(1) Pursuant to an Agreement and Plan of Merger, made and entered into as of October 5, 2010 (the **Merger Agreement**), by and among Kratos Defense & Security Solutions, Inc., a Delaware corporation (the **Registrant**), Hammer Acquisition Inc., a Delaware corporation and wholly owned subsidiary of the Registrant, and Henry Bros. Electronics, Inc., a Delaware corporation (**HBE**), as amended, the Registrant assumed all of the outstanding options to purchase stock of HBE issued pursuant to the plans listed below (the **HBE Plans**). Pursuant to the terms of the Merger Agreement, all of the options issued under the HBE Plans were converted into the right to receive shares of the Registrant's common stock, par value \$0.001 per share (**Common Stock**).

(2) Each share of Common Stock includes a right to purchase one one-hundredth of a share of Series C Preferred Stock of the Registrant, par value \$0.001 per share, under certain circumstances.

(3) Pursuant to Rule 416(a), this Registration Statement shall also cover any additional shares of the Registrant's Common Stock that may be offered or issued in connection with any stock dividend, stock split, recapitalization or other similar transaction effected without receipt of consideration that increases the number of outstanding shares of Common Stock.

(4) Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h) of the Securities Act of 1933, as amended (the *Securities Act*), the price per share and aggregate offering price are based upon the weighted average exercise price of the outstanding options under each HBE Plan.

## INTRODUCTORY NOTE

On December 15, 2010, the Registrant completed the previously announced merger (the *Merger*) of Hammer Acquisition Inc., a wholly owned subsidiary of the Registrant, with and into HBE, whereby HBE became a wholly owned subsidiary of the Registrant. Upon the completion of the Merger, each option to purchase HBE common stock that was outstanding and unexercised immediately prior to such time (each, an *HBE Option*), was converted into and became an option to purchase Common Stock of the Registrant and the Registrant assumed each HBE Option in accordance with the terms (as in effect as of the date of the Merger Agreement) of the applicable HBE Plan and the option agreement pursuant to which such HBE Option was granted.

**Item 4. Description of Securities.**

Not applicable.

**Item 5. Interests of Named Experts and Counsel.**

Not applicable.

**Item 6. Indemnification of Directors and Officers.**

Section 145 of the Delaware General Corporation Law authorizes a court to award or a corporation's board of directors to grant indemnification to directors and officers on terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. The Registrant's amended and restated bylaws provide for indemnification of its directors, officers, employees and agents to the maximum extent permitted by the Delaware General Corporation Law. The Registrant's amended and restated certificate of incorporation provides that the liability of its directors for monetary damages shall be eliminated to the fullest extent permitted under applicable law. The Registrant has entered into indemnification agreements with its officers and directors and it maintains directors and officers liability insurance.

**Item 9. Undertakings.**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

*Provided, however,* that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of the expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
