The following disclosure is provided pursuant to subsection (b) of Item 5.02 of Form 8-K.

On January 23, 2011, Brian A. McNamee, M.B.B.S., a member of the board of directors (the Board) of Gen-Probe Incorporated (the Company), informed the Company that he would not stand for re-election at the Company's 2011 Annual Meeting of Stockholders. Dr. McNamee, resident in Australia, indicated his decision was prompted by the demands on his time and schedule as Chief Executive Officer of CSL Ltd. (CSL), a global biopharmaceutical company, the timing of the Company's Board meetings in 2011 and beyond, and the increasing potential for common or related issues to arise between the businesses of CSL and the Company. Dr. McNamee has served as a director of the Company since March 17, 2010 and previously served as a director of the Company from September 2002 to May 2007.
