On November 12, 2007, subsequent to the third quarter earnings release of Health Fitness Corporation (the Company on November 5, 2007, the Company determined that a \$1,576,454 deemed dividend to preferred shareholders should have been reflected in the Company s financial statements. This adjustment results in a reduction to net earnings applicable to common shareholders in the consolidated statement of operations for the quarter ended March 31, 2006, with a corresponding increase being recorded to additional paid in capital in the consolidated balance sheet as of March 31, 2006. As the restatement to properly reflect the deemed dividend will have a material impact upon the financial statements reported for the quarter ended September 30, 2007, the Company is unable to finalize the third quarter financial statements and prepare and file its Quarterly Report on Form 10-Q for the period ended September 30, 2007 in a timely manner without unreasonable effort or expense.
