PROXY STATEMENT

SOLICITATION OF PROXIES

This solicitation of the enclosed proxy is made by the Board of Directors (the *Board*) of Unifi, Inc. (the *Company*) for use at the Annual Meeting of Shareholders to be held Wednesday, October 25, 2006, at 9:00 A.M. Eastern Daylight Savings Time, at the Company's corporate headquarters located at 7201 West Friendly Avenue, Greensboro, North Carolina, or at any adjournment or adjournments thereof (the *Annual Meeting*). This statement and the form of proxy will first be mailed to the Shareholders entitled to notice of the Annual Meeting on or about September 26, 2006.

The expense of this solicitation will be borne by the Company. Solicitations of proxies may be made in person, by mail or by telephone, telegraph or electronic means by directors, officers and regular employees of the Company who will not be specially compensated in such regard. In addition, the Company has retained D. F. King & Company to assist in the solicitation of proxies and will pay such firm a fee estimated not to exceed \$8,000 plus reimbursement of expenses. Arrangements will be made with brokers, nominees and fiduciaries to send proxies and proxy materials, at the Company's expense, to their principals.

The Company's common stock (the *Common Stock*), par value \$.10 per share is the only class of stock of the Company. Shareholders of record, as of the close of business on September 22, 2006 (the *Record Date*), will be entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. As of the Record Date, the Company had outstanding 52,208,467 shares of its Common Stock. Each share of the Common Stock entitles the holder to one vote with respect to each matter coming before the Annual Meeting and all such shares vote as a single class.

All shares represented by valid proxies received pursuant to this solicitation and not revoked before they are exercised will be voted in the manner specified therein. If no specification is made with respect to the matter to be acted upon, the shares represented by the proxies will be voted (i) in favor of electing as directors of the Company the eight (8) nominees for director named in this Proxy Statement, and (ii) in the discretion of the proxy holders on any other matters presented at the Annual Meeting. **If the enclosed form of proxy is executed and returned it may, nevertheless, be revoked at any time before it is voted by written notice to the Secretary of the Company, by submitting a properly signed proxy with a later date or by the Shareholder personally attending and voting his or her shares at the Annual Meeting.**

VOTING OF SHARES

The holders of a majority of the outstanding shares entitled to vote, present in person or represented by proxy at this meeting, will constitute a quorum for the transaction of business. New York law and the Company's By-Laws require the presence of a quorum at annual meetings of shareholders. Abstentions and broker non-votes are counted as present for purposes of determining a quorum.

Each share represented is entitled to one vote on all matters properly brought before the Annual Meeting. Please specify your choice by marking the appropriate box on the enclosed proxy card and signing, dating and returning it. Directors will be elected by a plurality of the votes cast by the Shareholders at a meeting in which a quorum is present. Therefore, shares not voted and broker non-votes will have no affect on the election of directors.

At least annually, the Compensation Committee reviews and approves corporate goals and objectives relevant to the compensation of each executive officer of the Company (including the Chief Executive Officer), evaluates each executive officer's performance in light of these goals and objectives, and sets each executive officer's compensation level based on this evaluation. The Compensation Committee annually determines whether the Chief Executive Officer and other executive officers will participate in any annual or long-term incentive plans established for the Company's executive officers or employees. The Committee also administers and grants stock options to the Company's officers, employees and consultants pursuant to the Company's equity-based plans, including the 1999 Unifi, Inc. Long-term Incentive Plan (the "1999 Plan"). The Corporate Governance and Nominating Committee is responsible for, among other things, identifying candidates to serve as directors of the Company consistent with criteria approved by the Board, and for making recommendations to the Board of qualified nominees for election or re-election as directors of the Company. It is also responsible for recommending to the Board for the Board's approval all committee members and chairpersons. The Corporate Governance and Nominating Committee is responsible for establishing a system for, and monitoring the process of, performance reviews of the Board, its committees and key management personnel. The Corporate Governance and Nominating Committee also monitors compliance with the Company's Ethical Business Conduct Policy Statement (the Policy Statement), reviews the Policy Statement from time to time and provides recommendations to the Board for any changes to the Policy Statement. Each member of the Corporate Governance and Nominating Committee is an independent director, in accordance with the independence requirements of the New York Stock Exchange Corporate Governance Standards.

SHAREHOLDER RECOMMENDATIONS FOR DIRECTOR NOMINEES

The Corporate Governance and Nominating Committee will consider those recommendations by Shareholders of director nominees which are submitted in writing with biographical and business experience information to the Secretary of the Company, in the manner described in the section entitled Shareholder Proposals contained in this Proxy Statement. All nominees for director must demonstrate integrity, accountability, informed judgment, financial literacy, passion, creativity and vision. In addition, the Board is comprised of directors from various backgrounds and professions in order to maximize perspective and ensure a wealth of experiences to inform its decisions. Men and women of different ages, races and ethnic backgrounds can contribute different, useful perspectives, and can work effectively together to further the Company's mission. The Corporate Governance and Nominating Committee reviews the background and qualifications of each nominee to determine his or her experience, competence and character, and assesses such nominee's potential contribution to the Board. Shareholder nominees will be analyzed by the Corporate Governance and Nominating Committee in the same manner as nominees that are otherwise considered by the Corporate Governance and Nominating Committee.

The Board met four (4) times during fiscal year 2006. CORPORATE GOVERNANCE MATTERS

Director Independence

For a director to be considered independent under the New York Stock Exchange Corporate Governance Standards, the Board must affirmatively determine that the director has no direct or indirect material relationship with the Company, other than as a director. In accordance with the New York Stock Exchange Corporate Governance Standards, the Board has adopted categorical standards to assist it in making independence determinations. These Director Independence Standards are attached to this Proxy Statement as Appendix A and are also available on the

Company's website referenced below as Exhibit A to the Corporate Governance Guidelines.

After considering these categorical standards, the New York Stock Exchange Corporate Governance Standards, and all other relevant facts and circumstances, including commercial or charitable relationships between the directors and the Company, the Board has determined that all of its members meet the Company's categorical standards, meet the independence requirements of the New York Stock Exchange and are independent, except for Brian R. Parke who is employed by the Company.

During fiscal 2006, Mr. Orr, as the Company's independent Lead Director, presided over meetings of the independent and non-management directors.

Code of Business Conduct and Ethics; Ethical Business Conduct Policy Statement

The Company has adopted a written Code of Business Conduct and Ethics applicable to members of the Board and executive officers, including the Chief Executive Officer and Chief Financial Officer (the Code of Business Conduct and Ethics). **REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

This report of the Compensation Committee of the Board of Directors (the Committee) sets forth the Company's compensation policies with respect to the executives of the Company, including the named executives for whom specific compensation information is reported in the tables included under Executive Officers and Their Compensation.

The Committee was composed of four independent directors during fiscal 2006, in accordance with the independence requirements of the New York Stock Exchange Corporate Governance Standards. The Committee discharges the Board's responsibilities relating to compensation of the Company's executive officers. Its duties include the review of performance and approval of salaries and other types of compensation for senior management of the Company, advising senior management with respect to the range of compensation to be paid to other employees of the Company, administering and making recommendations to the full Board concerning benefit plans for the Company's directors, officers and employees and recommending benefit programs and future objectives and goals for the Company.

EXECUTIVE COMPENSATION POLICY

The Committee has developed an executive compensation policy that is primarily based upon the practice of pay-for-performance. In conjunction with this policy, the Committee strives to create a direct relationship between pay levels and individual performance, corporate performance and returns to Shareholders. The Committee vigilantly monitors the results of its executive compensation policy to assure that compensation payable to executive officers provides overall competitive pay levels compared to peer companies, creates proper incentive to enhance Shareholder value, rewards superior performance, and is justified by returns available to Shareholders. In accordance with this policy, the Committee reviews and approves corporate goals and objectives relevant to the compensation of each executive officer of the Company, evaluates each executive officer's performance in light of these goals and objectives, and sets each executive officer's compensation level based on this evaluation.

SUMMARY OF EXECUTIVE COMPENSATION COMPONENTS

The Committee views executive compensation in three component parts: base salary, annual incentive compensation and long-term incentive compensation. The primary goals of the Committee in setting executive compensation are: (i) to ensure that the Company's compensation program for executive officers attracts and retains qualified, talented, and highly motivated personnel, links executive compensation to corporate and individual performance, and is administered in an equitable manner; and (ii) to align the interests of the executives with those of the Shareholders and also with the Company's performance.

The annual and long-term incentive portions of the executive's compensation are intended to achieve the Committee's goal of aligning the executive's interests with those of the Shareholders and with Company performance. These portions of an executive's compensation are placed at risk and are linked to the accomplishment of specific results that are designed to benefit the Shareholders and the Company, both in the long and short term. As a result, during years of excellent performance, the executives are provided the opportunity to earn a higher competitive level of compensation and, conversely, in years of below average performance, their compensation may be below competitive levels.

The Committee has considered the impact of Section 162(m) of the Internal Revenue Code on the Company's executive compensation program. Section 162(m) denies a public company a deduction, except in limited circumstances, for compensation paid to covered employees, i.e., those employees named in the Summary Compensation Table below, to the extent such compensation exceeds \$1,000,000. Based on its review of the likely

impact of Section 162(m), the Committee may in the future recommend changes to the Company's benefit plans in order to qualify compensation paid to covered employees for such exception.

BASE SALARIES

The Committee reviews and approves corporate goals and objectives relevant to the compensation of each executive officer of the Company (including the Chief Executive Officer), evaluates each executive officer's performance in light of these goals and objectives, and sets each executive officer's compensation level based on this

Table of Contents

evaluation. The Committee also provides general oversight of management's decisions concerning the performance and compensation of the other officers of the Company and reviews compensation ranges and compensation strategy relating to other personnel. In carrying out its duties, the Committee considers the historical practices of the Company, the officer's leadership and advancement of the Company's long term strategy, plans and objectives, individual performance and contribution to the Company's success and salary levels of other executives holding similar positions in certain other textile companies. The base salary for Mr. Lowe is now covered by an agreement with the Company described in this Proxy Statement in the section entitled "Employment and Termination Agreements."

ANNUAL INCENTIVE COMPENSATION

The Company rewards executives based on each fiscal year's results and reflects a balance between overall corporate performance and performance of the specific areas of the Company under the individual's control. The annual cash incentive compensation, in the form of bonuses, is payable based upon the achievement of predetermined, objective performance goals which are specific to each executive. In addition to the objective criteria, bonuses may also be granted based upon the subjective evaluation of the performance and contribution of the respective executive to the Company.

Mr. Lowe's annual incentive compensation for fiscal 2006 was based entirely upon the Company's achievement of its budgeted EBITDA target capped at a maximum 50% of his fiscal 2006 base salary. The annual incentive compensation for Messrs. Caudle, McCoy and Holder was based upon the Company's achievement of two component targets, budgeted EBITDA and working capital, capped at an aggregate maximum of 40% of their respective fiscal 2006 base salaries. As a result of the Company's performance during fiscal 2006, annual incentive compensation was paid at a level of 42.5% of Mr. Lowe's fiscal 2006 base salary and at a level of 23.4% of each of the respective fiscal 2006 base salaries of Messrs. Caudle, McCoy and Holder. Information regarding Mr. Parke's annual incentive compensation is covered under "2006 Compensation for Chief Executive Officer."

LONG-TERM INCENTIVE COMPENSATION

The 1999 Plan was approved by the Shareholders of the Company at their 1999 Annual Meeting. The 1999 Plan provides for the grant of incentive stock options, non-qualified stock options, restricted stock awards and performance-based awards.

The Company also has two other stock option plans: the 1996 Incentive Stock Option Plan; and the 1996 Non-Qualified Stock Option Plan. No additional options will be granted under these two option plans; however, all outstanding option grants remain in full force and effect under their respective terms.

Stock Options Stock options provide incentive for the creation of Shareholder value over the long term since the full benefit of an executive officer's compensation package cannot be realized unless the Common Stock appreciates in value during the term of the option. Unless otherwise provided, options may be exercised until the earlier of ten (10) years from the date of grant or, as to the number of shares then exercisable, upon the termination of employment of the participant other than by death, disability, retirement, or change of control, when all options vest. No stock options were granted to the executive officers named in the Summary Compensation Table during fiscal year 2006.

Restricted Stock Restricted stock is granted from time to time to executive officers, primarily for purposes of retention. Restricted stock is subject to forfeiture and may not be disposed of by the recipient until certain restrictions established by the Compensation Committee lapse. Recipients of restricted stock are not required to provide consideration other than the rendering of their services. There were no grants of restricted stock to the executive officers named in the Summary Compensation Table during fiscal 2006.

SUPPLEMENTAL RETIREMENT PLAN

In July 2006, the Company established an unfunded supplemental retirement plan known as the Unifi, Inc. Supplemental Key Employee Retirement Plan (the Plan) for a select group of management employees (including the Chief Executive Officer and the other executive officers) for the purpose of providing supplemental retirement benefits. Participants in the Plan are those employees of the Company or its subsidiaries who are determined to be participants in the Plan by the Committee in its sole and exclusive discretion.

Table of Contents

The Plan provides for an initial credit to each participant's account equal to three (3) times the product of the participant's base salary for the 2005 calendar year multiplied by the participant's SERP Credit Percentage (8 1/2 % of the annual base salary for executive officers of the Company and 5 1/2 % of the annual base salary for participants who are not officers of the Company). Thereafter, as of the end of each calendar year, each participant's account shall be credited with an amount equal to the product of such participant's base salary for such calendar year multiplied by the participant's applicable SERP Credit Percentage. Each participant's account will be adjusted as if the balance in such account had been invested in the stocks that make up the Standard & Poor's 500 Index in the same proportion as their respective weighting therein. Upon a participant's termination of employment with the Company, the participant shall be entitled to receive the amount credited to such participant's account in a single lump sum payable six months after the participant's termination of employment with the Company, except in the event that the participant's termination is due to death or disability, in which case the participant or the participant's designated beneficiary, as applicable, shall immediately be entitled to such payout.

OTHER BENEFITS

It is the view of the Committee that offering certain perquisites helps in the operation of the Company's business as well as assists the Company to recruit and retain key executives. Perquisites are intended to serve a specific business need for the benefit of the Company; however, it is understood that some may be used for personal reasons as well. When perquisites are utilized for purely personal reasons, the cost is imputed to the executive officer as income and the executive officer is responsible for all applicable taxes. The executive officers of the Company are eligible to receive group life insurance benefits on the same terms applicable to the Company's other employees and also participate in the Company's Retirement Savings Plan. To the extent they are required to be reported, these benefits are disclosed in the Summary Compensation Table that follows this report.

2006 COMPENSATION FOR CHIEF EXECUTIVE OFFICER

The general compensation policy described previously is equally applicable to the compensation decisions made with respect to Mr. Parke, the Company's CEO. Mr. Parke's base salary was \$750,000, as provided by the terms of his employment agreement with the Company described under Employment and Termination Agreements. His long-term compensation during fiscal 2006 was based on the same factors generally applicable to the other executive officers of the Company described above. As a result, Mr. Parke was not granted any options or shares of restricted stock during fiscal 2006.

Annual incentive compensation for Mr. Parke was based upon two component targets, the Company's achievement of its budgeted EBITDA and the Company's Chinese joint venture's achievement of its budgeted EBITDA, and was capped at an aggregate maximum of 75% of his fiscal 2006 base salary. As a result of the Company's performance during fiscal 2006 Mr. Parke merited annual incentive compensation in the amount of \$292,500, or 39.0% of his fiscal 2006 base salary. However, consistent with his decision following fiscal 2005, Mr. Parke elected not to accept this compensation as the Company was not profitable during fiscal 2006. As the Company's Chinese joint venture did not achieve its budgeted EBITDA goals for fiscal 2006, no annual incentive compensation was merited by Mr. Parke due to the performance of the Chinese joint venture.

COMMITTEE'S JUDGMENT

It is the judgment of the Compensation Committee that in fiscal 2006, and for the three fiscal years ending June 25, 2006, the total compensation to the Company's executive officers was appropriate for the performance of the Company and to retain and motivate such executives in the future.

SHAREHOLDER PROPOSALS

The deadline for submission of Shareholder proposals pursuant to Rule 14a-8 under the Exchange Act for inclusion in the Company's proxy statement for its 2007 Annual Meeting of Shareholders is May 29, 2007. Any Shareholder proposal to be submitted at the 2007 Annual Meeting of Shareholders (but not required to be included in the Company's proxy statement), must be received by August 12, 2007, or such proposal will be considered untimely pursuant to Rules 14a-4 and 14a-5(e) under the Exchange Act and the persons named in the proxies solicited by us may exercise discretionary voting authority with respect to such proposal. Proposals which Shareholders intend to present at the Company's 2007 Annual Meeting of Shareholders or wish to have included in the Company's proxy materials should be sent registered, certified or express mail to Charles F. McCoy, Vice President, Secretary and General Counsel of the Company, at 7201 West Friendly Avenue, Greensboro, North Carolina, 27410.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

The SEC has adopted rules permitting registrants to send a single set of the annual report and proxy statement to any household at which two or more Shareholders reside if the registrant believes they are members of the same family. Each Shareholder will continue to receive a separate proxy card. This procedure, referred to as "householding," reduces the volume of duplicate information Shareholders receive and reduces the expense to the registrant. The Company has not implemented these householding rules with respect to its record holders; however, a number of brokerage firms have instituted householding which may impact certain beneficial owners of the Common Stock. If your family has multiple accounts by which you hold the Common Stock, you may have received a householding notification from your broker. Please contact your broker directly if you have any questions, require additional copies of the proxy statement or annual report, or wish to revoke your decision to household, and thereby receive multiple reports. Those options are available to you at any time.

ANNUAL REPORT

The Company's 2006 Annual Report on Form 10-K, including financial statements, accompanies this Proxy Statement.
