This Proxy Statement, which is first being mailed to the stockholders of the Company on approximately July 22, 2002, is furnished to you in connection with the solicitation of proxies on behalf of the Board of Directors of Change (the "Board") for use at the Annual Meeting. The Annual Meeting is to be held at the Company's executive offices at 537 Steamboat Road, Greenwich, Connecticut on Wednesday, August 21, 2002 at 10:00 a.m., or at any subsequent time which may be necessary by any adjournment of the meeting. Edgar Filing: CHANGE TECHNOLOGY PARTNERS INC - Form DEF 14A

Company's executive office is 537 Steamboat Road, Greenwich, Connecticut 06830.

Proxies in proper form received by the time of the meeting will be voted as specified. Stockholders may specify their choices by marking the appropriate boxes on the enclosed proxy card. If a proxy card is dated, signed and returned without specifying choices, the shares will be voted as recommended by the Board FOR proposals (1), (2) and (3). Business transacted at the Annual Meeting is confined to the purposes stated in the Notice of Annual Meeting. The proxy does, however, convey discretionary authority to the persons named in it to vote on such other business as may properly come before the Annual Meeting.

Shares of the Company's common stock, par value \$.01 per share (the "Common Stock") and the Company's Series A convertible preferred stock, par value \$0.10 per share (the "Series A Preferred Stock"), cannot be voted at the meeting unless the holder is present or represented by proxy.

VOTING SECURITIES

The Board, in accordance with the Bylaws of the Company (the "Bylaws"), has fixed the close of business on July 19, 2002 as the record date (the "Record Date") for determining the stockholders entitled to notice of and to vote at the Annual Meeting or any adjournments thereof. At the close of business on that date, the outstanding number of voting securities of the Company was 182,087,507 shares of Common Stock and 645 shares of Series A Preferred Stock.

For each share held as of the Record Date, each holder of Common Stock is entitled to one vote and each holder of Series A Preferred Stock is entitled to one vote. If you hold your shares through a broker, you should contact your broker to determine the procedure by which you can vote.

The presence, in person or by proxy, of stockholders entitled to cast at least one-third of the voting power represented by all outstanding shares constitutes a quorum. If a quorum is present at the Annual Meeting, the affirmative vote of a plurality of the votes cast by the stockholders present (in person or by proxy) and entitled to vote at the Annual Meeting is required for the election of each director (Proposal (1)), the affirmative vote of a majority of the voting power present (in person or by proxy) and entitled to vote at the Annual Meeting is

required for the approval and ratification of KPMG LLP as the Company's independent auditors (Proposal (2)) and the affirmative vote of a majority of the voting power present (in person or by proxy) and entitled to vote at the Annual Meeting is required for the approval and ratification of the grant to William Avery of an option to purchase 6,000,000 shares of the Company's Common Stock (Proposal (3)).

REVOCABILITY OF PROXIES

A stockholder giving a proxy may revoke it at any time before it is voted by giving the Secretary of the Company a letter revoking the proxy or a duly executed proxy bearing a later date or by attending the meeting and voting in person. EMPLOYMENT AGREEMENTS

MR. AVERY. On September 19, 2001, the Company entered into an employment agreement with Mr. Avery. Mr. Avery's agreement will expire on December 31, 2004. The employment agreement is automatically renewed from year to year after the expiration date unless either the Company or Mr. Avery provides written notice of an intention not to renew it at least 120 days prior to December 31 of any year.

The employment agreement provides that the duties of Mr. Avery shall be prescribed by the board of directors and that Mr. Avery shall devote substantially all of his business time to performing his duties under the employment agreement.

Compensation, bonuses, perquisites and other benefits are to be provided to Mr. Avery subject to the approval of the compensation committee and commensurate with compensation and benefits provided to other senior executives of the Company. The initial base salary payable to Mr. Avery is \$280,000. Mr. Avery will be entitled to participate in any benefit plan available to senior executives of the Company.

The employment agreement provides for the termination of Mr. Avery upon the first to occur of (i) the expiration of the term of the employment agreement; (ii) the death of Mr. Avery; (iii) the delivery of a notice from Mr. Avery of a voluntary termination of the employment agreement; (iv) the delivery of a notice to Mr. Avery of a termination of the employment agreement for cause or disability of Mr. Avery; and (v) the delivery of a notice from Mr. Avery of a resignation due to a change of control of the Company.

If the employment agreement is terminated for any reason described above other than for death or disability, Mr. Avery will be paid any accrued but unpaid salary plus any unpaid bonus amount from prior years.

If the employment agreement is terminated for any reason other than those described in the above paragraph, the Company will pay to Mr. Avery a severance amount equal to the sum of (i) accrued but unpaid salary; (ii) the full base salary for the remainder of the term of the employment agreement; (iii) any bonus for a prior year which has not been paid to Mr. Avery; and (iv) any expenses of Mr. Avery incurred in connection with the collection of the severance amount.

A change of control is defined as the occurrence of any of the following events:

- o any person other than the Company or one of its subsidiaries becomes the beneficial owner of 30% or more of the Company's then outstanding equity

9

securities, unless such acquisition has been approved by not less than two-thirds of the board of directors prior to such acquisition;

- o individuals who constitute the board of directors on a given day cease (for any reason other than death or resignation) to constitute a majority of the board of directors on the following day, unless any subsequent director was approved or nominated by not less than three-quarters of the incumbent board of directors or two-thirds of the nominating committee of the incumbent board of directors;
- o the stockholders of the Company approve any reorganization, merger or consolidation of the Company or any other transaction in which the Company's existing securities are exchanged for securities of another issuer or the Company issues new equity securities in excess of 30% of the existing securities, unless such transaction was recommended to the stockholders of the Company by not less than two-thirds of the board in existence prior to the transaction;
- o the approval by stockholders of the Company of a sale of all or substantially all of the assets of the Company, unless such sale was recommended to the stockholders by not less than two-thirds of the board of directors;
- o the dissolution or liquidation of the Company;
- o the failure of nominees of the board of directors for election to the board to be so elected other than by death or withdrawal of the nominee; or
- o a change in control required to be reported pursuant to Item 1(a) of Form 8-K under the Securities Exchange Act of 1934 unless such change in control was approved by not less than two-thirds of the incumbent board of directors.

The agreement also provided for reimbursement of business expenses and a \$2,000,000 life insurance policy for Mr. Ryan. On July 2, 2001, the board of directors terminated Mr. Ryan's employment and he became entitled to receive severance in the amount of \$493,000, of which \$122,836 was paid in 2001.

10

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board, which met six times last year last year and acted by written consent one time, reviews and determines the compensation of the Company's executive officers. It also reviews and approves any employment, severance or similar agreements for executive officers. In addition, the committee oversees and approves grants of stock options and other stock-based awards pursuant to the Company's stock option plan to employees and non-employee directors. Mr. Dubin, Mr. Gleason and Mr. Lipner (Chairman) served on the Compensation Committee in 2001.

POLICY AND PERFORMANCE MEASURES

The Company has entered into an employment agreement with its Chief Executive Officer. The agreement provides for a base salary, discretionary bonuses, and restricted stock and stock option awards. The Compensation Committee believes that entering into this agreement is in the Company's best interest because the structure of the agreement assists the Company in retaining its key officers and focusing the efforts and energies of those officers on further enhancing the long-term value of the Company for its stockholders. The total compensation reflected in the employment agreement is generally based upon the officer's prior compensation levels and peer group benchmarking surveys. Overall, compensation is targeted at the top half to top quarter of the Company's peer group companies in order to attract and retain highly qualified employees, and an emphasis is placed upon incentive-based compensation.

The Internal Revenue Code generally limits to \$1,000,000 the amount of compensation that the Company may deduct in any year with respect to certain of our officers. Accordingly, the Compensation Committee endeavors to structure executive compensation so that most of it will be deductible. At the same time, the Compensation Committee has the authority to award compensation in excess of the \$1,000,000 limit, regardless of whether such additional compensation will be deductible, in cases where the Compensation Committee determines in good faith that such compensation is appropriate.

CHIEF EXECUTIVE OFFICER COMPENSATION

During the last fiscal year, the Company entered into a three-year employment agreement with Mr. Avery with automatic one-year extensions. The agreement provides for a base salary of \$280,000, as well as a discretionary bonus. Mr. Avery also agreed to a non-competition and confidentiality provision for a period of one year following termination or resignation. See "Employment

Edgar Filing: CHANGE TECHNOLOGY PARTNERS INC - Form DEF 14A

Agreements." The Compensation Committee also granted to Mr. Avery options to purchase 9,000,000 shares of Common Stock at a price per share of \$0.03. One-fourth of these options will vest on each anniversary of the date of grant. The Compensation Committee approved and ratified the compensation paid to Mr. Avery for fiscal year 2001 based on Mr. Avery's business experience and his responsibilities to, among other things, guide the Company's daily affairs and the Company's long-term strategic plan. In particular, the Compensation Committee considered Mr. Avery's responsibility to execute on the Company's change in strategic direction, including disposing of or closing down its previous operating subsidiaries and finding suitable new business opportunities for the Company. The Compensation Committee believes that Mr. Avery's compensation in 2001 was comparable to compensation packages of chief executive officers of other companies similar to the Company.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee monitors the Company's financial reporting process and internal control system on behalf of the Board. In addition, the Committee recommends to the Board of Directors, subject to stockholder ratification, the selection of the Company's independent auditors. The member of the Audit Committee is independent as defined by the rules of The Nasdaq Stock Market, Inc. The Board adopted the Audit Committee's charter on April 30, 2001.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditors, KPMG LLP, are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee's role does not provide any special assurance with regard to the Company's financial statements, nor does it involve a professional evaluation of the quality of the audits performed by KPMG.

In this context, the Audit Committee has met and held discussions with management and KPMG. Management represented to the Audit Committee that the Company's financial statements were prepared in conformity with accounting principals generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the financial statements with management and KPMG. The Audit Committee discussed with KPMG the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, the Audit Committee has had discussions with KPMG regarding KPMG's independence from the Company and its management, including matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

The Audit Committee discussed with KPMG the overall scope and plans for their audits. The Audit Committee meets with KPMG, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Edgar Filing: CHANGE TECHNOLOGY PARTNERS INC - Form DEF 14A

Based upon the Audit Committee's discussions with management, KPMG and the Audit Committee's review of the representations of management and the report of KPMG to the Audit Committee, the Audit Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 filed with the Securities and Exchange Commission.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

BUSINESS OPPORTUNITY ALLOCATION AND MISCELLANEOUS SERVICES AGREEMENT

The Company entered into an Amended and Restated Business Opportunity Allocation and Miscellaneous Services Agreement dated November 10, 2000, with FG II and certain affiliates of FG II to address the allocation of acquisition opportunities, given the responsibilities and management duties some of the Company's current and former management team had with respect to various entities affiliated with FG II. FG II on behalf of itself and its affiliates will refer to the Company all opportunities (outside of Europe, the Middle East and Africa) for the Company to acquire interests in its target businesses where the Company's allocation is a minimum of \$1,000,000 or where 50% of the amount of such opportunity could be acquired for no less than \$500,000 and such an acquisition would give the Company primary control of the target business. If the opportunity is appropriate for both the Company and for FG II or its other affiliates, the opportunity will be allocated on an equitable basis which recognizes the Company's objective of not being classified as an investment company, but in any event, the Company will be allocated at least 50% of the opportunity.

In addition, pursuant to the Business Opportunity Agreement, FG II provided certain services to the Company. During the year ended December 31, 2001, the Company incurred management and investment advisory service fees in connection with identifying, evaluating, negotiating and managing investment opportunities for the Company. William Avery was a general partner of FG II until he became the Company's President and Chief Executive Officer at which time he resigned from FG II. Walter Forbes, a five percent beneficial owner of the Company's Common Stock during 2001, is a limited partner of FG II. Fees incurred by the Company to FG II totaled \$510,000 for the year ended December 31, 2001. FG II is no longer providing any services to the Company.

Additionally, FG II occupies a portion of the Company's principal executive offices, for which it pays rent at approximately fair market value. Such payments to the Company totaled \$283,000 during the year ended December 31, 2001. Furthermore, FG II was indebted to the Company in the amount of \$204,000 at December 31, 2001 for its pro rata share of certain leasehold improvements and rental payments due.

PROFESSIONAL SERVICES

During the year ended December 31, 2001, the Company incurred legal fees in connection with certain transactions and other matters in the normal course of business. A portion of these services was provided by Paul, Weiss, Rifkind, Wharton & Garrison, of which James M. Dubin, a member of the Board of Directors and Compensation Committee of the Company, is a partner.

STOCK OPTIONS

The 2000 Stock Option Plan provides for the award of stock options to the employees, directors and consultants of the Company. Grants under this plan are intended to provide participants with the promise of longer-term rewards that appreciate in value with favorable future performance of the Company. In determining grants of stock options, the Compensation Committee reviews individual performance and company performance. The criteria used to

13

evaluate company performance include sales and earnings figures and return on equity. The Compensation Committee believes that all such criteria are accorded equal weight. The 2000 Stock Option Plan authorizes the issuance of a maximum of 20,000,000 options, with a maximum of 3,000,000 options to be received each year by any one participant.

On June 26, 2000, James M. Dubin, Michael Gleason and William Lipner were each granted non-qualified stock options to purchase 400,000 shares of Common Stock at an exercise price of \$.50 per share. One-fourth of these stock options vested on June 26, 2000, one-fourth of them vested on June 26, 2001 and the remainder vest monthly from July 1, 2001 until June 1, 2003.

On May 22, 2001, Messers. Dubin and Gleason were each granted non-qualified stock options to purchase 100,000 shares of Common Stock at an exercise price of \$.50 per share in consideration of their service on the Audit Committee. One-fourth of these options vested on May 22, 2001, one-fourth of them vested on May 22, 2002, and the remainder continue to vest monthly from June 1, 2002 until May 1, 2004. Mr. Dubin's options expired, unexercised, when he resigned from the Audit Committee in June 2001.

On September 19, 2001, William Avery was granted options to purchase 9,000,000 shares of Common Stock at an exercise price of \$.03 per share. Options to purchase 3,000,000 shares of Common Stock were issued under the Company's 2000 Stock Option Plan. Options to purchase 6,000,000 shares of Common Stock were issued outside of the Plan and the Board requests your vote FOR approval and ratification of this grant at the Annual Meeting. See "Proposal 3: Proposal To Approve Option Grant To William Avery." Each option vests one-fourth on each of the first, second, third and fourth anniversaries of the date of the grant.

On September 21, 2001, each of Messers. Dubin, Gleason and Lipner were granted non-qualified stock options to purchase 1,000,000 shares of Common Stock at an exercise price of \$.03 per share. All of these options vested on September 21, 2001.

On November 7, 2001, Michael Levitt was granted non-qualified stock options to purchase 2,000,000 shares of Common Stock at an exercise price of \$.06 per share. All of these options vested on November 7, 2001.

PROPOSAL 2:

RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

The Board has selected KPMG LLP ("KMPG") to serve as the independent auditors of the Company for the fiscal year ending December 31, 2002. The Board

Edgar Filing: CHANGE TECHNOLOGY PARTNERS INC - Form DEF 14A

proposes and recommends that the stockholders ratify this selection. KPMG has served as the Company's independent auditors since July 13, 2000. Prior to that time, Grant Thornton LLP ("Grant Thornton") acted as the independent auditors for the Company.

Representatives of KPMG are expected to be present at the Annual Meeting, and will be available to respond to questions.

Due to the Company's limited operations, the accounting services provided by Grant Thornton were of a limited nature. Because the Company intended to broaden its operations, the Board and the Audit Committee of the Board decided to replace Grant Thornton with KPMG as the Company's independent auditors on July 13, 2000.

Grant Thornton's reports on the Company's financial statements for the two years ended December 31, 1999 did not contain an adverse opinion, a disclaimer of opinion or a qualification or modification as to uncertainty, audit scope or accounting principles. During the Company's two fiscal years ended December 31, 1999 and subsequent interim periods preceding Grant Thornton's dismissal, there were no disagreements between the Company and Grant Thornton on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement, if not resolved to Grant Thornton's satisfaction, would have caused Grant Thornton to make reference to the subject matter of such disagreement in connection with its report.

At no time during the two fiscal years ended December 31, 1999 and subsequent interim period preceding such dismissal did Grant Thornton advise the Company (i) that the internal controls necessary for the Company to develop reliable financial statements did not exist; (ii) that information had come to Grant Thornton's attention that led it to no longer be able to rely on the representations of the Company's management or that made Grant Thornton unwilling to be associated with the financial statements prepared by the Company's management; (iii) (a) of the need to expand significantly the scope of Grant Thornton's audit, or that information came to its attention, that if further investigated, might have (1) materially impacted the fairness or reliability of either: a previously issued audit report or the underlying financial statements; or the financial statements issued or to be issued covering the fiscal period(s) subsequent to the date of the most recent financial statements covered by an audit report (including information that might have prevented it from rendering an unqualified audit report on those financial statements), or (2) caused it to be unwilling to rely on the representations of the Company's management or be associated with the Company's financial statements and (b) that due to its dismissal, or for any other reason, it did not expand the scope of its audit or conduct further investigation; or (iv) (a) that information came to Grant Thornton's attention that it had concluded materially impacted the fairness or reliability of either (1) a previously issued audit report or the underlying financial statements or (2) the financial statements issued or to be issued covering the fiscal period(s) subsequent to the date of the most recent financial statements covered by an audit report (including information that, unless resolved to Grant Thornton's satisfaction, would have prevented them from rendering an unqualified audit report on those financial statements) and

15

(b) due to its dismissal, or for any other reason, the issue had not been resolved to Grant Thornton's satisfaction prior to its dismissal.

The Company did not consult with KPMG at any time prior to its

Edgar Filing: CHANGE TECHNOLOGY PARTNERS INC - Form DEF 14A

appointment on July 13, 2000.

VOTE REQUIRED

The vote required for the ratification of the selection of KPMG is the affirmative vote of a majority of the voting power present (in person or by proxy) and entitled to vote on such ratification, provided a quorum is present. An abstention from voting on the proposal will have the effect of a "no" vote. Broker non-votes are considered not cast and therefore will not affect the outcome of the vote.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION
OF THE SELECTION OF KPMG AS THE COMPANY'S INDEPENDENT AUDITORS
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2002.

PROPOSAL 3:

PROPOSAL TO APPROVE OPTION GRANT TO WILLIAM AVERY

The Company's common and Series A preferred stockholders are being asked to approve the grant to William Avery of an option to purchase 6,000,000 shares of the Company's Common Stock pursuant to the terms and conditions of a Stock Option Agreement dated September 21, 2001 between the Company and William Avery. In addition, Mr. Avery was granted options to purchase 3,000,000 shares of the Company's Common Stock under the Company's 2000 Stock Option Plan. Issuance of these options does not require stockholder approval.

Pursuant to the Stock Option Agreement, the option to Mr. Avery was granted in accordance with the terms and conditions of the Company's 2000 Stock Option Plan, although the option was granted outside of such plan. The option award was granted outside of the plan because the terms of the plan would not allow a grant of this size.

Twenty-five percent (25%) of the option vests on each of the first four anniversaries of the date of the option grant. The option can be exercised for \$0.03 per share, the fair market value of a share of the Company's Common Stock on the date of grant. Mr. Avery received this option grant in connection with his appointment as Chief Executive Officer of the Company as a retention and incentive mechanism. The option expires on September 21, 2011. Pursuant to the Stock Option Agreement, (i) if Mr. Avery ceases to be employed by the Company as a result of his death or disability, vesting will cease as of the date of termination and the option will remain exercisable for a period of 365 days following such termination, (ii) if Mr. Avery's employment is terminated by the Company other than for cause, one-third of the then unvested option shares will vest on the date of such termination and the option will remain exercisable for a period of ninety (90) days following such termination, (iii) if Mr. Avery's employment is terminated by the Company for cause, the option will expire on the date of such termination and (iv) if Mr. Avery terminates his employment, vesting will cease as of the date of termination and the option will remain exercisable for a period of thirty (30) days following such termination. On July 11, 2002, the closing price of the Company's Common Stock was \$0.02 per share.

No income was realized by Mr. Avery upon grant of the option. Upon exercise of the option, Mr. Avery will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying stock over the option exercise price (the "Spread") at the time of exercise. The Spread will be deductible by the Company for federal income tax

Edgar Filing: CHANGE TECHNOLOGY PARTNERS INC - Form DEF 14A

purposes subject to the possible limitations on deductibility under Sections 280G and 162(m) of the Internal Revenue Code of 1986, as amended, of compensation paid to executives designated in those sections. Mr. Avery's tax basis in the underlying shares acquired by exercise of the stock option will equal the exercise price plus the amount taxable as compensation to Mr. Avery. Upon sale of the shares received by Mr. Avery upon exercise of the option, any gain or loss is generally long-term or short-term capital gain or loss, depending on the holding period. Mr. Avery's holding period for shares acquired pursuant to the exercise of the option will begin on the date of exercise of such option.
