ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.
ITEM 2.01. COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

On March 30, 2007, Brightpoint, Inc., an Indiana corporation (the "Registrant"), completed its acquisition of assets, and assumption of certain liabilities, of CellStar (as defined below) related to CellStar's United States operations and its Miami-based Latin America business (the "Acquisition"), pursuant to an Asset Purchase Agreement (the "Purchase Agreement") dated December 18, 2006 between 2601 Metropolis Corp., an Indiana corporation and wholly-owned subsidiary of the Registrant, and CellStar Corporation, a Delaware corporation, and certain of its subsidiaries (collectively, "CellStar"). A copy of the Purchase Agreement was previously filed as an exhibit to the Registrant's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on December 19, 2006 (the "Initial 8-K") and is incorporated herein by reference. As part of the Acquisition, Brightpoint North America, L.P., a Delaware limited partnership and wholly-owned subsidiary of the Registrant, acquired assets, subject to certain liabilities, related to CellStar's corporate and North American region operations, and Brightpoint Latin America, Inc., an Indiana corporation and wholly-owned subsidiary of the Registrant, acquired assets, subject to certain liabilities, related to CellStar's Latin American region operations. CellStar's operations in Mexico and Chile and other businesses or obligations of CellStar were not included in the Acquisition. Concurrently with the execution of the Purchase Agreement, the Registrant issued to CellStar a guaranty in respect of the payment and performance of all obligations of the buyer under the Purchase Agreement, subject to the terms and conditions of the Purchase Agreement (the "Purchase Agreement Guaranty"). A copy of the Purchase Agreement Guaranty was previously filed as an exhibit to the Initial 8-K and is incorporated herein by reference.

In accordance with the terms of the Purchase Agreement, the originally announced estimated purchase price of \$88.0 million was reduced to \$62.4 million based upon a preliminary estimate of net asset adjustments. The purchase price is subject to further adjustments as the net asset adjustments and other matters set forth in the Purchase Agreement are finalized. At the closing, an aggregate of \$8.8 million of the purchase price was deposited into an escrow account as security for CellStar's obligations under the Purchase Agreement for a period of six months. The purchase price for the assets acquired from CellStar was funded primarily through borrowings on the Registrant's revolving credit facility (described below).

On February 16, 2007, the Registrant entered into a Credit Agreement (the "Credit Agreement") by and among the Registrant (and certain of its subsidiaries identified therein), the Guarantors (as defined therein), Banc of America Securities LLC, as sole lead arranger and book manager, General Electric Capital Corporation, as syndication agent, ABN AMRO Bank N.V., as documentation agent, Wells Fargo Bank, N.A., as documentation agent, Bank of America, N.A., as administration agent (the "Administrative Agent"), and the other lenders party thereto (collectively, the "Lenders"). The Credit Agreement established a five year senior secured revolving credit facility with a line of credit in the initial amount of \$165 million. The line of credit contained an uncommitted accordion facility allowing the Registrant, under certain circumstances, to increase the total commitment under the revolving credit facility to up to \$240 million. (A copy of the Credit Agreement was previously filed as an exhibit to the Registrant's Current Report on Form 8-K filed with the SEC on February 21, 2007 and is incorporated herein by reference). On March 30, 2007, the Registrant and certain of its subsidiaries entered into a Commitment Increase Agreement (the "Commitment Increase Agreement") with the Guarantors, the Administrative

Agent and the Lenders to increase the total commitment under the revolving credit facility to \$240 million.

The foregoing description is qualified in its entirety by reference to the full text of the Purchase Agreement, the Purchase Agreement Guaranty, the Credit Agreement and the Commitment Increase Agreement (collectively, the "Transaction Documents"), which are attached to this Report as exhibits or incorporated herein by reference. The Transaction Documents have been attached or incorporated herein by reference to provide investors with information regarding their terms and are not intended to provide any other factual information about the Registrant, any subsidiary thereof, or CellStar.
