**SUMMARY:**

It was great to have the opportunity to talk to you about the creation of the new TD Ameritrade at yesterday's town hall meeting. I appreciate your professionalism throughout the past few weeks despite all the speculation in the media. I know it can be difficult to stay focused on your responsibilities when it seems like everyone is discussing your future. The professionalism with which you've conducted yourselves is truly admirable.

As I said yesterday, I have tremendous respect for TD Waterhouse USA as an industry leader, competitor and innovator, and have long admired your commitment and dedication to excellence. Together, we will be creating one of the leading online brokerage firms in the United States, with the scale, breadth and financial strength to compete in an increasingly competitive and consolidating investor services industry.

**IMPACT ON EMPLOYEES:**

I know that while yesterday's announcement ended some of the speculation you've been working under, it also created new uncertainty for you, both professionally and personally. I want to reiterate that as we complete this deal, we are committed to reducing as much of that uncertainty as possible. There are many decisions that still have to be made, but as I said yesterday, I expect that many of you will have on-going roles in the new organization.

As we work to develop these plans, we need your help. Your expertise, skills and the relationships you've built with TD Waterhouse USA customers will be invaluable as we move forward. This deal is not complete until we receive regulatory and Ameritrade shareholder approval, and your customers will continue to need the high level of service you provide.

**NEXT STEPS:**

As we move forward, you will receive regular updates on our progress and how it impacts you from your HR representatives and managers. For additional details about the deal, please read the supporting documents available on your internal and external websites. If you have questions or concerns, I encourage you to talk with your manager or HR representative.

I look forward to working together as we complete the hard work that lies ahead and create an outstanding new organization. Thank you for your support.

Sincerely,

Joe Moglia, CEO, Ameritrade
