Item 5. Other Events and Regulation FD Disclosure

On August 3, 2004, Park National Corporation ("Park") and First Federal Bancorp, Inc. ("First Federal") jointly issued a news release announcing the signing of a definitive agreement and plan of merger. This merger agreement will result in the acquisition of First Federal by Park through the merger of a newly-formed subsidiary of Park with and into First Federal in an all cash transaction, immediately followed by the merger of the surviving corporation into Park. The merger transactions are anticipated to be completed in the fourth quarter of 2004, and require the approval of appropriate regulatory authorities and of the shareholders of First Federal. Under the terms of the merger agreement, shareholders of First Federal will receive cash in the amount of \$13.25 per share for each common share of First Federal outstanding immediately prior to the closing. Each outstanding option granted under a First Federal stock option plan will be cancelled and extinguished and converted into the right to receive an amount of cash equal to the product of (1) (a) \$13.25 minus (b) the exercise price of the option, multiplied by (2) the number of First Federal common shares subject to the unexercised portion of the option. As of August 3, 2004, First Federal had 3,286,221 common shares outstanding and options covering an aggregate of 335,925 common shares with a weighted average

exercise price of \$6.12 per share.

Following completion of the merger transactions described above, First Federal Savings Bank of Eastern Ohio, which is currently a subsidiary of First Federal, will merge into Century National Bank, a subsidiary of Park.
