United Dominion Realty Trust, Inc. (the "Company") is re-issuing in an updated format its historical financial statements for the fiscal years ended December 31, 2001, 2000 and 1999 in connection with the adoption of Statement of Financial Accounting Standards No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets" (SFAS 144). From January 1, 2002 through November 27, 2002, the Company sold or transferred certain properties into real estate held for disposition and in compliance with SFAS 144 has reported revenue, expenses and gains on sales from these properties as discontinued operations for each period presented in its quarterly reports filed since the date of transfer (including the comparable period of the prior year). Under SEC requirements for transitional disclosure, the same reclassification as discontinued operations required by SFAS 144 following the transfer of properties into real estate held for disposition is required for previously issued annual financial statements for each of the three years shown in the Company's last Annual Report on Form 10-K, if those financials are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, even though those financial statements relate to periods prior to the date of transfer. This reclassification has no effect on the Company's reported net income available to common shareholders or funds from operations ("FFO"). The Company elected to re-issue these historical financial statements at this time in preparation for the issuance of a new shelf registration statement.

This Current Report on Form 8-K updates Items 6, 7 and 8 of the Company's Annual Report on Form 10-K for the year ended December 31, 2001 (the "Form 10-K") to reflect those properties sold or included in real estate held for disposition through November 27, 2002 as discontinued operations. These updated Items of the Form 10-K are attached to this Current Report as Exhibit 99.1. All other items of the Company's Form 10-K remain unchanged. No attempt has been made to update matters in the Form 10-K except to the extent expressly provided above.
