PROXY STATEMENT
FOR 2011 ANNUAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We are sending you this proxy statement and the enclosed proxy card because the board of directors of Vuzix Corporation (“Vuzix”, the “Company”, “we”, “our”, “us”) is soliciting your proxy to vote at the 2011 Annual Meeting of Stockholders. We invite you to attend the annual meeting and request that you vote on the proposals described in this proxy statement. The meeting will be held on Wednesday, June 29, 2011 at 11:30 a.m. (local time) at the Doubletree Hotel in 1111 Jefferson Road, Rochester, New York. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, date, sign and return the enclosed proxy card.

We are mailing this proxy statement, the accompanying proxy card, and our Annual Report to Stockholders for the year ended December 31, 2010 on or about June 2, 2011 to all stockholders of record entitled to vote at the annual meeting.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on May 27, 2011, the record date for the meeting, will be entitled to vote at the annual meeting. On April 29, 2011, there were 156 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on May 27, 2011, your shares of Vuzix common stock were registered directly in your name with our transfer agent, Computershare Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on May 27, 2011, your shares of Vuzix common stock were held in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent on how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a signed letter or other valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote: the election of six (6) directors to serve until the 2012 Annual Meeting of Stockholders, and the ratification of the selection of EFP Rotenberg, LLP as our independent registered public accounting firm for the year ending December 31, 2011. Our board of directors does not intend to bring any other matters before the meeting and is not aware of anyone else who will submit any other matters to be voted on. However, if any other matters properly come before the meeting, the people named on the proxy card, or their substitutes, will be authorized to vote on those matters in their own judgment.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of May 27, 2011.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares entitled to vote are present at the meeting. Your shares are counted as present at the meeting if:

- You are present and vote in person at the meeting; or
- You have properly submitted a proxy card.

Your shares will be counted towards the quorum only if you submit a valid proxy or vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How do I vote?

The procedures for voting are set forth below:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person if you have already voted by proxy.

- To vote in person, come to the annual meeting and we will give you a ballot when you arrive.
- To vote using the proxy card, simply complete, date and sign the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you hold your shares in "street name" and thus are a beneficial owner of shares registered in the name of your broker, bank or other agent, you must vote your shares in the manner prescribed by your broker or other nominee. Your broker or other nominee has enclosed or otherwise provided a voting instruction card for you to use in directing the broker or nominee how to vote your shares. Check the voting form used by that organization to see if it offers internet or telephone voting. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How are votes counted?

You may either vote "FOR" or "WITHHOLD" authority to vote for each nominee for the board of directors. You may vote "FOR", "AGAINST" or "ABSTAIN" on any other proposals.

If you submit your proxy but abstain from voting or withhold authority to vote on one of more matters, your shares will be counted as present at the meeting for the purpose of determining a quorum. Your shares also will be counted

Edgar Filing: Vuzix Corp - Form DEF 14A

as present at the meeting for the purpose of calculating the vote on the particular matter with respect to which you abstained from voting or withheld authority to vote.

If you abstain from voting on a proposal, your abstention has the same effect as a vote against that proposal, except, however, an abstention has no effect on the election of directors.

4

If you hold your shares in street name and do not provide voting instructions to your brokerage firm, it may still be able to vote your shares with respect to certain “discretionary” (or routine) items, but it will not be allowed to vote your shares with respect to certain “non-discretionary” items. In the case of non-discretionary items, for which no instructions are received, the shares will be treated as “broker non-votes”. Shares that constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum, but will not be considered entitled to vote on the proposal in question. Your broker does not have discretionary authority to vote shares for the election of directors but will have discretionary authority to vote on the proposal relating to the ratification of the selection of the accounting firm. As a result, if you do not vote your street name shares, your broker has the authority to vote on your behalf with respect to Proposal 2 (the ratification of the selection of the accounting firm), but not with respect to Proposal 1 (the election of directors). We encourage you to provide instructions to your broker to vote your shares for the director nominees.

How many votes are needed to approve each Proposal?

- Proposal 1 - Election of directors

Directors are elected by a plurality of the votes represented by the shares of common stock present at the meeting in person or by proxy.

This means that the six (6) director nominees with the most affirmative votes will be elected. Withheld votes, abstentions and broker non-votes will have no effect.

- Proposal 2 – Ratification of the selection of EFP Rotenberg, LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2011.

Approval is by the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Abstentions are counted and have the effect of a vote against the proposal because abstentions are deemed to be present and entitled to vote but are not counted toward the affirmative vote required to approve such proposal. Broker non-votes will not be entitled to vote on this proposal. Therefore, under applicable Delaware law, broker non-votes will have no effect on the number of affirmative votes required to adopt such proposal.

What if I return a proxy card but do not make specific choices? What are the recommendations of our board of directors?

If you return a signed and dated proxy card without marking any voting selections, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the board of directors. The board’s recommendation is set forth together with the description of each proposal in this proxy statement. In summary, the board recommends a vote:

- for election of the nominated slate of directors (see Proposal 1); and
- for ratification of EFP Rotenberg, LLP as the independent registered public accounting firm for the year ending December 31, 2011 (see Proposal 2).

With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the board of directors or, if no recommendation is given, in their own discretion.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are a stockholder of record, you may revoke your proxy in any one of three ways:

- You may submit another properly completed proxy card with a later date.

- You may send a written notice that you are revoking your proxy to Corporate Secretary, Vuzix Corporation, 75 Town Centre Drive, Rochester, New York 14623.
- You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

If you hold your shares in street name, contact your broker or other nominee regarding how to revoke your proxy and change your vote.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the quarter ending June 30, 2011.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, date, sign and return each proxy card to ensure that all of your shares are voted.

Who is paying for this proxy solicitation?

Vuzix will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors, officers and employees may also solicit proxies in person, by telephone, or by other means of communication. We will not pay our directors, officers and employees any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

When are stockholder proposals due for next year's annual meeting?

At our annual meeting each year, our board of directors submits to stockholders its nominees for election as directors. In addition, the board of directors may submit other matters to the stockholders for action at the annual meeting.

Our stockholders also may submit proposals for inclusion in the proxy material. These proposals must meet the stockholder eligibility and other requirements of the Securities and Exchange Commission (the "SEC"). To be considered for inclusion in next year's proxy materials, you must submit your proposal in writing by February 3, 2012 to our Corporate Secretary, Vuzix Corporation, 75 Town Centre Drive, Rochester, New York 14623.

In addition, our by-laws provide that a stockholder may present from the floor a proposal that is not included in the proxy statement if the stockholder delivers written notice to our Corporate Secretary not earlier than 120 days and not later 90 days before the first anniversary of the preceding year's annual meeting. The notice must set forth your name, address and number of shares of stock you hold, a description of the business to be brought before the meeting, the reasons for conducting such business at the annual meeting, any material interest you have in the proposal, and such other information regarding the proposal as would be required to be included in a proxy statement. We have received no such notice for the 2011 annual meeting. For the 2012 annual meeting of stockholders, written notice must be delivered to our Corporate Secretary at our principal office, 75 Town Centre Drive, Rochester, New York 14623, between March 2, 2012 and April 1, 2012, 2012.

Our by-laws also provide that if a stockholder intends to nominate a candidate for election as a director, the stockholder must deliver written notice of such intent to our Corporate Secretary. The notice must be delivered not earlier than 120 days and not later 90 days before the first anniversary of the preceding year's annual meeting. The notice must set forth your name and address and number of shares of stock you own, the name and address of the person to be nominated, a description of all arrangements or understandings between such stockholder and each nominee and any other person (naming such person) pursuant to which the nomination is to be made by such stockholder, the nominee's business address and experience during the past five years, any other directorships held by the nominee, the nominee's involvement in certain legal proceedings during the past ten years and such other information concerning the nominee as would be required to be included in a proxy statement soliciting proxies for the election of the nominee. In addition, the notice must include the consent of the nominee to serve as a director if elected. We have received no such notice for the 2011 annual meeting. For the 2012 annual meeting of stockholders, written notice must be delivered to our Corporate Secretary at our principal office, 75 Town Centre Drive, Rochester, New York 14623, between March 2, 2012 and April 1, 2012.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC reports of ownership and changes in ownership of common stock and our other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. LC Capital Master Fund, Ltd acquired beneficial ownership of 15.0 % of our common stock on December 23, 2010 as was reported by its filing with the SEC on Schedule 13D.

SEC regulations require us to identify any one who filed a required report late during the most recent fiscal year. Based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required during the year ended December 31, 2010, we believe that, during 2010, all of our directors and executive officers complied with the reporting requirements of Section 16(a), except for Mr. Russell, who filed one late report disclosing one transaction, and Mr. Lee, who filed one late report disclosing three transactions.

PROPOSAL 1 ELECTION OF DIRECTORS

The number of directors is established by the board and is currently fixed at six (6). At this annual meeting, six (6) persons will be nominated as directors. Messrs. Travers, Russell, Lee and Zammataro were elected by the stockholders at the last annual meeting. Messrs. Conway and Cecin were each elected by the board during 2011 and each has been nominated for election as a director by the stockholders for the first time at this annual meeting.

It is intended that the accompanying proxy will be voted in favor of the six (6) persons listed below to serve as directors unless the stockholder indicates to the contrary on the proxy. All nominees have consented to serve if elected. We expect that each of the nominees will be available for election, but if any of them is not a candidate at the time the election occurs, it is intended that such proxy will be voted for the election of another nominee to be designated by the board to fill any such vacancy.

For the election of directors, only proxies and ballots marked "FOR all nominees", "WITHHELD for all nominees" or specifying that votes be withheld for one or more designated nominees are counted to determine the total number of votes cast; votes that are withheld are excluded entirely from the vote and will have no effect. Abstentions will have no effect on the vote for the election of directors. Directors are elected by a plurality of the votes cast. This means that the six (6) nominees who receive the most affirmative votes will be elected.

The term of office of each person elected as a director will continue until the next annual meeting or until his or her successor has been elected and qualified, or until the director's death, resignation or removal.

The Board of Directors unanimously recommends a vote FOR the election as directors the nominees listed below.

Information Regarding the Board and its Committees

Director Meeting and Attendance

During 2010, our board held three (3) in-person regular meetings and acted seven (7) times by unanimous written consent. In addition, the directors considered Company matters and had frequent communication with each other apart from the formal meetings.

Board Independence

Our board has determined that each of our directors other than Mr. Travers and Mr. Russell is an independent director as defined by Rule 10A-3 promulgated by the Securities and Exchange Act pursuant to the Securities Exchange Act of 1934, as amended. We believe that we are compliant with the independence criteria for boards of directors under

applicable laws and regulations. The board may meet independently of management as required. Although they are permitted to do so, the independent directors have not held regularly scheduled meetings at which non-independent directors and members of management are not in attendance.

Board Committees

We have an audit committee, a compensation committee and a nominating committee.

Audit Committee

Our audit committee consists of William Lee, Kathryn Sayko and Bernard Perrine, each of whom is a non-employee director. Mr. Lee is the chairperson of our audit committee. Our board of directors has determined that each member designee of our audit committee is an independent director as defined by Rule 10A-3 promulgated by the Securities and Exchange Act pursuant to the Securities Exchange Act of 1934, as amended and meets the requirements of financial literacy under SEC rules and regulations. Mr. Lee serves as our audit committee financial expert, as defined under SEC rules. Our audit committee met four (4) times during 2010.

Our audit committee is responsible for, among other things:

- selecting and hiring our independent auditors, and approving the audit and non-audit services to be performed by our independent auditors;
 - evaluating the qualifications, performance and independence of our independent auditors;
- monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;
 - reviewing the adequacy and effectiveness of our internal control policies and procedures;
- discussing the scope and results of the audit with the independent auditors and reviewing with management and the independent auditors our interim and year-end operating results; and
 - preparing the audit committee report that the SEC requires in our annual proxy statement.

Our board of directors has adopted a written charter for our audit committee, which is available on our website (www.vuzix.com).

Compensation Committee

Our compensation committee consists of Kathryn Sayko, Bernard Perrine and Frank Zammataro, each of whom is a non-employee director. Ms. Sayko is the chairperson of our compensation committee. Our board of directors has determined that each member designee of our compensation committee is an independent director as defined by Rule 10A-3 promulgated by the Securities and Exchange Act pursuant to the Securities Exchange Act of 1934, as amended. Our compensation committee met once in 2010.

Our compensation committee is responsible for, among other things:

- reviewing and approving compensation of our executive officers including annual base salary, annual incentive bonuses, specific goals, equity compensation, employment agreements, severance and change in control arrangements, and any other benefits, compensation or arrangements
 - reviewing and recommending compensation goals, bonus and stock compensation criteria for our employees;
- preparing any compensation committee report required by the rules of the SEC to be included in our annual proxy statement; and
 - administering, reviewing and making recommendations with respect to our equity compensation plans.

Our compensation committee may not delegate any of its authority to any other person. No compensation consultant was engaged to determine or recommend the amount or form of compensation paid to our executive officers in 2010. The compensation paid to our named executive officers for 2010 was determined by the employment agreements we entered into with those executives in August 2007. See “Compensation of Named Executive Officers and Directors – Employment Agreements.”

Our board of directors has adopted a written charter for our compensation committee, which is available on our website (www.vuzix.com).

Nominating Committee

Our nominating committee consists of William Lee and Frank Zammataro, each of whom is a non-employee member of our board of directors. Mr. Zammataro is the chairperson of our nominating committee. Our board of directors has determined that each member designee of our nominating committee is an independent director as defined by Rule 10A-3 promulgated by the Securities and Exchange Act pursuant to the Securities Exchange Act of 1934, as amended. Our board of directors has adopted a written charter for our nominating committee, which is available on our website (www.vuzix.com). Our nominating committee met once in 2010.

Nominating Process

The process followed by the nominating and governance committee to identify and evaluate candidates includes requests to board members, the chief executive officer, and others for recommendations, meetings from time to time to evaluate any biographical information and background material relating to potential candidates and their qualifications, and interviews of selected candidates. Nominations of persons for election to our board may be made at a meeting of stockholders only (i) by or at the direction of the board; or (ii) by any stockholder who has complied with the notice procedures set forth in our bylaws and in the section entitled “Questions and Answers About This Proxy Material and Voting – When are stockholder proposals due for next year’s annual meeting?” In addition, stockholders who wish to recommend a prospective nominee for the nominating and governance committee’s consideration should submit the candidate’s name and qualifications to Secretary, 75 Town Centre Drive, Rochester, New York 14623.

In evaluating the suitability of candidates to serve on the board of directors, including stockholder nominees, the nominating and governance committee seeks candidates who are independent as defined by Rule 10A-3 promulgated by the Securities and Exchange Act pursuant to the Securities Exchange Act of 1934, as amended and meet certain selection criteria established by the committee. The committee also considers an individual’s skills, character and professional ethics, judgment, leadership experience, business experience and acumen, familiarity with relevant industry issues, and other relevant criteria that may contribute to our success. This evaluation is performed in light of the skill set and other characteristics that would most complement those of the current directors, including the diversity, maturity, skills and experience of the board as a whole. The board seeks the best director candidates based on the skills and characteristics required without regard to race, color, national origin, religion, disability, marital status, age, sexual orientation, gender, gender identity and expression, or any other basis protected by federal, state or local law.

Corporate Governance and Related Matters

Board Leadership Structure

Our board is responsible for the selection of the chairman of the board and the chief executive officer. Our board does not have a policy on whether or not the roles of chief executive officer and chairman should be separate and, if they are to be separate, whether the chairman should be selected from the non-employee directors or be an employee. Currently our chief executive officer acts as chairman. Our board believes that Paul J. Travers, our founder and chief executive officer, is best situated to act as chairman of the board because he is the director most familiar with the Company’s business and industry and is therefore best able to identify the strategic priorities to be discussed by the board.

Our board believes that the most effective board structure is one that emphasizes board independence and ensures that the board's deliberations are not dominated by management. Six of our eight current directors qualify as independent directors within the meaning of Rule 10A-3 promulgated by the Securities and Exchange Act pursuant to the Securities Exchange Act of 1934, as amended). Each of our standing board committees is comprised of only independent directors, including our nominating committee, which is charged with annually evaluating and reporting to the board on the performance and effectiveness of the board. Our board has not appointed a lead independent director.

Our Board's Role in Risk Oversight

Our management is responsible for risk management on a day-to-day basis. The role of our board and its committees includes overseeing the risk management activities of management. Our board oversees our risk management processes directly and through its committees. The audit committee assists the board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and discusses policies with respect to risk assessment and risk management, including guidelines and policies to govern the process by which our exposure to risk is handled. The compensation committee assists the board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The nominating committee assists the board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure and succession planning for our directors.

Code of Ethics

Our board of directors has adopted a written code of ethics, the Code of Business Conduct and Ethics, which applies to all of our directors, officers (including our chief executive officer and chief financial officer) and employees.

We make available to the public various corporate governance information on our website (www.vuzix.com) under "Investors – Corporate Governance." Information on our website includes our Code of Business Conduct and Ethics, the Audit Committee Charter, the Compensation Committee Charter, the Nominating Committee Charter, and our Insider Trading Policy. Information regarding any amendments to, or waiver from, the Code of Business Conduct and Ethics will also be posted on our website.

Communications with the Board of Directors

Stockholders and other parties may communicate directly with the board of directors or the relevant board member by addressing communications to:

[Name of director(s) or Board of Directors]
Vuzix Corporation
c/o Corporate Secretary
75 Town Centre Drive

All stockholder correspondence will be compiled by our corporate secretary and forwarded as appropriate.

Director Attendance at Annual Meetings

We have scheduled a board of directors meeting in conjunction with our annual meeting of stockholders and, while we do not have a formal policy regarding attendance at annual meetings, we as a general matter expect that the directors will attend the annual meeting. Five of the six direct nominees for 2010 attended our 2010 annual meeting.

PROPOSAL 2 RATIFICATION OF THE SELECTION OF THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2011

The audit committee has selected the accounting firm of EFP Rotenberg, LLP to serve as the Company's independent registered public accounting firm for the year ending December 31, 2011. EFP Rotenberg, LLP (and its predecessor,

Rotenberg & Co., LLP) has served as the Company's independent registered public accounting firm since August 2009 and is considered by the audit committee, the board and management of the Company to be well qualified. The stockholders are being asked to ratify the audit committee's appointment of EFP Rotenberg, LLP. If the stockholders fail to ratify this appointment, the audit committee may, but is not required to, reconsider whether to retain that firm. Even if the appointment is ratified, the audit committee in its discretion may direct the appointment of a different accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders. A representative of EFP Rotenberg, LLP will be present at the annual meeting and will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

Fees Paid to EFP Rotenberg, LLP

The following table shows the fees that were billed by EFP Rotenberg, LLP for professional services rendered in 2010 and 2009.

All Other Fees (3)	\$ 0	\$ 26,000
Total EFP Rotenberg, LLP Fees	\$ 100,500	\$ 185,000

(1) Audit fees primarily represent amounts billed for the audit of our annual consolidated financial statements for such fiscal year and quarterly reviews of our consolidated financial statements.

(2) Audit-related fees represent fees for services rendered in connection with the comfort letter delivered to our underwriters in connection with our initial public offering.

(3) All other fees in 2009 were for services rendered in connection with the preparation of a prospectus and responses to SEC comments thereon in connection with our initial public offering.

Pre-Approval of Fees by Audit Committee

In accordance with applicable laws, rules and regulations, our audit committee charter and pre-approval policies established by the audit committee require that the audit committee review in advance and pre-approve all audit and permitted non-audit fees for services provided to us by our independent registered public accounting firm. The services performed by, and the fees to be paid to, EFP Rotenberg, LLP in 2010 were approved by the Audit Committee, then consisting of Messrs. Lee and Perrine and Ms. Sakyo.

Independence Analysis by Audit Committee

The audit committee has considered whether the provision of the services described above was compatible with maintaining the independence of EFP Rotenberg, LLP and determined that the provision of such services was compatible with such firm's independence. For each of 2010 and 2009, EFP Rotenberg, LLP provided no services other than those services described above.

Required Vote

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter is needed to ratify the appointment of EFP Rotenberg, LLP as our independent registered public accounting firm for the year ending December 31, 2011. Under Delaware law, an abstention will have the same legal effect as a vote against the ratification of EFP Rotenberg, LLP, and broker non-votes will have no effect on the outcome of the ratification of the independent registered public accounting firm.

The Audit Committee and our Board of Directors unanimously recommend that the stockholders vote FOR ratification of the appointment of EFP Rotenberg, LLP as our independent registered public accounting firm for the year ending December 31, 2011.

AUDIT COMMITTEE REPORT¹

Membership and Role of Audit Committee

The audit committee of our board is responsible for providing independent, objective oversight and review of our accounting functions, internal controls and financial reporting process. Currently, the audit committee is comprised of Messrs. Lee and Perrine and Ms. Sayko. The audit committee operates pursuant to a written charter adopted by the board of directors in December 2009 and may be found on our website www.vuzix.com under the “Investors-Corporate Governance” section. We believe that each of the members of the audit committee is independent as defined by applicable laws and regulations.

Management has the primary responsibility for the financial statements and the reporting process, including our system of internal controls, and for the preparation of the consolidated financial statements in accordance with generally accepted accounting principles. Our independent accountants are responsible for performing an independent audit of those financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The audit committee’s responsibility is to monitor and oversee these processes on behalf of the board. The members of the audit committee are not professional accountants or auditors and their functions are not intended to duplicate or certify the activities of management and the independent auditors.

Review of our Audited Financial Statements

In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements in our Annual Report on Form 10-K with management and discussed the quality and acceptability of our accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in our financial statements.

The audit committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and acceptability of our accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards, including the Statement on Auditing Standards No. 61 (Communications with Audit Committees). In addition, the audit committee has discussed with the independent auditors the auditors’ independence from management and us, including the matters in the written disclosures required by Independence Standards Board Standard No. 1 (Independent Discussions with Audit Committees), which were submitted to us, and considered the compatibility of non-audit services with the auditors’ independence.

The audit committee discussed with our independent auditors the overall scope and plans for their audit. The audit committee met with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of our internal controls, and the overall quality of our financial reporting.

¹The material in this report is not deemed to be “soliciting material,” or to be “filed” with the Securities and Exchange Commission and is not to be incorporated by reference in any of our filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in any such filings.

In reliance on these reviews and discussions, the audit committee recommended to our board of directors (and our board has approved) that our audited financial statements for the year ended December 31, 2010 be included in the Annual Report on Form 10-K for the year ended December 31, 2010 for filing with the Securities and Exchange Commission.

The audit committee selects the Company's independent registered public accounting firm annually and has submitted such selection for the year ending December 31, 2011 for ratification by stockholders at the Company's annual meeting.

Grant Russell

On August 1, 2007, we entered into an employment agreement with Grant Russell providing for his continued service as our Chief Financial Officer and Executive Vice President. Under the agreement, Mr. Russell is entitled to an initial annual base salary of \$275,000 or such greater amount as shall be determined by the board of directors. Mr. Russell has agreed to defer \$100,000 of his salary for 2010. Payment of such allowance is deductible by us for federal income tax purposes in the same manner as cash compensation. Mr. Russell is subject to certain restrictive covenants under the agreement, including a covenant not to compete for 24 months after his termination for any reason other than by him for good reason or by us without cause and for 48 months after his termination if such termination results in our obligation to pay him the change of control payment described below.

Potential Payments upon Termination or Change in Control

This section sets forth information regarding compensation and benefits that each of the named executive officers would receive in the event of a change in control (as defined in the applicable employment agreement) or in the event of termination of employment under several different circumstances, including: (1) termination by Vuzix for cause (as defined in the applicable employment agreement); (2) a voluntary termination by the named executive officer; (3) termination by the named executive officer for good reason (as defined in the applicable employment agreement); (4) involuntary termination by Vuzix without cause; (5) death; or (6) disability (as defined in the applicable employment agreement).

Under the agreements of both Mr. Travers and Russell: (a) we shall have “cause” to terminate them as a result of their: (i) willfully engaging in conduct which is materially injurious to us; (ii) willful fraud or material dishonesty in connection with their performance as an employee; (iii) deliberate or intentional failure to substantially perform their duties as employees that results in material harm to us; or (iv) conviction for, or plea of nolo contendere to a charge of, commission of a felony; (b) they shall have “good reason” to terminate their employment upon: (i) a material

diminution during the term of the agreements in their duties, responsibilities, position, office or title; (ii) a breach by us of the compensation and benefits provisions of their agreements; (iii) a material breach by us of any other terms of their agreements; or (iv) the relocation of their principal place of business at our request beyond 30 miles from its current location; and (c) they shall be deemed to be “disabled” if they shall be rendered incapable of performing their duties to us by reason of any medically determined physical or mental impairment that can be expected to result in death or that can reasonably be expected to last for a period of either (i) six or more consecutive months from the first date of their absence due to the disability or (ii) nine months during any 12-month period. Any termination by us for cause or by them for good reason is subject to a 30-day notice period and opportunity to cure.

The actual amounts that would be payable in such circumstances can only be determined at the date of termination or upon the change in control. The amounts included below are based on the following:

- We have assumed that the termination event occurred effective as of December 31, 2010, the last day of 2010;
 - We have assumed that the value of our common stock was \$0.065 per share, the US dollar equivalent of the Canadian dollar closing market price (Cdn \$0.065 per share) of our common stock on December 30, 2010, the last trading day of our common stock, and that all unvested options were exercised on December 31, 2010; and

Director Compensation

How Directors are Compensated

Employee directors do not receive additional compensation for serving on the board beyond the compensation they received for serving as our officers, as described under "Executive Compensation."

We use a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the board. In setting non-employee director compensation the board considers the amount of time that directors expend in fulfilling their duties as members of our board and the skill-level we require of members of our board.

(1) The amounts shown in this column represent the dollar amounts recognized for share-based compensation expense for financial statement reporting purposes for stock options granted in 2009 and unvested stock options granted in prior years in accordance with FASB ASC Topic 718 - Stock Compensation, but without giving effect to estimated forfeitures related to service-based vesting conditions. The assumptions used to compute the fair value are disclosed in note 15 (Stock-based Compensation Expense) to our audited financial statements for the fiscal year ended December 31, 2009.

During 2010, no cash director fees were earned by or paid to any non-management member of the board of directors but each of our nonemployee directors was reimbursed for ordinary expenses incurred in connection with attendance at meetings of the board of directors. In the future, to recruit and maintain qualified directors we believe that we will likely have to begin paying annual retainers, board committee membership and board meeting fees. It is not expected that such fees will be paid to any directors who are also our employees.

In connection with the closing of our initial public offering in December 2009, we granted to each of William Lee, Frank Zammataro, Kathryn Sayko and Bernard Perrine, who were new non-employee directors, an option to purchase 300,000 shares of our common stock at an exercise price of \$0.19 per share, the US dollar equivalent of the initial public offering price of our units in Canadian dollars (Cdn\$0.20) based on the closing buying rate of the Bank of Canada on December 7, 2009 (the date immediately prior to the day on which our initial public offering was declared effective by the SEC). These options were 50% vested immediately on grant with the remainder to vest in equal monthly installments over 12 months from the date of grant. Our 2007 option plan provided for each incoming non-employee director to be granted an option to purchase 250,000 shares of our common stock at the fair market value per share as of the date of grant and an annual grant of 125,000 shares of common stock. These options were exercisable at the fair market value of our common stock as of the date of grant and vested, in the case of the initial grant, 50% immediately on grant and the balance ratably, on a monthly basis, over the next 12 months, and in the case of the annual grant, on December 31 in the year granted.

TRANSACTIONS WITH RELATED PERSONS

Since January 1, 2009, we have entered into the following transactions in which our directors, executive officers or holders of more than 5% of our capital stock had or will have a direct or indirect material interest. The following transactions do not include compensation, termination and change-in-control arrangements, which are described under "Management." We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, in arm's-length transactions.

Officer Loan

In October 2002, we entered into a stock purchase agreement with four of our employees, including Grant Russell, our Chief Financial Officer and Executive Vice President, pursuant to which they purchased an aggregate of 32,537,135 shares of common stock at an aggregate purchase price of \$199,260 or \$0.00613 per share. Of these shares, Mr. Russell purchased 9,531,022 shares at an aggregate purchase price of \$58,378. In order to finance the purchase of these shares, we loaned each employee an amount equal to the purchase price for the shares he purchased. Each loan was evidenced by a non-recourse promissory note and was secured by a pledge of the shares purchased. Each loan bore interest at the rate of 6% per annum, and all principal and interest was originally due and payable in September 2007. In September 2007, we extended the maturity date of each note until September 2012. In April 2009, we forgave the entire amount of Mr. Russell's indebtedness under this loan in payment of a one-time bonus in consideration of Mr. Russell's efforts in connection with this offering. At that time, the outstanding principal amount of the note payable by Mr. Russell together with all interest accrued thereon was \$81,046.

Revolving Loans

In October 2008, we entered into a revolving loan agreement with Paul J. Travers, our President and Chief Executive Officer, pursuant to which Mr. Travers agreed to loan us such amounts as we may request and he may agree from time to time until December 31, 2010. Interest accrues on the principal amount outstanding under the agreement at the annual rate of 12.0% and is payable on demand. As security for our obligations under the loan agreement, we granted Mr. Travers a security interest in all of our assets. The principal amount outstanding under this loan agreement as of December 31, 2010 and 2009 was \$215,500. We had intended to repay the entire principal amount outstanding under this agreement, together with all interest accrued thereon, from the proceeds of our initial public offering. We concluded that we did not receive sufficient proceeds from our initial public offering to repay this indebtedness and Mr. Travers has agreed to make no demand for repayment until after January 2, 2011.

In December 2010 we entered into a Convertible Senior Secured Term Loan Agreement, pursuant to which we borrowed \$4,000,000. The loan bears interest at a 12% per annum interest rate. No payments of principal are required in first 12 months of the loan. Beginning on January 13, 2012, the Company is required to make 24 equal monthly payments of \$141,666 each. A final principal payment of \$600,000 is due on December 23, 2014. In connection with the financing, four existing secured lenders who are currently owed \$2,320,980 in principal and accrued interest agreed to subordinate their security interests in favor of the Lender and to extend the period of debt repayments for 24 to 36 months following closing of the Loan transaction. One of the lenders who deferred payment of his debt was Paul Travers, our President and Chief Executive Officer, who deferred payment of the loan referred to above. As of December 23, 2010 the amount of principal and accrued interest due Mr. Travers was \$258,658.20, which was payable on or before December 31, 2010. On December 23, 2010, Vuzix and Mr. Travers agreed that such amount will be payable, together with interest thereon, in thirty-six (36) equal monthly installments of \$8,504.12 each, commencing on January 31, 2011. The entire unpaid amount, and interest accrued thereon, will be due and payable on December 31, 2013. In connection with such deferral, Vuzix issued to Mr. Travers a Warrant to purchase up to 1,034,633 shares of our Common Stock at an exercise price of \$0.09965 per share. That Warrant expires on December 31, 2013.

Payment of Deferred Compensation and Shareholder Loans

In June 2009, we agreed with Mr. Travers and Mr. Russell, our President and Chief Executive Officer, and Executive Vice President and Chief Financial Officer, respectively, that we would pay them outstanding deferred compensation in the aggregate amounts of \$410,096 plus interest at the annual rate of 8.0%, as repayment of \$199,941 loaned to us public offering in 12 equal monthly installments beginning on the first anniversary of the closing of our initial public offering until paid in full. Our initial public offering closed on December 24, 2009. Pursuant to that deferral arrangement, the board of directors amended the terms of these loans to make the principal amounts thereof, and all accrued interest thereon, payable at the options of Mr. Travers and Mr. Russell in shares of our common stock at the rate of \$0.19 per share, the US dollar equivalent of the price in Canadian dollars (Cdn\$0.20) at which we sold units in our initial public offering. Based on the total amounts owed as of December 31, 2010, a total of 4,967,876 shares of common stock would be issued in payment in full of the amounts owed

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and executive officers. Under these agreements we are obligated to indemnify the indemnitee to the fullest extent permitted by applicable law for all reasonable expenses (including attorneys' fees and disbursements), judgments, fines (including excise taxes and penalties) and amounts paid in settlement actually and reasonably incurred by the indemnitee arising out of or connected with the indemnitee's service as a director or officer and indemnitee's service in another capacity at our request or direction. We are also obligated to advance all reasonable and actual expenses incurred by the indemnitee in

connection with any action, suit, proceeding or appeal with respect to which he is entitled to be indemnified upon our receipt of an invoice for such expenses. Our obligation to advance expenses is subject to the indemnitee's execution, upon our request, of an agreement to repay all such amounts if it is ultimately determined that he is not entitled to be indemnified by us under applicable law. If a claim for indemnification under this agreement may not be paid to the indemnitee under applicable law, then in any action in which we are jointly liable with the indemnitee, we are obligated to contribute to the amount of reasonable expenses (including attorneys' fees and disbursements) actually and reasonably incurred by the indemnitee in proportion to the relative benefits received by us and the indemnitee from the transaction from which such action arose, and our relative fault and that of the indemnitee in connection with the events which resulted in such expenses. The rights of an indemnitee under the form of indemnification agreement are in addition to any other rights that the indemnitee may have under our certificate of incorporation or bylaws, any agreement, or any vote of our stockholders or directors. We are not obligated to make any payment under the form of indemnification agreement to the extent payment is actually made to the indemnitee under an insurance policy or any other method outside of the agreement.

OTHER MATTERS

The board of directors knows of no other matters that will be presented for consideration at the annual meeting, but if other matters properly come before the meeting, the persons named as proxies in the enclosed proxy will vote according to their best judgment. Stockholders are requested to date and sign the enclosed proxy and to mail it promptly in the enclosed postage-paid envelope.
