**Report of Independent Registered Public Accounting Firm**

The Participants and Plan Administrator

MidSouth Rail Union 401(k) Retirement Savings Plan:

We have audited the accompanying statements of net assets available for benefits of the MidSouth Rail Union 401(k) Retirement Savings Plan (the Plan) as of December 31, 2005 and 2004, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in net assets available for benefits for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2005 and 2004

**(1) Description of the Plan**

The following description of the Midsouth Rail Union 401(k) Retirement Savings Plan (the Plan) is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

**(a) General**

The Plan is a participant-directed, defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan covers all full-time employees of the Company who are members of one of the following collective bargaining units with the former MidSouth Rail Corporation: Brotherhood of Locomotive Engineers, Brotherhood of Maintenance of Way Employees, Brotherhood of Railway Carmen, Brotherhood of Railroad Signalmen, International Association of Machinists and Aerospace Workers, International Brotherhood of Electrical Workers, Transportation Communications International Union, or United Transportation Union. Plan entry dates are the first day of each calendar quarter.

A participant that ends his or her membership in any of the above collective bargaining units is no longer eligible to receive Company contributions. However, such participant will continue to receive credit for vesting under the provisions of the Plan and continues to share fully in trust fund allocations, as set forth in the Plan. Upon rejoining any of the above collective bargaining units, such participant is then immediately eligible to participate in all future Company contributions, as set forth in the Plan.

**(b) Plan Administration**

The Plan is administered by the Compensation and Organization Committee which is appointed by the board of directors of the Kansas City Southern Railway Company (the Company). The Plan's trustee Nationwide Trust Company (the Trustee), is responsible for the custody and management of the Plan's Assets.

**(c) Contributions**

Each year, participants may contribute a portion of their annual eligible compensation, as defined in the Plan, not to exceed a specified dollar amount as determined by the Internal Revenue Code (IRC). The Company matches 100% of the first \$500 of participant salary deferral contributions. Upon enrollment in the Plan, a participant may direct their contributions and Company matching contributions into any of the various funds offered by the Plan. Effective July 1, 2002, the Plan added Kansas City Southern (NYSE:KCS) common stock as an investment option.

**(d) Vesting**

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon.

RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

December 31, 2005 and 2004

Company contributions vest according to the following schedule:

	<b>Years of service</b>	<b>Percent vested</b>
One year		20%
Two years		40%
Three years		60%
Four years		80%
Five years		100%

**(e) *Payment of Benefits***

Distributions generally will be made in the event of retirement, death, disability, resignation, or dismissal. A participant's normal retirement age is 65. The Plan also provides for distribution at age 59½. Distributions after termination of employment will be made in a lump-sum payment. Balances not exceeding \$1,000 will be paid out within one calendar year of termination of employment. Balances exceeding \$1,000 will be paid upon the distribution date elected by the participant, but no later than April 1 following the calendar year in which the participant attains the age of 70½.

On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance. In addition, hardship distributions are permitted if certain criteria are met.

**(f) *Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and an allocation of Plan earnings, net of investment expenses. Allocations are based on participant earnings or account balances, as set forth in the plan agreement. The benefit to which a participant is entitled is that which can be provided from the participant's account.

**(2) *Summary of Significant Accounting Policies***

**(a) *Basis of Accounting and Use of Estimates***

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

**(b) *Income Recognition***

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes to Financial Statements  
December 31, 2005 and 2004

**(c) *Investments Valuation***

Investments in mutual funds and common stocks are stated at fair value as determined by quoted market prices, which represent the net asset value of shares held by the plan at year end. The assets held in a common collective trust (Invesco Stable Value Fund) are valued at contract value, which approximates fair value, as determined by the AMVESCAP National Trust Company.

**(d) *Net Appreciation (Depreciation) in fair value of Investments***

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

**(e) *Administrative Expenses***

Investment expenses are paid by the Plan as long as Plan assets are sufficient to provide for such expenses. Administrative expenses of the Plan are paid by the Company.

**(f) *Forfeitures***

Nonvested amounts forfeited by employees are allocated to the other participants as a part of and in the same manner as the Company contribution for the Plan year in which the forfeiture occurs. Allocated forfeitures were \$118 and \$1,145 for the Plan years ended December 31, 2005 and 2004, respectively.

**(3) Investments**

Investments, which exceeded 5 percent of the net assets available for benefits at December 31, 2005 and 2004, were as follows:

	<b>2005</b>	<b>2004</b>
Invesco Stable Value, 1,049,302 and 1,010,861 units, respectively	\$ 1,049,302	1,010,861

RETIREMENT SAVINGS PLAN**

Schedule H, line 4i Schedule of Assets (Held at End of Year)  
December 31, 2005

During 2005 and 2004, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$62,084 and \$198,325, respectively, as follows:

	<b>2005</b>	<b>2004</b>
Kansas City Southern common stock	\$ 40,601	15,737
Mutual funds	21,483	182,588
	<b>\$ 62,084</b>	<b>198,325</b>

**(4) Portfolio Risk**

The Plan provides for investments in various securities that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**(5) Tax Status**

The Plan received a favorable determination letter from the Internal Revenue Service, dated March 7, 2003, indicating that it is qualified under Section 401(a) of the Internal Revenue Code (the Code), and therefore, the related trust is exempt from tax under Section 501(a) of the Code. The determination letter is applicable for amendments executed through April 1, 2002. The tax determination letter has not been updated for the latest plan amendments occurring after April 1, 2002. However, the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt for the years ended December 31, 2005 and 2004.

The Company is not aware of any activity or transactions that may adversely affect the qualified status of the Plan.

**(6) Plan Termination**

Although it has expressed no intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, the participants shall receive amounts equal to their respective account balances.

**(7) Prohibited Transaction**

During 2005, the Company failed to remit to the Plan's trustee certain employee and employer contributions totaling approximately \$100.00 within the period prescribed by the Department of Labor regulations. The delays in remitting the contributions to the trustee were due to administrative errors, and the Company will make contributions to the affected participant's account to compensate in aggregate the approximate lost income due to the delays.
