Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the **Notice of Internet Availability**) to our stockholders. All stockholders will have the ability to access the proxy materials at www.proxyvote.com or request to receive a printed set of the proxy materials by mail or an electronic set of materials by email. Instructions on how to access the proxy materials on the Internet or to request a printed copy may be found in the Notice of Internet Availability. In addition to solicitation by mail, certain of our directors, officers and employees may solicit proxies by telephone, personal contact or other means of communication. QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

On what am I voting?

You are being asked to consider and vote on the following proposals:

- Election of the five director nominees named in this proxy statement (Proposal 1);
- Ratification of Ernst & Young, LLP (EY), as our independent registered public accounting firm for 2017 (Proposal 2);
- An advisory (non-binding) resolution to approve executive compensation (Proposal 3); and
- Approval of a charter amendment to repeal the Company's election to be subject to Section 3-804(c) of the MGCL (Proposal 4).

Who can vote?

Holders of our common stock as of the close of business on the record date, March 20, 2017, are entitled to vote, either in person or by proxy, at the annual meeting. Each share of our common stock is entitled to one vote. Cumulative voting is not permitted in the election of directors.

How do I vote or authorize a proxy to vote my shares?

By Proxy. Before the annual meeting, you may authorize a proxy to vote your shares in one of the following ways:

- By telephone;

- By Internet; or
- By completing and signing your proxy card and mailing it in time to be received prior to the annual meeting.

The telephone and Internet voting procedures are designed to confirm your identity, to allow you to give your voting instructions and to verify that your instructions have been properly recorded. If you wish to vote by telephone or Internet, please follow the instructions that are included in the Notice of Internet Availability and the proxy card. If you mail us your properly completed and signed proxy card, or vote by telephone or Internet, your shares will be voted according to the choices that you specify.

If you sign and mail your proxy card without marking any choices, your proxy will be voted:

FOR the election of all director nominees named in this proxy statement (Proposal 1);

FOR the ratification of EY as our independent registered public accounting firm for 2017 (Proposal 2);

FOR the approval of an advisory (non-binding) resolution on executive compensation (Proposal 3); and

FOR the approval of a charter amendment to repeal the Company's election to be subject to Section 3-804(c) of the MGCL (Proposal 4).

We do not expect that any other matters will be brought before the annual meeting. If an issue should arise for vote at the annual meeting that is not included in the proxy material, the proxy holders will vote your shares in accordance with their discretion.

Table of Contents

In Person. If your shares are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares and you may attend the annual meeting and vote in person. If your shares are held in the name of your broker, bank or other nominee and you wish to attend the annual meeting, you must bring an account statement or letter from the nominee indicating that you were the owner of the shares on March 20, 2017. If your shares are held in the name of your broker, bank or other nominee and you wish to vote at the annual meeting, you must obtain a legal proxy from your broker, bank or other nominee that holds your shares giving you the right to those shares.

May I change or revoke my vote?

Yes. You may change your vote or revoke your proxy at any time prior to the annual meeting by:

- Notifying our Secretary in writing that you are revoking your proxy;
- Providing another signed proxy that is dated after the proxy you wish to revoke;
- Using the telephone or Internet voting procedures; or
- Attending the annual meeting and voting in person. Attendance at the annual meeting will not, by itself, revoke a duly executed proxy.

Will my shares be voted if I do not provide my proxy?

It depends on whether you hold your shares in your own name or in the name of a bank or brokerage firm. If you hold your shares directly in your own name, they will not be voted unless you provide a proxy or vote in person at the annual meeting.

Brokerage firms generally have the authority to vote customers' un-voted shares on certain routine matters. If your shares are held in the name of a brokerage firm, the brokerage firm can vote your shares for the ratification of EY as our independent registered public accounting firm for 2017 (Proposal 2) if you do not provide your voting instructions timely, because this matter is considered routine under the applicable rules. The other items (Proposals Nos. 1, 3 and 4) are not considered routine and therefore may not be voted by your broker without instruction.

What constitutes a quorum?

As of the record date, a total of 93,811,172 shares of our common stock were issued and outstanding and entitled to vote at the annual meeting. To conduct the annual meeting, a majority of the shares entitled to vote must be present in person or by proxy. This is referred to as a quorum. If you submit a properly executed proxy card or authorize a proxy to vote by telephone or on the Internet, your shares will be counted for purposes of determining the presence of a quorum. Abstentions and broker non-votes will be counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under the applicable rules, does not have discretionary authority to vote on a matter.

What vote is needed to approve the matters submitted?

Election of Directors (Proposal 1). Directors are elected by a plurality of the votes cast at the annual meeting. Plurality means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. For purposes of this vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for this proposal. The Board has adopted a policy on voting regarding directors. Under the policy, at any meeting of stockholders at which members of the Board are to be elected by the stockholders in an uncontested election, any nominee for director who receives a greater number of votes withheld from his or her election than votes for his or her election will submit to the Board a written offer to resign from the Board no later than two weeks after the certification of the voting results.

Table of Contents

For additional information regarding this policy, please see The Board of Directors and Its Committees Policy on Voting Regarding Directors.

Ratification of Appointment of EY (Proposal 2). The affirmative vote of a majority of the votes cast at the annual meeting is required to approve this proposal. For purposes of this vote, abstentions will not be counted as votes cast and will have no effect on the result of the vote for this proposal.

Approval on an Advisory (Non-Binding) Resolution on Executive Compensation (Proposal 3). The affirmative vote of a majority of the votes cast at the annual meeting is required to approve this proposal. For purposes of this advisory vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote for this proposal.

Approval of a Charter Amendment to Repeal the Company's Election to be Subject to Section 3-804(c) of the MGCL (Proposal 4). The affirmative vote of a majority of the votes entitled to be cast is required to approve this proposal. For purposes of this advisory vote, abstentions and broker non-votes will not be counted as votes cast and will have the effect of a vote against this proposal.

We are sending only a single Notice of Internet Availability to any household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family, unless we have received instructions to the contrary from any stockholder at that address. This practice is known as householding and is permitted by rules adopted by the SEC. This practice reduces the volume of duplicate information received at your household and helps us to reduce costs. We will deliver promptly, upon written request or oral request, a separate copy of the Notice of Internet Availability to a stockholder at a shared address to which a single copy of the document was previously delivered. If you received a single copy of this document for your household for this year, but you would prefer to receive your own copy, you may direct requests for separate copies in the future to the following address: Summit Hotel Properties, Inc., Attention: Secretary, 12600 Hill Country Boulevard, Suite R-100, Austin, Texas 78738. If you are a stockholder who receives multiple copies of our proxy materials, you may request householding by contacting us in the same manner and requesting a householding consent form.

The Board has determined that each director nominee named below, except Mr. Hansen, is independent under applicable SEC and New York Stock Exchange (the NYSE) rules.

Recommendation

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EACH OF THE NOMINEES.

Table of Contents

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Hansen should serve as a director, if elected, because he currently serves as our Chairman, President and Chief Executive Officer and provides a critical link between the executive management team, which is responsible for the day-to-day management of the Company, and the Board. We believe his service as a director enables the Board to perform its oversight function with the benefits of management's perspectives on our business. Mr. Hansen also provides us with extensive experience in the hospitality industry as well as a capital markets background that assists the Board in analyzing capital raising opportunities and issues.

Bjorn R. L. Hanson. Dr. Hanson has been a member of the Board since the completion of our initial public offering, or IPO, in February 2011. Dr. Hanson served as our Lead Independent Director from June 2015 to January 2017. Dr. Hanson has worked in the hospitality industry for more than 40 years and has been involved in consulting and investment banking in the lodging sector. He joined the New York University School of Professional Studies in June 2008 as a clinical professor teaching in the school's graduate and undergraduate hospitality and tourism programs and directing applied research projects. In 2010, he was appointed as the divisional dean of that school's Preston Robert Tisch Center for Hospitality, Tourism, and Sports Management, which he served as until returning to his full time faculty role in 2014. Before joining the Tisch Center, Dr. Hanson was a partner with PricewaterhouseCoopers LLP and its predecessor, Coopers & Lybrand LLP, which he joined in 1989. Dr. Hanson founded the hospitality, sports, convention and leisure practice and held various positions at PricewaterhouseCoopers and Coopers & Lybrand, including National Industry Chairman for the Hospitality Industries, National Service Line Director for Hospitality Consulting, National Industry Chairman for Real Estate, Real Estate Service Line Director and National Director of Appraisal Services. Additionally, he served on the U.S. leadership committee and global financial advisory services management committee of PricewaterhouseCoopers. Dr. Hanson was also managing director with two Wall Street firms, Kidder, Peabody & Co. and PaineWebber Inc., for which he led banking and research departments for lodging and gaming. Dr. Hanson received a B.S. from Cornell University School of Hotel Administration, an M.B.A. from Fordham University and a Ph.D. from New York University.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Dr. Hanson should serve as a director, if elected, because he brings a wide range of experience in consulting and investment banking in the hospitality industry to the Board. He also brings an academic perspective on the hospitality and tourism industries, which enhances the ability of the Board to analyze macroeconomic issues and trends relevant to our business. Finally, Dr. Hanson's leadership roles in market trend analysis, economic analysis and financial analysis specific to our industry provide the Board with additional depth in analyzing financial reporting issues faced by companies similar to ours.

Jeffrey W. Jones. Mr. Jones has been a member of the Board since July 2014 and was appointed Lead Independent Director in January 2017. From September 2003 to December 2012, Mr. Jones served as the Chief Financial Officer for Vail Resorts, Inc. (NYSE: MTN), a publicly held resort management company, and also served as a member of the board of directors of Vail Resorts, Inc. from June 2008 through December 2012. In addition, later in his tenure at Vail Resorts, Inc., Mr. Jones served as President - Lodging, Retail and Real Estate. Mr. Jones is also currently a member of the board of directors, chairs the audit committee and is a member of the compensation committee for Noodles & Company (NASDAQ: NDLS), a publicly held fast-casual restaurant chain. Enterprises and Lids Corporation. Mr. Jones received a B.A. in Accounting and American Studies from Mercyhurst College and is a member of the American Institute of Certified Public Accountants (AICPA).

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that Mr. Jones should serve as a director, if elected, because of his significant management, financial, hospitality industry and mergers and acquisition experience and expertise, which he has acquired through his fifteen years as a chief financial officer, including ten years as chief financial officer and four years as a director, as well as president of lodging, retail and real estate, of a publicly held resort management company. In addition, Mr. Jones's other experience as a public company director and audit committee member and chair provides the Board with perspective into corporate governance best practices.

EY has served as the Company's independent registered public accounting firm since March 2013. An EY representative will be present at the annual meeting and will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

**PROPOSAL 3:
ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION**

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), we are providing stockholders with the opportunity to vote on an advisory (non-binding) resolution to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. This is commonly known as, and is referred to in this proxy statement as, a say-on-pay proposal or resolution. The Board intends to hold an advisory (non-binding) vote on the compensation of our named executive officers each year.

This say-on-pay proposal gives our stockholders the opportunity to express their views on our named executive officers' compensation. We are asking our stockholders to indicate their support for our named executive officers' compensation as described in this proxy statement. This vote is not limited to any specific item of compensation, but rather addresses the overall compensation of our named executive officers and our philosophy, policies and practices relating to their compensation as described in this proxy statement in accordance with SEC rules.

As described in detail under the heading Compensation Discussion and Analysis, our executive compensation programs are designed to attract, retain and motivate our named executive officers, who are critical to our success. Our compensation program is designed to create incentives for our named executive officers to maximize long-term stockholder value. Under these programs, our named executive officers are rewarded for the achievement of our annual objectives, long-term and strategic objectives and the realization of increased stockholder value. Please refer to the Compensation Discussion and Analysis in this proxy statement for additional details about our executive compensation programs.

Accordingly, we are asking our stockholders to approve, in an advisory (non-binding) vote, the following resolution in respect of this Proposal 3:

RESOLVED, that the stockholders of the Company approve, on an advisory (non-binding) basis, the compensation of the Company's named executive officers as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative disclosure.

Recommendation:

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ADOPTION OF THIS RESOLUTION ON THE ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION.

PROPOSAL 4:

CHARTER AMENDMENT TO REPEAL THE COMPANY'S ELECTION TO BE SUBJECT TO SECTION 3-804(C) OF THE MGCL

The Board values the input and insights of our Company's stockholders and believes that effective stockholder engagement strengthens the Board's role as an informed and engaged fiduciary. The Board meaningfully integrates the feedback it receives from stockholders into the Board's review and assessment of our Company's corporate governance policies. At our 2016 annual meeting of stockholders, a stockholder proposal recommending that our Board take all steps necessary to cause the Company to opt out of all provisions of the Maryland's Unsolicited Takeover Act (MUTA) and to require a majority vote of shareholders before opting back into MUTA received the affirmative vote of 54% of the votes cast on the proposal. In light of the support of our stockholders for the proposal, and based on discussions with our stockholders, the Board approved the Company's opting out of all provisions of MUTA and the Company is prohibited from opting back into any of MUTA's provisions without the prior approval of a majority vote of stockholders.

To begin such repeal and prohibition, the Company filed Articles Supplementary to the Company's Charter on May 26, 2016, as previously disclosed.

To complete such repeal and prohibition, an amendment to our Charter is required to eliminate our specific election to be subject to Section 3-804(c) of the MGCL. The Board is submitting the charter amendment as set forth as Appendix A to this proxy statement to the Company's stockholders for approval. If the charter amendment is approved, the Company will promptly file the amendment with the State Department of Assessments and Taxation of Maryland following our 2017 annual meeting of stockholders. The Board will also amend our Bylaws to prohibit the Company from opting into Section 3-804(c) without prior approval of a majority vote of stockholders. The approval of the charter amendment requires the affirmative vote of at least a majority of the votes entitled to be cast on the proposal.

We believe that opting out of Section 3-804(c) of the MGCL is in our best interests and in the best interests of our stockholders.

Recommendation:

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR A CHARTER AMENDMENT TO REPEAL THE COMPANY'S ELECTION TO BE SUBJECT TO SECTION 3-804(C) OF THE MGCL.

Stock Ownership Guidelines

Based on current corporate governance standards, the Board believes all non-employee directors and certain key executive officers should own a meaningful equity interest in our Company to more closely align the interests of directors and executive officers with those of stockholders. Accordingly, the Board has adopted stock ownership guidelines for key executive officers and all non-employee directors.

For purposes of these guidelines, the term "Company common stock" includes, in addition to shares of our common stock, (a) any class of equity securities issued by our operating partnership, Summit Hotel OP, LP (the "Operating Partnership"), that are redeemable for shares of our common stock, whether held directly or indirectly, or by or for the benefit of, immediate family members, and (b) vested and unvested restricted shares of common stock, but excludes (x) stock options, whether exercisable or un-exercisable, (y) unearned performance-based restricted stock and (z) warrants and all other forms of derivative securities.

The Board reviews the minimum equity holdings guidelines for executive officers on a periodic basis to ensure the guidelines remain consistent with corporate governance best practices and continue to promote the alignment of executive and stockholder interests.

Over time, certain key executive officers are required to hold Company common stock with a value equal to a multiple of their then-current base salary. The equity ownership value for each of these executive officers will be calculated by multiplying the number of shares of Company common stock owned by the ten trading day trailing volume weighted average price ("VWAP") of our common stock prior to the date of computation, typically at the end of the fiscal year. The executive officers named in the table below will have until January 1, 2018, to comply with the stock ownership guidelines. The equity ownership requirements for our key executive officers are as follows:

Name	Multiple of Base Salary
Daniel P. Hansen, President and Chief Executive Officer	6x
Greg A. Dowell, EVP & Chief Financial Officer	2x
Craig J. Aniszewski, EVP & Chief Operating Officer	2x
Christopher Eng, EVP & Chief Risk Officer	1x

Each non-employee director will be required to hold a number of shares of Company common stock equal to five times his annual cash retainer. The equity ownership value for each non-employee director will be calculated by multiplying the number of shares of Company common stock owned by the ten trading day trailing VWAP of our common stock prior to the date of computation, typically at the end of the fiscal year. Until such time as the required ownership level is achieved, each non-employee director is required to retain at least fifty percent (50%) of the net after-tax profit shares from vesting of equity awards. The Board reviews the minimum equity holdings guidelines for non-employee directors on a periodic basis to ensure the guidelines remain consistent with corporate governance best practices.

Anti-Hedging and Anti-Pledging Policies

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

The Board has adopted an insider trading policy that contains restrictions on hedging and pledging securities issued by us or our Operating Partnership. With respect to hedging, directors and executive officers are prohibited from engaging in any hedging or monetization transactions involving securities issued by us or our Operating Partnership. With respect to pledging, directors and executive officers are prohibited from holding securities issued by us or our Operating Partnership in a margin account or pledging these securities as collateral for a loan.

Table of Contents

An exception to this anti-pledging policy may be granted if a director or executive officer desires to pledge securities issued by us or our Operating Partnership as collateral for a loan other than margin debt and clearly demonstrates the financial capacity to repay the loan without resort to the pledged securities. Any permitted pledge of securities must be pre-approved by our General Counsel. No director or executive officer has pledged securities as collateral for a loan.

Compensation Clawback Policy

The Board has adopted a compensation clawback policy that contains terms to ensure that executives are not unduly enriched in the event of a financial restatement. If our Company is required to restate its audited, consolidated financial results due to material non-compliance with financial requirements under securities laws as a result of intentional misconduct, fraud or gross negligence, each executive that is directly responsible for the intentional misconduct, fraud or gross negligence shall reimburse us for the after-tax value of the incentive compensation that would not have been earned if the restated financial information had been reported initially. In addition, the Board may withhold from executives not directly responsible for the intentional misconduct, fraud or gross negligence future awards with equivalent value to that of the after-tax value of the awards initially made to such executive on the basis of the restated financial results, but only to the extent such awards were made within the preceding 24 months.

Succession Planning

Our Board of Directors has established a succession policy for the Chief Executive Officer to cover emergency and other possible occurrences resulting in a vacancy in the position of Chief Executive Officer.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee consists of Dr. Hanson, Mr. Jones, Mr. Kay and Mr. Storey. None of the members are, or have been one of, our employees or officers. None of our executive officers currently serves, or during the past fiscal year has served, as a member of the board of directors or compensation committee of another entity that has one or more executive officers serving on our Board or Compensation Committee.

Board Leadership Structure

The Board believes it is important to retain the flexibility to allocate the responsibilities of the positions of the Chairman of the Board and the Chief Executive Officer in the way it believes is in our best interest. Currently, the Board believes that it is in our best interest not to separate these positions. Mr. Hansen, our Chief Executive Officer, was appointed Chairman of the Board and assumed the role effective January 2017. Mr. Storey served as our Non-Executive Chairman from July 2015 until Mr. Hansen's appointment.

To promote the independence of the Board and appropriate oversight of management and to demonstrate our commitment to strong corporate governance, the independent directors have designated an independent, non-employee director to serve as our Lead Independent Director. The Lead Independent Director helps to facilitate free and open discussion and communication among the independent, non-employee directors. The

responsibilities of the Lead Independent Director are set forth in our Corporate Governance Guidelines. Dr. Hanson was our Lead Independent Director in 2016. Mr. Jones was appointed Lead Independent Director and assumed the role effective January 2017.

Risk Management Oversight

The Board is actively involved in the oversight of risks that could affect our Company. This oversight is conducted primarily through the Audit Committee but also through the other committees of the Board, as appropriate. The Board and its committees satisfy this responsibility through reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our Company.

Table of Contents

Meetings and Attendance

In 2016, the Board met four times in person and five times telephonically, the Audit Committee met four times in person and three times telephonically, the Compensation Committee met four times in person and one time telephonically, and the Nominating and Corporate Governance Committee met four times in person. Executive Sessions of Our Independent Directors

As required by the NYSE rules, the non-employee directors, all of whom are independent under the applicable standards of the NYSE, regularly meet in executive session, without management present. Generally, these executive sessions follow regularly scheduled meetings of the Board and the three standing committees. The independent, non-employee directors met in executive session following regularly scheduled meetings in 2016. Mr. Storey or Dr. Hanson presided over the executive sessions of the Board, and the respective Chair of each committee presided over each such committee's executive sessions.

Director Nominations

Before each annual meeting of stockholders, the Nominating and Corporate Governance Committee considers the nomination of all directors who are up for election at the next annual meeting of stockholders and also considers new candidates whenever there is a vacancy on the Board, or whenever a vacancy is anticipated due to a change in the size or composition of the Board, a retirement of a director or for any other reason. In addition to considering incumbent directors, the Nominating and Corporate Governance Committee may identify director candidates based on recommendations from the directors, stockholders, management and others.

The Nominating and Corporate Governance Committee works with the Board to determine the appropriate characteristics, skills and experience for the Board as a whole and its individual members. In evaluating the suitability of individuals for Board membership, the Nominating and Corporate Governance Committee takes into account many factors, including, but not limited to:

- whether the individual meets the requirements for independence;

- the individual's general understanding of the various disciplines relevant to the success of a large publicly-traded company in today's business environment;

- the individual's understanding of the Company's businesses and markets;

- the individual's professional expertise and educational background; and
- other factors that promote diversity of views and experience.

The Nominating and Corporate Governance Committee evaluates each individual in the context of the Board as a whole, with the objective of recommending a group of directors that can best perpetuate the success of our business and represent stockholder interests through the exercise of sound judgment, using its diversity of experience. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

We do not have a formal policy about diversity of Board membership, but the Nominating and Corporate Governance Committee considers a broad range of factors when nominating director candidates to the Board, including differences of viewpoint, professional experience, education, skill, other personal qualities and attributes, race, gender and national origin. The Nominating and Corporate Governance Committee neither includes nor excludes any candidate from consideration solely based on the candidate's diversity traits.

Table of Contents

For purposes of the 2018 annual meeting of stockholders, the Nominating and Corporate Governance Committee will consider appropriate nominees for directors whose names are submitted in writing by a stockholder. Subject to the discretion of the Nominating and Corporate Governance Committee, we anticipate that any director candidates submitted to us by our stockholders will be evaluated by the Nominating and Corporate Governance Committee on the same basis as any other director.

Policy on Voting Regarding Directors

The Board has adopted a policy on voting regarding directors. Under the policy, at any meeting of stockholders at which members of the Board are to be elected by the stockholders in an uncontested election, any nominee for director who receives a greater number of votes withheld from his or her election than votes for his or her election will submit to the Board a written offer to resign from the Board no later than two weeks after the certification of the voting results. An uncontested election is one in which the number of individuals who have been nominated for election as a director is equal to, or less than, the number of directors to be elected.

The Nominating and Corporate Governance Committee will consider the resignation offer and, within 60 days after the certification of the voting results, recommend to the Board whether to accept or reject the resignation offer. In determining its recommendation to the Board, the Nominating and Corporate Governance Committee will consider all factors it deems relevant, which may include, (i) any stated reason or reasons why stockholders cast withheld votes for the director, (ii) the qualifications of the director, and (iii) whether the director's resignation from the Board would be in our best interest and the best interests of our stockholders. The Nominating and Corporate Governance Committee may also consider alternatives to acceptance or rejection of the resignation offer as the Nominating and Corporate Governance Committee members deem appropriate.

The Board will act on the Nominating and Corporate Governance Committee's recommendation no later than 90 days after the certification of the voting results. The Board will consider the information, factors and alternatives considered by the Nominating and Corporate Governance Committee and additional information, factors and alternatives the Board deems relevant. The recommendation of the Nominating and Corporate Governance Committee will not be binding on the Board.

Any director who offers to resign as provided above will not participate in the Nominating and Corporate Governance Committee's or the Board's consideration of whether to accept his or her resignation offer.

If a director's resignation offer is accepted by the Board, the Nominating and Corporate Governance Committee will recommend to the Board whether to fill the vacancy created by such resignation or to reduce the number of directors constituting the Board.

If a majority of the members of the Nominating and Corporate Governance Committee were required to offer their resignations, the remaining independent directors will appoint a special committee of the Board to consider the resignation offers and whether to accept the resignation offers.

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

We will publicly disclose the Board's decision in a Current Report on Form 8-K filed with the SEC, including an explanation of the process by which the decision was made and, if applicable, the reasons for rejecting the resignation offer(s).

The independent, non-employee directors have procedures for the handling of communications from stockholders and other interested parties and have directed our Secretary to act as their agent in processing any communications received. All communications that relate to matters within the scope of the responsibilities of the Board and its standing committees are to be forwarded to the Chair of the Nominating and Corporate Governance Committee. Communications that relate to matters that are within the scope of the responsibilities of one of the Board's standing committees are also to be forwarded to the chair of the appropriate committee.

Table of Contents

Solicitations, junk mail and obviously frivolous or inappropriate communications will not be forwarded, but will be made available to any non-employee director who wishes to review them.

Policy Governing Director Attendance at Annual Meetings of Stockholders

We expect each of our directors to attend the annual meeting unless doing so would be impracticable due to unavoidable conflicts. In 2016, all of our directors attended our annual meeting.

DIRECTOR COMPENSATION

Directors who are our employees (Mr. Hansen) do not receive compensation for their services as directors. For 2016, our non-employee director compensation program consisted of the following, which remains unchanged for 2017, unless otherwise noted:

- **Annual Cash Retainer.** We paid an annual cash retainer of \$50,000 to each non-employee director.
- **Lead Independent Director Fee.** We paid our Lead Independent Director a \$20,000 Lead Independent Director fee.
- **Non-Executive Chairman Fee.** We paid our former Non-Executive Chairman a \$20,000 Non-Executive Chairman fee. Because in 2017 our Chairman is an executive officer, a Non-Executive Chairman Fee will not be paid in 2017.
- **Additional Committee Membership Fee.** We paid an additional fee for membership on each of our standing committees, as follows: each member of the Audit Committee was paid \$12,500, each member of the Compensation Committee was paid \$10,000 and each member of the Nominating and Corporate Governance Committee was paid \$7,500. The chair of each respective committee is not paid a committee membership fee.

- **Annual Equity Award.** Following the 2016 annual meeting of stockholders, we granted each non-employee director an equity award consisting of 8,045 shares of our common stock with an aggregate value of approximately \$100,000 (the number of shares awarded to each non-employee director was determined by dividing \$100,000 by the VWAP of our common stock on the NYSE for the ten trading days preceding the grant date). These shares were granted on May 19, 2016, pursuant to our Equity Incentive Plan and were fully vested on the grant date.
- **Election to Receive Stock in Lieu of Cash Fees.** Non-employee directors have the option to elect to receive all or any part of the cash fees we are required to pay them in fully vested shares of our common stock issued

under our Equity Incentive Plan based upon the VWAP of our common stock on the NYSE for the ten trading days preceding the grant date. In 2016, Mr. Storey was entitled to a total of \$95,000 in cash fees for his services as a director. Mr. Storey elected to receive these fees in shares of our common stock in lieu of cash. Accordingly, we issued an aggregate of 7,618 shares of our common stock to Mr. Storey.

We reimburse our non-employee directors for reasonable out-of-pocket expenses incurred in connection with the performance of their duties as directors, including without limitation, travel expenses in connection with their attendance at in-person board and committee meetings. Non-employee directors do not receive any meeting fees for attending meetings of the Board or its committees.

(1) Mr. Storey was entitled to receive an aggregate of \$95,000 in director fees in 2016. However, Mr. Storey elected to receive these fees in shares of our common stock in lieu of cash.

Executive Summary

2016 Company Highlights

Our diverse portfolio of premium select-service hotels performed exceptionally well in 2016, with growth in key financial metrics and continuation of our track record of outperformance versus market indices. In each of the last five years, our portfolio has outperformed the Smith Travel Research upscale revenue per available room (RevPAR) growth rate by an average of nearly 200 basis points. This track record of outperformance demonstrates our ability to actively manage the portfolio and drive shareholder value.

Notable accomplishments in 2016 include:

- Same-store RevPAR grew to \$107.83, an increase of 3.3% over the same period in 2015.
- Adjusted funds from operations (AFFO) increased to \$123.8 million, or \$1.41 per diluted share, an increase in AFFO per diluted share of 13.1% over the same period in 2015. A reconciliation of funds from operations (FFO) and AFFO to our generally accepted accounting principles (GAAP) net income for the year ended December 31, 2016, is included in our Annual Report on Form 10-K filed on February 23, 2017, with the SEC (Annual Report).
- Adjusted earnings before income taxes, depreciation and amortization (Adjusted EBITDA) increased to \$166.5 million from \$153.6 million in 2015, an increase of 8.4%. A reconciliation of earnings before income taxes, depreciation and amortization (EBITDA) and Adjusted EBITDA to our net income in accordance with GAAP for the

year ended December 31, 2016, is included in our Annual Report.

- In accordance with our strategic business plan to create long-term stockholder value, we acquired four hotels containing 749 guestrooms, for a total purchase price of \$244.2 million, with an average RevPAR of \$156.13 per hotel and we disposed of ten hotels containing 1,212 guestrooms, for an aggregate sales price of \$147.3 million, with an average RevPAR of \$85.43 per hotel.
- We announced common dividend increases in April and October of 12.8% and 22.6% respectively, resulting in an annualized dividend rate of \$0.65 per share.
- We achieved a total stockholder return (TSR) of 40.2% compared to a TSR of 23.9% for the SNL U.S. REIT Hotel Index (REIT Index). We achieved a 3-year TSR of 101.94% compared to a TSR of 26.55% for the REIT Index.

- In June 2016, we issued 3,000,000 shares of 6.45% Series D Cumulative Preferred Stock for gross proceeds of \$75.0 million.

Table of Contents**2016 Compensation Highlights**

Our executive compensation program consists of base salary, annual cash incentive compensation opportunities and annual long-term equity incentive grants. Our program is designed to be straightforward, transparent and market-based and to comply with sound corporate governance practices.

The chart below contains the key components of our executive compensation program, the purpose of each component and the process for determining each component.

Compensation Component	Description and Objectives	2016 Highlights
Base Salary	Fixed cash compensation set at a level reflective of each executive's performance, market conditions, and competitive rates.	The Compensation Committee increased base salaries of each of the named executive officers in 2016 to bring them closer to market-competitive levels.
Annual Cash Incentive Compensation	Performance-based cash incentive that rewards achievement of annual company-specific and individual performance objectives.	2016 annual cash incentives were tied to AFFO per share and RevPAR growth, as well as individual performance goals.
Long-Term Equity Incentives	Equity incentives that align executive compensation with total stockholder return over multi-year performance and vesting periods that encourage the retention of key talent.	In 2016, 60% of each executive's long-term equity award was in the form of performance-based stock awards that may be earned from 0 to 200% of the target number of shares based on our relative TSR percentile rank versus certain companies in the REIT Index over a three-year performance period. The remaining 40 percent of each executive's long-term equity award was in the form of time-based stock awards, vesting 25%, 25% and 50% on the one-year, two-year and three-year anniversaries, respectively, of the grant date. Because our 2016 TSR exceeded the REIT Index, certain previously granted performance-based restricted stock awards were earned. See Footnote (3) under Outstanding Equity Awards at Fiscal Year-End .

Compensation Best Practice Policies

We maintain several stockholder-friendly compensation policies, including stock ownership guidelines, a compensation clawback policy, and anti-hedging and anti-pledging policies (refer to Corporate Governance Principles and Board Matters for more detail on these policies). In addition, our employment agreements with executive officers have non-compete provisions, require a double trigger for any severance payouts in connection with a change-in-control and do not provide excise tax gross-up payments.

Results of Stockholder Say-on-Pay Votes

Each year, the Compensation Committee considers the outcome of the stockholder advisory (non-binding) vote on executive compensation when making decisions relating to the compensation of our named executive officers and our executive compensation program design, structure and policies.

In 2016, stockholders continued their significant support for our executive compensation program with over 99% of the votes cast in favor of the say-on-pay proposal at our 2016 annual meeting of stockholders. The Compensation Committee believes that the voting results, together with the over 94% approval received over the last

Table of Contents

three years, conveyed our stockholders' strong support of the philosophy, design and structure of our executive compensation program. The Compensation Committee will continue to consider the results of the stockholders' say-on-pay votes when making decisions about our executive compensation program.

Objectives of Our Executive Compensation Program

Our executive compensation philosophy is designed to promote the following objectives:

- Assist in attracting and retaining talented and well-qualified executives by offering compensation opportunities competitive with other lodging REITs;
- Motivate our executives to manage our business to meet our near-, medium- and long-term objectives and reward them for meeting these objectives and in the case of exceptional performance;
- Align the interest of our executives and stockholders by motivating executives to increase stockholder value and rewarding executives when stockholder value increases; and
- Maintain high standards of corporate governance.

Compensation Decision-Making Process

Role of the Compensation Committee and Management

The Compensation Committee is responsible for determining the amount and composition of compensation paid to our Chief Executive Officer and all other executive officers. The Compensation Committee exercises its independent judgment in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Additionally, the Compensation Committee reviews and considers the recommendations of Mr. Hansen with respect to compensation decisions of our named executive officers other than himself. The Compensation Committee believes it is valuable to consider the recommendations of Mr. Hansen with respect to these matters because, given his knowledge of our operations and the day-to-day responsibilities of our executive officers, he is in a unique position to provide the Compensation Committee perspective into the performance of our executive officers in light of our business at a given point in time.

Role of the Compensation Consultant

The Compensation Committee has retained Frederic W. Cook & Co, Inc. (FW Cook) as its independent compensation consultant. The Compensation Committee has determined that FW Cook meets the criteria for an independent consultant in accordance with SEC guidelines for

such service. FW Cook reports directly to the Compensation Committee and works with management only at the request and under the direction of the Compensation Committee. To assist the Compensation Committee in the development of our 2016 compensation program, FW Cook conducted a comprehensive review of our executive compensation program in terms of the competitiveness of our target compensation opportunities and the appropriateness of our incentive programs in supporting our business strategy. On March 8, 2016, the Compensation Committee, based on the recommendations of FW Cook, established the terms of our 2016 executive compensation program.

Peer Group Information

In general, the Compensation Committee uses comparative data from various companies in certain peer groups as a guide in its review and determination of base salaries, annual cash bonuses and annual equity awards.

In late 2015, the Compensation Committee, with the help of FW Cook, determined the composition and the criteria and data used in compiling the peer group used to evaluate the competitiveness of our existing executive compensation program. The peer group consisted of 12 public REITs that primarily invest in hotels, and four other public REITs outside of the hotel sector, which were comparable in terms of market capitalization size and executive team members that the Compensation Committee and FW Cook considered to be the most relevant peers. For purposes of making executive compensation decisions for target pay opportunities for 2016, our peer group consisted of the following companies:

Table of Contents

Ashford Hospitality Trust, Inc.	Pebblebrook Hotel Trust
Chatham Lodging Trust	RLJ Lodging Trust
Chesapeake Lodging Trust	Ryman Hospitality Properties, Inc.
DiamondRock Hospitality Company	Rouse Properties
FelCor Lodging Trust	STAG Industrial, Inc.
First Potomac Realty Trust	Sunstone Hotel Investors, Inc.
Hersha Hospitality Trust	Terreno Realty Corporation
LaSalle Hotel Properties	Xenia Hotels & Resorts, Inc.

In late 2016, FW Cook reviewed our peer group to determine whether it remained reasonable for future executive compensation comparisons. For year-over-year consistency, FW Cook recommended and the Compensation Committee approved using the same peer group, as adjusted for merger and acquisition transactions. One company, Rouse Properties, was acquired and therefore was removed from the peer group.

Elements of 2016 Executive Compensation**2016 Target Direct Compensation (TDC)**

Total TDC for 2016 is described below and consists of salary, annual cash incentives and long-term equity incentives. The Compensation Committee considered the mix of the three components of TDC and intentionally weighted the long-term equity incentive component the highest to align executives' compensation with long-term stockholder value. The Company's TDC mix is generally consistent with the mix of TDC used by companies in members in our peer group.

Name	Salary (\$)	Annual Cash Incentive (\$) (1)	Long-Term Incentives (\$) (2)	Total Target Compensation (\$)
Daniel P. Hansen	700,000	1,050,000	2,400,000	4,150,000
Craig J. Aniszewski	430,000	430,000	1,000,000	1,860,000
Greg A. Dowell	375,000	375,000	750,000	1,500,000
Christopher R. Eng	300,000	300,000	300,000	900,000
Paul Ruiz	275,000	193,000	200,000	667,500

(1) This reflects the target level payout of our annual cash incentive award program.

(2) This reflects the target level value of long-term incentive awards consisting 60% of performance share awards and 40% of time based awards. The Compensation Committee determines the intended target dollar value. The number of shares issued to each executive is determined by dividing the value of the award by the average of the trailing 10-day VWAP of our common stock prior to the date of grant.

2016 Target Annual Compensation (TAC)

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

Total TAC for 2016 is described below and consists of salary and annual cash incentives. For 2016, the Compensation Committee implemented a plan to compensate our executives at comparable levels to our peer group. TAC for our executives as compared to members of our peer group is as follows:

Name	2016 TAC	Comparison to Peer Group
Daniel P. Hansen	\$1,750,000	At the median
Craig J. Aniszewski	\$860,000	Approximately at the median
Greg A. Dowell	\$750,000	Approximately at the median
Christopher R. Eng	\$600,000	Below the 25th percentile
Paul Ruiz	\$468,000	Between the median and 75th percentile

Table of Contents**2016 Compensation Elements**

Our compensation program seeks to promote our compensation philosophy and objectives through an appropriate mix of three core elements of compensation: Base Salary, Cash Incentive Compensation and Long-Term Incentive Compensation.

1. Base Salary

Base salaries are designed to provide a fixed level of compensation that serves as a retention tool. Base salaries are reviewed annually by the Compensation Committee and are subject to annual increases at the discretion of the Compensation Committee. In determining base salary increases for 2016, the Compensation Committee considered each executive officer's individual performance and corporate performance, as well as our company's overall performance, market conditions and competitive salary information for the peer group described above. FW Cook's competitive analysis indicated that 2015 base salaries for our named executive officers were below the peer group median, and in some cases below the peer group 25th percentile. Based on the competitive review as well as the factors outlined above, the Compensation Committee increased base salaries for 2016 as follows:

Name	2016	2015	Percentage Increase
Daniel P. Hansen	\$ 700,000	\$ 575,000	22%
Craig J. Aniszewski	\$ 430,000	\$ 375,000	15%
Greg A. Dowell	\$ 375,000	\$ 360,000	4%
Christopher R. Eng	\$ 300,000	\$ 260,000	15%
Paul Ruiz	\$ 275,000	\$ 260,000	6%

2. Cash Incentive Compensation Program

Our 2016 annual incentive program was designed to provide the named executive officers and opportunity to earn cash compensation based on the achievement of company-specific performance goals and the executive's achievement of individual performance goals.

The performance measures and weightings established by our Compensation Committee for 2016 under our cash incentive compensation program are set forth below.

Corporate Performance Measure	Weight	Threshold	Target	Maximum	Actual Company/Individual Results
2016 AFFO per share	60%	\$1.27	\$1.34	\$1.41	\$1.41
2016 RevPAR Growth	20%	3.25%	4.25%	5.25%	3.30%
Individual Performance	20%	Specific for each	Specific for each	Specific for each	*

individual individual individual

* The amount earned, if any, under the Individual Performance component was determined by the Compensation Committee, in its sole discretion, based on the Compensation Committee's evaluation of the executive's performance against quantitative and qualitative objectives set forth at the beginning of the year, as well as assessment of the individual's contributions to the Company during 2016. In determining whether the Individual Performance component had been earned, the Compensation Committee did not rely on any one particular objective or formula but rather on a holistic evaluation of the individual's performance. No executive officer was guaranteed an award under the Individual Performance component. Payouts under the Individual Performance component could range from 15% of base salary to 60% of base salary for Mr. Hansen; 10% of base salary to 40% of base salary for Messrs. Aniszewski, Dowell and Eng; and 7% of base salary to 28% of base salary for Mr. Ruiz.

Table of Contents

For purposes of the 2016 annual incentive program AFFO per share was calculated as our net income or loss per share as set forth in our audited consolidated financial statements for the year ending December 31, 2016, less preferred dividends and excluding gains (or losses) from sales of property and impairment losses, plus depreciation and amortization (including amortization of deferred financing costs and amortization of franchise royalty fees), as further adjusted to exclude hotel transaction and pursuit costs and such other items, including nonrecurring expenses, as the Compensation Committee determined appropriate and consistent with the purpose and intent of the incentive awards. A reconciliation of AFFO to our GAAP net income for the year ended December 31, 2016, is set forth in our Annual Report. The 2016 RevPAR component was calculated as a year-over-year comparison of RevPAR for our same store hotels (hotels owned for the entire year ended December 31, 2015, and the entire year ending December 31, 2016, excluding assets held for sale).

For the 2016 Individual Performance component of the annual incentive program, the Compensation Committee established individual performance metrics for the named executive officers in the first quarter of 2016. Objectives were personal to each executive and varied based upon the executive's position and responsibilities as they related to the Company's overall business plan. A summary of each executive's objectives are as follows:

- Mr. Hansen's objectives primarily involved broadening the Company's investor base, identifying strategic value creation opportunities and updating the Company's succession plans;
- Mr. Aniszewski's objectives primarily involved maintaining a RevPAR index of 110% for our same store hotels, increasing GOP margin, and implementation of a corporate social media and digital strategy;
- Mr. Dowell's objectives primarily involved managing the implementation of a cyber security analysis and response plan, improving system integration to align our accounting, operations and finance departments and creation of a hybrid model for internal audit consisting of both external and internal resources;
- Mr. Eng's objectives primarily involved creation of a new records retention policy, updating the Company's risk, communication and crisis planning manuals, and contribution to the implementation of a cyber-security analysis and response plan; and
- Mr. Ruiz's objectives primarily involved successfully implementing a new reporting system to further automate SEC reporting documentation and SOX control documentation, reducing overall Company expense on use of outside vendors for accounting and compliance services, and the completion of the integration of tax planning systems and strategies.

The annual incentive opportunity ranges for 2016, and the actual cash incentive compensation earned and paid for 2016 performance as a percentage of base salary, were as follows:

Name	2016 Cash Incentive Opportunity (% of Base Salary)			2016 Cash Incentive Earned	2016 Cash Incentive Earned
	Threshold	Target	Maximum	% of Base Salary	\$
Daniel P. Hansen	75%	150%	300%	256%	1,790,250
Craig J. Aniszewski	50%	100%	200%	171%	733,150
Greg A. Dowell	50%	100%	200%	168%	629,375
Christopher R. Eng	50%	100%	200%	167%	501,500
Paul Ruiz	35%	70%	140%	112%	308,963

Table of Contents

The following table sets forth the payouts under the AFFO per share component, the RevPAR Growth component and the Individual Performance component that each executive earned in 2016:

Name	AFFO per share Payout (\$)	RevPAR Growth Payout (\$)	Individual Performance Payout (\$)	Total 2016 Cash Incentive Payout (\$)
Daniel P. Hansen	1,260,000	110,250	420,000	1,790,250
Craig J. Aniszewski	516,000	45,150	172,000	733,150
Greg A. Dowell	450,000	39,375	140,000	629,375
Christopher R. Eng	360,000	31,500	110,000	501,500
Paul Ruiz	231,000	20,213	57,750	308,963

3. *Long-Term Incentive Compensation*

Long-term equity incentives granted in 2016 consisted of a combination of performance-based and time-based stock awards. The Compensation Committee determined a target total long-term incentive grant value for each named executive officer. For all executives, awards were granted 60% in the form of performance-based stock and 40% in the form of time-based stock.

Name	Performance-Based Stock Target Value	Time-Based Stock Value	Total LTI Grant Value at Target
Daniel P. Hansen	\$1,440,000	\$960,000	\$2,400,000
Craig J. Aniszewski	\$600,000	\$400,000	\$1,000,000
Greg A. Dowell	\$450,000	\$300,000	\$750,000
Christopher R. Eng	\$180,000	\$120,000	\$300,000
Paul Ruiz	\$120,000	\$80,000	\$200,000

The Compensation Committee granted these stock awards under the Company's Equity Incentive Plan. The number of shares granted was based on the VWAP of our common stock for the ten trading days preceding the grant date. Note that the grant-date fair values, as reported in the Summary Compensation Table and the Grants of Plan-Based Awards table, differ from the values shown in the table above because the grant-date fair value of performance-based award is based on a Monte Carlo value and the grant-date fair value of time-based award is based on the closing share price on the grant date.

Performance-Based Stock Awards

Sixty-percent of each executive's total long-term equity incentive was granted in the form of performance-based shares tied to the Company's relative TSR versus constituent companies of the REIT Index. The number of shares that may be earned can range from 0 to 200% of the target shares granted, based on our relative TSR percentile rank over the three-year performance period starting March 8, 2016, and ending March 8, 2019, according to the following table:

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

Company 3-Year TSR Percentile Rank vs. REIT Index Companies	Percent of Target Shares Earned
< 30th Percentile	0%
30th Percentile	25%
55th Percentile	100%
≥ 80th Percentile	200%

Table of Contents

The number of shares earned will be linearly interpolated for performance between the 30th and 55th percentile and for performance between the 55th and 80th percentile. In addition, if the Company's absolute TSR is equal to or greater than 8.5% per year (or 25.5% cumulative over the Performance Period), at least 25% of the performance-based shares will be earned.

The Company has entered into stock award agreements with the above-named executive officers, effective as of March 8, 2016, setting forth the terms and conditions of the performance-based stock awards. Except as described below, no performance-based shares will vest unless the executive remains in the continuous employ of the Company from the date of grant until March 8, 2019. On and after the date of the grant and prior to forfeiture of any of the performance-based shares, the executives will have the right to vote the shares that have been issued (i.e., the target number). Cash dividends on the performance-based shares will be accumulated and will only be paid to the executives to the extent the underlying performance-based share is earned.

If a change in control (as defined in the Company's Equity Incentive Plan), occurs prior to the conclusion of the Performance Period, the performance-based shares will be earned based on the Company's relative or absolute TSR performance up to the date of the change in control, and any earned shares will be fully vested on the third anniversary of the grant date (the end of the original performance period), subject to acceleration if either (a) the successor entity does not assume or replace the award, or (b) the participant is terminated without cause or for good reason. Under these circumstances, the executives will be entitled to receive any dividend equivalent payments to which they are entitled under the terms of the stock award agreements.

If an executive's employment is terminated on account of death or disability, termination without cause or voluntary termination for good reason, the performance-based shares may be earned contingent upon the attainment of the relative or absolute TSR performance hurdles at the end of the Performance Period. However, the number of performance-based shares earned by the executive, and the amount of any dividend equivalent payments to which the executive is entitled pursuant to the terms of the stock award agreement, will be adjusted pro rata based on the amount of time the executive was employed by the Company during the Performance Period.

For purposes of the performance-based stock awards, the Company's TSR will be calculated based on the VWAP of the Company's common stock for the ten trading days ending on, and including, March 8, 2019, or, if earlier, the control change date, minus \$10.96 (the VWAP of the Company's common stock for the ten trading days ending on, and including, March 7, 2016), plus any dividends paid on the Company's common stock during the Performance Period and assuming reinvestment of dividends at the closing price of the Company's common stock on the date the dividend was paid, all divided by \$10.96. The TSR for each Index Company will be calculated in the same manner.

Time-Based Stock Awards

Forty percent of each executive's total long-term equity incentive was granted in the form of time-based shares under the Company's Equity Incentive Plan. The Company entered into stock award agreements with the executive officers setting forth the terms and conditions of the time-based stock awards. The stock award agreements provide for vesting over a three-year period as follows: 25% of shares will vest on March 9, 2017; 25% of the shares will vest on March 9, 2018; and 50% of the shares will vest on March 9, 2019.

Except as described below, no time-based shares will vest unless the executive remains in the continuous employ of the Company from the date of grant until the applicable vesting date. If a change in control (as defined in the Company's Equity Incentive Plan) occurs prior to vesting and

Edgar Filing: Summit Hotel Properties, Inc. - Form DEF 14A

if the successor entity does not assume or replace the time-based shares, they will vest on a control change date, as defined in the Equity Incentive Plan, if the executive remains in the continuous employ of the Company from the date of grant until the control change date. In addition, all of the time-based shares (if not sooner vested), will vest on the date that the executive's employment with the Company ends on account of the executive's death or disability, or if the executive's employment is terminated without cause, or if the executive resigns for good reason.

Any time-based shares that have not vested as described above may not be transferred and will be forfeited on the date the executive's employment with the Company terminates. On and after the date of grant and prior to forfeiture of any time-based shares, the executive will have the right to vote the time-based shares and to receive, free of all restrictions, all dividends declared and paid on the Company's common stock, whether or not vested.

Other Benefits; 401(k) Plan

We provide benefits such as medical, dental and life insurance and disability coverage for all of our employees, including our named executive officers. We also provide personal paid time off and other paid holidays to all employees, including the named executive officers. We believe that our employee benefit plans are an appropriate element of compensation and are necessary to attract and retain employees.

We maintain a retirement savings plan under section 401(k) of the Internal Revenue Code to cover our eligible employees. We currently match 100% of each eligible participant's contributions, within prescribed limits, up to 3% of such participant's base salary and 50% of each eligible participant's contributions up to an additional 2% of the participant's base salary. In 2016, Messrs. Hansen, Dowell, Aniszewski, Eng and Ruiz each received \$10,600 in matching contributions.

Employment Agreements

To specify our expectations with regard to our executive officers' duties and responsibilities, and to provide greater certainty with regard to the amounts payable to our executive officers in connection with certain terminations or change in control events, the Board has approved and we have entered into employment agreements with each of our executive officers. We believe that the terms of the employment agreements provide these executives with day-to-day employment stability, and enable them to properly focus their attention on their duties and responsibilities with the company, thereby promoting productivity.

Tax Deductibility of Executive Compensation

The Compensation Committee considers the anticipated tax treatment to the Company and the executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of incentive compensation payments can depend upon the timing of the executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations, as well as other factors beyond the committee's control, also can affect deductibility of compensation. The Compensation Committee's general policy is to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals. Accordingly, the compensation committee has not adopted a policy that all compensation must be deductible.

Accounting Standards

ASC 718 requires us to recognize an expense for the fair value of equity-based compensation awards. Grants of equity awards under our Equity Incentive Plan will be accounted for under ASC 718. The Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

Risk Considerations in our Executive Compensation Program

The Compensation Committee has assessed our compensation program for the purpose of reviewing and considering any risks presented by our compensation policies and practices that are likely to have a material adverse effect on us. As part of that assessment, management reviewed the primary elements of our compensation program, including base salary, annual bonus opportunities, equity compensation and severance arrangements. Management's risk assessment included a review of the overall design of each primary element of our compensation program, and an analysis of the various design features, controls and approval rights in place with respect to compensation paid to management, and other employees, that mitigate potential risks to us that could arise from our compensation program. Following the assessment, management determined that our compensation policies and practices did not create risks that were reasonably likely to have a material adverse effect on us and reported the results of the assessment to the Compensation Committee.

Employment Agreements

We entered into employment agreements, effective as of May 28, 2014, with Mr. Hansen, Mr. Aniszewski and Mr. Eng. We entered into an employment agreement, effective as of October 1, 2014, with Mr. Dowell. We also entered into an employment agreement, effective January 1, 2015, with Mr. Ruiz. We believe that the terms of the employment agreements provide these executives with day-to-day employment stability, and enable them to properly focus their attention on their duties and responsibilities with the company, thereby promoting productivity.

Potential Payments Upon Termination or Change in Control

The table below reflects the amount of compensation that our named executive officers would be entitled to receive under their employment agreements. The amounts shown assume that such termination was effective as of December 31, 2016, and are only estimates of the amounts that would be paid out to such executives upon termination of their employment. The actual amounts to be paid out can only be determined at the time of such executive's separation from the company. In the event of a termination by the company for cause, or by the executive without good reason, including in connection with a change in control, such executive would not be entitled to any of the amounts reflected in the table and would only be entitled to the standard termination benefits provided under their employment agreement.

(1) A termination of the executive officer's employment due to death or disability entitles the executive officer to benefits under our life insurance and disability insurance plans. In addition, outstanding stock awards that have not yet vested, immediately vest upon the executive officer's termination of employment due to death or disability.

(2) The amounts shown in this row do not include any accrued salary, earned but unpaid bonuses, accrued but unused vacation pay or the distribution of benefits from any tax-qualified retirement or 401(k) plan. Those amounts are payable to our named executive officers upon any termination of their employment, including a termination with cause and a voluntary termination without good reason.

(3) The amounts shown in this row are estimates of the cash payments to be made under the applicable employment agreement based on the annual premiums to be paid by us for health care, life and disability insurance, and other benefits, expected to be provided to each executive officer.

(4) In the event of a change in control, stock awards granted in 2015 and prior years that have not yet vested would generally become fully vested regardless of whether the executive's employment is terminated. In the event of a change in control, stock awards granted in 2016 that have not yet vested would only become fully vested if the stock award is not assumed by, or a substitute award granted by, the surviving entity and the executive remains continually employed until the change of control date. The table above assumes that all shares that have not yet vested on a change of control would become fully vested.

(5) The employment agreements with our named executive officers do not provide an indemnification or gross-up payment for the parachute payment excise tax under Sections 280G and 4999 of the Code. The employment agreements instead provide that the severance and any other payments or benefits that are treated as parachute payments under the Code will be reduced to the maximum amount that can be paid without an excise tax liability. The parachute payments will not be reduced, however, if the executive will receive greater after-tax benefits by receiving the total or unreduced benefits (after taking into account any excise tax liability payable by the executive). The amounts shown in the table assume that the executive officer will receive the total or unreduced benefits.

AUDIT COMMITTEE REPORT

The Audit Committee (Audit Committee) of the Board of Directors (Board) of Summit Hotel Properties, Inc. (Company) oversees the Company s financial reporting process on behalf of the Board, in accordance with the Audit Committee charter. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited consolidated financial statements included in the Company s Annual Report on Form 10-K for the year ended December 31, 2016 (Annual Report), and discussed with management the quality, not just the acceptability, of the Company s accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also reviewed and discussed with management the Company s year-end earnings release.

The Audit Committee reviewed with the independent registered public accountants, who are responsible for expressing an opinion on the conformity of the Company s audited consolidated financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company s accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. In addition, the Audit Committee has discussed with the independent registered public accountants the auditors independence, the matters required to be discussed by Statement on Auditing Standards No. 61, as adopted by the Public Company Accounting Oversight Board in Rule 3200T, and discussed and received the written disclosures and the letter from the independent registered public accountants required by the Public Company Accounting Oversight Board regarding the independent auditors communications with the Audit Committee concerning independence.

The Audit Committee discussed with the Company s independent registered public accountants the overall scope and plans for their audit. The Audit Committee met four times in person and three times telephonically in 2016, with the independent registered public accountants, with and without management present, to discuss the results of their examinations, their evaluations of the Company s internal controls and the overall quality of the Company s financial reporting. The Audit Committee held meetings with management prior to the filing of each of the Company s Quarterly Reports on Form 10-Q with the Securities and Exchange Commission (SEC) and the release to the public of its quarterly earnings, and reviewed and discussed with management the Company s Quarterly Reports on Form 10-Q and its quarterly earnings releases.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board approved) that the audited consolidated financial statements be included in the Company s Annual Report.

The Audit Committee is also responsible for monitoring the Company s procedures for compliance with the rules for taxation as a real estate investment trust under Sections 856-860 of the Internal Revenue Code of 1986 as amended (Code). The Audit Committee determined that the Company was in compliance with the Code for 2016.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accountants. Accordingly, the Audit Committee s oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee s considerations and discussions referred to above do not assure that the audit of the Company s financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Ernst & Young, LLP, the Company s independent registered public accounting firm for the year ended December 31, 2016, was in fact independent.

Table of Contents

The Audit Committee has adopted a written charter that outlines certain specified responsibilities of the Audit Committee and complies with the rules of the SEC and the New York Stock Exchange (NYSE).

Each of the Audit Committee members is independent as defined by the NYSE listing standards and each member is financially literate. The Board has identified Bjorn R. L. Hanson, Jeffrey W. Jones and Kenneth J. Kay as audit committee financial experts within the meaning of the SEC rules.

OTHER INFORMATION

Discretionary Voting Authority

We do not anticipate that any matter other than the proposals set out in this proxy statement will be raised at the Annual meeting. If any other matters are properly presented at the Annual meeting, the persons named as proxies will have discretion to vote on those matters according to their discretion.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors, and any person who owns more than ten percent of our common stock, to file with the SEC initial reports of beneficial ownership and certain changes in that beneficial ownership, with respect to our equity securities. We prepare and file these reports on behalf of our directors and executive officers. During 2016, all Section 16(a) reporting requirements applicable to our directors and executive officers were satisfied, except Mr. Aniszewski amended a Form 4 previously filed on February 15, 2011, to report options granted to Mr. Aniszewski at the time of our initial public offering, which were inadvertently omitted from such original Form 4 and Mr. Hansen filed a Form 5 to report options granted to Mr. Hansen at the time of our initial public offering, which were inadvertently not reported at the time of our initial public offering.
