Issuable Upon Exercise of Warrants**

This prospectus supplement relates to shares of our common stock that may be sold at various times by certain selling shareholders. You should read this prospectus supplement no. 19, the prior prospectus supplements and the prospectus dated May 1, 2006, which are to be delivered with this prospectus supplement. Our May 1, 2006 prospectus is a combined prospectus under Rule 429(a) of the Securities Act of 1933, as amended, with our prior prospectus dated July 29, 2005 and supplements thereto (See Registration No. 333-126737 filed with the Securities and Exchange Commission on July 20, 2005 and declared effective on July 29, 2005).

This prospectus supplement contains our Current Report on Form 8-K relating to our plan to exit the I-Stop sling product in the U.S. This report was filed with the Securities and Exchange Commission on March 7, 2007. The attached information supplements and supersedes, in part, the information contained in the prospectus.

Our common stock is traded on the American Stock Exchange under the symbol UPI. On March 7, 2007, the closing price of our common stock on the American Stock Exchange was \$3.06 per share.

This investment is speculative and involves a high degree of risk. See Risk Factors on page 6 of the prospectus to read about factors you should consider before buying shares of the common stock.

Neither the SEC nor any state securities commission has approved or disapproved these securities or passed upon the accuracy or adequacy of this prospectus. Any representation to the contrary is a criminal offense.

Table of Contents

Item 1.02. Termination of a Material Definitive Agreement

On March 2, 2007, we terminated our February 15, 2006 U.S. distribution agreement for the I-Stop™ sling product with CL Medical s.a.r.l., the manufacturer, with no further obligations to purchase any additional inventory. We plan to phase out distribution of the I-Stop sling in the U.S. in the fourth fiscal quarter ending March 31, 2007. During the nine months ended December 31, 2006, the I-Stop sling accounted for approximately 17% of our sales to customers in the U.S.

Item 2.05. Costs Associated with Exit or Disposal Activities

We expect to incur in the fourth fiscal quarter ending March 31, 2007 approximately \$200,000 of one-time, pre-tax charges for write-off of the I-Stop sling inventory pursuant to our March 2007 decision to phase out the distribution of the product in the U.S.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
