**PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS  
To Be Held on April 27, 2006**

**INTRODUCTION**

The Board of Directors of Cullen/Frost Bankers, Inc. ( Cullen/Frost or the Company ) is soliciting proxies to be used at the Annual Meeting of Shareholders. The meeting will be held in the Commanders Room at The Frost National Bank, 100 West Houston Street, San Antonio, Texas, on Thursday, April 27, 2006 at 11:00 a.m., San Antonio time. This Proxy Statement and the accompanying proxy card will be mailed to shareholders beginning on or about March 27, 2006.

**Record Date and Voting Rights**

The close of business on March 10, 2006 has been fixed as the record date for the determination of shareholders entitled to vote at the Annual Meeting. The only class of securities of Cullen/Frost outstanding and entitled to vote at the Annual Meeting is Common Stock, par value \$0.01 per share. On March 10, 2006, there were outstanding 55,088,785 shares of Common Stock, with each share entitled to one vote.

**Proxies**

All shares of Cullen/Frost Common Stock represented by properly executed proxies, if timely returned and not subsequently revoked, will be voted at the Annual Meeting in the manner directed in the proxy. If a properly executed proxy does not provide directions, it will be voted for all proposals listed on the proxy and in the discretion of the persons named as proxies with respect to any other business that may properly come before the meeting.

A shareholder may revoke a proxy at any time before it is voted by delivering a written revocation notice to the Corporate Secretary of Cullen/Frost Bankers, Inc., 100 West Houston Street, San Antonio, Texas 78205. A shareholder who attends the Annual Meeting may, if desired, vote by ballot at the meeting, and such vote will revoke any proxy previously given.

**Quorum and Voting Requirements**

A quorum of shareholders is required to hold a valid meeting. If the holders of at least a majority of the issued and outstanding shares of Company Common Stock are present at the Annual Meeting in person or represented by proxy, a quorum will exist. Shares for which votes are withheld, as well as abstentions and broker non-votes, are counted as present for establishing a quorum.

Directors are elected by a plurality of the votes cast at the Annual Meeting. Accordingly, the nominees receiving the highest number of votes will be elected. In the election of Directors, votes may be cast for or withhold authority with respect to any or all nominees. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

**Table of Contents**

With respect to the ratification of the selection of Ernst & Young LLP to act as independent auditors of Cullen/Frost for the fiscal year that began January 1, 2006, the affirmative vote of the holders of a majority of the outstanding shares having voting power present in person or represented by proxy will be the act of the shareholders. With respect to the proposed resolution to amend the Articles of Incorporation to increase the authorized shares of Common Stock from 90,000,000 to 210,000,000 the affirmative vote of the holders of two-thirds of all of the outstanding shares of Common Stock entitled to vote thereon is required to approve the proposed amendment. In the voting for either of these two proposals, shares may be voted for or against or abstain. An abstention with respect to either of these two proposals will have the effect of a vote against that proposal.

Under the rules of the National Association of Securities Dealers, Inc., member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, Inc. ( NYSE ), a member broker that holds shares in street name for customers has the authority to vote on certain items if it has transmitted proxy-soliciting materials to the beneficial owner but has not received instructions from that owner. NYSE rules permit member brokers that do not receive instructions to vote on the election of Directors and on the proposal to ratify the selection of Ernst & Young LLP to act as Cullen/Frost's independent auditors but do not permit such brokers to vote on the proposed resolution to amend Cullen/Frost's Articles of Incorporation to increase the authorized shares of Company Common Stock. Under NYSE rules, the proposal to approve the resolution to amend Cullen/Frost's Articles of Incorporation is a non-discretionary item, which means that NYSE member brokers that have not received instructions from beneficial owners of Company Common Stock do not have discretion to vote the shares of Company Common Stock held by those beneficial owners with respect to the proposal. Because the affirmative vote of the holders of at least two-thirds of the outstanding shares having power to vote is necessary to approve the proposed resolution to amend Cullen/Frost's Articles of Incorporation, any such broker non-votes will have the same effect as a vote against the proposal.

**Expenses of Solicitation**

Cullen/Frost will pay the expenses of the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, Directors, officers, and employees of Cullen/Frost may solicit proxies by telephone, facsimile, in person or by other means of communication. Cullen/Frost also has retained Georgeson Shareholder Communications Inc. ( Georgeson ) to assist with the solicitation of proxies. Directors, officers, and employees of Cullen/Frost will receive no additional compensation for the solicitation of proxies, and Georgeson will receive a fee not to exceed \$6,500.00, plus reimbursement for out-of-pocket expenses. Cullen/Frost has requested that brokers, nominees, fiduciaries, and other custodians forward proxy-soliciting material to the beneficial owners of Cullen/Frost Common Stock. Cullen/Frost will reimburse these persons for out-of-pocket expenses they incur in connection with its request.

**Table of Contents****ELECTION OF DIRECTORS

tee is attached as [Annex A](#) to this Proxy Statement. It is also available, together with the charter for the Compensation and Benefits Committee and the charter for the Corporate Governance and Nominating Committee, at [www.frostbank.com](http://www.frostbank.com).

As described in more detail below under **Certain Corporate Governance Matters** **Director Independence**, the Board has determined that each member of the Audit Committee, the Compensation and Benefits Committee and the Corporate Governance and Nominating Committee is independent within the meaning of the rules of the NYSE. The Board has also determined that each member of the Audit Committee is independent within the meaning of the rules of the Securities and Exchange Commission (the **SEC**). In addition, the Board has determined that each member of the Audit Committee is financially literate and that at least one member of the Audit Committee has accounting or related financial management expertise, in each case within the meaning of the NYSE's rules. The Board has also determined that Mr. Ruben M. Escobedo is an audit committee financial expert within the meaning of the SEC's rules.

### **Director Nomination Process**

The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become members of the Board of Directors and for recommending to the Board the nominees to stand for election as Directors.

In identifying Director candidates, the Corporate Governance and Nominating Committee may seek input from Cullen/Frost's management and from current members of the Board. In addition, it may use the services of an outside consultant, although it has not done so in the past. The Corporate Governance and Nominating Committee will consider candidates recommended by shareholders. Shareholders who wish to recommend candidates may do so by writing to the Corporate Governance and Nominating Committee of Cullen/Frost Bankers, Inc., c/o Corporate Secretary, 100 West Houston Street, San Antonio, Texas 78205. Recommendations may be submitted at any time. The written recommendation must include the name of the candidate, the number of shares of Cullen/Frost Common Stock owned by the candidate and the information regarding the candidate that would be included in a proxy statement for the election of Directors pursuant to paragraphs (a), (e) and (f) of Item 401 of Regulation S-K adopted by the SEC.

In evaluating Director candidates, the Corporate Governance and Nominating Committee initially considers the Board's need for additional or replacement Directors. It also considers the criteria approved by the Board and set forth in Cullen/Frost's Corporate Governance Guidelines, which include, among other things, the candidate's personal qualities (in light of the Company's core values and mission statement), accomplishments and reputation in the business community, the fit of the candidate's skills and personality with those of other Directors and candidates and the ability of the candidate to commit adequate time to Board and committee matters. The objective is to build a Board that is effective, collegial and responsive to the needs of Cullen/Frost. In addition, considerable emphasis is given to Cullen/Frost's mission statement and core values, statutory and regulatory requirements, the Board's goal of having a substantial majority of independent directors and the Board's retirement policy.

The Corporate Governance and Nominating Committee evaluates all Director candidates in the same manner, including candidates recommended by shareholders. In considering whether candidates satisfy the criteria described above, the committee will initially utilize the information it receives with the recommendation or otherwise possesses. If it determines, in consultation with other Board members, including the Chairman, that more information is needed, it may, among other things, conduct interviews.

### **Director Compensation**

Cullen/Frost employees receive no fees for their services as members of the Board of Directors or any of its committees. Non-employee Directors receive an annual retainer fee of \$8,000 and \$2,000 for each Board meeting attended. In addition, non-employee Directors receive \$1,000 for attending each meeting of a

**Table of Contents**

committee of the Board to which they have been appointed, except that the Chairman of the Audit Committee receives \$1,500 for each meeting of the Audit Committee attended. Non-employee Directors are also eligible to receive stock options each year under Cullen/Frost's 1997 Director Stock Plan. In May 2005, each non-employee Director received options to purchase 2,000 shares of the Company's Common Stock. A total of 28,000 stock options were granted to non-employee Directors in 2005. The options have a term of six years from the date of the grant, are exercisable immediately from the date of the grant and have an exercise price of \$45.70, which is equal to the closing price of the Company's Common Stock on the date of the grant.

In addition, the Board of Directors also serves as the Board of Directors for The Frost National Bank, a subsidiary of Cullen/Frost, and non-employee Directors receive fees for serving in this capacity. In particular, non-employee Directors receive \$2,000 for each meeting of such Board attended and \$1,000 for attending each meeting of a committee of such Board to which they have been appointed.

**Other Directorships**

The following are directorships held by nominees and Directors in public companies other than Cullen/Frost, or in registered investment companies:

Mr. Caldwell	SABRE Corporation
Mr. Escobedo	Valero Energy Corporation
Mr. Wilkins	U.S. Sugar

**Miscellaneous Information**

There are no arrangements or understandings between any nominee or Director of Cullen/Frost and any other person regarding such nominee's or Director's selection as such, except that Mr. Robert S. McClane's retirement agreement with Cullen/Frost provides that until he reaches age 70, subject to the sole discretion of the Board of Directors, he will be considered as a candidate for reelection to the Board. In addition, pursuant to such retirement agreement, Mr. McClane is entitled to office space, secretarial services and support until he reaches age 70. The only family relationships among the Directors or executive officers of Cullen/Frost that are first cousin or closer are those of Messrs. T.C. Frost and Patrick B. Frost, who are father and son.

**CERTAIN CORPORATE GOVERNANCE MATTERS**

Cullen/Frost believes that it has operated over the years with sound corporate governance practices that exemplify its commitment to integrity and to protect both the interests of its shareholders and the other constituencies that it serves. These practices include a substantially independent Board of Directors, periodic meetings of non-management Directors and a sound and comprehensive code of conduct, which obligates Directors and all employees to adhere to the highest legal and ethical business practices. A review of some of Cullen/Frost's corporate governance measures is set forth below.

**Director Independence**

The Board of Directors believes that a substantial majority of its members should be independent within the meaning of the NYSE's rules. To this end, the Board reviews annually the relevant facts and circumstances regarding relationships between Directors and Cullen/Frost. The purpose of the Board's review is to determine whether any Director has a material relationship with Cullen/Frost (either directly or as a partner, shareholder or officer of an organization that has a relationship with Cullen/Frost).

In connection with the Board's latest review, the Board determined that the following Directors, which compose 82% of the Board, are independent within the meaning of the NYSE's rules: Mr. R. Denny Alexander, Mr. Carlos Alvarez, Mr. Isaac Arnold, Jr., Mr. Royce S. Caldwell, Mr. Harry H. Cullen, Mr. Crawford H. Edwards, Mr. Ruben M. Escobedo, Mr. James L. Hayne, Ms. Karen E. Jennings,

**Table of Contents**

Mr. Richard M. Kleberg, III, Mr. Robert S. McClane, Ms. Ida Clement Steen, Mr. Horace Wilkins, Jr. and Ms. Mary Beth Williamson. Mr. T.C. Frost, Mr. Richard W. Evans, Jr. and Mr. Patrick B. Frost are not independent because they are executive officers of Cullen/Frost.

In making its independence determinations, the Board considers the NYSE's rules, as well as the standards set forth below. The Board adopted these standards pursuant to the NYSE's rules to assist it in making independence determinations. For purposes of the standards, the term "Cullen/Frost Entity" means, collectively, Cullen/Frost and each of its subsidiaries.

*Credit Relationships.* A proposed or outstanding relationship that consists of an extension of credit by a Cullen/Frost entity to a Director or a person or Entity that is affiliated, associated or related to a Director should not be deemed to be a material relationship if it satisfies each of the following criteria:

It is not categorized as "classified" by the Cullen/Frost Entity or any regulatory authority that supervises the Cullen/Frost Entity.

It is made on terms and under circumstances, including credit standards, that are substantially similar to those prevailing at the time for comparable relationships with other unrelated persons or entities and, if subject to the Federal Reserve Board's Regulation O (12 C.F.R. Part 215), is made in accordance with Regulation O.

In the event that it was not made, in the case of a proposed extension of credit, or it was terminated in the normal course of the Cullen/Frost Entity's business, in the case of an outstanding extension of credit, the action would not reasonably be expected to have a material adverse effect on the Director or the business, results of operations or financial condition of any person or Entity related to such Director.

*Non-Credit Banking or Financial Products or Services Relationships.* A proposed or outstanding relationship in which a Director or a person or Entity that is affiliated, associated or related to a Director procures non-credit banking or financial products or services from a Cullen/Frost Entity should not be deemed to be a material relationship if it (i) has been or will be offered in the ordinary course of the Cullen/Frost Entity's business and (ii) has been or will be offered on terms and under circumstances that were or are substantially similar to those prevailing at the time for comparable non-credit banking or financial products or services provided by the Cullen/Frost Entity to other unrelated persons or entities.

*Property or Services Relationships.* A proposed or outstanding relationship in which a Director or a person or Entity that is affiliated, associated or related to a Director provides property or services to a Cullen/Frost Entity should not be deemed to be a material relationship if the property or services (i) have been or will be procured in the ordinary course of the Cullen/Frost Entity's business and (ii) have been or will be procured on terms and under circumstances that were or are substantially similar to those that the Cullen/Frost Entity would expect in procuring comparable property or services from other unrelated persons or entities.

**Meetings of Non-Management Directors**

**EXECUTIVE COMPENSATION AND RELATED INFORMATION**

**Compensation and Benefits Committee Report on Executive Compensation**

The Compensation and Benefits Committee of the Board of Directors is composed of four Directors that the Board has determined to be independent within the meaning of the NYSE's rules. The duties and responsibilities of the Compensation and Benefits Committee, as well as certain components of Cullen/Frost's compensation philosophy, are set forth below.

*Compensation and Benefits Committee Duties and Responsibilities*

The duties and responsibilities of the Compensation and Benefits Committee include, among other things, the following:

In consultation with management, to establish Cullen/Frost's general compensation philosophy and oversee the development of Cullen/Frost's compensation and benefit programs;

To review and approve corporate goals and objectives relevant to the compensation of Cullen/Frost's Chief Executive Officer, evaluate his performance in light of those goals and objectives, and set his compensation level based on this evaluation.

**Table of Contents**

*Certain Components of Cullen/Frost's Compensation Philosophy*

Compensation levels should be competitive with the median of comparable financial organizations to attract and maintain a stable, successful management team;

Executives' total compensation packages should depend upon the level of success in meeting specified Company and individual performance goals;

Executive ownership of the Company's Common Stock should be encouraged to align executives' interests with shareholders' interests; and

Sustained superior performance by individual executives should be rewarded.

Each year an independent consultant engaged by the Compensation and Benefits Committee provides a comprehensive analysis of competitive market data for senior executives, which compares Cullen/Frost's compensation practices and programs to a group of comparator companies that have similar business operations, total assets, market capitalizations, and lines of business. These companies include, but are not limited to, the companies in the Standard & Poor's (S&P) Bank Index. The Compensation and Benefits Committee has chosen not to use the S&P's Bank Index as its sole comparator group for compensation purposes since detailed data for all senior executives at the banks comprising the index is not available.

The S&P's Bank Index was used for comparison of total shareholder return shown in the Performance Graph on page 19.

The elements of Cullen/Frost's executive compensation are base salary, annual incentives, and long-term compensation, which are discussed below. The Compensation and Benefits Committee considers all elements of an executive's total compensation package, including severance plans, insurance, and other benefits, as set forth below.

*Base Salary*

Reviewed annually for each of the Company's four named executive officers.

Based on subjective evaluation of individual performance, achievement, and contribution to growth.

May be adjusted to reflect competitive market levels following performance evaluations.

May be adjusted to attract and retain appropriate officers.

Company base salary levels for the senior executive group were overall slightly above market levels of comparator companies in 2005.

*Annual Incentives*

Designed to promote and reward teamwork as measured by overall corporate performance and also recognize individual contributions.

Generally, bonus pools are established when the Company achieves a predetermined level of financial performance, as established by the Compensation and Benefits Committee.

Compensation and Benefits Committee has authority to adjust the total bonus pool up or down based on Company's overall performance.

Compensation and Benefits Committee authorized payouts at 120% of target for 2005 based on Company's outstanding performance.

Actual award sizes recognized individual contributions and teamwork.

**Table of Contents**

*Long-Term Incentives*

Size of award depends on levels of responsibility, prior experience, individual performance and compensation practices at comparator companies.

Current stock holdings and the magnitude of outstanding long-term incentives are not considered in making current awards.

*Stock Options*

Primary long-term incentive award.

Nonqualified stock options granted at a price not less than the fair market value of Company Common Stock on the date of grant.

Size of stock option grants determined based on numerous factors including Company and individual performance, level of responsibility, competitive market, historical awards and available option pool.

Compensation and Benefits Committee's objective is to deliver a competitive award opportunity.

Number awarded varies from year to year.

Awards granted in 2005 vest 25% per year beginning on the first anniversary from the date of grant.

*Restricted Stock*

Provides executives with immediate link to shareholder interests.

Helps maintain a stable executive team.

Restricted stock was granted to select senior executives in 2005 as part of the annual long-term incentive package.

Awards granted in 2005 vest 100% four years from the date of grant to promote executive retention.

*CEO Compensation*

After two years with no increase in base salary, the Compensation and Benefits Committee raised Mr. Evans's base salary to \$675,000 for 2006, which approximates the median level of CEOs at comparator companies. The Compensation and Benefits Committee awarded Mr. Evans a bonus of \$530,000 for 2005, based on the Company's outstanding financial performance and Mr. Evans's outstanding leadership during 2005. In addition, Mr. Evans was granted 55,000 options with an exercise price of \$50.01 as detailed in the table on page 15. Mr. Evans also received 20,000 shares of restricted stock, which will vest in October 2009. As of December 31, 2005, Mr. Evans had beneficial ownership of 685,118 shares of stock, which includes 316,800 shares that he has a right to acquire pursuant to presently exercisable options.

*Section 162(m) of the Internal Revenue Code*

Section 162(m) of the Internal Revenue Code generally limits the corporate tax deduction to \$1,000,000 in a taxable year for compensation paid to each covered employee of the Company, which, under Section 162(m), includes the Company's Chief Executive Officer and the three other named executive officers, unless the compensation is performance-based. Under Section 162(m), one condition to qualify compensation as performance-based is to establish the amount of an incentive award by an objective formula that precludes any discretion. In order to preserve the Company's tax deduction, the Compensation and Benefits Committee has approved the Cullen/Frost Bankers, Inc. Deferred Compensation Plan For Covered Employees. This plan requires that certain components of the compensation of a covered employee that would exceed the amount deductible under Section 162(m) be deferred until the plan year

after he or she

**Table of Contents**

ceases to be a covered employee or upon his or her death or disability. Currently, Cullen/Frost's Chief Executive Officer is the only covered employee under this plan. In 2005, \$297,743 of the Chief Executive Officer's annual compensation was deferred into the plan. While the Compensation and Benefits Committee will continue to review the impact of Section 162(m), the Committee also believes it is in the Company's and shareholders' best interests to retain the discretionary evaluation of individual performance as provided in the annual incentive plan.

*Conclusion*

The Compensation and Benefits Committee believes that Cullen/Frost's executive compensation policies and programs effectively serve the interests of the Company and its shareholders. The various compensation arrangements offered are appropriately balanced to provide increased motivation for executives to contribute to the Company's overall future successes, thereby enhancing the value of the Company for the shareholders' benefit.

The Compensation and Benefits Committee will continue to monitor the effectiveness of the Company's total compensation program to meet the current needs of the Company.

**Compensation and Benefits Committee Interlocks and Insider Participation**

Some of the members of the Compensation and Benefits Committee, and some of these persons' associates, are current or past customers of one or more of the Company's subsidiaries. Since January 1, 2005, the transactions between these persons and such subsidiaries have occurred, including borrowings. In the opinion of management, all of the transactions have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility. Additional transactions may take place in the future.

The Company also has a Restoration Plan that provides benefits in excess of the limits under Section 415 of the Internal Revenue Code and in excess of the limits on eligible earnings set by the Tax Reform Act of 1986. previous employee stock ownership plan. The entire cost of the Retirement Plan and Restoration Plan is supported by Cullen/Frost and its subsidiaries. Both of these plans were frozen effective December 31, 2001. There will be no additional accruals of compensation or service under either plan.

The Pension Plan Table below shows the anticipated annual benefit, computed on a straight-line basis, payable under the frozen Retirement Plan and Restoration Plan upon the normal retirement of a vested executive officer of Cullen/Frost at age 65 after 15, 20, 25, 30, 35, 40, 45 and 50 years of credited service (as of December 31, 2001) at specified final average annual compensation levels.

The frozen Retirement Plan provides a monthly benefit based on a percentage of an eligible employee's final average compensation based on the highest three years of compensation during the last ten years of service prior to January 1, 2002. Included in compensation according to the Retirement Plan are salary, overtime, bonuses, commissions, and wages deferred for the Company 401(k) Plan or used to pay health care premiums, expenses, or parking under the Company Pre-Tax Plan (IRS Section 125 Plan). Participants in the Retirement Plan are fully vested in their accrued benefits under such plan upon attaining age 65 or after five years of service, whichever occurs first. Death benefits are provided to married participants who have completed five years of service. Normal retirement is at age 65, but early retirement is available starting at age 55. Early Retirement benefits are provided on a reduced basis. The benefit amounts listed in the table represent amounts payable from the plans and are not subject to any additional deduction for Social Security benefits or other offset amounts.

The years of credited service under the Retirement Plan as of December 31, 2001 for each person named in the Summary Compensation Table on page 14 are: Mr. T.C. Frost 52 years; Mr. Richard W. Evans, Jr. 31 years; Mr. Phillip D. Green 21 years; and Mr. Patrick B. Frost 17 years. Mr. T.C. Frost activated his retirement benefit effective July 1, 1994, but still remains an active employee.

The Company also maintains a supplemental executive retirement plan (SERP). The plan provides for target retirement benefits, as a percentage of annual cash compensation, beginning at age 55. The target percentage is 45% of annual cash compensation at age 55, increasing to 60% at age 60 and later. Benefits under the SERP are reduced dollar-for-dollar by benefits received under the Retirement Plan and Restoration Plan, described previously, and any Social Security benefits. Effective January 1, 2002, SERP benefits will also be reduced by the annuity equivalent of any account balance in the Company's Profit Sharing Plan at retirement. The Profit Sharing Plan was implemented by the Company effective January 1, 2002. Contributions to the Profit Sharing Plan are made annually to each participant's account based on the profitability of the Company.

**Table of Contents**

Mr. Evans currently participates in the SERP. At current salary levels, at age 60, it is estimated that Mr. Evans will receive \$175,038 annually. A projected Profit Sharing Plan account balance will reduce this benefit.

*Change-in-Control Agreements*

Cullen/Frost has change-in-control agreements with three of the four named executives above and other key employees. The main purposes of these agreements are (i) to help executives evaluate objectively whether a potential change in control is in the best interests of shareholders; (ii) to help protect against the departure of executives, thus assuring continuity of management, in the event of an actual or threatened merger or change in control; and (iii) to maintain compensation and benefits comparable to those available from competing employers. Change-in-control is generally defined in the agreements as (a) an acquisition of beneficial ownership of 20 percent or more of Cullen/Frost Common Stock by an individual, corporation, partnership, group, association, or other person; (b) certain changes in the composition of a majority of the Board of Directors; or (c) certain other events involving a merger or consolidation of Cullen/Frost or a sale of substantially all of its assets.

Under the change-in-control agreements, Messrs. Richard W. Evans, Jr., Phillip D. Green and Patrick B. Frost could receive severance payments equal to three times their base salary and target bonus if their position is terminated by the Company within two years following a change-in-control, if the termination is for reasons other than cause, death, disability or retirement. Cause is generally defined in the agreements as an executive's (i) willful and continued failure to substantially perform his duties after delivery of a written demand for substantial performance; (ii) willful engagement in conduct materially injurious to Cullen/Frost; or (iii) conviction of a felony. In addition, the change-in-control agreements provide that Messrs. Richard W. Evans, Jr., Phillip D. Green and Patrick B. Frost could receive severance payments described above if they terminate their employment for good reason within two years following a change-in-control. Good reason is generally defined in the agreements as the occurrence of one or more of the following events: (a) a significant change or reduction in the executive's responsibilities; (b) an involuntary transfer of the executive to a location that is 50 miles further than the distance between the executive's current residence and Cullen/Frost's headquarters; (c) a significant reduction in the executive's current compensation; (d) the failure of any successor to Cullen/Frost to assume the executive's change-in-control agreement; or (e) any termination of the executive's employment that is not effected pursuant to a written notice which indicates the reasons for the termination. The change-in-control agreements also provide for a continuation of certain employee benefits and a tax gross-up payment in an amount necessary to make the executive whole for any excise taxes paid as a result of the severance payments.

The Frost National Bank has reported that the securities registered in its name as fiduciary or in the names of various of its nominees are owned by many separate accounts. The accounts are governed by separate instruments which set forth the powers of the fiduciary with regard to the securities held.

**CERTAIN TRANSACTIONS AND RELATIONSHIPS**

Some of the Directors and executive officers of Cullen/Frost, and some of these persons' associates, are current or past customers of one or more of the Company's subsidiaries. Since January 1, 2005, transactions between these persons and such subsidiaries have occurred, including borrowings. In addition, the offices of the Hulen Financial Center of The Frost National Bank in Fort Worth, Texas are leased on a long-term basis from OPNB Building J.V., a Texas joint venture of which Mr. R. Denny Alexander, a Director of Cullen/Frost, owns a 13.3 percent interest and is the managing general partner. During 2005, lease payments of \$757,656 were made by The Frost National Bank and Frost Insurance Agency, Inc. to OPNB Building J.V. In the opinion of management, all of the foregoing transactions, including borrowings, have been in the ordinary course of business, have had substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility. Additional transactions may take place in the future.

**PROPOSED RESOLUTION TO AMEND ARTICLES OF INCORPORATION TO INCREASE THE  
NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

**(Item 2 on Proxy Card)**

Cullen/Frost is presently authorized under its Articles of Incorporation to issue not more than 90,000,000 shares of Common Stock, par value \$0.01 per share. As of March 10, 2006, there were 55,088,785 shares of Common Stock outstanding, 4,356,635 shares of Common Stock reserved for issue under various employee benefit plans, and 360,000 shares reserved for issue under the 1997 Directors Stock Plan.

The Board of Directors has proposed, and there will be submitted to vote of the shareholders at the meeting, a resolution to amend the Articles of Incorporation to increase the number of authorized shares of Common Stock from 90,000,000 to 210,000,000.

Authorized shares of Common Stock may be issued on such terms and for such corporate purposes as the Board of Directors may determine. This requires no further action by the shareholders unless such action is required by applicable law or by the rules of any stock exchange or securities quotation system on which the Common stock may then be listed or quoted. Under the rules of the New York Stock Exchange, certain issuances of Common Stock require prior shareholder approval, including issuances in connection with new stock option plans and certain issuances of 20% or more of the Common Stock outstanding (before the issuance of such shares).

The text of the proposed resolution is as follows:

**RESOLVED**, that Article Four of Cullen/Frost's Articles of Incorporation be amended to increase the aggregate number of shares of Common Stock the Company has authority to issue to 210,000,000; and further

**RESOLVED**, that Article Four of Cullen/Frost Articles of Incorporation be amended by deleting the reference to 90,000,000 shares of Common Stock and inserting in its place a reference to 210,000,000 shares of Common Stock. The Board of Directors believes that it is important to have the additional shares of Common Stock available for issuance as and when needed in order to avoid the delay and expense incident to obtaining shareholder approval at a later date or dates. It provides Cullen/Frost greater flexibility in the consideration of future stock dividends or stock splits, sales of Common Stock or convertible securities to enhance capital and liquidity, possible future acquisitions, and other corporate purposes. Except as set forth above, as of the date hereof, Cullen/Frost has no specific plan to utilize the remaining or the proposed new authorized shares.

A potential effect of the proposed increase in the authorized Common Stock could be a dilution of present shareholders' interest in Cullen/Frost in the event additional shares are issued. In addition, any issuance of additional shares of Common Stock could have the effect of diluting the earnings per share and book value per share of existing shares of Common Stock.

The Board of Directors has not proposed the increase in authorized shares of Common Stock with the intention of using such shares for anti-takeover purposes although the availability of such shares may theoretically be utilized to render more difficult or discourage an attempt to acquire control of Cullen/Frost.

Holders of Common Stock have one vote per share, may not cumulate votes in the election of directors and have no preemptive rights to subscribe for or purchase from Cullen/Frost any additional shares of Common Stock. Holders of Common Stock do not have dissenters' or appraisal rights in connection with this proposal.

The affirmative vote of the holders of two-thirds of all of the outstanding shares of Common Stock entitled to vote thereon is required to approve the proposed amendment to the Company's Articles. The Board of Directors recommends that shareholders vote **FOR** the amendment. Unless indicated to the contrary, proxies will be voted **FOR** the amendment.

**Table of Contents**

**SELECTION OF AUDITORS**  
**(Item 3 on Proxy Card)**

The Board of Directors recommends that the shareholders of the Company ratify the selection of Ernst & Young LLP, certified public accountants, as independent auditors of Cullen/Frost. Ernst & Young LLP have audited the financial statements of Cullen/Frost since 1969.

Neither Cullen/Frost's Articles of Incorporation or Bylaws requires that the shareholders ratify the selection of Ernst & Young LLP as its independent auditors. Cullen/Frost is doing so because it believes it is a matter of good corporate practice. Should the shareholders not ratify the selection, the Audit Committee will reconsider its determination to retain Ernst & Young LLP, but may elect to continue to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee in its discretion may change the appointment at any time during the year if it determines that the change would be in the best interests of Cullen/Frost and its shareholders.

The following table provides information on fees paid by Cullen/Frost to Ernst & Young LLP.

**Fees Paid To Independent Auditors**

	<b>2005</b>	<b>2004</b>
Audit Fees <sup>(1)</sup>	\$ 701,440.00	\$ 703,410.00
Audit-Related Fees <sup>(2)</sup>	\$ 264,750.00	\$ 233,912.00
Tax Fees <sup>(3)</sup>	\$ 46,150.00	\$ 28,229.00
All Other Fees	\$ 0.00	\$ 0.00
<b>Total Fees</b>	<b>\$ 1,012,340.00</b>	<b>\$ 965,551.00</b>

- (1) Audit fees for 2005 include fees for the audit of management's assessment of the effectiveness of the Company's internal control over financial reporting.
- (2) Audit-related fees are fees for audits of employee benefit plans, audits of Trust Department collective investment funds, internal control reviews of Trust Department employee benefit operations and consultation concerning financial accounting and reporting standards.
- (3) Tax fees are fees for review of the tax return, assistance with examination by taxing authorities, preparation of the Form 5500 for the employee retirement plan and for the Trust Department collective investment funds and consultation and technical advice on tax matters.

The Audit Committee pre-approves each audit and non-audit service provided by Ernst & Young LLP to Cullen/Frost. Pursuant to the Audit Committee's charter, the Audit Committee has delegated to each of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting.

Representatives from Ernst & Young LLP are not expected to be present at the Annual Meeting. If any shareholder desires to ask Ernst & Young LLP an appropriate question, management will ensure that the question is sent to them and that an appropriate response is made directly to the shareholder.

**AUDIT COMMITTEE REPORT**

The purpose of the Audit Committee is to assist the Board of Directors in its oversight of (i) the integrity of Cullen/Frost's financial statements, (ii) Cullen/Frost's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence and (iv) the performance of the independent auditors and Cullen/Frost's internal audit function. The Audit Committee operates pursuant to a written

charter that is attached hereto as Annex A and met six times in 2005. The Board has determined that each member of the Audit Committee is independent within the meaning of the NYSE's rules and the SEC's rules. The Board has also determined that each member of the Audit Committee is financially literate and that at least one member of the Audit Committee has accounting or related financial management expertise, in each case within the meaning of the NYSE's rules. In addition, the Board has determined that Mr. Ruben M. Escobedo is an audit committee financial expert within the meaning of the SEC's rules.

Management of Cullen/Frost is responsible for the preparation, presentation and integrity of Cullen/Frost's financial statements, for the effectiveness of internal control over financial reporting and for the maintenance of appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing Cullen/Frost's financial statements, expressing an opinion as to conformity with generally accepted accounting principles and auditing management's assessment of internal control over financial reporting. Members of the Audit Committee are not full-time employees of Cullen/Frost and are not, and do not represent themselves to be, performing the functions of auditors or accountants. Accordingly, as described above, the Audit Committee provides oversight of the responsibilities of management and the independent auditors.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and has discussed with the independent auditors the independent auditors' independence.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in its charter, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Cullen/Frost's Annual Report on Form 10-K for the year ended December 31, 2005 be filed with the Securities and Exchange Commission.

REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's Directors and executive officers to file reports with the Securities and Exchange Commission and the NYSE relating to their ownership and changes in ownership of the Company's Common Stock. Based on information provided by the Company's Directors and executive officers and a review of such reports, the Company believes that all required reports were filed on a timely basis during 2005, except that due to an inadvertent administrative oversight, Mr. Carlos Alvarez made a late filing with respect to the purchase of Common Stock.

**ANNEX A**

**AUDIT COMMITTEE CHARTER  
(Restated as of January 26, 2006)**

**I. Committee Membership**

The Audit Committee (the Committee) of the Board of Directors (the Board) of Cullen/Frost Bankers, Inc. (Cullen/Frost) shall be comprised of three or more directors, each of whom the Board has determined is independent under the then-existing rules of the New York Stock Exchange, Inc., the Sarbanes-Oxley Act of 2002 and the rules of the Securities and Exchange Commission (the SEC) promulgated thereunder, the Federal Deposit Insurance Corporation Improvement Act of 1991 and other applicable law and regulation. The Board shall also determine that each member of the Committee is financially literate and that one member has accounting or related financial management expertise, as such qualifications are interpreted by the Board in its business judgment, and whether any member of the Committee is an audit committee financial expert, as defined by the SEC.

No director may serve as a member of the Committee if such director serves on the audit committees of more than two other public companies, unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee, and discloses this determination in Cullen/Frost's annual proxy statement.

The members of the Committee shall be appointed by the Board. Members shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

The Committee shall designate one member of the Committee as its chairperson.

**II. Committee Structure and Operations**

The Committee should meet separately periodically with management, the director of the internal audit department and the independent auditors to discuss any matters that the Committee or any of these persons or firms believe should be discussed privately. The Committee may request any officer or employee of Cullen/Frost or Cullen/Frost's outside counsel or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. Members of the Committee may participate in a meeting of the Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

As such, it is not the duty or responsibility of the Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards.
