**ITEM 4. Description of Securities.**

Not Applicable.

**ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.**

Not Applicable.

**ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.**

The Company's Amended and Restated Articles of Incorporation (the "Articles") limit the liability of directors and officers providing that the Company shall indemnify a person made a party to a proceeding, because that person is or was a director or officer, against liability incurred in the proceeding, as well as expenses (including counsel fees), if the person's conduct was in good faith, and if he or she reasonably believed, in the case of "official conduct" with the Company, that his or her conduct was in the Company's best interests (or at least that the conduct was not opposed to the Company's best interests), and, in the case of any criminal proceeding, that the individual either had reasonable cause to believe that the conduct was lawful, or had no reasonable cause to believe that the

conduct was unlawful. Indemnification against reasonable expenses incurred by a director or officer is also required in any case in which that person, having been made a party to a proceeding because he or she was a director or officer, has been wholly successful, on the merits or otherwise, in the defense of such action. These provisions prohibit indemnity if a director or officer is found liable in a proceeding by the Company (or in a stockholder derivative action on behalf of the Company) against the director or officer, or in connection with a proceeding in which the director or officer has been adjudged liable for having improperly received a personal benefit in his or her capacity as a director.

A director's conduct with respect to an employee benefit plan, for a purpose the director reasonably believed to be in the interests of the participants in and beneficiaries of the plan, is conduct which complies with the indemnification standard set forth in the Articles.

An indemnification determination may be made by the Company's Board of Directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding, or, if such a quorum cannot be obtained, by majority vote of a committee duly designated by the Board of Directors (in which deliberations the interested directors may participate) consisting solely of two or more directors not at the time parties to the proceeding, or by a determination by special legal counsel engaged by the Board of Directors. Shareholders, by majority vote (excluding shares owned by or voted under the control of directors who are at the time parties to the proceeding) may also order indemnification, as well as a court, upon application by the director or officer seeking indemnification, if the court determines that the director or officer is fairly and reasonably entitled to indemnification in view of all of the relevant circumstances (whether or not that person met the other standards set forth in the Articles). The Articles state that it is intended that indemnification be granted to the full extent permissible under the law, except for matters as to which indemnification would be in contravention of the laws of the State of Indiana or the United States of America, whether as a matter of public policy or pursuant to any statutory provision. The underlying statutory standard for director liability in Indiana is broad, providing that a director is not liable for any action taken as a director, or any failure to take any action, unless the director has breached or failed to perform the duties of the director's office, and the breach or failure to perform constitutes willful misconduct or recklessness.

The Company maintains officers' and directors' liability insurance which insures, subject to policy limits and retention amounts, against liabilities that officers and directors of the Company may incur in their respective capacities.

We refer you to Item 9(c) regarding our undertakings with respect to indemnification for liabilities arising under the Securities Act.

**ITEM 7. Exemption from Registration Claimed.**

Not Applicable.

**ITEM 8. Exhibits.**

See Index to Exhibits on page 7 of this Registration Statement.

**ITEM 9. Undertakings.**

- (a) The undersigned Registrant hereby undertakes:
- (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
    - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
    - (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which,

## Edgar Filing: STEEL DYNAMICS INC - Form S-8

individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii)

to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however,

(A)

that Paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those clauses is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement;

(B)

that for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities to be offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(C)

to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(D)

that for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i)

Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii)

Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii)

The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv)

Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser

Edgar Filing: STEEL DYNAMICS INC - Form S-8

- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liabilities under the Securities Act, each filing of any of Registrant's annual reports pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or controlling persons of Registrant pursuant to the provisions described in Item 6 herein, or otherwise, Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person in a successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the question has already been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the city of Fort Wayne, Indiana, on November 6, 2007.
