COMBINED PROFESSIONAL SERVICES, INC. (A Development Stage Enterprise) NOTES TO FINANCIAL STATEMENTS (UNAUDITED)

1. Basis of Presentation

The accompanying unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial information and with the instructions to Form 10-QSB and Regulation S-B of the Securities and Exchange Commission. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States of America for complete financial statements and should be read in conjunction with Notes to Financial Statements contained in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2001. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the nine months ended September 30, 2002 are not necessarily indicative of the results that may be expected for the year ended December 31, 2002.

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Available-for-Sale Security

On June 7, 2001, the Company exchanged 150,000 shares of its common stock for 49 shares of the common stock (4.9%) of a privately owned Florida corporation, PBJ Holdings, Inc. (PBJ). PBJ has no assets, nor liabilities, but is the sole owner of Florida Discount Securities, Inc. (FDSI). As of June 30, 2001, the 49 shares of PBJ were valued at \$3,320. The 49 shares of PBJ are valued at \$3,664 at September 30, 2002 and \$3,914 as of December 31, 2001, according to the following summaries of the fair value of FDSI's assets and liabilities:

	Sept. 30, 2002	Dec. 31, 2001
	-----	-----
Cash	\$ 14,668	\$ 16,183
Receivables	58,887	209,057
NASDAQ Deposit	3,300	3,300
Accrued Expenses	(2,100)	(148,643)
	-----	-----
Net Assets	\$ 74,755	\$ 79,897
	x 4.9%	x 4.9%
	-----	-----
Fair Value	\$ 3,664	\$ 3,914
	=====	=====

As per SFAS 115, the increase in fair value of \$594 as of December 31,

Edgar Filing: COMBINED PROFESSIONAL SERVICES INC - Form 10QSB/A

2001 is recorded as other comprehensive income. The decrease in fair value of \$250 for the nine months ended September 30, 2002 is recorded as other comprehensive loss, resulting in accumulated other comprehensive income of \$344.

3. Related Party Transactions

During the nine months ended September 30, 2002, the Company's two presidents have paid all of the administrative expenses for the Company. This total amount of \$10,421 has been contributed to the Company and added to additional paid in capital.

COMBINED PROFESSIONAL SERVICES, INC.
(A Development Stage Enterprise)
NOTES TO FINANCIAL STATEMENTS
(UNAUDITED)

4. Stock Transactions

On July 18, 2002, the Company elected a new director and president. On that same day, the Company cancelled the outgoing president's 4,500,000 shares of common stock and issued 4,000,000 shares to the new president. The 4,000,000 shares represent compensation to the new president over the next two years. Such shares are restricted and are subject to return to the Company under certain circumstances; consequently, they are not included in the shares outstanding as of September 30, 2002.

5. Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. The Company has sustained recurring operating losses and has minimal assets. These factors raise substantial doubt as to the Company's ability to continue as a going concern. The future of the Company is dependent upon its ability to raise additional working capital and to seek potential merger candidates.

6. Subsequent Event

On September 27, 2002, the Company executed a share exchange agreement with Patron Systems, Inc. (a Delaware privately-owned corporation) and the shareholders of Patron Systems, Inc. Patron Systems, Inc. is a development stage corporation which has been organized to provide information security solutions. The agreement is scheduled to close during early October 2002.
