This filing contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, (i) statements about the benefits of a merger between SunTrust Banks, Inc. and Wachovia Corporation, including future financial and operating results, cost savings and accretion to reported and cash earnings that may be realized from such merger; (ii) statements with respect to SunTrust's plans, objectives, expectations and intentions and other statements that are not historical facts; and (iii) other statements identified by words such as "believes", "expects", "anticipates", "estimates", "intends", "plans", "targets", "projects" and similar expressions. These statements are based upon the current beliefs and expectations of SunTrust's management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: (1) the businesses of SunTrust and Wachovia may not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the merger may not be fully realized or realized within the expected time frame; (3) revenues following the merger may be lower than expected; (4) deposit attrition, operating costs, customer loss and business disruption, including, without limitation, difficulties in maintaining relationships with employees, customers, clients or suppliers, may be greater than expected following the merger; (5) the regulatory approvals required for

## Edgar Filing: WACHOVIA CORP/ NC - Form DFAN14A

the merger may not be obtained on the proposed terms or on the anticipated schedule; (6) the failure of SunTrust's and Wachovia's stockholders to approve the merger; (7) competitive pressures among depository and other financial institutions may increase significantly and may have an effect on pricing, spending, third-party relationships and revenues; (8) the strength of the United States economy in general and the strength of the local economies in which the combined company will conduct operations may be different than expected, resulting in, among other things, a deterioration in credit quality or a reduced demand for credit, including the resultant effect on the combined company's loan portfolio and allowance for loan losses; (9) changes in the U.S. and foreign legal and regulatory framework; and (10) adverse conditions in the stock market, the public debt market and other capital markets (including changes in interest rate conditions) and the impact of such conditions on the combined company's capital markets and asset management activities. Additional factors that could cause SunTrust's results to differ materially from those described in the forward-looking statements can be found in SunTrust's reports (such as Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K) filed with the Securities and Exchange Commission and available at the SEC's Internet site (<http://www.sec.gov>). All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters attributable to SunTrust or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. SunTrust does not undertake any obligation to update any forward-looking statement to reflect circumstances or events that occur after the date the forward-looking statements are made.

The following are forms of letters that may be used by SunTrust Banks, Inc. from time to time in its solicitation of shareholders of Wachovia Corporation.

Dear [                    ]:

Thank you for your interest in our merger proposal with Wachovia. Your comments are important to us.

We believe the SunTrust proposal offers the following advantages to the Wachovia shareholder:

- o            A simpler and better dividend, with growth every year since the company was founded.
  
- o            A stronger currency, with better long-term shareholder returns and a better record of earnings growth.
  
- o            Less integration risk, with approximately half the number of branch closings and 3,000 fewer staff reductions than expected under First Union's proposed merger.

As the deadline nears, you can stay informed on the latest developments by visiting our website, [www.suntrustwachoviaproposal.com](http://www.suntrustwachoviaproposal.com), or calling Innisfree M&A at 1-877-750-9501 (8 a.m. to 6 p.m. Eastern, Monday through Friday).

Dear [ ]:

Thank you for your recent letter advising me of your decision to vote for the proposed First Union-Wachovia merger. While I wish you had reached a different conclusion, I certainly respect your view.

We continue to believe that the SunTrust proposal is superior to First Union's and more closely aligned with the interests of Wachovia's shareholders, customers, employees and communities. In our view, this would mean:

- o A simpler and better dividend, with growth every year since the company was founded.
- o A stronger currency, with better long-term shareholder returns and a better record of earnings growth.
- o Less integration risk, with approximately half the number of branch closings and 3,000 fewer staff reductions than expected under First Union's proposed merger.

This is all spelled out in our proxy materials which, if you have not already done so, you may wish to review. Also, updated information on our merger proposal is available by visiting our website, [www.suntrustwachoviaproposal.com](http://www.suntrustwachoviaproposal.com), or calling Innisfree M&A at 1-877-750-9501 (8 a.m. to 6 p.m. Eastern, Monday through Friday).

I recognize, of course, that you may remain unconvinced of the merits of our proposal and vote accordingly. Should SunTrust prevail in this contest and ultimately complete a merger with Wachovia, it would be my pleasure to welcome you as a SunTrust shareholder. I hope you will then give us a chance to demonstrate the benefits of a SunTrust-Wachovia combination.

Sincerely,
