Item 2.02 Results of Operations and Financial Condition

On March 28, 2011, WidePoint Corporation (the “Registrant”) issued a press release announcing certain financial results for the quarter and year ended December 31, 2010, which press release inadvertently contained certain errors. On that same day, the Registrant issued a correcting press release (the “Issued Press Release”) that contained revised financial results for the quarter and year ended December 31, 2010, which Issued Press Release inadvertently contained information that differs from the information reported in the Registrant’s Annual Report on Form 10-K, as filed with the Securities and Exchange Commission on March 29, 2011. A copy of a final corrected press release (the “Corrected Press Release”) is furnished herewith as Exhibit 99.1 to this Current Report on Form 8-K, which Corrected Press Release corrects errors previously contained in the Issued Press Release and consistently reports the results of operations as reported on the Registrant’s Annual Report on Form 10-K as filed with the Securities and Exchange Commission on March 29, 2011.

The Issued Press Release reported that the Registrant ended fiscal year 2010 with \$5.6 million in working capital, whereas the Corrected Press Release reports that the Registrant ended fiscal year 2010 with \$6.0 million in working capital. The Issued Press Release reported that shareholders’ equity increased to \$23.8 million at December 31, 2010, whereas the Corrected Press Release reports that shareholders’ equity increased to \$22.0 million at December 31, 2010. The Issued Release reported total current assets for December 31, 2010 as \$17,144,201 instead of \$17,557,002, and deferred income tax asset, net as \$3,529,506, instead of characterizing this as non-current deferred income tax asset, net, at an amount equal to \$3,116,705. The Corrected Press Release corrects these inadvertent errors and adds disclosure regarding current deferred income tax asset amounts of \$412,801 for December 31, 2010 and zero for December 31, 2009.

In addition, on March 28, 2011, the Registrant conducted a conference call to discuss its financial results for the quarter and year ended December 31, 2010. A copy of the transcript of such conference call is furnished herewith as Exhibit 99.2 to this Current Report on Form 8-K.
