**Item 1.01. Entry into a Material Definitive Agreement.**

*Offer Letter with Judith M. O'Brien*

On July 14, 2006, Adaptec, Inc. (the "Company") entered into an offer letter with Judith M. O'Brien (the "O'Brien Offer Letter") for Ms. O'Brien to join the Company's Board of Directors. Pursuant to the O'Brien Offer Letter and consistent with the Company's compensation policy for non-employee directors, Ms. O'Brien will receive \$6,500 per fiscal quarter and \$3,000 per scheduled Board meeting attended, plus travel expenses. The Chairman of the Board of Directors can designate additional non-scheduled Board meetings, for which Ms. O'Brien would receive a reduced fee of \$2,000 for each meeting attended. If Ms. O'Brien is elected to chair the Company's Compensation Committee, she will receive an additional \$7,000 per fiscal year, and if Ms. O'Brien is elected to chair the Company's Audit Committee, she will receive an additional \$10,000 per fiscal year. She will also receive \$1,200 per formal committee meeting, if she is elected to serve on a Board committee.

Also, in accordance with the Company's 2000 Director Option Plan, Ms. O'Brien was granted an option to purchase 32,500 shares of the Company's common stock on July 14, 2006, the date she first became a director, at an exercise price of \$4.00 per share (the closing price of the Company's common stock on the NASDAQ Global Market on the date immediately preceding her acceptance date). The option grant will vest with respect to 25% of the underlying shares on the one-year anniversary of the grant and then quarterly thereafter such that the option will be fully vested at the end of four years.

The O'Brien Offer Letter also provides that if the Company's stockholders approve a proposed new director stock plan (the "New Plan") at the Company's 2006 Annual Meeting of Stockholders, then Ms. O'Brien will receive 16,250 shares of restricted stock immediately after the annual meeting that will fully vest after one year. Also, pending stockholder approval of the New Plan, on May 31, 2007 and then annually each May 31st, Ms. O'Brien will receive a stock option to purchase 12,500 shares of the Company's common stock that will vest quarterly over one year and 6,250 shares of restricted stock that will fully vest after twelve months. If the Company's stockholders do not approve the New Plan, Ms. O'Brien will receive an option to purchase 7,500 shares of the Company's common stock that will vest in the same manner as the 32,500-share option grant noted above.

The foregoing description of the O'Brien Offer Letter is qualified in its entirety by the O'Brien Offer Letter, a copy of which is filed as Exhibit 99.01 to this report.

*Offer Letter with Jon S. Castor*

On July 17, 2006, the Company entered into an offer letter with Jon S. Castor (the "Castor Offer Letter") for Mr. Castor to join the Company's Board of Directors. Pursuant to the Castor Offer Letter and consistent with the Company's compensation policy for non-employee directors, Mr. Castor will receive \$6,500 per fiscal quarter and \$3,000 per scheduled Board meeting attended, plus travel expenses. The Chairman of the Board of Directors can designate additional non-scheduled Board meetings, for which Mr. Castor would receive a reduced fee of \$2,000 for each meeting attended. If Mr. Castor is elected to chair the Company's Compensation Committee, he will receive an additional \$7,000 per fiscal year, and if Mr. Castor is elected to chair the Company's Audit Committee, he will receive an additional \$10,000 per fiscal year. He will also receive \$1,200 per formal committee meeting, if he is elected to serve on a Board committee.

Also, in accordance with the Company's 2000 Director Option Plan, Mr. Castor was granted an option to purchase 32,500 shares of the Company's common stock on July 17, 2006, the date he first became a director at an exercise price of \$4.03 per share (the closing price of the Company's Common Stock on the NASDAQ Global Market on the date immediately preceding his acceptance date). The option grant will vest with respect to 25% of the underlying shares on the one-year anniversary of the grant and then quarterly thereafter such that the option will be fully vested at the end of four years.

The Castor Offer Letter also provides that if the Company's stockholders approve the New Plan, then Mr. Castor will receive 16,250 shares of restricted stock immediately after the annual meeting that will fully vest after one year. Also pending stockholder approval of the New Plan, on May 31, 2007 and then annually each May 31st, Mr. Castor will receive a stock option to purchase 12,500 shares of the Company's common stock that will vest quarterly over one year and 6,250 shares of restricted stock that will fully vest after twelve months. If the Company's stockholders do not approve the New Plan,

Mr. Castor will receive an option to purchase 7,500 shares that vest in the same manner as the 32,500-share option grant noted above.

The foregoing description of the Castor Offer Letter is qualified in its entirety by the Castor Offer Letter, a copy of which is filed as Exhibit 99.02 to this report.
