-

ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS.

On May 9, 2008 the Board of Directors of Stewart Information Services Corporation (the Company) approved the Stewart Information Services Corporation 2008 Strategic Incentive Pool Plan (the Plan).

The purpose of the Plan is to advance the best interests of the Company and its stockholders by providing the Co-Chief Executive Officers of the Company, Malcolm S. Morris and Stewart Morris, Jr. (together, the Co-Chief Executive Officers), with further incentives to achieve certain strategic goals of the Company. The Plan will be administered by the Compensation Committee of the Company s Board of Directors (the Compensation Committee). The Compensation Committee has the full and exclusive power and authority to interpret and apply the terms and provisions of the Plan, and to adopt rules, regulations and guidelines for implementing the Plan.

Based on the achievement of certain performance targets, each of the Co-Chief Executive Officers will be eligible to receive on May 15, 2011 an amount in cash, to be divided equally between the Co-Chief Executive Officers, equivalent to the fair market value of 50,000 shares of the common stock of the Company, par value \$1.00 per share (the Common Stock), as of the last trading day of 2010, based on the closing price of a share of Common Stock on the New York Stock Exchange. Such amounts payable to the Co-Chief Executive Officers under the Plan may be adjusted downwards if certain performance targets are not met or upon the termination of employment or disability of a Co-Chief Executive Officer. No amounts may be paid under the Plan until the material terms of the performance criteria for benefits under the Plan are approved by the stockholders of the Company.

The foregoing description summarizes the material terms of the Plan, but is qualified in its entirety by reference to the full text of the Plan, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
