Item 7.01. Regulation FD Disclosure.

Harsco Corporation (the *Company*) recommends that the Company's stockholders vote FOR proposal three (the advisory vote on the compensation of the Company's named executive officers or the *Say-on-Pay Proposal*) at the Company's 2011 Annual Meeting of Stockholders. In further support of this recommendation, the Company has prepared the stockholder presentation filed as Exhibit 99.1 hereto and incorporated herein by reference (the *Presentation*), which Presentation is expected to be utilized by certain Company employees between the date of this Current Report on Form 8-K and the date of the Company's 2011 Annual Meeting of Stockholders, currently scheduled to be held on April 26, 2011, in communications with and the solicitation of votes from certain stockholders of the Company regarding the Say-on-Pay Proposal.

As further explained in the Presentation, for the following reasons, the Company recommends that its stockholders vote FOR the Say-on-Pay Proposal:

Institutional Shareholder Services, or ISS, has recommended a vote against the Say-on-Pay Proposal based on incorrect analysis of the relationship between the Company's pay and its performance;

Glass Lewis and Egan-Jones, two other proxy advisory services, have recommended that the Company's stockholders vote FOR the Say-on-Pay Proposal;

The Company clearly demonstrates in the Presentation that annual performance-based bonuses and performance-based long-term incentive equity awards do not pay out when pre-established performance targets are not achieved; and

The Company's Compensation Committee is actively involved in managing pay-for-performance and has restricted compensation while supporting the steps the Company's management has taken to improve the performance of the Company.
