Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use by delivering to our secretary a written notice of revocation or a duly executed proxy bearing a later date or by attending the meeting and voting in person.

Voting and Solicitation

Each stockholder is entitled to one vote for each share held as of the Record Date. Stockholders will not be entitled to cumulate their votes in the election of directors.

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR," "AGAINST" or "ABSTAIN" are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting (the "Votes Cast") with respect to such matter.

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, Sanmina-SCI believes that abstentions should be counted for purposes of determining both (i) the presence or absence of a quorum for the transaction of business and (ii) the total number of Votes Cast with respect to a proposal (other than the election of directors). In the absence of a controlling precedent to the contrary, Sanmina-SCI intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal.

Brokers may indicate on the enclosed proxy or its substitute that they do not have discretionary authority as to certain shares to vote on a particular matter for which they have not received specific instructions from the beneficial owner of the shares ("broker non-votes"). In a 1988 Delaware case, *Berlin v. Emerald Partners*, the Delaware Supreme Court held that, while broker non-votes should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Accordingly, we intend to treat broker non-votes in this manner. Thus, a broker non-vote will not have any effect on the outcome of the voting on a proposal.

Except as described in the preceding paragraph, any proxy which is returned using the form of proxy enclosed and which is not marked as to a particular item will be voted *for* all matters submitted to a vote of stockholders at the Annual Meeting pursuant to this proxy statement. In addition, the proxy holders will vote as the proxy holders deem advisable, on other matters that may come before the meeting, as the case may be with respect to the items not marked.

The cost of soliciting proxies will be borne by us. We may retain the services of our transfer agent, Wells Fargo Shareholder Services, or other proxy solicitors to solicit proxies. In addition, we expect to reimburse brokerage firms and other persons representing beneficial owners of shares for their expense in forwarding solicitation material to such beneficial owners. Proxies may be solicited by certain of our

directors, officers and regular employees, without additional compensation, in person or by telephone or facsimile.

Stockholder Proposals for 2006 Annual Meeting

Proposals that are intended to be presented by our stockholders at the 2006 Annual Meeting must be received by us at our principal executive offices no later than August 19, 2005 in order that they may be included in the proxy statement and form of proxy relating to that meeting. Under our bylaws, a proposal that a stockholder does not seek to include in Sanmina-SCI's proxy materials for fiscal 2006 but that may still be properly brought before the fiscal 2006 annual meeting must be delivered to the Secretary of Sanmina-SCI at Sanmina-SCI's principal executive offices not less than 45 or more than 75 days prior to January 21, 2006; provided, however, that if the date of the annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after February 28, 2006, notice by the stockholder to be timely must be so delivered not later than the close of business on the later of (i) the 90th day prior to such annual meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

Our Board of Directors currently consists of nine members. All nine positions on the Board of Directors are to be elected at this meeting. All nine nominees are currently members of the Board of Directors, except for Alain Couder who is being nominated to fill the position currently held by John Bolger. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nine nominees named below. If any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. The company is not aware of any nominee who will be unable or will decline to serve as a director. If stockholders nominate additional persons for election as directors, the proxy holders will vote all proxies received by them to assure the election of as many of the Board's nominees as possible, with the proxy holder making any required selection of specific nominees to be voted for. The term of office of each person elected as a director will continue until the next annual meeting of stockholders or until that person's successor has been elected.

Board Meetings, Committees and Director Compensation

The Board of Directors held seven meetings during the fiscal year ended October 2, 2004. No nominee who was a director during the entire fiscal year attended fewer than 75 percent of the meetings of the Board of Directors or of committees on which such person served.

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. From time to time, the Board has created various ad hoc committees for special purposes. No such committee is currently functioning.

Audit Committee

The Audit Committee currently consists of directors Neil Bonke, John Bolger and Peter Simone. Mr. Bolger is the chairman of the Audit Committee. As Mr. Bolger is not a nominee for election as a director at the Annual Meeting, the Board of Directors has determined that it will appoint director Alain Couder to replace Mr. Bolger on the Audit Committee immediately following the annual meeting, assuming Mr. Couder is elected by the stockholders. Further, the Board of Directors has determined that it will appoint Mr. Simone chairman of the Audit Committee, assuming Mr. Simone is re-elected by the stockholders.

The Audit Committee reviews and monitors our corporate financial reporting and external audit, including, among other things, our control functions, the results and scope of the annual audit and other services provided by our independent registered public accountants and our compliance with legal matters that have a significant impact on our financial reports. The Audit Committee also reviews and monitors our internal audit function and receives regular reports from the internal audit department. The Audit Committee also consults with our management and our independent auditors prior to the presentation of financial statements to stockholders and, as appropriate, initiates inquiries into various aspects of our financial affairs. In addition, the Audit Committee is responsible for considering and recommending the appointment of our independent auditors. The Audit Committee held seven meetings in the last fiscal year. All members of the Audit Committee are independent (as independence is defined in Rule 4200(a)(15) of the listing standards for the Nasdaq Stock Market, the principal trading market of our Common Stock). Mr. Bolger and Mr. Simone both meet the definition of "audit committee financial expert" as defined by the Securities and Exchange Commission. The Annual Report of the Audit Committee appears hereafter under "Report of the Audit Committee of the Board of Directors."

Compensation Committee

The Compensation Committee consists of directors Neil Bonke, Wayne Shortridge and Jacquelyn Ward. Mr. Bonke is the chairman of the Compensation Committee.

The Compensation Committee reviews and makes recommendations to the Board concerning salaries and incentive compensation for our executive officers and certain employees. The Compensation Committee also approves all stock option and other equity compensation awards for our executive officers and also considers and evaluates overall compensation policies and strategies for the company. The Compensation Committee held two meetings during the last fiscal year.

Compensation Committee Interlocks and Insider Participation. The Compensation Committee consists of directors Neil Bonke, Wayne Shortridge and Jacquelyn Ward, none of whom are employees of Sanmina-SCI. During fiscal 2004, no executive officer of Sanmina-SCI (i) served as a member of the compensation committee (or other board committee performing similar functions or, in the absence of any such committee, the board of directors) of another entity, one of whose executive officers served on Sanmina-SCI's Compensation Committee, (ii) served as a director of another entity, one of whose executive officers served on Sanmina-SCI's Compensation Committee, or (iii) served as a member of the compensation committee (or other board committee performing similar functions or, in the absence of any such committee, the board of directors) of another entity, one of whose executive officers served as a director of the company.

Nominating and Governance Committee

The Nominating and Governance Committee consists of directors Mario Rosati and Wayne Shortridge. Mr. Shortridge is chairman of the Nominating and Governance Committee. The Nominating and Governance Committee held two meetings during the last fiscal year.

The Nominating and Governance committee is responsible for both nominating and governance functions. Nominating functions include development of general criteria regarding the qualifications and selection of board members and the recommendation of candidates for election to the Board. Governance functions include development of overall governance guidelines for the Board of Directors and Sanmina-SCI, overseeing and evaluating the overall performance of the Board of Directors and the chief executive officer, and executive recruitment, development and succession planning. The Nominating and Governance Committee considers suggestions from many sources, including stockholders, regarding possible candidates for director. Stockholders may nominate director candidates for consideration by writing to the Nominating and Governance Committee, c/o the Corporate Secretary, Sanmina-SCI Corporation, 2700 N. First Street, San Jose, California, 95134, and providing the candidate's name, biographical data, qualifications and the candidate's written consent to being named as a nominee in Sanmina-SCI's Proxy Statement and to serve as a director if elected.

Director Compensation

In fiscal 2004, directors who were not our employees ("Outside Directors") were paid an annual retainer of \$50,000. The annual retainer for Outsider Directors for fiscal 2005 is \$60,000. Each Outside Director who is a member of a committee of the Board also receives an annual retainer of \$10,000, and any Outside Director who is a Chairperson of any committee of the Board receives an additional annual retainer of \$10,000, provided that these amounts will be increased by 33¹/₃% for any director electing to take his or her entire retainer in the form of restricted common stock. In addition to those amounts, each Outside Director attending a meeting of the Board receives an additional payment of \$2,000 per meeting and each Outside Director attending a committee meeting held on a day not involving a meeting of the Board receives an additional payment of \$1,500 per meeting.

In June 2002, the Board approved the establishment of the Sanmina-SCI Deferred Compensation Plan for Outside Directors, which provides eligible directors an opportunity to defer payment of all or part of their compensation payable to them for acting as our directors. The directors are also reimbursed for travel and related expenses incurred by them in attending board and committee meetings.

Edgar Filing: SANMINA-SCI CORP - Form DEF 14A

Upon first becoming a director, each new Outside Director is eligible for a discretionary stock option grant to purchase up to 20,000 shares of Common Stock under our 1999 Stock Option Plan. In addition, each continuing Outside Director currently receives (provided that such Outside Director has been a director for at least four months prior to such grant), on October 1 of each year, an annual grant of an option to purchase up to 20,000 shares of Common Stock.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING "FOR" THE NOMINEES TO THE BOARD LISTED ABOVE.

PROPOSAL NO. 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

The Audit Committee has approved, subject to stockholder ratification, the selection of KPMG LLP ("KPMG") as our independent registered public accountants for the fiscal year ending October 1, 2005.

The Board of Directors confirmed the Audit Committee's selection of KPMG as our independent registered public accountants to audit the financial statements of Sanmina-SCI for the fiscal year ending October 1, 2005. The affirmative vote of holders of a majority of the shares of Common Stock represented at the meeting and voting is necessary to ratify the appointment of KPMG as our independent registered public accountants. In the event of a negative vote, the Board of Directors will reconsider its selection. Representatives of KPMG are expected to be present at the Annual Meeting, with the opportunity to make a statement if they desire to do so, and are expected to be available to respond to appropriate questions.

The following is a summary of fees paid to KPMG for the years ended October 2, 2004 and September 27, 2003:

Audit Fees

The aggregate fees billed for professional services rendered by KPMG for the audit of our annual consolidated financial statements, statutory audits, and the reviews of the condensed consolidated financial statements included in our Quarterly Reports on Form 10-Q for the fiscal years ended October 2, 2004 and September 27, 2003 were as follows:

These other services in fiscal 2003 consisted primarily of assistance with Sanmina-SCI's initiative to document key internal controls over financial reporting pursuant to the requirements of Section 404 of the Sarbanes-Oxley Act of 2002 and audits of our benefit plans.

<u>Year Ended October 2, 2004</u>	<u>Year Ended September 27, 2003</u>
\$97,000	\$939,000

The Audit Committee has concluded that the non-audit services provided by KPMG are compatible with maintaining the independence of KPMG.

Audit Committee Pre-approval Policy with respect to Audit and Permissible Non-Audit Services

All audit and non-audit services provided by the company's independent auditors require prior approval of the Audit Committee, with limited exceptions as permitted by the Securities and Exchange Commission's Rule 2-01 of Regulation S-X. Management periodically reports to the audit committee services for which the independent registered public accountants have been engaged and the aggregate fees incurred and to be incurred. During fiscal 2004, all services provided by the independent auditors were pre-approved by the Audit Committee in accordance with this policy.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS VOTING "FOR" THE RATIFICATION OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR THE FISCAL YEAR ENDING OCTOBER 1, 2005.

Report of the Audit Committee of the Board of Directors

The principal purpose of the Audit Committee is to assist the Board of Directors in its general oversight of the company's financial reporting process. The Audit Committee's purpose is more fully described in its charter, which the Audit Committee reviews on an annual basis. Under this charter, the Audit Committee consists of at least three directors, all of whom must qualify as independent directors under the rules of the Nasdaq Stock Market. The Audit Committee currently consists of directors Neil Bonke, John Bolger and Peter Simone.

The Audit Committee recommends to the Board of Directors, subject to stockholder ratification, the selection of KPMG as our independent registered public accountants for fiscal year 2005.

Management is responsible for the internal controls and the financial reporting process. KPMG, our independent registered public accountants, are responsible for performing an independent audit of our financial statements in accordance with generally accepted auditing standards and expressing an opinion on the conformity of those audited financial statements in accordance with generally accepted accounting principles. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed the audited financial statements for fiscal 2004 and has met and held discussions with management regarding the audited financial statements. Management has represented to the Audit Committee that our financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee discussed with KPMG the overall scope and plans for their respective audits. The Audit Committee met with KPMG, with and without management present, to discuss the results of their examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

The Audit Committee reviewed with KPMG their judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61 "Communication with Audit Committees." KPMG also provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees." The Audit Committee has also discussed with KPMG the firm's independence. In addition, the Audit Committee has considered whether the nonaudit services provided by KPMG are compatible with maintaining KPMG's independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended October 2, 2004 for filing with the Securities and Exchange Commission. The Audit Committee has also approved, subject to stockholder ratification, the selection of KPMG as our independent registered public accountants for the fiscal year ending October 1, 2005.

Respectfully submitted,

The Audit Committee of the Sanmina-SCI
Corporation Board of Directors

COMPENSATION COMMITTEE REPORT

The following report is provided to stockholders by the members of the Compensation Committee of the Board of Directors.

Compensation Committee Report

Introduction

The Compensation Committee of the Board is charged with the responsibility of reviewing all aspects of the company's compensation programs for executive officers and administering the company's stock plans. During fiscal 2004, the Committee was comprised of Neil Bonke, who serves as Chairman of the Committee, and Wayne Shortridge and Jacquelyn Ward. The Committee meets regularly at the beginning of each fiscal year to establish target base compensation levels for the company's executive officers for such fiscal year, review operating plans and objectives and establish incentive compensation levels for such fiscal year and to approve bonuses for the previous fiscal year. In establishing these target compensation levels and in formulating and evaluating the company's compensation programs, the Committee has, from time to time, engaged an external executive compensation consulting firm to make recommendations to the Committee.

Compensation Philosophy

The company's executive compensation policies are designed to attract and retain qualified executives who will contribute to the company's long-term success, to reward executives for achieving the company's financial goals, and to link executive compensation and stockholder interests through market competitive incentives and equity-based plans. The Committee believes that strong financial performance, on a consistent, predictable basis, is the most certain avenue through which the company can positively affect long-term stockholder return. Furthermore, the company believes that, in order to attract and retain the most qualified executives in the industry, its compensation policies must be competitive with other companies of comparable size and in similar industries, including both the technology and manufacturing industries, and must reinforce strategic performance objectives through the use of incentive compensation programs. In order to provide incentive to executive officers, the company targeted to pay a significant percentage of the executives' total compensation by means of variable performance-based cash incentives and stock option and restricted stock awards. Determination of each component of variable compensation is based on an assessment of a combination of metrics

and individual performance. The amount of incentive compensation for each person in fiscal 2004 has been determined on the basis of several indicators of corporate performance as outlined below.

Compensation Components

The following are the key components of the company's executive officer compensation:

Base Compensation. The Committee establishes base salaries for executive officers based on its review of base salaries of executive officers in companies of comparable size and in similar industries, including both the technology industry and the manufacturing industry. In general, the Committee's philosophy has been to provide base compensation to executive officers at levels comparable to the midpoint of comparable companies and to weight a significant portion of executive officer compensation toward incentive compensation including performance-based bonuses and long-term equity incentives.

Bonuses. The company's executive bonus plan provides for incentive compensation to the company's executive officers and other key employees and is determined annually and based principally on certain performance measures. The performance measures include worldwide corporate and individual performance. Worldwide corporate performance measures for fiscal 2004 were focused on metrics which the Committee believes contribute to stockholder value creation. These performance measures included:

Revenue;

Operating Margin; and

Earnings per Share

These measures are defined in the company's fiscal 2004 operating plan and were communicated to all bonus plan participants. The Committee believes that these factors were indicative of overall corporate performance and stockholder value. Individual performance was measured based on goals related to each person's function within the organization. Executive bonus plan participants accrued bonuses each quarter based on performance against year-to-date operating plan targets and stockholder value creation targets. The accrued bonus balances for executive officers vested at the end of fiscal 2004 and were paid upon final determination of earned bonuses.

Long-Term Incentive Compensation. The company's 1999 Stock Plan provides for long-term incentive compensation for employees of the company, including executive officers. A significant portion of the total compensation package for the company's executive officers is in the form of stock option and restricted stock awards. These awards give employees an equity interest in the company, thereby aligning the interests of executive officers and stockholders and providing incentive to maximize stockholder value. In the first quarter of fiscal 2004, restricted stock awards were made to the company's executive officers. These awards are subject to time based vesting, with the potential for acceleration of vesting in the event the market value of the company's common stock achieves certain targets relative to the market values of other major electronics manufacturing services companies.

Policy Regarding Tax Deduction for Compensation Under Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code ("IRC") limits the company's tax deduction to \$1 million for compensation paid to certain executive officers named in the proxy unless the compensation is performance based. Bonus payments made pursuant to the company's Incentive Compensation Plan for fiscal 2004 met the performance criteria of IRC Section 162(m). The Committee's present intention is to comply with the requirements of IRC Section 162(m), unless the Committee determines that it is in the interests of the Corporation to do otherwise.

Chief Executive Officer Compensation

Mr. Sola's compensation for fiscal 2004 was determined by the Committee in accordance with all of the same principles and factors set forth above under "Compensation Philosophy" and "Compensation Components." The Committee's bonus award to Mr. Sola was equal to 100% of Mr. Sola's targeted award for fiscal 2004 based on the company achieving budgeted levels of revenues and operating income that were established at the outset of the fiscal year. This bonus represented the Committee's recognition of the substantial progress that the company made in increasing revenues, improving margins and returning to profitability on a GAAP basis during the fourth quarter of fiscal 2004. The Committee also considered the company's progress in the area of asset management metrics and controlling selling, general and administrative expenses.

Respectfully submitted,

The Compensation Committee of the
Sanmina-SCI Corporation Board of Directors

Neil Bonke, Chairman
Wayne Shortridge
Jacquelyn M. Ward

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Certificate of Incorporation, as amended, provides that the personal liability of directors for monetary damages arising from a breach of their fiduciary duties in certain circumstances shall be eliminated to the fullest extent permitted by Delaware law. The Certificate of Incorporation, as amended, also authorizes us to indemnify directors and officers to the fullest extent permitted by Delaware law. We have entered into indemnification agreements with our officers and directors providing such indemnification. The indemnification agreements may require us, among other things, to indemnify such officers and directors against certain liabilities that may arise by reason of their status or service as directors or officers (other than liabilities arising from willful misconduct of a culpable nature), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain directors' and officers' insurance.

During fiscal 2004, Mario M. Rosati, a nominee for election to our Board of Directors, and Christopher D. Mitchell, our secretary, were also members of the law firm of Wilson Sonsini Goodrich & Rosati, Professional Corporation, Palo Alto, California ("WSGR"). We retained WSGR as our legal counsel during the fiscal year. The legal fees paid to WSGR were less than 5% of WSGR's total gross revenues for its last completed fiscal year. We plan to retain WSGR as our legal counsel again during fiscal 2005.

In April 2002, we entered into a promissory note agreement with Randy W. Furr, our President, Chief Operating Officer and nominee for election to our Board of Directors, for \$425,000 plus interest at 5.25% per annum. The purpose of the note was to provide funds to pay income taxes related to company stock options exercised by Mr. Furr. In October 2002, the Compensation Committee approved the payment of an extraordinary bonus to repay the \$425,000 principal amount of the note plus accrued interest of \$13,016. The extraordinary bonus has been offset against Mr. Furr's fiscal 2003 bonus of \$350,000 and the balance has been offset against his bonus award for fiscal 2004. Mr. Furr used the proceeds of the extraordinary bonus to repay the loan. Consistent with the provisions of the Sarbanes-Oxley Act of 2002, Sanmina-SCI has adopted a policy prohibiting future loans to officers and directors.

As of December 6, 2001, Sanmina Corporation and SCI Systems, Inc. entered into an employment agreement with A. Eugene Sapp for a period of one year in connection with the merger of a wholly-owned subsidiary of Sanmina Corporation with and into SCI Systems, Inc. to form Sanmina-SCI. On December 5, 2002, Sanmina-SCI extended the term of Mr. Sapp's employment agreement until December 6, 2003. The agreement expired on that date. Mr. Sapp has served as a member of Sanmina-SCI's board of directors since December 2001. Mr. Sapp also served as the co-chairman of Sanmina-SCI's Board of Directors from December 6, 2001 until December 6, 2002.

In February 2004, we entered into an agreement with Rick R. Ackel, our former chief financial officer, under which we are obligated to provide him with severance pay and benefits through June 2005 and to make a lump sum payment to him in June 2005 in the event his total compensation from us does not reach certain specified thresholds. In fiscal 2004, we recorded a charge representing an estimate of our aggregate remaining obligations to Mr. Ackel.

In July 2004, we executed an offer of employment with David L. White, our executive vice president and chief financial officer, which provides that in the event of the sale or acquisition of Sanmina-SCI, all outstanding stock options and restricted stock grants held by Mr. White will immediately vest.
