agreement, with Fortress Investment Fund III LP, Fortress Investment Fund III (Fund B) LP, Fortress Investment Fund III (Fund C) LP, Fortress Investment Fund III (Fund D) L.P., Fortress Investment Fund III (Fund E) LP, Fortress Investment Fund III (Coinvestment Fund A) LP, Fortress Investment Fund III (Coinvestment Fund B) LP, Fortress Investment Fund III (Coinvestment Fund C) LP, Fortress Investment Fund III (Coinvestment Fund D) L.P., Drawbridge Special Opportunities Fund LP, Drawbridge Special Opportunities Fund Ltd. and Drawbridge Global Macro Master Fund Ltd., which we refer to, collectively, as the Initial Shareholders.

As discussed further below, the Shareholders Agreement provides certain rights to the Initial Shareholders with respect to the designation of directors for election to our Board as well as registration rights for certain of our securities owned by them.

The Shareholders Agreement provides that the Initial Shareholders and their respective affiliates and permitted transferees will vote or cause to be voted all of our voting shares beneficially owned by each and to take all other reasonably necessary action so that no amendment is made to the Company's Memorandum of Association or Bye-laws in effect as of the date of the Shareholders Agreement that would add restrictions to the transferability of our shares by an Initial Shareholder or its permitted transferee which are beyond those provided for in our Memorandum of Association, Bye-laws, the Shareholders Agreement or applicable securities laws, or that nullify the rights set out in the Shareholders Agreement of any Initial Shareholder or their permitted transferee unless such amendment is approved by such shareholder.

**Designation and Election of Directors**

The Shareholders Agreement requires that the Initial Shareholders and their respective affiliates and permitted transferees vote or cause to be voted all of our voting shares beneficially owned by each and to take all other reasonably necessary action so as to elect to our Board so long as the Initial Shareholders beneficially own (i) more than 50% of the voting power of the Company, four directors (or, if the Board consists of eight directors, five directors) designated by FIG Advisors LLC, an affiliate of Fortress, which we refer to as FIG Advisors, or such other party designated by Fortress; (ii) between 25% and 50% of the voting power of the Company, three directors designated by FIG Advisors; (iii) between 10% and 25% of the voting power of the Company, two directors designated by FIG Advisors; and (iv) between 5% and 10% of the voting power of the Company, one director designated by FIG Advisors. The Initial Shareholders also agree to vote their shares or otherwise take all necessary action to cause (1) the removal, with or without cause, of any director previously nominated by FIG Advisors upon notice from FIG Advisors of its desire to remove such a director and (2) in the event a designee of FIG Advisors ceases to serve as a director during his term in office, the filling of such vacancy with an individual designated by FIG Advisors.

In accordance with the Shareholders Agreement, FIG Advisors designated Wesley R. Edens, Joseph P. Adams, Jr., Peter V. Ueberroth and John Z. Kukral for election to our Board. If at any time the number of our directors entitled to be designated by FIG Advisors to the Shareholders Agreement shall decrease, within ten days thereafter, FIG Advisors shall cause the appropriate number of directors to resign and any such vacancy shall be filled by a majority vote of our Board. In connection with our follow-on public offering completed in October 2007, certain funds managed by affiliates of Fortress also sold 11,000,000 secondary common shares, as a result of which the Initial Shareholders and their respective affiliates ceased to own more than 50% of the voting power of the Company and the number of our directors entitled to be designated by FIG Advisors decreased from four to three directors. In connection with this offering, a special committee of our Board, comprised solely of Independent Directors, waived the requirement under

**Table of Contents**

our Shareholders Agreement that FIG Advisors cause one of the directors designated by it to resign from our Board. The special committee concluded that waiving such requirement under the Shareholders Agreement and continuing the current composition of our board, with a majority of Independent Directors, was in the best interests of our shareholders.

**Registration Rights**

***Demand Rights.*** We have granted to the Initial Shareholders, for so long as such shareholders collectively and beneficially own an amount of our Common Shares (whether owned at the time of this offering or subsequently acquired) at least equal to 5% or more of our Common Shares issued and outstanding immediately after the consummation of our initial public offering (a Registrable Amount), demand registration rights that allow them at any time after six months following the consummation of such offering to request that we register under the Securities Act an amount equal to or greater than 5% of our Common Shares that they own. Each of the Initial Shareholders is entitled to an aggregate of two demand registrations, which can be a shelf registration. We are also not required to effect any demand registration within six months of a firm commitment underwritten offering to which the requestor held piggyback rights and which included at least 50% of the securities requested by the requestor to be included. We are not obligated to grant a request for a demand registration within four months of any other demand registration, and may refuse a request for demand registration if, in our reasonable judgment, it is not feasible for us to proceed with the registration because of the unavailability of audited financial statements.

***Piggyback Rights.*** For so long as they beneficially own an amount of our Common Shares at least equal to 1% of our Common Shares issued and outstanding immediately after the consummation of our initial public offering, the Initial Shareholders also have piggyback registration rights that allow them to include the Common Shares that they own in any public offering of equity securities initiated by us (other than those public offerings pursuant to registration statements on Forms S-4 or S-8) or by any of our other shareholders that have registration rights. The piggyback registration rights of these shareholders are subject to proportional cutbacks based on the manner of the offering and the identity of the party initiating such offering.

***Shelf Registration.*** We have granted each of the Initial Shareholders or any of their respective transferees, for so long as they beneficially own a Registrable Amount, the right to request a shelf registration on Form S-3 providing for offerings of our Common Shares to be made on a continuous basis until all shares covered by such registration have been sold, subject to our right to suspend the use of the shelf registration prospectuses for a reasonable period of time (not exceeding 60 days in succession or 90 days in the aggregate in any 12 month period) if we determine that certain disclosures required by the shelf registration statements would be detrimental to us or our shareholders. In addition, the Initial Shareholders may elect to participate in such shelf registrations within ten days after notice of the registration is given.

***Indemnification; Expenses.*** We have agreed to indemnify each of the Initial Shareholders against any losses or damages resulting from any untrue statement or omission of material fact in any registration statement or prospectus pursuant to which they sell our common shares, unless such liability arose from such shareholder's misstatement or omission, and each such shareholder has agreed to indemnify us against all losses caused by its misstatements or omissions. We will pay all expenses incidental to our performance under the Shareholders Agreement, and the Initial Shareholders will pay their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their Common Shares under the Shareholders Agreement.

### **Other Transactions**

In May 2006, two of our operating subsidiaries entered into service agreements to provide certain leasing, remarketing, administrative and technical services to a Fortress affiliate with respect to four aircraft owned by the Fortress affiliate and leased to third parties. As of December 31, 2009, we had earned US\$120,000 in fees due from the Fortress affiliate. Total fees paid to us for the year ended December 31, 2009 was US\$112,000. Our responsibilities include remarketing the aircraft for lease or sale, invoicing the lessees for expenses and rental payments, reviewing maintenance reserves, reviewing the credit of lessees, arranging for the periodic inspection of the aircraft and securing the return of the aircraft when necessary. The agreements also provide that the Fortress affiliate will pay us 3.0% of the collected rentals with respect to leases of the aircraft, plus expenses incurred during the service period, and will pay us 2.5% of the gross sales proceeds from the sale of any of the aircraft, plus expenses incurred during the service period. We believe that the scope of services and fees under these service agreements were concluded on an arms-length basis. In May 2007, we sold two aircraft owned by a Fortress affiliate and the Fortress affiliate paid us a fee in the amount of US\$403,000 for the remarketing of these two aircraft. A third aircraft was sold in May 2009 and we were paid a fee of US\$54,400. A fourth aircraft was sold in August 2009 on an installment sale basis, for which a fee of US\$270,000 is payable to the Company. The proceeds of this sale are paid in installments, as is the fee payable to the Company. In 2009, we received US\$38,000 in fee payments relating to the sale of this fourth aircraft. We continue to assist the relevant Fortress affiliate in connection with collecting the final installments due for such installment sale and provide other related administrative services.

For the year ended December 31, 2009 the Company paid US\$238,000 for legal fees related to the establishment and financing activities of our Bermuda subsidiaries, and, for the year ended December 31, 2009, the Company paid US\$128,000 for Bermuda corporate services related to our Bermuda companies to a law firm and a corporate secretarial services provider affiliated with a Bermuda resident director serving on certain of our subsidiaries' boards of directors. The Bermuda resident director serves as an outside director of these subsidiaries.

### **Policies and Procedures for Review, Approval or Ratification of Transactions with Related Persons**

In April 2007, our Board adopted a Policy and Procedures with Respect to Related Person Transactions, which we refer to as our Related Person Policy. Pursuant to the terms of the Related Person Policy, the Audit Committee must review and approve in advance any related party transaction, other than those that are pre-approved pursuant to pre-approval guidelines or rules that may be established by the Audit Committee to cover specific categories of transactions, including the guidelines described below. All Related Persons (defined below) are required to report to our legal department any such related person transaction prior to its completion and the legal department will determine whether it should be submitted to the Audit Committee for consideration.

Our Related Person Policy covers all transactions, arrangements or relationships (or any series of similar transactions, arrangements or relationships) in which the Company (including any of its subsidiaries) was, is or will be a participant and the amount involved exceeds US\$120,000, and in which any Related Person had, has or will have a direct or

indirect material interest.

**PROPOSAL NUMBER TWO**

**APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (WHICH CONSTITUTES THE AUDITOR FOR PURPOSES OF BERMUDA LAW) AND TO AUTHORIZE THE DIRECTORS OF AIRCASTLE LIMITED, ACTING BY THE AUDIT COMMITTEE, TO DETERMINE THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM'S FEES.**

(Item 2 on Proxy Card)

The Audit Committee Charter, as well as Section 301 of the Sarbanes-Oxley Act of 2002, Rule 10A-3(b)(2) under the Securities Exchange Act of 1934 and the related NYSE listing standards, each require that the audit committee shall be directly responsible for the appointment and retention of any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attestation services for the listed issuer. In accordance with these requirements, the Audit Committee and the Board recommend that the shareholders appoint the firm of Ernst & Young LLP, independent registered public accounting firm ( E&Y ) (which constitutes the auditor for the purpose of Bermuda law ), to be the Company's independent registered public accounting firm for fiscal year 2010 and to authorize the directors of the Company, acting by the Audit Committee, to determine the independent registered public accounting firm's fees. E&Y was also the Company's independent registered public accounting firm for 2009. Before selecting E&Y, the Audit Committee carefully considered E&Y's qualifications as the registered public accounting firm for Aircastle. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The committee has expressed its satisfaction with E&Y in all of these respects. The committee's review included inquiry concerning any litigation involving E&Y and any proceedings by the SEC against the firm. In this respect, the committee has concluded that the ability of E&Y to perform services for Aircastle is in no way adversely affected by any such investigation or litigation.

The Audit Committee also oversees the work of E&Y, and E&Y reports directly to the Audit Committee in this regard. The Audit Committee also reviews and approves E&Y's annual engagement letter, including the proposed fees, and determines or sets the policy regarding all audit, and all permitted non-audit, engagements and relationships between Aircastle and E&Y. The Audit Committee also reviews and discusses with E&Y their annual audit plan, including the timing and scope of audit activities, and monitors the progress and results of the plan during the year. Representatives of E&Y will be available to answer questions at the Annual Meeting and are free to make statements during the Annual Meeting.

**The Board recommends that shareholders vote FOR the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2010 and to authorize the directors of Aircastle Limited, acting by the Audit Committee, to determine the independent registered public accounting firm's fees.**

**Audit Fees, Audit Related Fees, Tax Fees and All Other Fees.**

In connection with the audit of the 2009 financial statements, the Company entered into an engagement letter with E&Y which set forth the terms by which E&Y has performed audit services for the Company. That agreement is subject to alternative dispute resolution procedures.

The following summarizes the fees paid by us to E&Y for professional services rendered in 2009 and 2008:

	<b>2009</b>	<b>2008</b>
Audit Fees <sup>(1)</sup>	\$ 1,685,000	\$ 2,780,000
Audit-Related Fees <sup>(2)</sup>	\$ 25,000	\$ 4,500
Tax Fees <sup>(3)</sup>	\$ 853,000	\$ 891,000
All Other Fees	\$ 2,800	\$ 2,000

**Table of Contents**

Represents fees for the audit of the Company's consolidated financial statements, the reviews of interim financial statements included in the Company's Forms 10-Q, audits of subsidiaries required under the terms of certain of our debt agreements, consultations concerning financial accounting and reporting standards, statutory audits, services rendered relating to the Company's shelf registrations in 2008 and 2009 and the audit of our internal control over financial reporting.

**Audit Committee Pre-Approval Policies and Procedures.**

The Audit Committee has policies and procedures that require the pre-approval by the Audit Committee or one of its members of all services performed by the Company's independent registered public accounting firm and related fee arrangements. In the early part of each year, the Audit Committee approves the proposed services, including the nature, type and scope of services contemplated, and the related fees, to be rendered by these firms during the year. In addition, pre-approval by the Audit Committee or one of its members is also required for those engagements that may arise during the course of the year that are outside the scope of the initial services and fees pre-approved by the Audit Committee Pursuant to the Sarbanes-Oxley Act of 2002. The fees and services provided as noted in the tables above were authorized and approved by the Audit Committee. .

Of the fees set forth in the table above, none of the Audit Related Fees , none of the Tax Fees and none of the All Other Fees were approved by the Audit Committee pursuant to SEC Rule 2-01(c)(7)(i)(C) of Regulation S-X. This rule provides that the pre-approval requirement is waived, with respect to fees for services other than audit, review or attest services, if the aggregate amount of all such services provided constitutes no more than five percent of the total amount of revenues paid by the Company to E&Y during the fiscal year in which the services are provided; such services were not recognized by the Company at the time of the engagement to be non-audit services; and such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Audit Committee.

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy materials with respect to two or more shareholders sharing the same address by delivering a single set of proxy materials addressed to those shareholders. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies. The Company and some brokers household proxy materials, delivering a single set of proxy materials to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders.

Once you have received notice from your broker or the Company that they or the Company will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive separate proxy materials, please notify your broker if your shares are held in a brokerage account or the Company if you hold registered shares. You can notify the Company by sending a written request to: Aircastle Limited, c/o Aircastle Advisor LLC, 300 First Stamford Place, 5th Floor, Stamford, CT 06902, Attention: General Counsel.
