Item 8.01 Other Events

As disclosed in our prior public filings including our Quarterly Report on Form 10-Q for the period ended June 30, 2006, on September 9, 2005, Affiliated Computer Services, Inc. (ACS) filed litigation in Dallas County, Texas against Tyler Technologies alleging that we breached the non-competition and non-solicitation covenants set forth in the Stock Purchase Agreement dated December 29, 2000 between ACS and us pursuant to which we sold to ACS for cash all of the issued and outstanding capital stock of Business Resources Corporation, which comprised a significant portion of our then existing property records business. We denied all allegations contained in the lawsuit and filed counterclaims against ACS, including claims for business disparagement and defamation. On September 28, 2006, we entered into a settlement agreement with ACS in which ACS agreed to dismiss and release all claims against us in exchange for our release and dismissal of all claims against ACS. No other consideration was exchanged by ACS or us.
