Safe Harbor

The information contained in this document includes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 21E of the Securities Exchange Act and Section 27A of the Securities Act. All statements, trend analyses and other information contained herein about the markets for the services and products of Harris Stratex Networks and trends in revenue, as well as other statements identified by the use of forward-looking terminology, including anticipate , believe , plan , estimate , expect , goal and intend , or the negative of these terms or other similar expressions, constitute forward-looking statements. These forward-looking statements are based on estimates reflecting the current beliefs of the senior management of Harris Stratex Networks. These forward-looking statements involve a number of risks and uncertainties that could cause actual results to differ materially from those suggested by the forward-looking statements. Forward-looking statements should therefore be considered in light of various important factors, including those set forth in this document. Important factors that could cause actual results to differ materially from estimates or projections contained in the forward-looking statements include the following:

the failure to obtain and retain expected synergies from the merger;

the ability to successfully integrate the operations, personnel and businesses of the former Stratex Networks, Inc. with those of the former Microwave Communications Division of Harris Corporation;

the ability to minimize the disruption of the merger and related integration on direct and indirect sales channels;

continued price erosion as a result of increased competition in the microwave transmission industry;

the ability to achieve business plans for Harris Stratex Networks;

the ability to manage and maintain key customer relationships

the effect of technological changes on Harris Stratex Networks' businesses;

the ability to maintain projected product rollouts, product functionality or market acceptance of planned products;

the failure of Harris Stratex Networks to protect its intellectual property rights and its ability to defend itself against intellectual property infringement claims by others;

currency and interest rate risks;

the impact of political, economic and geographic risks on international sales; and

pricing pressure on Harris Stratex Networks products and services.

For more information regarding the risks and uncertainties of the microwave communications business as well as risks relating to the combination of the former Harris Corporation Microwave Communications Division and the former Stratex Networks, see
