**Item 9. Regulation FD Disclosure (information furnished in this Item 9 is furnished under Item 12).**

In accordance with Securities and Exchange Commission Release No. 34-47583, the following information, which is intended to be furnished under Item 12. Results of Operations and Financial Condition, is instead being furnished under Item 9. Regulation FD Disclosure. The information in this report (including Exhibit 99.1 and Exhibit 99.2) is being furnished pursuant to Item 12 and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act.

On July 22, 2003, BankAtlantic Bancorp, Inc. (the Company) issued a press release announcing its financial results for the quarter and six months ended June 30, 2003. The press release and accompanying financial tables are attached hereto as Exhibit 99.1 and Exhibit 99.2 and are incorporated herein by reference.

In addition to financial results determined in accordance with generally accepted accounting principles (GAAP), the press release also contains financial information determined by methods other than in accordance with GAAP. The Company's management uses these non-GAAP measures, which it defines as operating measures, in their analysis of the Company's performance. These operating measures adjust GAAP income before extraordinary item and cumulative effect of a change in accounting principle to exclude the effects of unusual items, such as restructuring charges and write downs, costs associated with debt redemptions, acquisition and conversion related charges, impairment of equity securities and other items we believe are not indicative of our on-going operations. The Company believes that these non-GAAP operating measures supplement our GAAP financial information and provide useful measures of evaluating the Company's operating results and any related trends that may be affecting the Company's business. These disclosures should not be viewed as a substitute for operating results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
