PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

MAY 16, 2006

This Proxy Statement is furnished to the shareholders of Rocky Shoes & Boots, Inc. (the "Company") in connection with the solicitation of proxies to be used in voting at the Annual Meeting of Shareholders to be held on May 16, 2006, and at any adjournment thereof. The enclosed proxy is solicited by the Board of Directors of the Company. This Proxy Statement and the enclosed proxy will be first sent or given to the Company's shareholders on approximately April 12, 2006.

The Company will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of stock. Representatives of the Company may solicit proxies by mail, telegram, telephone, or personal interview.

All shares represented by the accompanying proxy will be voted as directed if the proxy is properly signed and received by the Company before the meeting or, in the absence of specific instructions to the contrary, will be voted in accordance with the board of directors' unanimous recommendations, which are:

- FOR the election of J. Patrick Campbell, Michael L. Finn, G. Courtney Haning, and Curtis A. Loveland as Class II Directors of the Company;
- FOR the proposal to amend the Company's Second Amended and Restated Articles of Incorporation to change the Company's name to Rocky Brands, Inc.;
- FOR the proposal to amend the Company's Second Amended and Restated Articles of Incorporation to increase the authorized number of shares of the Company's common stock, without par value, from 10,000,000 to 25,000,000;
- FOR the ratification of the selection of Deloitte & Touche LLP as the independent registered public accounting firm for the Company for the 2006 fiscal year; and
- at the discretion of the persons acting under the proxy, to transact such other business as may properly come before the meeting or any adjournment thereof.

Edgar Filing: ROCKY SHOES & BOOTS INC - Form PRE 14A

Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by filing a written notice with the Secretary of the Company prior to the meeting. Shareholders of record who attend the meeting may vote in person and their proxies will not be used.

Holders of record of common stock of the Company at the close of business on March 27, 2006, will be entitled to vote at the Annual Meeting. At that time, the Company had 5,386,093 shares of common stock outstanding and entitled to vote. Each share of common stock outstanding on the record date entitles the holder to one vote on each matter submitted at the Annual Meeting.

The presence, in person or by proxy, of a majority of the outstanding shares of common stock of the Company is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum. Broker non-votes occur when brokers, who hold their customers' shares in street name, sign and submit proxies for such shares and vote such shares on some matters, but not others. Typically, this would occur when brokers have not received any instructions from their customers, in which case the brokers, as the holders of record, are permitted to vote on "routine" matters, which typically include the election of directors and ratification of independent public accountants.

The election of each director nominee requires the favorable vote of a plurality of all votes cast by the holders of common stock at a meeting at which a quorum is present. Proxies that are marked "Withhold Authority" and broker non-votes will not be counted toward such nominee's achievement of a plurality and thus will have no effect. Each of the proposed amendments to the Company's Second Amended and Restated Articles of Incorporation requires the affirmative vote of the holders of a majority of the common stock outstanding and entitled to vote on the matter. The ratification of Deloitte & Touche as the Company's independent registered public accounting firm requires the affirmative vote of the holders of a majority of the common stock present and entitled to vote on the matter. Broker non-votes will not be counted as being in favor or against either of the proposed amendments to the Company's Second Amended and Restated Articles of Incorporation or the ratification of Deloitte & Touche LLP.

2

ELECTION OF DIRECTORS

The Company's Code of Regulations provides for a classified board of directors with two classes. Each class of directors consists, as nearly as practical, of one-half of the total number of directors. The total number of authorized directors has been fixed by the Board of Directors at eight. The Board of Directors proposes the re-election of the four incumbent Class II Directors to continue their service as Class II Directors at the 2006 Annual Meeting of Shareholders. The four incumbent Class I Directors will continue in office until the 2007 Annual Meeting of Shareholders.

J. Patrick Campbell, Michael L. Finn, G. Courtney Haning, and Curtis A. Loveland are currently Class II Directors of the Company and are being nominated by the Board of Directors for re-election as Class II Directors.

It is intended that, unless otherwise directed, the shares represented by the enclosed proxy will be voted FOR the election of Messrs. Campbell, Finn, Haning, and Loveland as Class II Directors. In the event that any of the nominees for director should become unavailable, the number of directors of the

Edgar Filing: ROCKY SHOES & BOOTS INC - Form PRE 14A

Company may be decreased pursuant to the Company's Code of Regulations, or the Board of Directors may designate a substitute nominee, in which event the shares represented by the enclosed proxy will be voted for such substitute nominee.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

The following table sets forth for each nominee and each continuing director of the Company, such person's name, age, the year in which he became a director of the Company, and his position with the Company and the Company's subsidiaries, Five Star Enterprises Ltd. AMENDMENT TO THE COMPANY'S SECOND AMENDED AND RESTATED ARTICLES OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY

The Board of Directors proposes that the shareholders of the Company approve an amendment to the Company's Second Amended and Restated Articles of Incorporation to change the Company's name from "Rocky Shoes & Boots, Inc." to "Rocky Brands, Inc." The Board of Directors believes that the name "Rocky Brands, Inc." more accurately reflects the nature of the Company's business today.

The vote required to approve the proposal to amend the Company's Second Amended and Restated Articles of Incorporation to change the Company's name is a majority of the common stock outstanding and entitled to vote on the matter.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR APPROVAL AND ADOPTION OF THE AMENDMENT TO THE COMPANY'S SECOND AMENDED AND RESTATED ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME.

AMENDMENT TO THE COMPANY'S SECOND AMENDED AND RESTATED ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

The Company's Second Amended and Restated Articles of Incorporation currently authorize the Company to issue up to 10,000,000 shares of common stock, without par value. The Board of Directors has adopted, subject to shareholder approval, an amendment to Article Fourth of the Second Amended and Restated Articles of Incorporation to increase the authorized number of shares of Common Stock from 10,000,000 shares to 25,000,000 shares. The full text of the proposed amendment to Article Fourth of the Second Amended and Restated Articles of Incorporation is as follows:

RESOLVED, that Rocky Shoes & Boots, Inc. hereby adopts the following amendment to its Second Amended and Restated Articles of Incorporation and that the Chief Executive Officer, President, an Executive Vice President, and the Secretary or Assistant Secretary of Rocky Shoes & Boots, Inc. are hereby authorized to and directed to sign and file in the office of the Secretary of the State of Ohio a certificate containing a copy of the resolution adopting the amendment and a statement of the manner of its

Edgar Filing: ROCKY SHOES & BOOTS INC - Form PRE 14A

adoption:

The Second Amended and Restated Articles of Incorporation are hereby amended by striking out in its entirety the first paragraph of Article Fourth and substituting in lieu thereof the following:

FOURTH: The total number of shares of all classes of stock which the Corporation shall have the authority to issue is Twenty-Five Million Five Hundred Thousand (25,500,000) consisting of:

1. Twenty-Five Million (25,000,000) shares of Common Stock, without par value (the "Common Stock");

6

2. Two Hundred Fifty Thousand (250,000) shares of Voting Preferred Stock, without par value (the "Voting Preferred Stock"); and

3. Two Hundred Fifty Thousand (250,000) shares of Non-Voting Preferred Stock, without par value (the "Non-Voting Preferred Stock").

The Company is presently authorized to have issued and outstanding 10,500,000 shares, consisting of (a) 10,000,000 shares of common stock, without par value, and (b) 500,000 shares of preferred stock, without par value, of which 250,000 shares are voting preferred stock and 250,000 shares are non-voting preferred stock. The proposed amendment does not change the express terms of the common stock. No change in the express terms, or in the number of authorized shares, of the preferred stock is proposed.

As of February 28, 2006, of the 10,000,000 shares of common stock presently authorized, 5,351,023 shares were issued and outstanding and 487,500 shares were reserved for issuance under the Company's stock option plans.

The Board of Directors believes that the proposed increase in the authorized shares of common stock is desirable to enhance the Company's flexibility to issue shares in connection with one or more of the following:

- acquisitions;
- strategic investments;
- corporate transactions, such as stock splits or stock dividends;
- financing transactions, such as public offerings of common stock or convertible securities;
- incentive and employee benefit plans; and
- otherwise for corporate purposes that have not yet been identified.

If the proposed Amended and Restated Certificate of Incorporation is adopted, the additional authorized shares of common stock may be issued upon the approval of the Board of Directors at such times, in such amounts, and upon such terms as our Board of Directors may determine, without further approval of the shareholders, unless such approval is expressly required by applicable law, regulatory agencies, or the Nasdaq Stock Market (or any other exchange or quotation service on which the Company's common stock may then be listed). Further, the Company's shareholders will have no preemptive rights to purchase

Edgar Filing: ROCKY SHOES & BOOTS INC - Form PRE 14A

additional shares.

The affirmative vote of the holders of a majority of common stock outstanding and entitled to vote on the matter is required to adopt this proposal. It will become effective upon the filing of the amendment to the Company's Second Amended and Restated Articles of Incorporation with the Secretary of State of Ohio, which the Company intends to make on May 17, 2006, the day after completion of the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR APPROVAL AND ADOPTION OF THE AMENDMENT TO THE COMPANY'S SECOND AMENDED AND RESTATED ARTICLES OF INCORPORATION TO INCREASE THE COMPANY'S AUTHORIZED SHARES OF COMMON STOCK, WITHOUT PAR VALUE, FROM 10,000,000 TO 25,000,000.

The Company generally does not pay any third parties to identify or evaluate, or assist in identifying or evaluating, potential nominees.

The Nominating and Corporate Governance Committee considers the recommendations of shareholders regarding potential director candidates. In order for shareholder recommendations regarding possible director candidates to be considered by the Nominating and Corporate Governance Committee:

The actual value of the options will vary in accordance with the market price of the Company's common stock. RETIREMENT PLAN

The Company's Restated Retirement Plan for Non-Union Employees (the "Retirement Plan") is a defined benefit pension plan which is intended to qualify under Sections 401(a) and 501(a) of the Internal Revenue Code of 1986, as amended (the "Code"). Until December 31, 2005, all Rocky Shoes & Boots, Inc. employees, including U.S. territorial employees, excluding leased employees and those employees covered by a collective bargaining agreement, were eligible to participate in the Retirement Plan if they were at least 21 years old and had worked at least 1,000 hours for the Company over a period of one year. As of December 31, 2005, the Company froze the Retirement Plan for all non-U.S. territorial employees.

The Retirement Plan provides for the payment of a monthly retirement benefit commencing at age 65, subject to certain early and late retirement options. The amount of the monthly benefit is determined pursuant to a formula contained in the Retirement Plan which takes the greater of 1.5% of Mr. Brooks's average monthly compensation, or \$12.00, and multiplies it by Mr. Brooks's number of years of credited service up to a maximum of 35 years. The average monthly compensation is determined for the three consecutive years which gives

Edgar Filing: ROCKY SHOES & BOOTS INC - Form PRE 14A

the participant the highest average. Compensation for this purpose means wages which are subject to federal income tax withholding.

The following table illustrates the operation of the Retirement Plan by showing various annual retirement benefits payable to participating employees in the compensation and years of service classifications indicated, assuming that participants retire at age 65 and that each participant elects a joint and survivor annuity for the lives of the participant and his or her spouse. There is no reduction of benefits for Social Security retirement income.

 *The maximum pay level recognized at this time is \$210,000. This maximum is indexed with the COLA % each year, with \$5,000 incremental increases.

For each of the executive officers named in the Summary Compensation Table, the compensation covered by the Retirement Plan for 2005, was \$210,00 for each of Messrs. Brooks, Sharp, and McDonald. The Code imposes limitations on the amount of annual benefits payable to an individual under the Retirement Plan. This limit for the 2005 Plan Year is \$175,000. The estimated years of service for each of the executive officers as of December 31, 2005, was 30.7 years for Mr. Brooks, 5.5 years for Mr. Sharp, and 4.5 years for Mr. McDonald.

EMPLOYMENT AGREEMENTS

On July 1, 1995, Mr. Brooks entered into an employment agreement with the Company. The employment agreement provides for a minimum base salary and a covenant not-to-compete. Mr. Brooks' employment agreement is "at will" and, therefore, does not have a stated term.

The covenant not-to-compete contained in Mr. Brooks' employment agreement is for the time of employment, plus a one-year period following termination of employment; provided, that if his employment is terminated following a change in control (as defined in the employment agreement), the covenant not-to-compete will terminate immediately. If the agreement is terminated as a result of a change in control, or if he resigns after a change in control, he is entitled to receive 2.99 times his average annual compensation, including bonuses and taxable fringe benefits, over the last five taxable years immediately preceding the date of a change in control, but in no event will such payments constitute excess parachute payments within the meaning of the Code. Under the employment agreement, a change in control is deemed to have occurred if (i) the Company or 50% or more of its assets or earning power is acquired and less than a majority of the outstanding voting shares of the survivor of such acquisition is owned, immediately after such acquisition, by the owners of the voting shares of the Company outstanding immediately prior to such acquisition, or (ii) there is a

Edgar Filing: ROCKY SHOES & BOOTS INC - Form PRE 14A

change in a majority of the Board of Directors of the Company over any two-year period, which has not been approved in advance by at least two-thirds of the directors of the Company in office at the beginning of the period.

19

The following Compensation Committee Report, Performance Graph, and Audit Committee Report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any of the Company's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee has the authority and responsibility to determine and administer the Company's officer compensation policies and to approve the salaries of executive officers, the formula for bonus awards to executive officers, and the grant of stock options and restricted stock to executive officers and other key employees under the Company's 1995 Stock Option Plan and 2004 Stock Incentive Plan. The Compensation Committee consists solely of independent directors of the Company. In general, the philosophy of the Compensation Committee is to attract and retain qualified executives, reward current and past individual performance, provide short-term and long-term incentives for superior future performance, and relate total compensation to individual performance and performance of the Company.

On July 1, 1995, the Company entered into an employment contract, approved by the Company's Board of Directors, with Mr. Brooks. The base salary under the employment contract is subject to review by the Compensation Committee and may be increased periodically.

The determination of executive officer base salaries for the fiscal year ended December 31, 2005, including increases to the minimum base salary fixed by the employment contract of Mr. Brooks (see EMPLOYMENT AGREEMENTS above), was based primarily on subjective factors, such as the Compensation Committee's perception of individual performance and the executive officer's contribution to the overall performance of the Company, and not on specific criteria. No specific weight was given to any of these factors because each of these factors was considered significant and the relevance of each varies depending upon an officer's responsibilities. These factors were also taken into account when the Compensation Committee established Mr. Brooks' salary at \$350,000 for the fiscal year ended December 31, 2005.

The Company established an executive bonus program for 2005. The bonuses payable under the executive bonus program were based on percentages of a participant's salary. The amount of the percentage bonus depended on the Company's operating income. The percentages payable to the named executive officers ranged from 16% to 102%, depending on the officer and the amount of operating income. Four of the Company's named executive officers, including Mr. Brooks, were eligible to participate in the executive bonus pool for 2005. The percentages issued under the program were allocated at the beginning of 2005 among these four executive officers based upon the Compensation Committee's subjective perception of each executive officer's contribution to the overall profitability of the Company. Under the executive bonus program, no bonuses were awarded to executive officers for 2005.

The purpose of the Company's 1995 Stock Option Plan and 2004 Stock Incentive Plan is to provide long-term incentives to key employees and motivate key employees to improve the Company's performance, and in turn, the performance

Edgar Filing: ROCKY SHOES & BOOTS INC - Form PRE 14A

of the Company's common stock. Stock option awards are considered annually by the Compensation Committee. The value of the stock options awarded is entirely dependent upon the Company's stock performance over a period of time.

20

The number of shares of common stock subject to the options granted during 2005 was determined based on a subjective evaluation of the past performance of the individual, the total compensation being paid to the individual, the individual's scope of responsibility, and the anticipated value of the individual's contribution to the Company's future performance. No specific weight was given to any of these factors. Although information as to the options awarded to each executive officer during previous years was reviewed by the Compensation Committee, the Compensation Committee did not consider the total amount of options held by an officer in determining the size of an option awarded for 2005.

Options were granted under the 2004 Stock Incentive Plan by the Company during 2005 to 24 key employees in recognition of their efforts relating to the integration of the new EJ Subsidiaries. Each stock option awarded had an exercise price equal to the fair market value of the underlying common stock of the Company on the date of the grant. The options granted immediately vested and became exercisable on the date of grant and terminate eight years from the date of grant. All options granted during 2005 to employees are subject to certain forfeiture restrictions in the 2004 Stock Incentive Plan.

The Budget Reconciliation Act of 1993 amended the Code to add Section 162(m) which bars a deduction to any publicly held corporation for compensation paid to a "covered employee" in excess of \$1,000,000 per year. The Compensation Committee does not believe that this law will impact the Company because the current level of compensation for each of the Company's executive officers is well below the \$1,000,000 salary limitation.
