Table of Contents

Item 1.01 Entry Into a Material Definitive Agreement

On June 29, 2007, Pulte Homes, Inc. (the Company) amended its unsecured revolving credit facility (the Credit Facility), decreasing the borrowing availability from \$2.01 billion to \$1.86 billion and extending the maturity date from October 2010 to June 2012. Under the terms of the Credit Facility, the Company has the capacity to issue letters of credit up to \$1.125 billion. Borrowing availability is reduced by the amount of letters of credit outstanding. The Credit Facility contains certain restrictive covenants, the most restrictive of which requires the Company not to exceed a debt-to-total capitalization ratio of 55%. The Credit Facility no longer contains an interest coverage ratio covenant that could create an event of default for the Company, but if the Interest Coverage Ratio (as defined in the Credit Facility) is less than 2 to 1, LIBOR and Letter of Credit pricing under the Credit Facility increases in increments ranging from 0.125% to 0.375%. The Credit Facility s uncommitted accordion feature remains unchanged at \$2.25 billion.

JPMorgan Securities Inc. served as Lead Arranger and Sole Bookrunner for the Credit Facility on the Company s behalf, and JPMorgan Chase Bank, N.A. will serve as Administrative Agent. The Credit Facility was broadly syndicated among 29 financial institutions.

A copy of the amended and restated Credit Facility is filed as an exhibit to this Current Report on Form 8-K and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits

Exhibit 10(a) Third Amended and Restated Credit Agreement, dated June 20, 2007
