Item 2.01. Completion of Acquisition or Disposition of Assets.

On December 21, 2005, Commercial Net Lease Realty, Inc. (the Company) completed the acquisition of 74 convenience store properties from SSP Partners, a subsidiary of Susser Holdings, LLC (together, Susser), for \$170 million. The properties are primarily located in Texas and operated under the Circle K brand. Susser has entered into triple-net leases whereby Susser has leased back the properties from the Company for a twenty-year initial term. Approximately \$31 million of acquired properties are being held as inventory properties for subsequent sale.

Susser operates over 300 retail convenience stores in Texas and Oklahoma and distributes motor fuel to over 340 branded dealer units and 25 unattended units through its wholesale fuel division. Founded in 1938 by the Susser family, Susser has experienced dynamic growth over the last decade and is one of the largest convenience store operators in the United States.

PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(unaudited)

The unaudited Pro Forma Condensed Consolidated Balance Sheet as of September 30, 2005, and the unaudited Pro Forma Condensed Consolidated Statements of Earnings for the nine months ended September 30, 2005, and for the year ended December 31, 2004, are based on the historical financial statements of the Company.

The unaudited Pro Forma Condensed Consolidated Balance Sheet as of September 30, 2005, is presented as if the completion of the acquisition of 74 convenience store properties (the Properties) from Susser had occurred September 30, 2005. The Company financed the purchase price with proceeds from the Company's credit facility and a portion of the proceeds from the Company's \$150,000,000 debt offering, which closed on November 17, 2005. The unaudited Pro Forma Condensed Consolidated Balance Sheet as of September 30, 2005, is presented as if the proceeds of the debt offering and credit facility were received on September 30, 2005.

The unaudited Pro Forma Condensed Consolidated Statements of Earnings for the nine months ended September 30, 2005, and for the year ended December 31, 2004, are presented as if the completion of the acquisition of the properties, the receipt of the proceeds from the Company's \$150 million debt offering and the receipt of the proceeds from the Company's credit facility used to purchase the Properties each had occurred at the beginning of the periods presented. The unaudited pro forma information should be read in conjunction with the historical financial statements and notes related thereto appearing in the Company's Forms 10-Q and 10-K.

Preparation of the pro forma information was based on assumptions considered appropriate by the Company's management. The pro forma financial information is unaudited and is not necessarily indicative of the results which would have occurred if the completion of the acquisition of the Properties had been consummated at the beginning of the periods presented, nor does it purport to represent the future financial position and the results of operations for future periods. In management's opinion, all adjustments necessary to reflect the effects of the completion of the acquisition of the Properties have been made.
