**Item 14. Indemnification of Directors and Officers.**

We are a corporation organized under the laws of the State of Delaware. Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to an action by reason of the fact that he or she was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful, except that, in the case of an action by or in right of the corporation, no indemnification may generally be made in respect of any claim as to which such person is adjudged to be liable to the corporation. Our bylaws provide that we will indemnify and advance expenses to our directors and officers (and may choose to indemnify and advance expenses to other employees and other agents) to the fullest extent permitted by law; provided, however, that if we enter into an indemnification agreement with such directors or officers, such agreement controls.

Section 102(b)(7) of the Delaware General Corporation Law permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duties as a director, except for liability for any:

- breach of a director's duty of loyalty to the corporation or its stockholders;
- act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payment of dividends or redemption of shares; or
- transaction from which the director derives an improper personal benefit.

Our certificate of incorporation provides that our directors are not personally liable for breaches of fiduciary duties to the fullest extent permitted by the Delaware General Corporation Law.

These limitations of liability do not apply to liabilities arising under federal securities laws and do not affect the availability of equitable remedies such as injunctive relief or rescission.

Section 145(g) of the Delaware General Corporation Law permits a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation. Our bylaws permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out

of his or her actions in connection with their services to us, regardless of whether our bylaws permit indemnification. We also maintain a directors and officers liability insurance policy.

As permitted by the Delaware General Corporation Law, we entered into indemnity agreements with each of our directors that require us to indemnify such persons against various actions including, but not limited to, third-party actions where such director, by reason of his or her corporate status, is a party or is threatened to be made a party to an action, or by reason of anything done or not done by such director in any such capacity. We indemnify directors against all costs, judgments, penalties, fines, liabilities, amounts paid in settlement by or on behalf such directors, and for any expenses actually and reasonably incurred by such directors in connection with such action, if such directors acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal proceeding, had no reasonable cause to believe their conduct was unlawful. We also advance to our directors expenses (including attorney's fees) incurred by such directors in advance of the final disposition of any action after the receipt by the corporation of a statement or statements from directors requesting such payment or payments from time to time, provided that such statement or statements are accompanied by an undertaking, by or on behalf of such directors, to repay such amount if it shall ultimately be determined that they are not entitled to be indemnified against such expenses by the corporation.

The indemnification agreements set forth certain procedures that will apply in the event of a claim for indemnification or advancement of expenses, including, among others, provisions about providing notice to the corporation of any action in connection with which a director seeks indemnification or advancement of expenses from the corporation, and provisions concerning the determination of entitlement to indemnification or advancement of expenses.

Prior to the closing of this offering we plan to enter into an underwriting agreement, which will provide that the underwriters are obligated, under some circumstances, to indemnify our directors, officers and controlling persons against specified liabilities.

#### **Item 15. Recent Sales of Unregistered Securities.**

In the three years preceding the filing of this registration statement, we issued the securities indicated below that were not registered under the Securities Act. Edgar Filing: SPS COMMERCE INC - Form S-1/A

Indicates shares acquired upon cashless exercise of an option or warrant. In the case of PNC Investment Corp., the exercise price of \$2,000 was paid by cancellation of 1,640 shares subject to the applicable warrant. In the case of Patrick J. Maurer, the exercise price of \$28,676 was paid by cancellation of 25,506 shares subject to the applicable option. In the case of Sandra L. Evanson, the exercise price of \$3,358 was paid by cancellation of 3,392 shares subject to the applicable option.

The sale of common stock to PNC Investment Corp. was made in reliance upon the exemption from registration requirements of the Securities Act available under Section 4(2) of the Securities Act. This sale did not involve any underwriters, underwriting discounts or commissions or any public offering.

All other sales of common stock described above were made pursuant to the exercise of stock options granted under our 2001 Stock Option Plan to our officers, directors, employees and consultants in reliance upon an available exemption from the registration requirements of the Securities Act, including those contained in Rule 701 promulgated under Section 3(b) of the Securities Act. Among other things, we relied on the fact that, under Rule 701, companies that are not subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act are exempt from registration under the Securities Act with respect to certain offers and sales of securities pursuant to compensatory benefit plans as defined under that rule. We believe that our 2001 Stock Option Plan qualifies as a compensatory benefit plan.

The following table sets forth information on the stock options issued by us in the three years preceding the filing of this registration statement. All information in the table below relating to the number of options or exercise price does not reflect the 0.267 for 1 reverse stock split of our common stock that occurred on April 13, 2010.

- (1) Represents stock options granted to three employees that result from our unilateral amendment to reduce the exercise price for all of the shares subject to options granted to the employees on February 10, 2009. The amendments reduce the exercise price of the previously granted options to \$0.65 per share, which was the fair market value of our common stock on the date of the amendments. The amendments did not affect the vesting provisions or the number of shares subject to any of the option awards. For financial statement reporting, we treat the previously granted options as being forfeited and the amendments as new option grants; however, none of the holders of the previously granted options made any investment decisions in connection with the amendments.
- (2) Includes a total of 890,364 stock options granted to 17 employees and one director that result from our unilateral amendment to reduce the exercise price for all of the shares subject to options previously granted to the employees and director. The amendments reduce the exercise price of the previously granted options to \$0.81 per share, which was the fair market value of our common stock on the date of the amendments. The amendments did not affect the vesting provisions or the number of shares subject to any of the option awards. For financial statement reporting, we treat the previously granted options as being forfeited and the amendments as new option grants; however, none of the holders of the previously granted options made any investment decisions in

connection with the amendments.

No consideration was paid to us by any recipient of any of the foregoing options for the grant of such options. All of the stock options described above were granted under our 2001 Stock Option Plan to our officers, directors, employees and consultants in reliance upon an available exemption from the registration requirements of the Securities Act, including those contained in Rule 701 promulgated under Section 3(b) of the Securities Act. Among other things, we relied on the fact that, under Rule 701, companies that are not subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act are exempt from registration under the Securities Act with

respect to certain offers and sales of securities pursuant to compensatory benefit plans as defined under that rule. We believe that our 2001 Stock Option Plan qualifies as a compensatory benefit plan.

**Item 16. Exhibits and Financial Statement Schedules.**

See the Exhibit Index following the signature page.

**Item 17. Undertakings.**

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
