Report of Independent Auditors

To the Administrative Committee, as Plan Administrator
of the Kaufman and Broad Home Corporation
Amended and Restated 401(k) Savings Plan

We have audited the accompanying statements of net assets available for benefits of the Kaufman and Broad Home Corporation Amended and Restated 401(k) Savings Plan as of December 31, 2000 and 1999, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence

Edgar Filing: KB HOME - Form 11-K

supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2000 and 1999, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2000, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Notes to Financial Statements

December 31, 2000

1. GENERAL DESCRIPTION OF THE PLAN

The Kaufman and Broad Home Corporation Amended and Restated 401(k) Savings Plan (the Plan) is a defined contribution plan in which salaried employees of Kaufman

Edgar Filing: KB HOME - Form 11-K

and Broad Home Corporation (the Company) are eligible to enroll on January 1, April 1, July 1 or October 1 following the completion of 1,000 hours of service with the Company computed from the date of employment, or full-time employment for six months.

Participants electing to participate in the Plan may contribute up to 10% of their annual compensation, on a pretax basis, by means of payroll deduction. Participants may also contribute up to an additional 9% of their annual compensation, on an after tax basis, also by means of payroll deduction. All contributions must be in whole percentages. Pretax contributions are eligible for tax deferred treatment up to the limits provided by the Tax Reform Act of 1986, as adjusted for cost of living.

Unless otherwise elected by the Board of Directors, the Company will match the participant's pretax contribution up to 6% of annual base salary (determined without regard to bonuses and a maximum of \$50,000 of regular earnings for commission employees). Company matching contributions and related investment income vest to participants over five years.

Plan assets are held by Fidelity Investments Institutional Operations Company, Inc. (the Trustee). Plan participants may direct the investment of their funds among one or more of the several fund options offered by the Plan.

Terminating participants may elect (with spousal consent) to withdraw their contributions, vested Company contributions and related investment income as a lump sum payment. In the absence of a valid election, the participant's vested benefits will be distributed in the form of a Qualified Joint and Survivor Annuity or a Qualified Preretirement Survivor Annuity, or in a lump sum if the actuarial equivalent is not more than \$5,000.

Nonvested Company contributions are forfeited and used by the Company to reduce future employer contributions.

The Plan allows participant loans and hardship withdrawals subject to certain limitations.

In the event of Plan termination, benefits of all affected participants, if not already so, shall become 100% vested and nonforfeitable.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Plan are prepared on an accrual basis. Investment income is recorded as earned. Distributions of Plan benefits to withdrawn participants are recorded when distributed. Expenses incurred in the administration of the Plan are paid by the Company. Expenses incurred related to terminated participants and participant loans are paid by the Plan.

The financial statements are based on information provided to the Company and certified as complete and accurate by the Trustee. Certain adjustments have been made to the financial statements provided by the Trustee in order for them to conform to the accrual basis of accounting. The preparation of financial

Edgar Filing: KB HOME - Form 11-K

statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that could affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Certain prior year financial statement amounts have been reclassified to conform to the current year presentations.

3. TRANSFERS FROM OTHER PLANS

Transfers from other plans consist of transfers of participant account balances from other Company sponsored plans which were merged into the Plan during the year.
