**OTHER EVENTS**

On April 30, 2008, Tyco Electronics Ltd. (the Company) reported that Tyco International Ltd. (Tyco International) signed a definitive agreement on April 29, 2008 with the State of New Jersey, on behalf of several of the State's pension funds, to settle the action captioned *New Jersey v. Tyco International Ltd., et al.*, brought by the State in 2002 in the United States District Court for the District of New Jersey against Tyco International, its former auditors and certain of its former officers and directors, alleging that the defendants had, among other things, violated federal and state securities and other laws through the unauthorized and improper actions of Tyco International's former management. This is one of the previously disclosed lawsuits not covered by the consolidated securities class action settlement which became final in February 2008.

The agreement with the State of New Jersey provides for Tyco International to make a payment of \$73.25 million to the plaintiffs in exchange for the plaintiffs' agreement to dismiss the case and release all claims asserted or which might have been asserted therein. Pursuant to the Separation and Distribution Agreement entered into on June 29, 2007 among Tyco International, Covidien Ltd. (Covidien) and the Company, the Company, Tyco International and Covidien are jointly and severally liable for the full amount of the settlement. Accordingly, in the second quarter of fiscal 2008, the Company has recorded a liability for the full amount of the settlement and a corresponding receivable from Tyco International and Covidien for their portions of the settlement amount, resulting in a net charge of approximately \$23 million for the Company's portion of the settlement amount, for which no tax benefit was available. Payment of the settlement amount is to be made on or before June 2, 2008. Upon the full execution of the definitive agreement by each of the other defendants party thereto, the parties will file the agreed upon order of dismissal with the court, the entry of which will dismiss the litigation with prejudice. The Company expects that Tyco International will pay the full amount of the settlement to the State and that the Company and Covidien will concurrently submit payment to Tyco International.
