**Item 8.01 Other Events**

On November 29, 2005, we filed our Form 15 with the United States Securities and Exchange Commission which terminated the registration of our securities under Rules 12g-4(a)(1)(i) and 12h-3(1)(i) of the Securities and Exchange Act of 1934. On November 28, 2005 we completed our 1:150 reverse stock split through an exchange and cash-out of shareholders which reduced the number of our shareholders to 240. By reducing the number of shareholders to fewer than 300 we were able to terminate the registration of our common stock under Section 12(g) of the Exchange Act and our periodic reporting obligations under Section 13 of the Exchange Act so that we may continue future operations as a private company, thereby relieving us of the costs, administrative burdens and competitive disadvantages associated with operating as a public company.

Our common stock is presently traded on the Pink Sheets. With the filing of our Form 15 our common stock will not qualify to be traded on any automated quotation system operated by a national securities association and will likely continue to be traded only in the Pink Sheets, however, we have no present plans to apply for our common stock to be traded in the Pink Sheets.
