Part III Narrative

State below in reasonable detail the reasons why Form 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report, or portion thereof, could not be filed within the prescribed time period.

On April 4, 2006, the Company concluded that its previously issued financial statements, including those for its fiscal years ended May 31, 2003, May 29, 2004 and May 28, 2005, and the interim periods ended September 3, 2005 and December 3, 2005, should not be relied upon as a result of errors in financial accounting at one of its Italian subsidiaries. The Company is continuing to evaluate the impact of these and other errors for the effected periods. The Company s Chief Financial Officer and Audit Committee are engaged in continuing discussions with its present auditors concerning these matters. The Company s Chief Financial Officer is engaged in continuing discussions with its former auditors concerning these matters.

Because of the delays associated with the ongoing evaluation of these accounting errors and preparing the above-described financial statements, the Company does not expect to file its Annual Report on Form 10-K for the fiscal year ended June 3, 2006 by the filing deadline. It intends to file its Annual Report on Form 10-K for that period as soon as possible, and, if required, to file any amended periodic reports relating to prior periods as soon as practicable after completing its analysis of the impact of the accounting errors on those periods. It also intends to file amended reports for any other prior periods, if it determines that it is necessary to restate the financial statements for any such periods as a result of the accounting correction.
