Item 1.01.

Entry into a Material Definitive Agreement.

On July 28, 2008, Gran Tierra Energy, Inc., a Nevada corporation (“Gran Tierra”), entered into a definitive arrangement agreement (the “Arrangement Agreement”) with Solana Resources Limited, an Alberta corporation (“Solana”), providing for the acquisition of all of the outstanding shares of Solana common stock pursuant to a statutory plan of arrangement under Canadian law (the “Arrangement”).

Under the terms of the Arrangement Agreement, which has been unanimously supported by the boards of directors of both companies, in exchange for each share of Solana common stock held, Solana shareholders will receive either (a) .9527918 of a share of Gran Tierra common stock or (b) .9527918 of a share of the common stock of a Canadian subsidiary of Gran Tierra (“Exchangeable Share”) which Exchangeable Share may be exchanged for one share of Gran Tierra common stock at the election of the holder for a period of five years.

As an inducement for each party to enter into the Arrangement Agreement, contemporaneously with the execution of the Arrangement Agreement, certain directors and officers of Solana and Gran Tierra, entered into the forms of Shareholder Support Agreement Respecting the Arrangement Involving Solana Resources Limited, Gran Tierra Energy Inc. and Gran Tierra Exchangeco Inc. in substantially the forms attached hereto as Exhibits 10.1 and 10.2 (the “Support Agreements”). Pursuant to the Support Agreements, each of the parties thereto agreed, among other things, to vote all of his shares of common stock held in the respective company: (a) in favor of the adoption of the Arrangement Agreement; and (b) generally against any action or agreement that is intended, or would reasonably be expected, to delay, prevent or adversely affect the Arrangement. The Support Agreements become terminable upon any termination of the Arrangement Agreement in accordance with their terms and certain other circumstances set forth therein.

The Arrangement, which is expected to close in the fourth quarter of 2008, is subject to United States and foreign regulatory approvals, approval by shareholders of both companies and other customary conditions. The Arrangement Agreement also contains mutual representations and warranties of the parties covering customary matters. Each of the parties also makes various covenants in the Arrangement Agreement, including those requiring the parties to use reasonable efforts to consummate the transaction and prohibiting the parties from taking certain actions that would impede the consummation of the transaction.

The Arrangement Agreement may be terminated by either Gran Tierra or Solana under certain circumstances set forth in the Arrangement Agreement, including, among other circumstances, the failure of the Plan of Arrangement to be consummated on or before November 15, 2008, the failure of Solana securityholders to approve the Plan of Arrangement, the failure of the Gran Tierra stockholders to approve the issuance of shares contemplated by the Plan of Arrangement, and the failure to obtain the necessary regulatory approvals. If the Arrangement Agreement is terminated (a) in certain circumstances following the receipt by Solana of a superior proposal, or (b) as a result of Solana board of directors changing its recommendation in favor of the Plan of Arrangement, the Arrangement Agreement or the transactions contemplated by the Arrangement Agreement, Solana will be obligated to pay a termination fee to Gran Tierra in the amount of \$21 million. If the Arrangement Agreement is terminated as a result of Gran Tierra board of directors changing its approval or recommendation of the Arrangement Agreement, the Plan of Arrangement and the other transactions contemplated by the Arrangement Agreement, Gran Tierra will be obligated to pay a termination fee to Solana in the amount of \$21 million. A party to the Arrangement Agreement may recover up to \$1.5 million of its expenses in the event of a failure to satisfy a certain condition in the Arrangement Agreement.

The foregoing description of the Arrangement Agreement does not purport to be complete and is qualified in its entirety by reference to the Arrangement Agreement, which is filed as Exhibit 2.1 hereto and incorporated into this report by reference.
