By submitting your proxy (by signing and returning the enclosed proxy card), you authorize Mark W. Legg, Chief Financial Officer and Secretary of ARC, Sathiyamurthy Chandramohan, the Chief Executive Officer and Chairman of the Board of ARC, and Kumarakulasingam Suriyakumar, the President, Chief Operating Officer and a director of ARC, to represent you and vote your shares at the meeting in accordance with your instructions. They also may vote your shares to adjourn the meeting and will be authorized to vote your shares at any postponements or adjournments of the meeting.

We are first sending this proxy statement, form of proxy and accompanying materials to stockholders on or about April 17, 2006.

YOUR VOTE IS IMPORTANT. WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, PLEASE PROMPTLY SUBMIT YOUR PROXY IN THE ENCLOSED ENVELOPE.

ANNUAL MEETING AND VOTING INFORMATION

The board seeks your proxy for use in voting at our 2006 annual meeting of stockholders or any postponements or adjournments of the meeting. Our annual meeting will be held at the Glendale Hilton Hotel, 100 West Glenoaks Boulevard, Glendale, California 91202 on Monday, May 22, 2006, at 2:00 p.m. local time. We intend to begin mailing this proxy statement, the attached notice of annual meeting, the accompanying proxy card and our Annual Report to Stockholders on Form 10-K for the fiscal year ended December 31, 2005 on or about April 17, 2006 to all holders of our common stock, par value \$0.001 per share, entitled to vote at the meeting. Our Annual Report to Stockholders on Form 10-K for the fiscal year ended December 31, 2005 does not constitute a part of the proxy solicitation materials and is not incorporated by reference into this proxy statement.

Table of Contents

Purpose of the annual meeting.

At the annual meeting, stockholders of ARC will be asked to:

1. Elect seven directors, each for a term of one year, or until their successors are elected and qualified; and
2. Ratify the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for fiscal year 2006.

Stockholders also will transact any other business that may properly come before the meeting. Members of ARC's management team and a representative of PricewaterhouseCoopers LLP, the Company's independent auditor, will be present at the meeting to respond to appropriate questions from stockholders. The representative of PricewaterhouseCoopers LLP will also make a statement if they so desire.

Admission to the annual meeting.

All record or beneficial owners of ARC's common stock may attend the annual meeting in person. When you arrive at the annual meeting, please present photo identification, such as a driver's license. Beneficial owners must also provide evidence of stock holdings, such as recent brokerage account or bank statement showing that you owned ARC common stock on the record date of March 27, 2006. ARC also has invited certain ARC employees and certain agents of the Company to attend the annual meeting.

Record date and voting.

The record date for the meeting is March 27, 2006. Only stockholders of record at the close of business on that date are entitled to vote at the meeting. The only class of stock entitled to be voted at the meeting is ARC's common stock. Each outstanding share of common stock is entitled to one vote for all matters presented for a vote at the meeting. At the close of business on the record date there were 44,745,297 shares of ARC common stock outstanding.

If you submit a proxy but do not indicate any voting instructions, your shares will be voted:

FOR the election of the seven nominees to the Board of Directors; and

FOR the ratification of PricewaterhouseCoopers LLP as the Company's independent auditor.

Voting shares held in street name.

If your shares are held by a bank or brokerage firm, you are considered the beneficial owner of shares held in street name. If your shares are held in street name, these proxy materials are being forwarded to you by your bank or brokerage firm (the record holder), along with a voting instruction card. As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items. In the case of a non-discretionary item, your shares will be considered broker non-votes on that proposal. The election of directors and the ratification of appointment of ARC's independent auditors are discretionary items.

As the beneficial owner of shares, you are invited to attend the meeting. If you are a beneficial owner, however, you may not vote your shares in person at the meeting unless you obtain a proxy form from the record holder of your shares.

Quorum.

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum. Proxies received but marked as abstentions or treated as broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for quorum

Table of Contents

purposes. If a quorum is not present at the scheduled time of the meeting, the stockholders who are represented may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given.

Voting instructions.

If you properly complete and sign the accompanying proxy card and return it in the enclosed envelope, it will be voted in accordance with your instructions. By so doing you are authorizing the individuals listed on the proxy card to vote your shares in accordance with your instructions. The enclosed envelope requires no additional postage if mailed in either the United States or Canada.

If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Additionally, we will pass out written ballots to registered stockholders who wish to vote in person at the meeting. If you attend the annual meeting, please bring the enclosed proxy card or proof of identification. **Beneficial owners of shares held in street name who wish to vote at the meeting will need to obtain a proxy form from their record holder.**

If your shares are held in street name, you may be able to vote your shares electronically by telephone or on the internet. A large number of banks and brokerage firms participate in a program provided through ADP Investor Communications Services that offers telephone and internet voting options. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may vote those shares electronically by telephone or on the internet by following the instructions set forth on the voting form provided to you by your record holder.

Revoking your proxy.

You may revoke your proxy at any time before your shares are voted and change your vote:

by signing another proxy with a later date and delivering it in accordance with the instructions set forth in this proxy statement; or

if you are a registered stockholder, by giving written notice of such revocation to the Secretary of ARC prior to or at the meeting or by voting in person at the meeting.

Your attendance at the meeting itself will not revoke your proxy unless you give written notice of revocation to the Secretary of ARC before your proxy is voted or you vote in person at the meeting.

Any written notice of revocation, or later dated proxy, should be delivered to:

American Reprographics Company
700 North Central Avenue, Suite 550
Glendale, California 91203

Attention: Mark W. Legg, Chief Financial Officer and Secretary

Vote required to elect the director nominees.

The affirmative vote of a plurality of the votes cast at the meeting is required to elect the seven nominees named in Proposal 1 as directors. This means that the seven nominees will be elected if they receive more affirmative votes than any other person. If you vote **Withheld** with respect to one or more nominees, your shares will not be voted with respect to the person or persons indicated, although they will be counted for purposes of determining whether there is a quorum.

Nominee who is unable to stand for election.

If a nominee is unable to stand for election, the board may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

Table of Contents

Votes required to ratify the appointment of ARC s independent auditors.

The ratification of the appointment of PricewaterhouseCoopers LLP as ARC s independent auditors for fiscal year 2006, as specified in Proposal 2, requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

Other Business.

We know of no other business that will be presented at the meeting. If any other matter properly comes before the stockholders for a vote at the meeting, however, the proxy holders will vote your shares in accordance with their best judgment.

Board recommended vote on the proposals.

Your board recommends that you vote:

FOR the election of the seven nominees to the Board of Directors; and

FOR the ratification of PricewaterhouseCoopers LLP as ARC s independent auditors.

Counting votes.

ARC s transfer agent, Mellon Investor Services, will tabulate and certify the votes. A representative of the transfer agent will serve as an inspector of election.

Treatment of abstentions and broker non-votes.

Abstentions will be treated as shares present for quorum purposes and entitled to vote. Abstentions from voting on a proposal described in this proxy statement will not affect the outcome of the vote on that proposal. A broker non-vote occurs when a broker is unable to vote on a particular matter without instructions from the beneficial holder and such instructions are not received. Broker non-votes will be treated as shares present for quorum purposes, but not entitled to vote. Therefore, broker non-votes will have no effect on the outcome of the vote on the election of directors or the ratification of our independent auditors.

Voting results of the annual meeting.

We plan to announce preliminary voting results at the annual meeting and to publish final results in our Quarterly Report on Securities and Exchange Commission Form 10-Q for the quarter ended June 30, 2006.

Solicitation of Proxies.

ARC is soliciting the proxies and will bear the entire cost of this solicitation, including the preparation, assembly, printing and mailing of this proxy statement and any additional materials furnished to our stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses and other agents holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to these beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the solicitation material to the beneficial owners. We have asked banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record.

Table of Contents**PROPOSAL 1 ELECTION OF DIRECTORS****Nominees for Director**

The board currently consists of seven directors, each of whom has been nominated to serve for a term of one (1) year and until their successors are duly elected and qualified. Our board is not classified and thus all of our directors are elected annually. Edward D. Horowitz has announced his decision not to stand for re-election. The Company takes this opportunity to thank Mr. Horowitz for his Board service and his contributions to the Company and its stockholders.

Each of the nominees have consented to being named in this proxy statement and has agreed to serve as a member of the board if elected. The Company has no reason to believe that any nominee will be unable to serve. If a nominee is unable to stand for election, the board may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority.

The affirmative vote of a plurality of the votes cast at the meeting is required to elect the seven nominees as directors. This means that the seven nominees will be elected if they receive more affirmative votes than any other person.

The following table sets forth, with respect to each nominee, his name, the year in which he first became a director of ARC, and his age as of April 11, 2006.

CORPORATE GOVERNANCE PROFILE

We are committed to good corporate governance practices and as such we have adopted formal corporate governance guidelines to enhance our effectiveness. A copy of our corporate governance guidelines can be accessed on our Website www.e-arc.com, by clicking on the Investor Relations link at the top of the page and then selecting Corporate Governance from the Investor Relations Webpage. The guidelines govern, among other things, board member responsibilities, qualifications, committees, compensation, access, education, management succession, and performance evaluation.

The board's practice is to hold regularly scheduled executive sessions without management. The Nominating and Corporate Governance Committee selects from among our independent directors a lead director to chair the executive sessions of the non-management directors.

We have adopted a Code of Conduct applicable to all employees, officers and directors, including our chief executive officer, our chief financial officer and our controller which meets the definition of a code of ethics set forth in Item 406 of Regulation S-K of the Securities and Exchange Act of 1934 (Exchange

Table of Contents

Act). A copy of our Code of Conduct can be accessed on our Website www.e-arc.com, by clicking on the Investor Relations link at the top of the page and then selecting Corporate Governance from the Investor Relations Webpage. We will post any amendments to the Code of Conduct, and any waivers that are required to be disclosed by the rules of either the Securities and Exchange Commission (SEC) or the NYSE, on our internet site.

The board has adopted the American Reprographics Company Corporate Governance Guidelines. Those Guidelines set forth, among other things, director qualification standards and the factors to be considered in making nominations to the board. While the selection of qualified directors is a complex, subjective process that requires consideration of many intangible factors, the Corporate Governance Guidelines provide that the Nominating and Corporate Governance Committee and the board should take into account the following criteria, among others, in considering directors and candidates for the board:

Judgment, experience, skills and personal character of the candidate; and

the needs of the board.

Our stockholders may recommend director nominees, and the Nominating and Corporate Governance Committee will consider nominees recommended by stockholders. To date, we have not received any recommendations from our stockholders requesting that the board or any of its committees consider a nominee for inclusion among the board's slate of nominees in the proxy statement for our annual meeting. A stockholder wishing to submit a director nominee recommendation should comply with the provisions of our amended and restated bylaws and the provisions set forth herein under the heading Stockholder Proposals and Stockholder Board Nominations . We anticipate that nominees recommended by stockholders will be evaluated in the same manner as nominees recommended by anyone else, although the Nominating and Corporate Governance Committee may prefer nominees who are personally known to the existing directors and whose reputations are highly regarded. The Nominating and Corporate Governance Committee will consider all relevant qualifications as well as the needs of the company in terms of compliance with NYSE listing standards and SEC rules. On March 2, 2006, we retained Highland Partners to help us identify new board member candidates.

Director Independence

As required by the rules of the NYSE, our board evaluates the independence of its members at least annually, and at other appropriate times (e.g., in connection with a change in employment status) when a change in circumstances could potentially impact the independence of one or more directors.

Under NYSE rules, a director is independent if the board affirmatively determines that he or she currently has no direct or indirect material relationship with the Company or any of its consolidated subsidiaries. In addition, a director must meet each of the following standards to be considered independent under NYSE rules:

The director is not and has not been an employee of the Company, and no member of the director's immediate family is or has served as an executive officer of the Company or any of its consolidated subsidiaries, during the last three years.

Neither the director nor any member of the director's immediate family has received more than \$100,000 in direct compensation from the Company or any of its consolidated subsidiaries (excluding director and committee fees, pensions or deferred compensation for prior service) during any twelve-month period within the last three years.

The director: (i) is not, and does not have an immediate family member that is a current partner of a firm that is the Company's, or any of its consolidated subsidiaries', internal or external auditor; (ii) is not a current employee of such external audit firm; (iii) does not have an immediate family member who is a current employee of such external audit firm who participates in such firm's audit, assurance or tax compliance (but not tax planning) practice; and (iv) was not, and does not have an immediate family member that was, within the last three years (but is no longer) a partner or employee of such

Table of Contents

external audit firm who personally worked on the Company's, or any of its consolidated subsidiaries, audit within that time.

Neither the director nor any member of the director's immediate family is or has been employed within the last three years as an executive officer of any company whose compensation committee, or the compensation committee of any of its consolidated subsidiaries, includes or included an executive officer of the Company.

The director is not a current employee of, and does not have an immediate family member who is a current executive officer of, another company that has made payments to, or has received payments from, the Company or any of its consolidated subsidiaries, for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of the consolidated gross revenues of such other company.

In determining whether a material relationship exists between the Company and each director, the board broadly considers all relevant facts and circumstances, including:

the nature of any relationships with the Company,

the significance of the relationship to the Company, the other organization and the individual director,

whether or not the relationship is solely a business relationship in the ordinary course of the Company's and the other organization's businesses and does not afford the director any special benefits, and

any commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, and such other criteria as the board may determine from time to time.

If a proposed director serves as an executive officer, director or trustee of a tax exempt organization, whether contributions from the Company, or any of its consolidated subsidiaries, to such tax exempt organization in any of the last three fiscal years are less than the greater of (i) \$1 million or (ii) 2% of the consolidated gross revenues of such tax exempt organization for its last completed fiscal year.

After considering the policies set forth in the Company's Corporate Governance Guidelines and the standards for independence adopted by the NYSE described above, the board has determined that, in its judgment, Messrs. Horowitz, McCluggage, Mealy and Perez de la Mesa are independent. In making these determinations, the board has considered all relevant facts and circumstances.

Compensation of Directors

Except for reimbursement for reasonable travel expenses relating to attendance at board meetings, employee directors are not compensated for their services as directors.

Directors who are our employees are eligible to participate in our 2005 Stock Option Plan and our 2005 Employee Stock Purchase Plan. The compensation of our employee directors is set forth in the Summary Compensation Table on page 16.

Directors who are not our employees receive cash compensation for their services as directors at a rate of \$90,000 per year (\$50,000 of which shall be paid through an annual grant of nonstatutory stock options under our 2005 Stock Plan rather than in cash). In addition, directors who are not our employees will receive \$5,000 per year for duties as any committee chair.

Table of Contents**2005 Non-Employee Directors Compensation**

each person who is known to us to own beneficially more than 5% of our common stock;

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting and investment power with respect to shares. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors, which is comprised solely of independent directors, administers all Company stock plans and reviews and makes recommendations to the Board regarding compensation and benefits of executive officers and certain other senior managers. After consideration of the Compensation Committee's recommendations, the entire Board reviews and approves the salaries, bonuses and benefit programs for the Company's executive officers and certain other senior managers. The Compensation Committee has the authority to engage and employ the services of outside advisers to assist it. In 2005 the Compensation Committee engaged a compensation consulting firm to assist the Committee in its development of a Stock Option program.

Compensation Philosophy

The compensation philosophy of the Company is to link executive compensation to continuous improvements in corporate performance and increases in stockholder value. This philosophy applies to all employees, with a more significant level of variability and compensation at risk as an employee's level of responsibility increases. The goals of the Company's executive compensation program are as follows:

to establish pay levels that are necessary to retain and attract highly qualified executives in light of the overall competitiveness of the market for high quality executive talent;

to recognize superior individual performance, new responsibilities and new positions within the Company;

to balance short-term and long-term compensation to complement the Company's annual and long-term business objectives and strategy and encourage executive performance in furtherance of the fulfillment of those objectives;

to provide variable compensation opportunities based on the individual's and the Company's performance;

to encourage stock ownership by executive officers and senior management; and

to align executive remuneration with the interests of the stockholders.

Compensation Program Components

The Compensation Committee reviews the Company's executive compensation program to ensure that pay levels and incentive opportunities are competitive with similar positions in the market and reflect the performance of the Company. Each element of the compensation program for executive officers is further explained below.

Base Salary. The base salary levels for all executive officers are set based upon the officer's level of responsibility, experience, past performance and the competitive market for executive talent.

Annual Incentive Bonus. The annual bonuses paid to the executive officers are paid according to formulas that are based almost entirely on objective performance criteria with a small component being discretionary. The performance criteria used to determine the bonus of each of our CEO, Mr. Sathiyamurthy Chandramohan, and our President & COO, Mr. Kumarakulasingam Suriyakumar, under each of their Employment Agreements is based upon the increase, if any, of the Company's pre-tax earnings per share over the pre-tax earnings per share of the prior fiscal year in excess of ten percent. The bonus for each of Messrs. Chandramohan and Suriyakumar is based upon an amount equal to \$60,000 for each full percentage point by which pre-tax earnings per share from operations for current fiscal year exceeds by more than ten percentage points the pre-tax earnings per share for the prior year. The bonus is payable in either cash or stock of the Company, as elected by the executive. Messrs. Chandramohan and Suriyakumar have elected to waive their 2006 bonus opportunity due, in part, to the extraordinary benefit being received in 2006 from the debt refinancing completed in December, 2005. The objective portion of the bonuses of the other executive officers is based upon various specific criteria within the scope of the executive's responsibilities. The bonus for our CFO, Mr. Mark W. Legg, is based upon his achievement of specific audit and compliance objectives as well as the effective conversion of EBITDA to cash flow from operations. The bonus for our CTO, Mr. Rahul K. Roy, is based upon the effective and timely completion of specific technology initiatives. The Company utilizes annual bonuses to focus behavior on the achievement of goals for growth, financial performance and other specific annual objectives.

Stock Options. The Compensation Committee believes that the Company can closely align executive interests with the longer term interests of stockholders by encouraging equity participation in the Company. The Compensation Committee believes stock option awards promote the Company's long term performance goals and further executive retention. All senior managers are eligible to receive stock options with individual option grants based on the Company's and the individual's performance as well as the individual's level of responsibility.

Employee Stock Purchase Plan. Our employees can also acquire Company stock through a tax-qualified employee stock purchase plan, or ESPP, which is generally available to all employees. This plan allows participants to buy up to the lesser of (i) 400 shares of common stock, or, (ii) a number of shares of common stock having an aggregate value of \$10,000. The purchase price of shares offered under the ESPP during 2005 was equal to the lesser of 85% of the fair market value of the stock (i) on the IPO date, or (ii) on the purchase date, (subject to certain limitations), with the objective of allowing employees to profit when the value of the Company's stock increases over time. Commencing in 2006, the purchase price of shares of common stock offered under the ESPP is equal to 95% of the fair market value of such shares on the purchase date.

Setting Executive Compensation

In setting the annual compensation for each executive officer, the Compensation Committee reviews executive compensation information derived from publicly available information.

The Compensation Committee further reviews the executive officer compensation levels for internal pay equity within the Company. The Compensation Committee also reviews the total remuneration that each executive officer could potentially receive if certain events occur, including a change in control, retirement, termination (for cause and without), and continuation of employment. Total remuneration includes total cash

Table of Contents

compensation, the future value of stock options and restricted stock and the dollar value to the executive and cost to the Company of all perquisites and other personal benefits.

We may terminate the employment of any executive with or without cause and an executive may terminate his employment with or without good reason, as those terms are defined in the employment agreements. If we terminate the employment of an executive other than for cause or disability, or the executive terminates his employment for good reason, his medical benefits will continue and he will receive as severance benefits his base salary paid in periodic installments over the remaining term of the agreement, and all stock options or other equity awards will immediately vest. The executive will receive no severance or medical benefits if we terminate his employment for cause or if he terminates his employment for other than good reason. The severance payments and benefits described above are only payable if the executive executes and delivers to us an agreement releasing us and our related parties for all claims and liabilities that the executive may have against us and our related parties. Based on this review, the Compensation Committee finds total compensation for all executive officers (and, in the case of the severance and change-in-control scenarios, the potential payouts) in the aggregate to be reasonable and consistent with the market.

Certain Tax Considerations

Section 162(m) of the Internal Revenue Code (Section 162(m)) generally disallows a tax deduction to public companies for compensation in excess of \$1.0 million paid to a company s chief executive officer or any of the four other most highly compensated officers. Performance-based compensation that meets certain requirements under Section 162(m) is not subject to the deduction limitation. The Company s policy with respect to Section 162(m) is to make reasonable efforts to ensure that compensation is deductible without limiting the Company s ability to attract and retain qualified executives. The Compensation Committee has not adopted a policy that all compensation must be deductible.

Summary

After its review of all existing programs, the Compensation Committee believes that the total compensation program for executives of the Company is focused on increasing value for stockholders and enhancing corporate performance. The Compensation Committee currently believes that a significant portion of compensation of executive officers is properly tied to increasing value for shareholders and stock appreciation by measuring bonus calculations against increase in the Company s pre-tax earnings per share and increase in cash flow from operations. The Compensation Committee believes that executive compensation levels at the Company are competitive with the compensation programs provided by other corporations with which the Company competes for executive talent.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Prior to our reorganization to a Delaware corporation in February 2005, we were governed under the direction of a board of advisors, consisting of Messrs. Chandramohan, Suriyakumar, Code, Formolo and Marcus J. George, a managing director of CHS. Up until our reorganization as a Delaware corporation, our entire board of advisors determined executive compensation and we did not have a compensation committee apart from the board of advisors. Beginning in February 2005 and continuing through December 31, 2005, our compensation committee consisted of Messrs. Perez de la Mesa, Formolo and Horowitz.

During 2005, Mr. Chandramohan served as our Chief Executive Officer and Mr. Suriyakumar served as our President and Chief Operating Officer.

The management agreement terminated upon the consummation of our initial public offering.

During fiscal 2005, no executive officer of the Company served as a director, or as a member of any compensation committee, of any other for-profit entity that had an executive officer that served on the Board of Directors or Compensation Committee of the Company.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act, requires directors and certain officers of ARC and persons who own more than ten percent of our common stock to file with the SEC initial reports of beneficial ownership (Form 3) and reports of subsequent changes in their beneficial ownership (Form 4 or Form 5) of ARC's common stock. Such directors, officers and greater-than-ten-percent stockholders are required to furnish us with copies of the Section 16(a) reports they file. The SEC has established specific due dates for these reports, and ARC is required to disclose in this report any late filings or failures to file.

Based solely on our review of copies of the Section 16(a) reports received or written representations from such officers, directors and more than ten percent stockholders, we believe that all Section 16(a) filings applicable to our officers, directors and more than ten percent stockholders were complied with during the fiscal year ended December 31, 2005, except for the following: (i) Thomas J. Formolo, a director, filed a Form 4 amendment on March 11, 2005 which included the late reporting of shares acquired on February 9, 2005; (ii) Andrew W. Code, a former director, filed a Form 4 amendment on March 11, 2005 which included the late reporting of shares acquired on February 9, 2005; (iii) Sathiyamurthy Chandramohan, our Chief Executive Officer, Chairman of the Board and a beneficial owner of more than 10% of our common stock, filed a Form 4 on January 4, 2006 which included the late reporting of shares disposed of on December 29, 2005; and (iv) Kumarakulasingham Suriyakumar, our President and Chief Operating Officer, a director and a beneficial owner of more than 10% of our common stock, filed a Form 4 on January 4, 2006 which included the late reporting of shares disposed of on December 29, 2005.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain of our directors, executive officers, 5% beneficial owners and their affiliates have engaged in transactions with us in the ordinary course of business. We believe these transactions involved terms comparable to terms that would be obtained from an unaffiliated third party at the times the transactions were consummated. The following is a description of these transactions since the beginning of our last fiscal year.

Related Party Leases and Purchases

We are party to certain leases with entities owned by Mr. Chandramohan and Mr. Suriyakumar for our facilities located in Los Angeles, California, San Jose, California, Irvine, California, Sacramento, California, Oakland, California, Gaithersburg, Maryland, and Costa Mesa, California. Under these leases, we paid these entities rent in the aggregate amount of approximately \$2,738,000 in 2005. We are also obligated to reimburse these entities for certain real property taxes and assessments. These leases expire through July 2019.

We sell certain products and services to Thomas Reprographics, Inc., and Albinson Inc., each of which is owned or controlled by Billy E. Thomas, who beneficially owns more than 5% of our common equity. These companies purchased products and services from us of approximately \$54,000 during the twelve months ended December 31, 2005.

Management Agreement

We were previously party to a management agreement with CHS Management IV LP, a Delaware limited partnership, that terminated upon the completion of our initial public offering in February 2005. Mr. Formolo, a member of our board of directors, and Mr. Andrew W. Code, who was a member of our Board of Directors during 2005 and who resigned from our Board of Directors in January 2006, have a direct beneficial ownership in CHS Management IV LP. Under the management agreement, we paid CHS Management IV LP a management fee of \$217,000 in 2005. The annual management fee was subject to an annual increase based on our financial results but could not exceed \$1,000,000 annually. The management fee was in consideration of CHS Management IV LP providing ongoing consulting and management advisory services to us.

Indemnification Agreements

We have entered into indemnification agreements with each director and named executive officer which provide indemnification under certain circumstances for acts and omissions that may not be covered by any directors and officers liability insurance. The indemnification agreements may require us, among other things, to indemnify our officers and directors against certain liabilities that may arise by reason of their status or service as officers and directors (other than liabilities arising from willful misconduct of a culpable nature), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain officers and directors insurance if available on reasonable terms.

Registration Rights Agreement

We have previously entered into a registration rights agreement with Messrs. Chandramohan and Suriyakumar and certain other holders of our common stock and holders of warrants to purchase our common stock, including entities affiliated with certain of our directors. As of April 11, 2006, the holders of 14,382,213 shares of common stock are entitled to certain rights with respect to the registration of such shares under the Securities Act of 1933, as amended (Securities Act). These registration rights are described below.

Demand Registrations. At any time following six months after the closing of our initial public offering, the holders of a majority of the registrable securities held by ARC Acquisition Co., L.L.C. and the holders of a majority of the registrable securities held by Messrs. Chandramohan and Suriyakumar (or entities in which they control a majority of the voting shares) shall each be entitled (as a group) to request up to two registrations on Form S-1 or similar long-form registration statements, respectively, and two short-form registrations on Form S-2, S-3 or any similar short-form registration statements, respectively. The holders of a majority of all other registrable securities under this agreement are entitled to request one short-form registration.

Piggyback Rights. The holders of registrable securities other than those originally requesting registration pursuant to a demand registration can request to participate in, or piggyback on, any demand registration.

Piggyback Registrations. If we propose to register any of our equity securities under the Securities Act (other than pursuant to a demand registration of registrable securities or a registration on Form S-4 or Form S-8) for us or for holders of securities other than the registrable securities, we will offer the holders of registrable securities the opportunity to register their registrable securities.

Conditions and Limitations; Expenses. The registration rights are subject to conditions and limitations, including the right of the underwriters to limit the number of shares to be included in a registration and our right to delay or withdraw a registration statement under specified circumstances. We will pay the registration expenses of the holders of registrable securities in demand registrations and piggyback registrations in connection with the registration rights agreement.

Investor Unitholders Agreement

Holdings previously entered into an Investor Unitholders Agreement with ARC Acquisition Co., L.L.C. and certain other parties that held warrants to purchase Holdings common units. Under this agreement, subject to certain exceptions, (i) Holdings had a right of first refusal in connection with a transfer of units acquired by the warrant holders, (ii) the warrant holders had a right to participate in transfers of units by ARC Acquisition Co., L.L.C., (iii) ARC Acquisition Co., L.L.C. had limited preemptive rights in connection with an issuance of units by Holdings to the warrant holders and the warrant holders had limited preemptive rights in connection with an issuance of units by Holdings to ARC Acquisition Co., L.L.C., (iv) the warrant holders had the right to receive certain financial information from Holdings, and (v) the warrant holders had certain property inspection rights. The Investor Unitholders Agreement terminated upon the consummation of our initial public offering in February 2005.

Vote Required For Ratification

The Audit Committee was responsible for selecting ARC's independent auditors for fiscal year 2006 pursuant to the terms of the Audit Committee charter. Accordingly, stockholder approval is not required to appoint PricewaterhouseCoopers LLP as ARC's independent auditors for fiscal year 2006. The board believes, however, that submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification is a matter of good corporate governance. The Audit Committee is solely responsible for selecting ARC's independent auditors. If the stockholders do not ratify the appointment, the Audit Committee will review its future selection of independent auditors.

The ratification of the appointment of PricewaterhouseCoopers LLP as ARC's independent auditors requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote.

ADDITIONAL INFORMATION

Householding of Proxies

Under rules adopted by the SEC, we are permitted to deliver a single set of any proxy statement, information statement, annual report and prospectus to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This process, called householding, allows us to reduce the number of copies of these materials we must print and mail. Even if householding is used, each stockholder will continue to receive a separate proxy card or voting instruction card.

The Company is not householding for those stockholders who hold their shares directly in their own name. If you share the same last name and address with another Company stockholder who also holds his or her shares directly, and you would each like to start householding for the Company's annual reports, proxy statements, information statements and prospectuses for your respective accounts, then please contact us at American Reprographics Company, 700 North Central Avenue, Suite 550, Glendale, California 91203, Attention: Mark W. Legg, Telephone (818) 500-0225.

This year, some brokers and nominees who hold Company shares on behalf of stockholders may be participating in the practice of householding proxy statements and annual reports for those stockholders. If your household received a single proxy statement and annual report for this year, but you would like to receive

your own copy this year, please contact us at, American Reprographics Company, 700 North Central Avenue, Suite 550, Glendale, California 91203, Attention: Mark W. Legg, Telephone (818) 500-0225, and we will promptly send you a copy. If a broker or nominee holds Company shares on your behalf and you share the same last name and address with another stockholder for whom a broker or nominee holds Company shares, and together both of you would like to receive only a single set of the Company's disclosure documents, please contact your broker or nominee as described in the voting instruction card or other information you received from your broker or nominee.

If you consent to householding, your election will remain in effect until you revoke it. Should you later revoke your consent, you will be sent separate copies of those documents that are mailed at least 30 days or more after receipt of your revocation.

Stockholder Proposals and Stockholder Board Nominations

Our amended and restated bylaws set forth the requirements that must be satisfied in order for a stockholder to recommend a nominee for election to our board of directors at our annual meeting or to bring other business properly before our annual meeting. For nominations or other business to be properly brought before an annual meeting by a stockholder, (i) the stockholder must give timely notice of the nomination in writing to our Secretary, (ii) such other business must be a proper matter for stockholder action, (iii) if the stockholder provides the Company with a Solicitation Notice (as defined below), the stockholder must deliver a proxy statement and form of proxy, in the case of a stockholder proposal of other business, to holders of at least the percentage of the corporation's voting shares required under applicable law to carry any such proposal and, in the case of a nomination, to holders of a percentage of our voting securities reasonably believed by the stockholder to be sufficient to elect the nominee, and must, in either case, have included in such materials the Solicitation Notice, and (iii) if no Solicitation Notice is timely provided, then the stockholder must not have solicited a number of proxies sufficient to have required the delivery of such a solicitation notice.

To be timely, a stockholder's notice must be delivered to our secretary at our principal executive office not later than the close of business on the ninetieth day nor earlier than the close of business on the one hundred twentieth day prior to the first anniversary of the preceding year's annual meeting. If the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual meeting, notice by the stockholder must be delivered not earlier than the close of business on the one hundred twentieth day prior to the annual meeting and not later than the close of business on the later of the ninetieth day prior to the annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. Public announcement of an adjournment of our annual meeting will not commence a new time period for the giving of a stockholder's notice.

The stockholder's notice must set forth: (A) as to each person whom the stockholder proposed to nominate for election or reelection as a director, all information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act and Rule 14a-4(d) thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice (i) the name and address of the stockholder, as they appear on our books and records, (ii) the class and number of shares of our stock that are owned beneficially and of record by the stockholder, and (iii) whether the stockholder intends to deliver a proxy statement and form of proxy to holders of, in the case of the stockholder proposal, at least the percentage of the corporation's voting shares required under applicable law to carry the stockholder proposal or, in the case of a nomination, a sufficient number of holders of the corporation's voting shares to elect such nominee or nominees (such an affirmative statement being referred to as a *Solicitation Notice*).

APPENDIX I

**AMERICAN REPROGRAPHICS COMPANY
AUDIT COMMITTEE CHARTER**

Purpose

The Audit Committee (the **Audit Committee**) of American Reprographics Company (the **Company**) is appointed by the Company's Board of Directors (the **Board**) to assist the Board in monitoring (i) the integrity of the Company's financial statements of the Company, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications and independence, and (iv) the performance of the Company's internal audit function and independent auditors.

The Audit Committee may form and delegate authority to sub-committees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-

audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisors. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for the purpose of rendering or issuing an audit report and to any advisors employed by the Audit Committee.

Committee Duties and Responsibilities

The Audit Committee, to the extent it deems necessary or appropriate, shall:

11. Review disclosures made to the Audit Committee by the Company's CEO and CFO during their certification process for the Form 10-K and Form 10-Q about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

Evaluate the qualifications, performance and independence of the independent auditor, including considering whether the auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the auditor's independence, taking into account the opinions of management and internal auditors. The Audit Committee shall present its conclusions with respect to the independent auditor to the Board.

AMERICAN REPROGRAPHICS COMPANY
Audit Committee Pre-Approval Policy

I. STATEMENT OF PRINCIPLES

The Audit Committee must pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services does not impair the auditor's independence. Before the Company or any of its subsidiaries engages the independent auditor to render a service, the engagement must be either:

1. specifically approved by the Audit Committee; or

2. entered into pursuant to this Pre-Approval Policy.

The appendices to this Pre-Approval Policy describe in detail the particular audit, audit-related, tax and other services that have the pre-approval of the Audit Committee pursuant to this Pre-Approval Policy.⁽¹⁾ The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee shall periodically revise the list of pre-approved services.

II. DELEGATION

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee may not delegate to management the Audit Committee's responsibilities to pre-approve services performed by the independent auditor.

III. AUDIT SERVICES

The Audit Committee must specifically pre-approve the terms of the annual audit services engagement. The Audit Committee shall approve, if necessary, any changes in terms resulting from changes in audit scope, Company structure or other matters.

In addition to the annual audit services engagement approved by the Audit Committee, the Audit Committee may grant pre-approval for other audit services, which are those services that only the independent auditor reasonably can provide. The Audit Committee has pre-approved the audit services listed in Appendix A. All other audit services not listed in Appendix A must be specifically pre-approved by the Audit Committee.

IV. AUDIT-RELATED SERVICES

Audit-related services, including internal control-related services, are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and/or the Company's internal control over financial reporting and that are traditionally performed by the independent auditor. The Audit Committee believes that the provision of audit-related services does not impair the independence of the auditor, and has pre-approved the audit-related services listed in Appendix B. All other audit-related services not listed in Appendix B, and all internal control-related services, must be specifically pre-approved by the Audit Committee.

V. TAX SERVICES

The Audit Committee believes that the independent auditor can provide tax services to the Company such as tax compliance, tax planning and tax advice without impairing the auditor's independence. However, the Audit Committee shall scrutinize carefully the retention of the independent auditor in connection with any tax-related transaction initially recommended by the independent auditor. The Audit Committee has pre-

approved the tax services listed in Appendix C. All tax services not listed in Appendix C must be specifically pre-approved by the Audit Committee.

VI. OTHER SERVICES

The Audit Committee may grant pre-approval to those permissible non-audit services classified as other services that it believes would not impair the independence of the auditor, including those that are routine and recurring services. The Audit Committee has pre-approved the other services listed in Appendix D. Permissible other services not listed in Appendix D must be specifically pre-approved by the Audit Committee.

A list of the non-audit services prohibited under the rules of the Securities and Exchange Commission (the Commission) is attached to this Pre-Approval Policy as Exhibit 1. The rules of the Commission and the Public Company Accounting Oversight Board (the PCAOB) and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

VII. PRE-APPROVAL FEE LEVELS

The Audit Committee may consider the amount or range of estimated fees as a factor in determining whether a proposed service would impair the auditor's independence. Where the Audit Committee has approved an estimated fee for a service, the pre-approval applies to all services described in the approval. However, in the event the invoice in respect of any such service is materially in excess of the estimated amount or range, the Audit Committee must approve such excess amount prior to payment of the invoice. The Audit Committee expects that any requests to pay invoices in excess of the estimated amounts will include an explanation as to the reason for the overage. The Company's independent auditor will be informed of this policy.

VIII. SUPPORTING DOCUMENTATION

With respect to each proposed pre-approved service, the independent auditor must provide the Audit Committee with detailed back-up documentation regarding the specific services to be provided.

IX. PROCEDURES

The Company's management shall inform the Audit Committee of each service performed by the independent auditor pursuant to this Pre-Approval Policy.

Requests or applications to provide services that require separate approval by the Audit Committee shall be submitted to the Audit Committee by both the independent auditor and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the rules of the Commission and the PCAOB on auditor independence.
