Officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to us and certifications from executive officers and directors, we believe that during the past fiscal year all filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

EMPLOYMENT AGREEMENTS

We have entered into an employment contract with Mr. Oros, which became effective June 22, 1999, and provides for a salary of \$200,000 per year, a performance bonus of up to \$100,000 per year, and additional bonuses based on annual revenue targets and proceeds raised from private placements of our equity securities in 1999. The contract has an initial term expiring in June 2002, and automatically extends for additional one month increments until terminated by Aether or Mr. Oros on 15 days notice. Pursuant to the contract, in 1999 we granted Mr. Oros a warrant to acquire 875,000 shares of our common stock. The warrant currently has an exercise price of \$1.60 per share of common stock. Mr. Oros subsequently received our permission to assign part of his warrant, leaving him with a warrant to acquire 775,000 shares. We also gave Mr. Oros the right to allocate to key employees of his choosing warrants to acquire 125,000 shares of common stock having the same terms and conditions. Mr. Oros awarded warrants for 106,250 shares of our common stock to current and past executive officers of Aether. In 1999, Mr. Oros also received a warrant to acquire 175,000 shares of our common stock at an exercise price of \$4 per share. From this grant, Mr. Oros subsequently assigned a warrant exercisable for 17,500 shares of our common stock. Each of these warrants became exercisable upon completion of our initial public offering. Warrants that Mr. Oros and other named executive officers continue to hold are included in the table headed "Aggregate Option Exercises and Holdings," above. If we terminate Mr. Oros without cause, he is entitled to receive from us an amount equal to the salary he would have received during the balance of the term of the employment contract. Under the contract, "cause" means committing an act of gross negligence or other willful act that materially adversely affects Aether, refusing to comply in any respect with specific directions of our Board of Directors, or being convicted or pleading no contest to any felony or any misdemeanor involving fraud, breach of trust or misappropriation.

On June 8, 2001, we entered into an employment agreement with Mr. Reymann. The agreement has an initial term expiring in June 2003, and automatically extends for additional one year increments until terminated by Aether or Mr. Reymann on 90 days notice before the end of the initial term or the extensions. The agreement provides for a salary of not less than \$150,000 per year and annual bonuses to be established by the Board, the Compensation Committee or, if the board directs, our chief executive officer or president. Mr. Reymann may resign with 90 days notice to Aether. If we terminate Mr. Reymann without cause, he is entitled to receive an amount equal to 12 month's salary, COBRA group health coverage premium costs, immediate vesting of options, restricted stock or other equity instruments, and a pro rata share of the bonus for the year of his termination. Under the agreement, "cause" means committing a material breach of the agreement, committing an act of gross negligence with respect to Aether or otherwise acting with willful disregard for Aether's best interests, or being convicted of or pleading guilty or no contest to a felony

Edgar Filing: AETHER SYSTEMS INC - Form 10-K/A

or, with respect to his employment, committing either a material dishonest act or common law fraud or knowingly violating any federal or state securities or tax laws. The agreement provides that if there is a change in control of Aether and within 12 months Mr. Reymann resigns for good reason or is terminated without cause, all options, restricted stock or other equity instruments held by Mr. Reymann will become fully exercisable. A "change in control" means the occurrence of any of the following: a sale of all or substantially all of Aether's assets, the dissolution or liquidation of Aether, a person or group purchasing over half of Aether's voting securities, a merger or consolidation of Aether, a successful proxy contest replacing our board of directors, or

In addition, under the terms of a voting agreement among some of our stockholders, Reuters has the right to appoint one director, who is currently Devin N. Wenig. David S.
