Borrowings under the Restated Facility will be primarily used to finance the purchase of hedged crude oil inventory for storage activities when market conditions warrant as well as for foreign import activities. Obligations under the Restated Facility are secured by the financed inventory and the associated accounts receivable, and will be repaid from the proceeds of the sale of the financed inventory. In addition, PMLP 's obligations under the Restated Facility are guaranteed by PAA pursuant to a Restated Guaranty Agreement entered into on November 6, 2008 by PAA in favor of the Administrative Agent.

The above description of the Second Amendment is qualified in its entirety by the terms of the Second Amendment, which is attached hereto as Exhibit 10.1, and incorporated herein by reference.
