Item 8.01. Other Events.

On March 18, 2019, The Walt Disney Company (the “Company”) announced the expiration and final results of the offers to exchange (the “Exchange Offers”) any and all outstanding notes (the “21CFA Notes”) issued by 21st Century Fox America, Inc. (“21CFA”), a wholly-owned subsidiary of Twenty-First Century Fox, Inc. (“21CF”), for up to \$18,128,740,000 aggregate principal amount of new notes to be issued by TWDC Holdco 613 Corp. (“New Disney”) and cash and the related consent solicitations (the “Consent Solicitations”) made by New Disney on behalf of 21CFA to adopt certain proposed amendments to the indentures governing the 21CFA Notes. The Exchange Offers and Consent Solicitations expired at 5:00 p.m., New York City time, on March 15, 2019 (the “Expiration Date”).

The Exchange Offers and Consent Solicitations were made pursuant to the terms and subject to the conditions set forth in the offering memorandum and consent solicitation statement dated October 5, 2018 (as amended by a supplement dated October 15, 2018) and the related letter of transmittal (as amended by a supplement dated October 15, 2018), each as amended by the related press releases dated October 29, 2018, November 27, 2018, January 8, 2019, January 18, 2019, January 25, 2019, January 29, 2019, January 30, 2019, February 6, 2019, February 21, 2019, March 1, 2019, March 5, 2019 and March 8, 2019 and are conditioned upon the closing of New Disney’s acquisition (the “Acquisition”) of 21CF, which condition may not be waived by New Disney, and certain other conditions that may be waived by New Disney. As of the Expiration Date, all conditions to the Exchange Offers and Consent Solicitations (other than the consummation of the Acquisition) were satisfied. Therefore, the settlement will occur on or about the date the Acquisition is consummated. As previously announced, the Acquisition is expected to become effective at 12:02 a.m. Eastern Time on March 20, 2019, subject to the satisfaction or waiver of the conditions to the consummation of the Acquisition set forth in the documentation governing such transaction. If the Acquisition is not consummated, or settlement does not otherwise occur, promptly following the Expiration Date, then the 21CFA Notes will be promptly returned to the tendering holders.

A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Cautionary Notes on Forward Looking Statements

This communication contains “forward-looking statements” within the meaning of the federal securities laws, including Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In this context, forward-looking statements often address expected future business and financial performance and financial condition, and often contain words such as “expect”, “anticipate”, “intend”, “plan”, “believe”, “seek”, “see”, “will”, “would”, “target”, similar expressions, and variations or negatives of these words. Forward-looking statements by their nature address matters that are, to different degrees, uncertain, such as statements about the consummation of the Acquisition and the anticipated benefits thereof and the expected timing of completion of the Exchange Offers and the Consent Solicitations. These and other forward-looking statements are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements, including the failure to consummate the Acquisition or to make any filing or take other action required to consummate such transaction in a timely matter or at all. Important risk factors that may cause such a difference include, but are not limited to the risk: (i) that the completion of the Acquisition may not occur on the anticipated terms and timing or at all, (ii) that a condition to closing of the Acquisition may not be satisfied (including, but not limited to, the receipt of legal opinions with respect to the treatment of certain aspects of the Acquisition under U.S. and Australian tax laws), (iii) that the anticipated tax treatment of the Acquisition is not obtained, (iv) that potential litigation relating to the Acquisition is instituted against 21CF, the Company, New Disney or their respective directors, (v) of unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition and losses on the future prospects, business and management strategies for the management, expansion and growth of New Disney’s operations after the consummation of the Acquisition and on the other conditions to the completion of the Acquisition, and (vi) of adverse legal and

regulatory developments or determinations or adverse changes in, or interpretations of, U.S., Australian or other foreign laws, rules or regulations, including tax laws, rules and regulations, that could delay or prevent completion of the Acquisition or cause the terms of the Acquisition to be modified, as well as management's response to any of the aforementioned factors. Additional factors are set forth in the Company's Annual Report on Form 10-K for the year ended September 29, 2018 under Item 1A, "Risk Factors", and in subsequent reports.
