PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Panhandle Royalty Company (the "Company") for use at the annual meeting of shareholders (the "meeting") to be held Friday, February 27, 2004, and at any adjournment or postponement thereof.

When the proxy is properly executed and returned, the shares it represents will be voted at the meeting in accordance with any directions noted thereon. If no direction is indicated, the persons named on the enclosed proxy will vote the proxy for the nominees for Director set forth thereon and for Proposals No. 2 and 3. Should other matters come before the meeting, the proxy will be voted as the Board of Directors of the Company may, in its discretion, determine.

If the enclosed form of proxy is executed and returned, it nevertheless may be revoked at any time before it is exercised, by signing and sending to the

Edgar Filing: PANHANDLE ROYALTY CO - Form PRER14A

Company a later dated proxy or a written revocation, or by attending the meeting and voting in person.

The mailing address of the Company is Grand Centre, Suite 210, 5400 N. Grand Blvd., Oklahoma City, OK 73112. It is anticipated that the proxies and proxy statements will be mailed to shareholders on or about January 27, 2004.

The cost of the soliciting proxies for the meeting will be borne by the Company. In addition to solicitation by mail, arrangements may be made with brokerage firms, banks and other custodians, nominees and fiduciaries to send proxy material to their principals. The Company will reimburse these institutions for their reasonable costs. No solicitation is to be made by specially engaged employees or other paid solicitors.

VOTING SECURITIES

The Amended Certificate of Incorporation of the Company provides for one vote for each share of Common Stock. At the meeting, each holder of Common Stock shall be entitled to cast one vote per share of stock owned. Votes may be cast by shareholders either in person or by proxy.

All holders of Common Stock of record at the close of business on January 20, 2004, shall be eligible to vote. As of January 20, 2004, there were 2,089,101 shares of the Company's Common Stock of outstanding owned by approximately 2,800 shareholders.

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary for a quorum at the meeting. Directors are elected by a plurality of the votes of shares present in person or represented by proxy at the meeting. The approval of proposal No. 2 requires the affirmative vote of a majority of the outstanding shares of Common Stock. The approval of proposal No. 3 requires the affirmative vote of a majority of shares present in person or represented by proxy at the meeting.

Abstentions will be counted for the purpose of determining the existence of a quorum and will have the same effect as a negative vote on matters other than the election of directors. If a nominee holding shares for a beneficial owner indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter or otherwise does not vote such shares, these shares will not be considered as present and entitled to vote in respect to that matter, but will be counted for the purpose of determining the existence of a quorum.

A proxy is enclosed for your signature. Please return it immediately, dated and signed exactly as the Common Stock appears in your name.

(2)

Please note that if you hold shares in "street name" (that is, through a bank, broker or other nominee) and would like to attend the annual meeting and vote in person, you will need to bring a proxy signed by the person in whose name your shares are registered and bring it to the annual meeting.

The Company knows of no arrangements which would result in a change in control of the Company at any future date.

There are three vacancies for three year terms beginning February 2004. Nominees for the vacancies are Michael A. Cawley, Ben D. Hare and Robert O. Lorenz. These nominees were recommended by the Nominating Committee and approved by the Board of Directors. The Board of Directors of the Company has no reason to believe that any of the nominees will be unable to serve as director. However, if any nominee should be unable for any reason to accept nomination or election, it is the intention of the persons named in the enclosed proxy to vote those proxies for the election of such other person or persons as the Board of Directors of the Company may in its discretion determine.

The election of directors requires a plurality of the votes cast for the election of directors. Accordingly, the three directorships to be filled at the annual meeting will be filled by the three nominees receiving the highest number of votes. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees. THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS ELECT

Edgar Filing: PANHANDLE ROYALTY CO - Form PRER14A

PROPOSAL TWO: INCREASE IN AMOUNT OF AUTHORIZED COMMON STOCK

The Board has unanimously approved and recommends that the shareholders adopt an amendment to the Company's Amended Certificate of Incorporation to increase the number of authorized shares of Common Stock from 6,000,000 shares to 12,000,000 shares. The increase in the number of authorized shares of Common Stock is conditional upon the approval by the shareholders of the 2-for-1 stock split described in Proposal No. 3. If the 2-for-1 stock split is not approved, the number of authorized shares of Common Stock will not be increased.

As of January 20, 2004, there were 2,089,101 shares of Common Stock issued and outstanding leaving 3,910,899 authorized shares available for issuance by the Board. After giving effect to the proposed increase in the number of authorized shares to 12,000,000 and the 2-for-1 stock split described in Proposal No. 3, there will be a total of 4,178,202 post-split shares of Common Stock issued and outstanding leaving 7,821,798 authorized shares available for issuance by the Board.

The proposed increase in the number of authorized shares of Common Stock would permit the 2-for-1 stock split and would allow the remaining unissued shares to be used by the Board in the future for proper corporate purposes without further shareholder action (subject to applicable statutes or the rules of the American Stock Exchange). For example, the shares may be issued in strategic transactions intended to encourage the growth of the Company such as acquisitions of oil and gas reserves or business combinations in which Common Stock may be issued for all or part of the purchase price. The Company does not have any current plans or intentions to issue any of the proposed additional authorized shares of Common Stock other than as required in connection with the 2-for-1 stock split.

The increase in the number of authorized shares will not alter any existing rights, powers or privileges of the holders of the Common Stock.

A brief summary of the rights, powers and privileges of the Common Stock follows: the Common Stock has no redemption, conversion, sinking fund provisions or other similar rights. On liquidation of the Company, the holders of Common Stock are entitled to share ratably together with the holders of non-voting Class B Common Stock (500 shares outstanding) in the net assets of the Company available for distribution. Holders of Common Stock are entitled to such dividends as may be declared by the Board from funds legally available therefore. Each share of Common Stock is entitled to one vote with respect to matters presented to the shareholders. The Common Stock does not have preemptive rights, which means they do not have the right to purchase any new issuance of Common Stock in order to maintain their proportionate interests in the Company. Accordingly, the issuance of authorized shares may dilute the percentage interests of current shareholders.

The Board reserves the right not to proceed with the increase in the authorized number of shares and the 2-for-1 stock split described in Proposal No. 3 if, subsequent to shareholder approval but prior to the effectiveness of such increase and the stock split, the Board determines that these transactions are no longer advisable based on market conditions or other factors. In no event will the number of authorized shares of Common Stock be increased unless the 2-for-1 stock split is effected.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR"

PROPOSAL THREE: APPROVE 2-FOR-1 STOCK SPLIT

The Board has unanimously approved and recommends that the shareholders adopt an amendment to the Company's Amended Certificate of Incorporation to effect a 2-for-1 stock split of the outstanding Common Stock. The 2-for-1 stock split will entitle each shareholder to receive an additional share of Common Stock for each share currently owned. In connection with the 2-for-1 stock split, the par value per share of the Common Stock will be reduced from \$.03333 to \$.01666. The Board does not believe there would be a sufficient number of authorized but unissued shares available for proper corporate purposes subsequent to a 2-for-1 stock split. Therefore, the 2-for-1 stock split is contingent upon the approval of the increase in the number of authorized shares of Common Stock described in Proposal No. 2. If Proposal No. 2 is not approved, the 2-for-1 stock split will not be effected.

The Board believes that the 2-for-1 stock split is in the best interests of the Company and its shareholders and that it will help to broaden interest in the Common Stock by reducing the market price per share and increasing the shares available for trading. However, there is no assurance that the 2-for-1 stock split will have a positive effect on the market price of the Common Stock.

If the shareholders approve both the increase in the authorized shares and the 2-for-1 stock split, the stock split will be effected as of the record date for the split, which is currently expected to be April 1, 2004. Stockholders of record as of the close of business on the record date will be entitled to receive one additional share of Common Stock for each share that they hold as of that date. Stock certificates representing shares issued prior to the stock split will continue to represent the same number of shares of Common Stock after the stock split. For example, if a shareholder holds 100 shares of the Common Stock prior to the stock split, the Company will mail to him or her a stock certificate for 100 shares so that the stockholder will then hold 200 shares of Common Stock.

DO NOT DESTROY YOUR EXISTING STOCK CERTIFICATES

Stockholders Should Not Destroy Their Existing Certificates and Should Not Return Them to the Company or its Transfer Agent. The Existing Certificates and the Certificates for the Additional Shares That Will Be Mailed to Stockholders Together Will Represent the Correct Number of Shares after the 2-for-1 Stock Split Becomes Effective.

The Company believes that the 2-for-1 stock split will not result in any taxable income or in any gain or loss to shareholders for U.S. federal income tax purposes. Immediately after the 2-for-1 stock split, the income tax basis of each share of Common Stock will be one-half of the income tax basis before the 2-for-1 stock split. For federal income tax purposes, each new share will be deemed to have been acquired at the same time as the original shares prior to the 2-for-1 stock split.

The laws of jurisdictions other than the United States may impose income taxes on the receipt of the additional shares. Stockholders should consult their own advisors with respect to any possible tax consequences of the stock split.

Edgar Filing: PANHANDLE ROYALTY CO - Form PRER14A

The 2-for-1 stock split will not alter any existing rights, powers or privileges of the holders of Common Stock. After giving effect to the proposed increase in the number of authorized shares described in Proposal No. 2 and the 2-for-1 stock split, there will be a total of 4,178,202 post-split shares of Common Stock outstanding out of a total of 12,000,000 authorized shares. This will leave 7,821,798 shares available for subsequent issuance by the Board of Directors.

The Board reserves the right not to proceed with the 2-for-1 stock split and the increase in the authorized number of shares described in Proposal No. 2, if subsequent to shareholder approval but prior to the effectiveness of such stock split and increase, the Board determines that such transactions are no longer advisable based on market conditions or other factors. In no event will the 2-for-1 stock split be effected unless the increase in the number of authorized shares of Common Stock is also effected.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors has oversight over Panhandle's executive compensation program and recommends for approval by the full board the base salaries and bonuses of the Company's officers.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee are Messrs. Kauffman, Cawley and Hare. No current member of the Compensation Committee is an officer or employee of the Company.

EXECUTIVE COMPENSATION: PHILOSOPHY AND PROGRAM COMPONENTS

The Company's philosophy is to provide a compensation program that will attract, retain and reward the officers who contribute to the Company's success and to motivate the officers to develop and execute current and long-term business strategies and goals. The components of officer compensation are base salary and yearly cash bonuses. Officers also participate in benefit plans which are available to all employees. The Company believes that a portion of officer compensation should be based on performance of both the officer and the Company, thus, the yearly cash bonus is considered performance based compensation. The Company does not offer stock options to employees or officers and has no employment contracts or change-in-control arrangements with any of its employees or officers.

BASE SALARY AND BONUS

In 2003, base salaries and bonuses for officers were based upon the individual's responsibilities and experience, taking into account, among other items, the individuals' initiative, contribution to the Company's overall performance, handling of special projects or events during the year and yearly financial and operating results comparison to the Company's business plan. Base salaries for officers are reviewed yearly and are compared to similar employees in the Company's industry. The Company has made a concerted effort in the last few years, to bring its compensation levels up to those of comparable sized companies in the oil and gas industry.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Board of Directors awarded Mr. Peace, President and Chief Executive Officer, a base salary of \$170,000 for calendar year 2003. In addition, a performance bonus of \$20,000 was awarded to Mr. Peace in December, 2002. The increase in salary and the reduction in bonus from the prior year's \$40,000 performance bonus was based on fiscal 2002 financial operating results. Fiscal 2002 saw a modest increase in total revenues, but a decrease in net income of the Company. The decline in net income resulted from the 46% decrease in the average sales price for natural gas in fiscal 2002 as compared to fiscal 2001. The Company was able to more than replace oil and gas produced during fiscal 2002 with reserves from new wells drilled and completed in 2002. Based on these factors, the Committee felt positive adjustments were warranted but at a lesser level than the prior year.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of three independent directors. During the fiscal year ended September 30, 2003, Robert A. Reece and H. Grant Swartzwelder were members of the Audit Committee for the entire year. Jerry L. Smith was a member of the Audit Committee from October 1, 2002 through May 2, 2003. Robert O. Lorenz was elected to the Board by the Board of Directors effective May 2, 2003, and he was appointed Chairman of the Audit Committee. The Board of Directors has determined that all committee members are independent and that Mr. Lorenz is an audit committee financial expert, as defined by the Securities and Exchange Commission guidelines and the rules of the American Stock Exchange.

In fiscal 2000, the Committee and the Board of Directors adopted a written charter. In fiscal 2003, the Committee adopted a revised and updated charter which is attached hereto as Appendix A and can be viewed on the Company's website at www.panra.com. Two meetings of the Committee were held during fiscal 2003. In addition to the full Committee meetings, the Chairman of the Audit Committee met with Ernst & Young LLP and management subsequent to the end of each of the first three fiscal quarters. At these meetings, Ernst & Young LLP's review results were presented and discussed and discussions were held with management concerning the quarterly results. The Chairman then reported a summary of these discussions to the entire Audit Committee.

The Audit Committee's primary responsibility is to oversee the Company's financial reporting process on behalf of the Board of Directors and report the results of its activities to the Board. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls.

In fulfilling its responsibilities, the Committee reviewed with management the audited financial statements, included in the Company's Annual Report on Form 10-K for the year ended September 30, 2003, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards No. 61 (Communications with Audit Committees) as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications). In addition, the Committee discussed with the independent auditors its independence from management and the Company, including matters in the written disclosures received from the independent auditors as required by the Independence Standards Board No. 1 (Independence Discussions with Audit Committee).

The Committee met with the independent auditors, with and without management present, to discuss the overall scope and plans for their audit, the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended September 30, 2003 for filing with the Securities and Exchange Commission.

RESPONSIBILITIES

The primary responsibility of the Committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of their activities to the Board. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial

Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible in order to best react to changing conditions and circumstances. Obtain and review a report from the independent auditor at least annually regarding (a) the auditor's internal quality-control procedures, (b) any material issues raised by the most recent quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the independent auditor and the Company. Discuss with corporate management the qualifications, independence and performance of the independent auditors. The independent auditors shall report directly to the Audit Committee and are ultimately accountable to the Audit Committee and the Board of Directors.

- o The Committee shall establish policies for hiring employees or former employees of the independent auditors.

- o The Committee shall discuss with the independent auditors the overall scope and plans for their audits, including the adequacy of staffing and compensation. Also, the Committee shall discuss with management and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies and procedures to assess, monitor and manage business risk and legal and ethical compliance programs (including the Company's Code of Ethics and Business Practices).

Edgar Filing: PANHANDLE ROYALTY CO - Form PRER14A

o Provide sufficient opportunity for the independent auditors to meet with the members of the Audit Committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the Company's financial and accounting personnel, the cooperation that the independent auditors received during the course of audit, any difficulties encountered, any restrictions on

their work, significant disagreements with corporate management and their findings and recommendations. Discuss certain matters required to be communicated to the Audit Committee in accordance with AICPA SAS 61.

o The Committee shall receive annual reports from the independent auditor on the critical policies and practices of the Company, and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management.

o The Committee shall review and discuss earnings press releases, as well as any financial information and earnings guidance that might be provided to analysts and rating agencies. The chairman of the committee may represent the entire committee for the purposes of these reviews.

o The Committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's quarterly report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The chair of the Committee may represent the entire Committee for the purposes of this review.

o The Committee shall review with management and the independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's annual report on Form 10-K, including their judgment about the quality, as well as the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the Committee shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards.
