**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Clear Channel Communications, Inc. 401(k) Savings Plan  
San Antonio, Texas

We have audited the financial statements of the Clear Channel Communications, Inc. 401(k) Savings Plan as of December 31, 2005 and 2004, and for the year ended December 31, 2005, as listed in the accompanying contents page. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly we express no such opinion. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of Clear Channel Communications, Inc. 401(k) Savings Plan as of December 31, 2005 and 2004, and the changes in its net assets available for plan benefits for the year ended December 31, 2005, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2005 is presented for the purpose of additional analysis and is not a part of the basic financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements as of and for the year ended December 31, 2005, and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**CLEAR CHANNEL COMMUNICATIONS, INC. 401(K) SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2005 AND 2004**

**1. DESCRIPTION OF PLAN**

The following description of the Clear Channel Communications, Inc. (the Company and Plan Sponsor ) 401(k) Savings Plan (the Plan ) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan s provisions.

**General** The Plan is a defined contribution plan generally covering all eligible employees of the Company who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ( ERISA ).

**Contributions** Employer contributions to the Plan include matching contributions. Additionally, elective contributions may be made annually at the discretion of the Plan Sponsor s Board of Directors. The employer contribution was \$18,867,882 for the year ended December 31, 2005.

Participants may elect to defer a portion of their compensation by an amount that does not exceed the maximum allowed under IRS rules and regulations. Participants are always 100% vested in their voluntary contributions. Each year, participants may elect to contribute up to 25% of their eligible pay on a pre-tax basis, up to the annual IRS maximum 401(k) deferral limit of \$14,000 in 2005; effective January 1, 2005, the Plan Sponsor began limiting the 401(k) deferral percentage elections of all highly compensated employees in the Plan to a maximum of 5% of pay. The IRS limits the amount of compensation that can be taken into account for Plan purposes; for 2005, the qualified plan compensation limit was \$210,000. Employees participating in the Plan who will attain age 50 by December 31, 2005, are eligible to contribute an additional \$4,000 in pre-tax Catch-Up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one unitized sponsor common stock fund, one unitized common stock fund which is a frozen wasting investment, and nineteen registered investment funds of which one is closed to new investors and one is closed to any new funds.

**Participant Accounts** Each participant s account is credited with allocations of the Plan Sponsor s contribution and Plan earnings and charged with certain stock fund expenses and transaction fees. Allocations are based on participant account balances and participant directed transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant s vested account.

**ESOP** Effective September 1, 2005, the Clear Channel Company Stock Fund was designated as an Employee Stock Ownership Plan ( ESOP ). The ESOP allows participants who invest in the Sponsored common stock fund to make an election relating to the dividends earned in that fund to either a) have the dividends reinvested in the fund or b) moved to a dividend fund account for payment in cash at the end of each year. The default election is the reinvestment of the dividends.

**Forfeitures** Participant forfeitures of non-vested contributions and unclaimed benefits are used to reduce employer contributions to the Plan. For the years ending December 31, 2005 and 2004, approximately \$434,000 and \$915,000 of forfeitures were used to reduce employer contributions. There were unallocated forfeitures of approximately \$59,000 and \$79,000 as of December 31, 2005 and 2004.

**Vesting** Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor s contributions is based on years of continuous service. A participant is 100% vested after seven years of credited service (or upon the death or disability of the participant, or attainment of age 65) for contributions made prior to January 1, 2002. A participant is 100% vested after five years of credited service (or upon the death or disability of the participant, or attainment of age 65) for contributions made after January 1, 2002.

DECEMBER 31, 2005 AND 2004**

**1. DESCRIPTION OF PLAN (continued)**

**Participant Loans** Participants may borrow from \$1,000 up to a maximum of the lesser of i) \$50,000 reduced by the excess, if any, of (A) the highest outstanding balance of loans to the participant from the Plan during the one year period ending on the day before the day the loan is made, over (B) the outstanding balance of loans to the participant from the Plan on the date on which the loan is made, or ii) 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear a fixed interest rate determined by the Plan Sponsor.

**Payment of Benefits** On termination of employment, the Plan provides that benefits will be paid by a lump sum distribution, a rollover, or a combination of a lump sum and rollover. The Plan Sponsor encourages terminated participants to review the distribution options available under the Plan. Effective on or after March 28, 2005, the Plan Sponsor may periodically distribute the funds of terminated participants who do not make a distribution election; if the vested account balance is \$1,000 or less, the funds will be distributed in the form of a lump sum distribution; if the vested account balance is greater than \$1,000 but less than \$5,000, the distribution will be paid in the form of a direct rollover to an individual retirement plan designated by the Clear Channel Communications, Inc. Retirement Benefits Committee. For benefits over \$5,000, benefits may be paid by lump sum distribution, remain in the Plan until the earlier of age 65 or death of the participant, or rolled over into another qualified plan. Hardship withdrawals are available to Plan participants upon approval.

**2. SUMMARY OF ACCOUNTING POLICIES**

**Basis of Accounting** The financial statements of the Plan are prepared using the accrual method of accounting.

**Investment Valuation and Income Recognition** The Plan's interest in the Clear Channel Communications, Inc. Master Trust is stated at fair value (see Note 3).

**Payments of Benefits** Benefits are recorded when paid.

**Use of Estimates** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**3. PLAN INTEREST IN CLEAR CHANNEL COMMUNICATIONS, INC. MASTER TRUST**

The Master Trust was established for the investment of assets of the Plan and certain other Clear Channel Communications, Inc. sponsored retirement plans. These investments in the Master Trust consist of and are valued as follows:

Sponsored Company stock    quoted market price

Unrelated Company stock (resulting from spin-off)    quoted market price

Registered investment funds    net asset value of shares held

Participant loans    valued at cost which approximates fair value

The purpose of the Master Trust is the collective investment of the assets of participating employee benefit plans of the Company. The Master Trust's assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be specifically identified and allocating among all plans (in proportion to the fair value of the assets assigned to each plan) the income and expenses resulting from the collective investment of the assets.

**6. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer's contributions allocated to their account.

**7. TAX STATUS**

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated April 11, 2003, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Effective January 1, 2005, the Plan was amended and restated to reflect recent amendments to the Plan and clarify certain provisions under the Plan, among other matters. **8. SUBSEQUENT EVENTS**

On March 9, 2006, the Company authorized the establishment of the Clear Channel Outdoor Holdings Stock Fund as an investment fund under the Plan which will invest primarily in shares of Class A common stock of Clear Channel Outdoor Holdings, Inc. **9. RISK AND UNCERTAINTIES**

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for Plan benefits.
