As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Key Trust Company of Ohio, N.A., the trustee/ custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2002 and 2001, and for the year ended December 31, 2002, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not express an opinion on the accompanying financial statements and schedule taken as a whole. NOTE A - SIGNIFICANT ACCOUNTING POLICIES

The assets of the Plan, as reflected in the accompanying financial statements, are stated at current market value as of the statement date. The Plan has no assets not having a readily determinable market value.

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE B - DESCRIPTION OF THE PLAN

pre-tax annual compensation as defined in the Plan. Prior to June 1, 2002, participating employees could contribute up to 15% of compensation. The Plan currently offers eleven investment funds and the employer stock as investment options for participants. The matching Company contribution is invested in the same manner that the participants invest their own contributions. Prior to October 1, 2002, the matching contribution was invested in RPM International Inc. common stock. Contributions are subject to certain limitations. Vesting is immediate for contributions, both employee and employer, and earnings thereon.
